RECOMMENDED MOTION (continued):

3. The owner be ordered to ascertain the existence or non-existence of asbestos containing materials in said structure by survey and materials sample testing through the Industrial Hygiene Specialist of the County Health Department, Division of Special Services; and prior to the abatement ordered in paragraph number two (2) above, to secure the removal and disposal of all asbestos containing materials discovered through such survey and testing by contract with a duly certified and licensed contractor for the handling of such materials to avoid citations and/or fines imposed by the South Coast Air Quality Management District (SCAQMD) pursuant to SCAQMD Rule No. 1403.

4. If the owner or whoever has possession or control of the real property does not take the above described actions within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent of the owner or receipt of a Court Order authorizing entry onto the real property when necessary under applicable law, may abate the substandard structure and contents therein, by removing the same from the real property.

5. The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Riverside County Ordinance No. 725.

6. County Counsel be directed to prepare the necessary Findings of Fact and Conclusions that the substandard structure on the real property are declared to be in violation of Riverside County Ordinance No. 457 and constitute a public nuisance. Further, County Counsel shall prepare an Order to Abate for approval by the Board.

BACKGROUND:

1. An inspection was made on the subject property by Code Enforcement Officer Jeannie Chamberlain on February 1, 2013. The inspection revealed substandard structure (garage) on the subject property in violation of Riverside County Ordinance No. 457. The substandard conditions of the structure included, but were not limited to the following: members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split, or buckle due to defective material or deterioration, dampness of habitable rooms, faulty weather protection, extensive fire damage, public and attractive nuisance- abandoned/vacant.

2. Code Enforcement tried to work with the property owner, however, owner refused to obtain building permits.

3. Follow up inspections of the above-described real property on March 21, 2013, June 6, 2013, September 17, 2013, December 3, 2013 and May 25, 2014, revealed the property continues to be in violation of Riverside County Ordinance No. 457.

4. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for substandard structure.

Impact on Citizens and Businesses

Failure to abate will have a negative impact on citizens or business due to health and safety hazards, nuisance and potential impact on real estate values.
