FOUND that the project is exempt from CEQA pursuant to California Code of Regulations, Section No. 15301, in that permit will only add the sale of beer and wine within a gas station/convenience market currently under construction in accordance with Conditional Use Permit No. 3620, and will not result in the expansion of building; and,

APPROVED CONDITIONAL USE PERMIT NO. 3620, REVISED PERMIT NO. 1, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the Planning Commission staff report and as modified at the public hearing.

BACKGROUND:

The Revised Permit to the approved Conditional Use Permit proposes to add the sale of beer and wine for off-site consumption (Type 20 ABC License) to a previously approved 24-hour gas station/convenience market with 29 parking spaces on a 1.41 gross acre site. This Conditional Use Permit is only for alcohol sales, and does not cover any other uses.

The Revised Permit, as originally proposed, was for the sale of beer, wine and distilled spirits. However, that proposal was determined to be inconsistent with the development standards set forth in the Ord. No. 348, Section 18.48. C. 5. a. That subsection applies to projects proposing the concurrent sale of motor vehicle fuels and beer and wine for off-premises consumption and states that only beer and wine may be sold. Staff discussed this issue with the applicant who agreed to drop the proposal to sell distilled spirits, and staff has conditioned the Revised Permit to only allow the sale of beer and wine within the gas station/convenience market, and prohibit the sale of distilled spirits.

Additionally, because this Revised Permit only proposes to allow the sale of alcoholic beverages, the construction and operation of the gas station/convenience market will be entitled through the original Conditional Use Permit, and to avoid contradicting conditions of approval it is necessary to the modify the original Use Permit's conditions by deleting Condition 10. Planning. 37 (No Alcoholic Beverages) and modifying Condition 10. Every. 1 (Project Description) by removing the last sentence that states "The project does not propose the sale of beer, wine, or distilled spirits (Alcoholic Beverage Control (ABC) License Type 20 or 21) for off premise consumption."

RE: Additional Information for Agenda Item No. 3.9 – Conditional Use Permit No. 3620, Revised Permit No. 1

Proposed Modifications (Redline-Strikeout) to the Staff Report:

In order to reflect various points of clarification, Planning Staff has prepared a Redline-Strikeout version of this staff report to highlight the proposed changes. They are as follows:

Remove the reference to "Type 21" Alcoholic Beverage Control Board license, and replace it with the term "Type 20" since the sale of distilled spirits concurrent with the sale of motor vehicle fuel is prohibited by Section 18.48 (Alcoholic Beverage Sales), subsection C. 5. a. This will help avoid any possible confusion as to what type of alcoholic beverages may be sold within this gas station/convenience market, and because a Type 20 license only allows the sale of beer and wine for off-premises consumption, it is most appropriate for this set of circumstances.

Remove recommendation regarding finding that no new environmental documents are required, and replace it with a recommendation that a finding be made that the proposal is exempt from CEQA pursuant to California Code of Regulations Section 15301.

Two additional findings (new #8 and new #15) are recommended to be added that provide further clarification that approval of this revised conditional use permit will only add the sale of beer and wine for off premises consumption within a gas station/convenience market and there will be no expansion of the use or the building.

Staff has performed additional research regarding other ABC licensed facilities in the project site's vicinity. Attached to this memo are printouts from the California Alcoholic Beverage Control's License Query System for the Census Tract the project site is located within and the abutting Census Tract to the south. Staff has also prepared a map plotting the locations of these 3 other facilities relative to the project site.

Staff has also received an email from a neighbor who has raised some concerns regarding this proposal. A copy is attached.

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The Conditional Use Permit proposes to add ~~the sale of beer and wine for~~ off-site ~~consumption alcohol~~ sales (Type 2120) to a previously approved 24-hour gas station/convenience market with 29 parking spaces on a 1.41 gross acre site. This Conditional Use Permit is only for alcohol sales, and does not cover any other uses. The proposal, as proposed, is not consistent with the development standards set forth in the Section 18.48. C.5.a., which states that additional development standards apply to concurrent sale of motor vehicle fuels and beer and wine for off-premises consumption. However, staff has discussed this issue with the applicant and has conditioned the use permit to only allow the sale of beer and wine within the gas station/convenience market, and prohibit the sale a distilled spirits.

This Revised Permit will also necessitate the modification of the original Use Permit's conditions of approval by deleting condition 10. Planning. 37 (No Alcoholic Beverages) and modifying condition 10. Every. 1 (Project Description) to remove the last sentence that states "The project does not propose the sale of beer, wine, or distilled spirits (Alcoholic Beverage Control (ABC) License Type 20 or 21) for off premise consumption."

The California Department of Alcoholic Beverage Control has indicated that this project is located in the Census Tract No. 420.09. Within this census tract, four (4) off-sale licenses are permitted without being considered over concentrated. Currently, there is only one (1) off-sale alcohol license issued. Therefore, the total permitted number of off-sale licenses will not be exceeded.

The project site is located in the Community of Mead Valley within the Mead Valley Area Plan of Western Riverside County; more specifically, northerly of Cajalco Road, easterly of Brown Street, westerly of Florence Street, and South of Dawes Street.

BACKGROUND:

Conditional Use Permit No. 3620, Substantial Conformance No. 1 was administratively approved on July 31, 2014 for modifications to the previously approved permit (CUP03620). The approval was for a gasoline station with 9 gas dispensers and consolidation of the commercial spaces to construct a 4,841 square-foot convenience store with five (5) additional parking spaces. Modifications to the building entry and exterior elevations, relocation of the electrical room, and relocation of the restrooms were also approved.

Conditional Use Permit No. 3620 was approved by the Planning Commission on January 18, 2012 permitting construction of a 5,186 square foot gas station with 8 gas dispensers and a single commercial building containing a 2,805 square foot convenience store (7 Eleven) and 1,950 square feet of undesignated retail space with a 1,000 gallon above-ground liquid petroleum gas (LPG) tank and 24 parking spaces on a 1.41 gross acre site.

SUMMARY OF FINDINGS:

- | | |
|---------------------------------------|--|
| 1. Existing Land Use: | Gas Station/Convenience Market |
| 2. Surrounding Land Use: | Vacant land to the north, south and west and commercial to the east. |
| 3. Existing Zoning: | Scenic Highway Commercial (C-P-S) |
| 4. Surrounding Zoning: | Rural Residential - ½ Acre Minimum (R-R-½) to the north and Scenic Highway Commercial (C-P-S) to the south, east and west. |
| 5. General Plan Land Use: | Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) |
| 6. Surrounding General Plan Land Use: | Rural Community: Low Density Residential (RC: LDR) (1/2 Acre Minimum) to the north and Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) to the south, east and west. |
| 7. Project Data: | Total Gross Acreage: 1.41
Total Proposed Number of Buildings: 1
Total Proposed Building Square Footage: 9,941
Total Proposed Parking Spaces: 24 |
| 8. Environmental Concerns: | Exempt from CEQA |

RECOMMENDATIONS:

FIND that the project is exempt from CEQA pursuant to California Code of Regulations Section No. 15301 in that permit will only add the sale of beer and wine within the gas station/convenience market currently under construction in accordance with Conditional Use Permit No. 3620, and will not result in the expansion of building~~NO NEW ENVIRONMENTAL DOCUMENTS ARE REQUIRED because all potentially significant effects on the environment have been adequately analyzed in the previously adopted Mitigated Negative Declaration for ENVIRONMENTAL ASSESSMENT NO. 42150 pursuant to applicable legal standards and have been avoided or mitigated pursuant to that earlier EIR, and none of the conditions described in CEQA Guidelines Section 15162 exist based on the findings and conclusions set forth herein; and,~~

APPROVAL of **CONDITIONAL USE PERMIT NO. 3620, REVISED PERMIT NO. 1**, for beer and wine sales, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings, and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) on the Mead Valley Area Plan.
2. The Community Development: Commercial Retail land use designation allows for off-sale alcohol for commercial retail uses at a neighborhood, community and regional level, as well as for

professional office and tourist-oriented commercial uses. The gasoline station and convenience store are commercial land uses.

3. The project site is surrounded by properties which are designated Rural Community: Low Density Residential (RC: LDR) (1/2 Acre Minimum) to the north and Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) to the south, east and west.
4. The zoning for the subject site is Scenic Highway Commercial (C-P-S).
5. In accordance with Section 9.50. b. (22), the proposed off-sale alcohol is permitted subject to approval of a conditional use permit in the Scenic Highway Commercial (C-P-S) zone.
6. The proposal is consistent with the development standards set forth in the Scenic Highway Commercial (C-P-S) zone.
7. The proposal is not consistent with the development standards set forth in the Section 18.48. C.5.a. which states that additional development standards apply to concurrent sale of motor vehicle fuels and beer and wine for off-premises consumption. However, the use permit has been conditioned to only allow the sale of beer and wine within the gas station/convenience market, and prohibit the sale a distilled spirits.
- 7-8. The approval of this revision to Conditional Use Permit No. 3620 will only allow the sale of beer and wine within the approved, and currently under construction, gas station/convenience market, and will not result in an expansion of the permitted use within said building.
- 8-9. The project site is surrounded by properties which are zoned Rural Residential - 1/2 Acre Minimum (R-R-1/2) to the north and Scenic Highway Commercial (C-P-S) to the south, east and west.
- 9-10. Within the vicinity of the proposed project there is vacant land to the north, south and west and commercial to the east.
- 10-11. There is one (1) Type 21 license existing within in Census Tract No. 420.09 that is active. Currently, there are approximately 1,756 persons per license and with the added license there will be 1,170 persons per license (total of two).
- 11-12. In accordance with Section 18.48. C. 4. the notice of hearing has been given to all owners of property within 1,000 feet of the subject facility.
- 12-13. There are no existing or proposed schools, public park/playground, or religious worship centers within 1,000 feet from the project site.
- 13-14. The proposed project provides public necessity and convenience for the residents of the surrounding community.
15. The project is exempt from CEQA pursuant to Categorical Exemption Section No. 15301 in that issuance, renewal, or amendment of any lease, license or permit to use an existing structure or facility involving negligible or no expansion of use.
- 14-16. The approval of this revised permit, and recommended conditions of approval, are in addition to those conditions approved along with the original Conditional Use Permit.

CONCLUSIONS:

1. The proposed is in conformance with the Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) land use designation, and with all other elements of the Riverside County General Plan.
2. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348, including Section 18.48 (Alcoholic Beverage Sales).
3. The proposed project is compliant with the adopted policies and objectives of the I-215 Corridor Redevelopment Project Area (I-215; Mead Valley sub-area).
4. The proposed project is consistent with the provisions of the 1984 Riverside County Airport Land Use Plan, as applied to March Air Reserve Base.
5. The public's health, safety and general welfare are protected through project design.
6. The proposed project is clearly compatible with the present and future logical development of the area.
7. The proposed project will not have a significant effect on the environment.
8. The proposed project will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

Subject: CUP03620R1 - Public Comment

Importance: High

I met with a gentleman named Mr. Singh (Owner of Mead Valley & Breed's Market/Liquor) on 8/13/14. He had the following comments regarding the proposed alcohol CUP:

1. Mr. Singh attended the PC meeting on 1/18/2012 (CUP03620 hearing) and claims that Mr. Sedrak deceived the Commission by assuring them that he would not apply for off-sale alcohol.
2. Mr. Singh was restricted by Co PD to not sell "singles". If Mr. Sedrak will be allowed to sell "singles" he believes it is not fair.
3. Mr. Singh was restricted by ABC to limit his hours of operation to 2am. He does not feel it is fair that Mr. Sedrak will be allowed to be open 24 hours. He fears that robberies would be more likely if open 24 hours.
4. There are 2 liquor stores within 300 feet of the subject site. He feels that with the additional off-sale license that it would be overconcentration and attract undesirable patrons, crime, and loitering.
5. He states that he attended the Mead Valley MAC also understood that Mr. Sedrak was not intending to apply for off-sale of alcohol.
6. He believes that if Mr. Sedrak is permitted to sell off-sale alcohol, that on-site consumption will alcohol will continue and contribute to drunk driving/loitering.

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The Conditional Use Permit proposes to add off-site alcohol sales (Type 21) to a previously approved 24-hour gas station/convenience market with 29 parking spaces on a 1.41 gross acre site. This Conditional Use Permit is only for alcohol sales, and does not cover any other uses. The proposal, as proposed, is not consistent with the development standards set forth in the Section 18.48. C.5.a., which states that additional development standards apply to concurrent sale of motor vehicle fuels and beer and wine for off-premises consumption. However, staff has discussed this issue with the applicant and has conditioned the use permit to only allow the sale of beer and wine within the gas station/convenience market, and prohibit the sale a distilled spirits.

This Revised Permit will also necessitate the modification of the original Use Permit's conditions of approval by deleting condition 10. Planning. 37 (No Alcoholic Beverages) and modifying condition 10. Every. 1 (Project Description) to remove the last sentence that states "The project does not propose the sale of beer, wine, or distilled spirits (Alcoholic Beverage Control (ABC) License Type 20 or 21) for off premise consumption."

The California Department of Alcoholic Beverage Control has indicated that this project is located in the Census Tract No. 420.09. Within this census tract, four (4) off-sale licenses are permitted without being considered over concentrated. Currently, there is only one (1) off-sale alcohol license issued. Therefore, the total permitted number of off-sale licenses will not be exceeded.

The project site is located in the Community of Mead Valley within the Mead Valley Area Plan of Western Riverside County; more specifically, northerly of Cajalco Road, easterly of Brown Street, westerly of Florence Street, and South of Dawes Street.

BACKGROUND:

Conditional Use Permit No. 3620, Substantial Conformance No. 1 was administratively approved on July 31, 2014 for modifications to the previously approved permit (CUP03620). The approval was for a gasoline station with 9 gas dispensers and consolidation of the commercial spaces to construct a 4,841 square-foot convenience store with five (5) additional parking spaces. Modifications to the building entry and exterior elevations, relocation of the electrical room, and relocation of the restrooms were also approved.

Conditional Use Permit No. 3620 was approved by the Planning Commission on January 18, 2012 permitting construction of a 5,186 square foot gas station with 8 gas dispensers and a single commercial building containing a 2,805 square foot convenience store (7 Eleven) and 1,950 square feet of undesignated retail space with a 1,000 gallon above-ground liquid petroleum gas (LPG) tank and 24 parking spaces on a 1.41 gross acre site.

RECOMMENDATIONS:

FIND that **NO NEW ENVIRONMENTAL DOCUMENTS ARE REQUIRED** because all potentially significant effects on the environment have been adequately analyzed in the previously adopted Mitigated Negative Declaration for **ENVIRONMENTAL ASSESSMENT NO. 42150** pursuant to applicable legal standards and have been avoided or mitigated pursuant to that earlier EIR, and none of the conditions described in CEQA Guidelines Section 15162 exist based on the findings and conclusions set forth herein; and,

APPROVAL of **CONDITIONAL USE PERMIT NO. 3620, REVISED PERMIT NO. 1**, for beer and wine sales, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings, and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) on the Mead Valley Area Plan.
2. The Community Development: Commercial Retail land use designation allows for off-sale alcohol for commercial retail uses at a neighborhood, community and regional level, as well as for professional office and tourist-oriented commercial uses. The gasoline station and convenience store are commercial land uses.

3. The project site is surrounded by properties which are designated Rural Community: Low Density Residential (RC: LDR) (1/2 Acre Minimum) to the north and Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) to the south, east and west.
4. The zoning for the subject site is Scenic Highway Commercial (C-P-S).
5. In accordance with Section 9.50. b. (22), the proposed off-sale alcohol is permitted subject to approval of a conditional use permit in the Scenic Highway Commercial (C-P-S) zone.
6. The proposal is consistent with the development standards set forth in the Scenic Highway Commercial (C-P-S) zone.
7. The proposal is not consistent with the development standards set forth in the Section 18.48. C.5.a. which states that additional development standards apply to concurrent sale of motor vehicle fuels and beer and wine for off-premises consumption. However, the use permit has been conditioned to only allow the sale of beer and wine within the gas station/convenience market, and prohibit the sale a distilled spirits.
8. The project site is surrounded by properties which are zoned Rural Residential - 1/2 Acre Minimum (R-R-1/2) to the north and Scenic Highway Commercial (C-P-S) to the south, east and west.
9. Within the vicinity of the proposed project there is vacant land to the north, south and west and commercial to the east.
10. There is one (1) Type 21 license existing within in Census Tract No. 420.09 that is active. Currently, there are approximately 1,756 persons per license and with the added license there will be 1,170 persons per license (total of two).
11. In accordance with Section 18.48. C. 4. The notice of hearing has been given to all owners of property within 1,000 feet of the subject facility.
12. There are no existing or proposed schools, public park/playground, or religious worship centers within 1,000 feet from the project site.
13. The proposed project provides public necessity and convenience for the residents of the surrounding community.
14. The project is exempt from CEQA pursuant to Categorical Exemption Section No. 15301 in that issuance, renewal, or amendment of any lease, license or permit to use an existing structure or facility involving negligible or no expansion of use.

CONCLUSIONS:

1. The proposed is in conformance with the Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) land use designation, and with all other elements of the Riverside County General Plan.

2. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348, including Section 18.48 (Alcoholic Beverage Sales).
3. The proposed project is compliant with the adopted policies and objectives of the I-215 Corridor Redevelopment Project Area (I-215; Mead Valley sub-area).
4. The proposed project is consistent with the provisions of the 1984 Riverside County Airport Land Use Plan, as applied to March Air Reserve Base.
5. The public's health, safety and general welfare are protected through project design.
6. The proposed project is clearly compatible with the present and future logical development of the area.
7. The proposed project will not have a significant effect on the environment.
8. The proposed project will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).
