**BACKGROUND:**

**Summary**

This property represents a small portion of the former La Quinta fire station, having been retained by the County of Riverside along with an appurtenant access easement when the fire station property was transferred to the City of La Quinta in 2009. The approximate 575 square foot ground area and the access easement are leased by the County to an affiliate of Crown Castle, a communication tower operator, who then sub-licenses space on their tower facility to various wireless service providers. The lease currently provides monthly revenue of \$2,962.19 to the County that is channeled into the public safety fund managed by RCIT for benefit of the PSEC communication network.

On May 20, 2014, a Public Hearing was held. Minute Order 9.2 and a sealed bid in the amount of \$500,000 was received from Global Signal Acquisitions IV LLC, a Delaware limited liability, a subsidiary of Crown Castle USA, Inc., parent company of the current Lessee. The Board of Supervisors accepted the bid and instructed the Real Estate Division of the Economic Development Agency to finalize a sale transaction.

The attached Offer and Agreement to Purchase Real Property has been reviewed and approved as to form by County Counsel.

**Impact on Citizens and Businesses**

The sale proceeds will enable the county to better provide services to the community.

## NOTICE OF EXEMPTION

July 3, 2014

**Project Name:** County of Riverside, La Quinta Land Conveyance

**Project Number:** FM0417200225

**Project Location:** Northwest corner of Francis Hack Lane and Deacon Drive, in the City of La Quinta, California. Assessor Parcel Number 770-184-007 Latitude: 33° 40' 16.75" Longitude: -116° 18' 5.01" (See attached exhibits)

**Description of Project:** The County of Riverside intends to convey real property located near the northwest corner of Frances Hack Lane and Deacon Street in La Quinta, in the County of Riverside, by grant deed, to Global Signal Acquisitions IV LLC, a Delaware limited liability company. The property represents a small portion of the former La Quinta fire station, having been retained by the County of Riverside along with an appurtenant access easement when the fire station property was transferred to the City of La Quinta in 2009. The approximate 575 square foot ground area and the access easement are leased by the County to an affiliate of Crown Castle, a communication tower operator, who then sub-licenses space on their tower facility to various wireless service providers. The lease currently provides monthly revenue of \$2,962.19 to the County that is channeled into the public safety fund managed by RCIT for benefit of the Public Safety Enterprise Communication (PSEC) network.

On May 20, 2014, a public hearing was held and a sealed bid in the amount of \$500,000 was received from Global Signal Acquisitions IV LLC, a subsidiary of Crown Castle USA, Inc., and parent company of the current Lessee. The Board of Supervisors accepted the bid and instructed the Real Estate division of the Economic Development Agency to finalize a sale transaction. The change in ownership does not alter the use of the land, increase the intensity of the use of the land, and does not allow any new development of the land.

**Name of Public Agency Approving Project:** County of Riverside, Economic Development Agency

**Name of Person or Agency Carrying Out Project:** County of Riverside, Economic Development Agency

**Exempt Status:** California Environmental Quality Act (CEQA) Guidelines, Section 15312, Sale of Surplus Government Property Exemption and Section 15061, General Rule "Common Sense" Exemption.

**Reasons Why Project is Exempt:** The project is exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause any impacts to scenic resources, historic resources, or unique sensitive environments. Further, no unusual circumstances or potential cumulative

impacts would occur that may reasonably create an environmental impact. The conveyance of real property will not have an effect on the environment; thus, no environmental impacts are anticipated to occur.

- Section 15312 – Sale of Surplus Government Property Exemption. The project as proposed is the sale of real property consisting of approximately 575 square feet of land that has been leased as a wireless communication facility. A sealed bid was received from the purchaser for this property on May 20, 2014. The action does not provide for an increase in use of the land or any development activity and would not result in any physical environmental impacts under CEQA.
- 15061 (b) (3) - General Rule “Common Sense” Exemption. The State CEQA Guidelines provides this exemption based upon the general rule that CEQA only applies to projects with the potential to cause a significant effect on the environment. With certainty, there is no possibility that the proposed project may have a significant effect on the environment. The conveyance of this surplus property will not require any construction activities and would not lead to any direct or reasonably foreseeable indirect physical environmental impacts. The sale of the property does not facilitate any construction activities or an increase in the intensity of use of the site. Therefore, in no way would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed meets all of the required categorical exemptions as identified. No further environmental analysis is warranted.
