BACKGROUND:

Summary

On June 19, 1990, the Board adopted Resolution No. 1990-325, Summarily vacating a portion of Mountain Avenue in the Hemet area which resulted in certain interests of real property to be remnant parcels that the County no longer needed for its purposes. These remnants are owned by the County in fee simple interest identified as Riverside County Assessor's Parcel Numbers 551-200-058 and 551-200-062 consisting of approximately 0.894 total acres of vacant land depicted on Attachment A. On September 3, 1991, the Board adopted Resolution No. 1991-366, Notice of Intention to Sell Real Property and declared the property as no longer needed for public purposes and identified it as surplus to the Transportation Department. On October 1, 1991, the Board approved Resolution No. 1991-367, Authorization to Sell Real Property to Leo and Betty Wesselink. However, the transaction was not finalized and escrow was cancelled in January 1994.

The County desires to dispose of the property and is authorized to do so pursuant to the California Streets and Highways Code Sections 8300 et seq. The sale of the property has been re-negotiated and memorialized in the attached Offer and Agreement to Purchase Real Property with abutting property owners, Leo F. Wesselink and Betty R. Wesselink, Trustees of the Leo F. Wesselink and Betty R. Wesselink 2012 Revocable Trust (Wesselink) at the appraised value of \$35,000 plus an additional \$1,070 for title and escrow fees.

Riverside County Transportation Department staff has conducted a review of the project and found it is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Sections 15312 and 15061(b)(3). The proposed project, only involves the transfer of title to property of a remnant vacant parcel and because it can be seen with certainty that there is no possibility that the activity in question will have a significant effect on the environment. The County's approval of this sale of real property does not create any reasonably foreseeable physical change in the environment. The Notice of Exemption was prepared (Attachment "B") and will be filed with the County Clerk upon approval of the sale.

European Union Users

If you are a citizen of the European Union, please note that we may transfer your Personal Information outside the European Union for use for any of the purposes described in this Privacy Notice. By providing FNF with your Personal Information, you consent to both our collection and such transfer of your Personal Information in accordance with this Privacy Notice.

Choices with Your Personal Information

Whether you submit Personal Information to FNF is entirely up to you. You may decide not to submit Personal Information, in which case FNF may not be able to provide certain services or products to you.

You may choose to prevent FNF from disclosing or using your Personal Information under certain circumstances ("opt out"). You may opt out of any disclosure or use of your Personal Information for purposes that are incompatible with the purpose(s) for which it was originally collected or for which you subsequently gave authorization by notifying us by one of the methods at the end of this Privacy Notice. Furthermore, even where your Personal Information is to be disclosed and used in accordance with the stated purposes in this Privacy Notice, you may elect to opt out of such disclosure to and use by a third party that is not acting as an agent of FNF. As described above, there are some uses from which you cannot opt-out.

Please note that opting out of the disclosure and use of your Personal Information as a prospective employee may prevent you from being hired as an employee by FNF to the extent that provision of your Personal Information is required to apply for an open position.

If FNF collects Personal Information from you, such information will not be disclosed or used by FNF for purposes that are incompatible with the purpose(s) for which it was originally collected or for which you subsequently gave authorization unless you affirmatively consent to such disclosure and use.

You may opt out of online behavioral advertising by following the instructions set forth above under the above section "Additional Ways That Information Is Collected Through the Website," subsection "Third Party Opt Out."

Access and Correction

To access your Personal Information in the possession of FNF and correct inaccuracies of that information in our records, please contact us in the manner specified at the end of this Privacy Notice. We ask individuals to identify themselves and the information requested to be accessed and amended before processing such requests, and we may decline to process requests in limited circumstances as permitted by applicable privacy legislation.

Your California Privacy Rights

Under California's "Shine the Light" law, California residents who provide certain personally identifiable information in connection with obtaining products or services for personal, family or household use are entitled to request and obtain from us once a calendar year information about the customer information we shared, if any, with other businesses for their own direct marketing uses. If applicable, this information would include the categories of customer information and the names and addresses of those businesses with which we shared customer information for the immediately prior calendar year (e.g., requests made in 2013 will receive information regarding 2012 sharing activities).

To obtain this information on behalf of FNF, please send an email message to privacy@fnf.com with "Request for California Privacy Information" in the subject line and in the body of your message. We will provide the requested information to you at your email address in response.

Please be aware that not all information sharing is covered by the "Shine the Light" requirements and only information on covered sharing will be included in our response.

Additionally, because we may collect your Personal Information from time to time, California's Online Privacy Protection Act requires us to disclose how we respond to "do not track" requests and other similar mechanisms. Currently, our policy is that we do not recognize "do not track" requests from Internet browsers and similar devices.

Your Consent to This Privacy Notice

By submitting Personal Information to FNF, you consent to the collection and use of information by us as specified above or as we otherwise see fit, in compliance with this Privacy Notice, unless you inform us otherwise by means of the procedure identified below. If we decide to change this Privacy Notice, we will make an effort to post those changes on the Website. Each time we collect information from you following any amendment of this Privacy Notice will signify your assent to and acceptance of its revised terms for all previously collected information and information collected from you in the future. We may use comments, information or feedback that you may submit in any manner that we may choose without notice or compensation to you.
