BACKGROUND:

Impact on Citizens and Businesses

This service impacts the patients in Riverside County receiving care from Riverside County Regional Medical Center.

Contract History and Price Reasonableness

On July 26, 2011, agenda item 3.2 the Board approved Inland Empire Health Plan (IEHP) as the Third Party Administrator (TPA) to Riverside County's Low Income Health Plan (LIHP). And, on December 18, 2012; agenda item 3.6, the Board approved the first amendment which authorized the change in vendors by IEHP for their 24/7 nurse advise line to nurse response.

Due to the termination of the Riverside County Healthcare LIHP, this Agreement—as recommended by the Health Care Governance Committee authorizes IEHP to provide the County of Riverside with TPA services. This Agreement extends the term of the initial contract effective January 1, 2014 thru December 31, 2014 which details TPA services and the administrative services fees for 2014.

The administrative fee for TPA services is illustrated in the table below:

January 2014 – March 2014	\$15,838 per month
April 2014 – June 2014	\$5,987 per month
July 2014 – September 2014	\$4,249 per month
October 2014 – December 2014	\$2,000 per month
