Prev. Agn. Ref.: 16-1 of 10/21/14 | District: 3/3 | Agenda Number:

3-24

BACKGROUND:

The adoption of Ordinance No. 664.56 will finalize the Board's approval of Development Agreement No. 80 (DA No. 80) for the Project. Per State law, a development agreement is a legislative act that must be approved by ordinance. Ordinance No. 664.56 incorporates by reference and adopts DA No. 80.

As previously advised in agenda item 16-1 of October 21, 2014, DA No. 80 has a term of 30 years and will grant the applicant vesting rights to develop the Project in accordance with the terms of the agreement. DA No. 80 contains terms requiring the applicant to take actions to ensure allocation directly to the County of the sales and use taxes payable in connection with the construction of the solar power plant, to the maximum extent possible under the law, which is a public benefit for the County. DA No. 80 also contains an agreement between the parties with regard to the computation of development impact fees using the surface mining fee category on a Project Area basis as set forth in Section 13 of Ordinance No. 659.

Approval and use of Conditional Use Permit No. 3698 and Public Use Permit No. 921 are conditioned upon Development Agreement No. 80 being entered into and effective.

Since the solar power plant project is less than 20 megawatts, it is exempt from Board of Supervisors Policy No. B-29 regarding solar power plants.

The project is located southerly of Grand Ave, easterly Patterson Ave, and the westerly side of Oxbow Drive. Assessor's Parcel No. 463-040-018.

Impact on Citizens and Businesses

The impacts of processing DA No. 80 and adoption of this ordinance have been evaluated through the environmental review and public hearing process by staff and the Board of Supervisors. The opportunity for public review and comment was provided during the October 21, 2014, public hearing scheduled for this Project and the Board considered any verbal or written testimony provided by the public at that time. Today's action on the adoption of Ordinance No. 664.56 will finalize the Board's approval of Development Agreement No. 80.

Staff labor and expenses to process this project have been paid directly through Diamond Valley's deposit based fees.

Notices given before actual receipt of notice of change shall not be invalidated by any such change.

3. DEVELOPMENT OF THE PROPERTY.

3.1 Rights to Develop. Subject to the terms of this Agreement including the Reservations of Authority, OWNER shall have a vested right to develop the Property in accordance with, and to the extent of, the Development Plan. The Project shall remain subject to all Subsequent Development Approvals required to complete the Project as contemplated by the Development Plan. Except as otherwise provided in this Agreement, the permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings and structures, and provisions for reservation and dedication of land for public purposes shall be those set forth in the Development Plan.

3.2 Effect of Agreement on Land Use Regulations. Except as otherwise provided under the terms of this Agreement including the Reservations of Authority, the rules, regulations and official policies governing permitted uses of the Property, the density and intensity of use of the Property, the maximum height and size of proposed buildings and structures, and the design, improvement and construction standards and specifications applicable to development of the Property shall be the Existing Land Use Regulations. In connection with any Subsequent

Development Approval, COUNTY shall exercise its discretion in accordance with the Development Plan, and as provided by this Agreement including, but not limited to, the Reservations of Authority. COUNTY shall accept for processing, review and action all applications for Subsequent Development Approvals, and such applications shall be processed in the normal manner for processing such matters.

3.3 Timing of Development. The parties acknowledge that OWNER cannot at this time predict when or the rate at which phases of the Property will be developed. Such decisions depend upon numerous factors which are not within the control of OWNER, such as market orientation and demand, interest rates, absorption, completion and other similar factors. Since the California Supreme Court held in Pardee Construction Co. v. City of Camarillo (1984) 37 Cal.3d 465, that the failure of the parties therein to provide for the timing of development resulted in a later adopted initiative restricting the timing of development to prevail over such parties' agreement, it is the parties' intent to cure that deficiency by acknowledging and providing that OWNER shall have the right to develop the Property in such order and at such rate and at such times as OWNER deems appropriate within the exercise of its subjective business judgment, subject only to any timing or phasing requirements set forth in the Development Plan.

3.4 Changes and Amendments. The parties acknowledge that refinement and further development of the Project will require Subsequent Development Approvals and may demonstrate that changes are appropriate and mutually desirable in the Existing Development Approvals. In the event OWNER finds that a change in the Existing Development Approvals is necessary or appropriate, OWNER shall apply for a Subsequent Development Approval to effectuate such change and COUNTY shall process and act on such application in accordance with the Existing Land Use Regulations, except as otherwise provided by this Agreement including the Reservations of Authority. If approved, any such change in the Existing Development Approvals shall be incorporated herein as an addendum to Exhibit "C", and may be further changed from time to time as provided in this Section. Unless otherwise required by law, as determined in COUNTY's reasonable discretion, a change to the Existing Development Approvals shall be deemed "minor" and not require an amendment to this Agreement provided such change does not:

- (a) Alter the permitted uses of the Property as a whole; or,
 - (b) Increase the density or intensity of use of the Property as a whole; or,
 - (c) Increase the maximum height and size of permitted buildings or structures;
- or,
- (d) Delete a requirement for the reservation or dedication of land for public purposes within the Property as a whole; or,
 - (e) Constitute a project requiring a subsequent or supplemental environmental impact report pursuant to Section 21166 of the Public Resources Code.

3.5 Reservations of Authority.

3.5.1 Limitations, Reservations and Exceptions. Notwithstanding any other provision of this Agreement, the following Subsequent Land Use Regulations shall apply to the development of the Property.

(a) Processing fees and charges of every kind and nature imposed by COUNTY to cover the estimated actual costs to COUNTY of processing applications for Development Approvals or for monitoring compliance with any Development Approvals granted or issued.

(b) Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals and any other matter of procedure.

(c) Regulations governing construction standards and specifications including, without limitation, the Building Code, Plumbing Code, Mechanical Code, Electrical Code, Fire Code and Grading Code applicable in the County.

(d) Regulations imposing Development Exactions. However, given the remoteness of the location of the Project and the uniqueness of solar power plant projects, it is unanticipated that COUNTY will adopt any Development Exactions applicable to the development of the Property within the next three (3) years. For that reason, no such subsequently adopted Development Exaction shall be applicable to the development of the Property for a period of five (5) years from the Effective Date of this Agreement. Five (5) years and one (1) day from the Effective Date of this Agreement, no subsequently adopted Development Exaction shall be applicable to development of the Property unless such Development Exaction is applied uniformly to development, either throughout the COUNTY or within a defined area of benefit which includes the Property. No such subsequently adopted Development Exaction shall apply if its application to the Property would physically prevent development of the Property for the uses and to the density or intensity of development set forth in the Development Plan.

(e) Regulations which may be in conflict with the Development Plan but which are reasonably necessary to protect the public health and safety. To the extent possible, any such regulations shall be applied and construed so as to provide OWNER with the rights and assurances provided under this Agreement.

(f) Regulations which are not in conflict with the Development Plan. Any regulation, whether adopted by initiative or otherwise, limiting the rate or timing of development of the Property shall be deemed to conflict with the Development Plan and shall therefore not be applicable to the development of the Property.

(g) Regulations which are in conflict with the Development Plan provided OWNER has given written consent to the application of such regulations to development of the Property.

3.5.2 Subsequent Development Approvals. This Agreement shall not prevent COUNTY, in acting on Subsequent Development Approvals, from applying Subsequent Land Use Regulations which do not conflict with the Development Plan, nor shall this Agreement prevent COUNTY from denying or conditionally approving any Subsequent Development Approval on the basis of the Existing Land Use Regulations or any Subsequent Land Use Regulation not in conflict with the Development Plan.

3.5.3 Modification or Suspension by State or Federal Law. In the event that State or Federal laws or regulations, enacted after the Effective Date of this Agreement, prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such State or Federal laws or regulations, provided, however, that this Agreement shall remain in full force and effect to the extent it is not inconsistent with such laws or regulations and to the extent such laws or regulations do not render such remaining provisions impractical to enforce.

3.5.4 Intent. The parties acknowledge and agree that COUNTY is restricted in its authority to limit its police power by contract and that the foregoing limitations, reservations and exceptions are intended to reserve to COUNTY all of its police power which cannot be so limited. This Agreement shall be construed, contrary to its stated terms if necessary, to reserve to COUNTY all such power and authority which cannot be restricted by contract.

3.6 Public Works. If OWNER is required by this Agreement to construct any public works facilities which will be dedicated to COUNTY or any other public agency upon completion, and if required by applicable laws to do so, OWNER shall perform such work in the same manner and subject to the same requirements as would be applicable to COUNTY or such other public agency if it would have undertaken such construction.

3.7 Provision of Real Property Interests by COUNTY. In any instance where OWNER is required to construct any public improvement on land not owned by OWNER, OWNER shall at its sole cost and expense provide or cause to be provided, the real property interests necessary for the construction of such public improvements. In the event OWNER is unable, after exercising reasonable efforts to acquire the real property interests necessary for the construction of such public improvements, and if so instructed by OWNER and upon OWNER's provision of adequate security for costs COUNTY may reasonably incur, COUNTY shall negotiate the purchase of the necessary real property interests to allow OWNER to construct the public improvements as required by this Agreement and, if necessary, in accordance with the procedures established by law, use its power of eminent domain to acquire such required real property interests. OWNER shall pay all costs associated with such acquisition or condemnation proceedings. This Section 3.8 is not intended by the parties to impose upon the OWNER an enforceable duty to acquire land or construct any public improvements on land not owned by OWNER, except to the extent that the OWNER elects to proceed with the development of the Project, and then only in accordance with valid conditions imposed by the COUNTY upon the development of the Project under the Subdivision Map Act, Government Code Section 66410 et seq., or other legal authority.

3.8 Regulation by Other Public Agencies. It is acknowledged by the parties that other public agencies not within the control of COUNTY possess authority to regulate aspects of the development of the Property separately from or jointly with COUNTY and this Agreement does not limit the authority of such other public agencies. For example, pursuant to Government Code Section 66477 and Section 10.35 of Riverside County Ordinance No. 460, another local public agency may provide local park and recreation services and facilities and in that event, it is permitted, and therefore shall be permitted by the parties, to participate jointly with COUNTY to determine the location of land to be dedicated or in lieu fees to be paid for local park purposes, provided that COUNTY shall exercise its authority subject to the terms of this Agreement.

3.9 Tentative Tract Map Extension. Notwithstanding the provisions of Section 66452.6 of the Government Code, no tentative subdivision map or tentative parcel map, heretofore or hereafter approved in connection with development of the Property, shall be granted an extension of time except in accordance with the Existing Land Use Regulations.

3.10 Vesting Tentative Maps. If any tentative or final subdivision map, or tentative or final parcel map, heretofore or hereafter approved in connection with development of the Property, is a vesting map under the Subdivision Map Act (Government Code Section 66410, et seq.) and Riverside County Ordinance No. 460 and if this Agreement is determined by a final judgment to be invalid or unenforceable insofar as it grants a vested right to develop to OWNER, then and to that extent the rights and protections afforded OWNER under the laws and ordinances applicable to vesting maps shall supersede the provisions of this Agreement. Except as set forth immediately above, development of the Property shall occur only as provided in this Agreement, and the provisions in this Agreement shall be controlling over any conflicting provision of law or ordinance concerning vesting maps.

4. PUBLIC BENEFITS.

4.1 Intent. The parties acknowledge and agree that development of the Property may detrimentally affect public interests which will not be fully addressed by the Development Plan and further acknowledge and agree that this Agreement confers substantial private benefits on OWNER which should be balanced by commensurate public benefits. Accordingly, the parties intend to provide consideration to the public to balance the private benefits conferred on OWNER by providing more fully for the satisfaction of public interests.

4.2. Local Sales and Use Taxes. OWNER and COUNTY acknowledge and agree that solar power plant owners have substantial control with respect to sales and use taxes payable in connection with the construction of a solar power plant and a corresponding responsibility to assure that such sales and use taxes are reported and remitted to the California State Board of Equalization (BOE) as provided by law. To ensure allocation directly to COUNTY, to the maximum extent possible under the law, of the sales and use taxes payable in connection with the construction of the solar power plant including, OWNER shall do the following, consistent with law:

- (a) If OWNER meets the criteria set forth in applicable BOE regulations and policies, OWNER shall obtain a BOE permit, or sub-permit, for

the solar power plant jobsite and report and remit all such taxable sales or uses pertaining to construction of the solar power plant using the permit or sub-permit for that jobsite to the maximum extent possible under the law.

(b) OWNER shall contractually require that all contractors and subcontractors whose contract with respect to the solar power plant exceeds \$100,000.00 ("Major Subcontractors") who meet the criteria set forth in applicable BOE regulations and policies must obtain a BOE permit, or sub-permit, for the solar power plant jobsite and report and remit all such taxable sales or uses pertaining to construction of the solar power plant using the permit or sub-permit for that jobsite to the maximum extent possible under the law.

(c) Prior to the commencement of any grading or construction of the solar power plant, OWNER shall deliver to COUNTY a list that includes, as applicable and without limitation, each contractor's and Major Subcontractor's business name, value of contract, scope of work on the solar power plant, procurement list for the solar power plant, BOE account numbers and permits or sub-permits specific to the solar power plant jobsite, contact information for the individuals most knowledgeable about the solar power plant and the sales and use taxes for such solar power plant, and, in addition, shall attach copies of each permit or sub-permit issued by the BOE specific to the solar power plant jobsite. Said list shall include all the above information for OWNER, its contractors, and all Major Subcontractors. OWNER shall provide updates to COUNTY of the information required under this section within thirty (30) days of any changes to the same, including the addition of any contractor or Major Subcontractor.

(d) OWNER shall certify in writing that OWNER understands the procedures for reporting and remitting sales and use taxes in the State of California and will follow all applicable state statutes and regulations with respect to such reporting and remitting.

(e) OWNER shall contractually require that each contractor or Major Subcontractor certify in writing that they understand the procedures for reporting and remitting sales and use taxes in the State of California and will follow all applicable state statutes and regulations with respect to such reporting and remitting.

(f) OWNER shall deliver to COUNTY or its designee (as provided in section (g) below) copies of all sales and use tax returns pertaining to the solar power plant filed by the OWNER, its contractors and Major Subcontractors. Such returns shall be delivered to COUNTY or its designee within thirty (30) days of filing with the BOE. Such returns may be redacted to protect, among other things, proprietary information and may be supplemented by additional evidence that payments made complied with this policy.

(g) OWNER understands and agrees that COUNTY may, in its sole discretion, select and retain the services of a private sales tax consultant with expertise in California sales and use taxes to assist in implementing and enforcing compliance with the provisions of this Agreement and that OWNER shall be responsible for all reasonable costs incurred for the services of any such private sales tax consultant and shall reimburse COUNTY within thirty (30) days of written notice of the amount of such costs.

4.3 Development Impact Fees. Ordinance No. 659 is the COUNTY's Development Impact Fee Program ("DIF") adopted under the authority of the Mitigation Fee Act. DIF applies to all development in COUNTY under the COUNTY's land use jurisdiction. Per Ordinance No. 659, the fees collected under the DIF program "shall be used toward the construction and acquisition of Facilities identified in the Needs List and the acquisition of open space and habitat". OWNER and COUNTY acknowledge and agree that solar power plants do not present the same Facilities needs as other new residential, commercial or industrial development. For that reason, OWNER and COUNTY agree that the application and payment of the surface mining Development Impact Fee category from Ordinance No. 659 computed on a Project Area basis as set forth in Section 13 of Ordinance No. 659 is appropriate for the Project due to similar development impacts. The applicable Development Impact Fees for the Project are set forth in Exhibit G to this Agreement. The applicable Development Impact Fees shall be paid when a certificate of occupancy is issued for the Project or upon final inspection, whichever occurs first. However this section shall not be construed to prevent payment of the Development Impact Fees prior to issuance of an occupancy permit or final inspection. The Development Impact Fees may be paid at the time application is made for a building permit as set forth in Section 12 of Ordinance No. 659.

5. FINANCING OF PUBLIC IMPROVEMENTS.

If deemed appropriate, COUNTY and OWNER will cooperate in the formation of any special assessment district, community facilities district or alternate financing mechanism to pay for the construction and/or maintenance and operation of public infrastructure facilities required as part of the Development Plan. OWNER also agrees that it will not initiate and/or cooperate in the formation of any such special assessment district, community facilities district or alternate financing mechanism involving any other public agency without the prior written consent of the COUNTY.

Should the Property be included within such a special assessment district, community facilities district or other financing entity, the following provisions shall be applicable:

(a) In the event OWNER conveys any portion of the Property and/or public facilities constructed on any portion of the Property to COUNTY or any other public entity and said Property is subject to payment of taxes and/or assessments, such taxes and/or assessments shall be paid in full by OWNER prior to completion of any such conveyance.

(b) If OWNER is in default in the payment of any taxes and/or assessments, OWNER shall be considered to be in default of this Agreement and COUNTY may, in its sole discretion, initiate proceedings pursuant to Section 8.4 of this Agreement.

Notwithstanding the foregoing, it is acknowledged and agreed by the parties that nothing contained in this Agreement shall be construed as requiring COUNTY or the COUNTY Board of Supervisors to form any such district or to issue and sell bonds.

6. REVIEW FOR COMPLIANCE.

6.1 Annual Review. The TLMA Director, in consultation with the County Executive Officer and County Counsel, shall review this Agreement annually, on or before September 15th of each year commencing on the September 15th at least six months after the Effective Date, in order to ascertain the good faith compliance by OWNER with the terms of the Agreement. On or before July 1st of each year, OWNER shall submit an annual monitoring report, in a form specified by the TLMA Director consistent with the template attached hereto as Exhibit "H", providing all information necessary to evaluate such good faith compliance as determined by the TLMA Director.

6.2 Special Review. The Board of Supervisors may order a special review of compliance with this Agreement at any time. The TLMA Director, in consultation with the County Executive Officer and County Counsel, shall conduct such special reviews.

6.3 Procedure.

(a) During either an annual review or a special review, OWNER shall be required to demonstrate good faith compliance with the terms of the Agreement. The burden of proof on this issue shall be on OWNER.

(b) Upon completion of an annual review or a special review, the TLMA Director shall submit a report to the Board of Supervisors setting forth the evidence concerning good faith compliance by OWNER with the terms of this Agreement and his recommended finding on that issue.

(c) If the Board finds on the basis of substantial evidence that OWNER has complied in good faith with the terms and conditions of this Agreement, the review shall be concluded.

(d) If the Board makes a preliminary finding that OWNER has not complied in good faith with the terms and conditions of this Agreement, the Board may modify or terminate this Agreement as provided in Section 6.4 and Section 6.5. Notice of default as provided under Section 8.4 of this Agreement shall be given to OWNER prior to or concurrent with, proceedings under Section 6.4 and Section 6.5.

6.4 Proceedings Upon Modification or Termination. If, upon a preliminary finding under Section 6.3, COUNTY determines to proceed with modification or termination of this

Agreement, COUNTY shall give written notice to OWNER of its intention so to do. The notice shall be given at least ten (10) calendar days prior to the scheduled hearing and shall contain:

- (a) The time and place of the hearing;
- (b) A statement as to whether or not COUNTY proposes to terminate or to modify the Agreement; and,
- (c) Such other information as is reasonably necessary to inform OWNER of the nature of the proceeding.

6.5 Hearing on Modification or Termination. At the time and place set for the hearing on modification or termination, OWNER shall be given an opportunity to be heard and shall be entitled to present written and oral evidence. OWNER shall be required to demonstrate good faith compliance with the terms and conditions of this Agreement. The burden of proof on this issue shall be on OWNER. If the Board of Supervisors finds, based upon substantial evidence, that OWNER has not complied in good faith with the terms or conditions of the Agreement, the Board may terminate this Agreement or modify this Agreement and impose such conditions as are reasonably necessary to protect the interests of the County. The decision of the Board of Supervisors shall be final, subject only to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

6.6 Certificate of Agreement Compliance. If, at the conclusion of an annual or special review, OWNER is found to be in compliance with this Agreement, COUNTY shall, upon request by OWNER, issue a Certificate of Agreement Compliance ("Certificate") to OWNER stating that after the most recent annual or special review and based upon the information known or made known to the TLMA Director and Board of Supervisors that (1) this Agreement remains in effect and (2) OWNER is not in default. The Certificate shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance, shall state whether the Certificate is issued after an annual or a special review and shall state the anticipated date of commencement of the next annual review. OWNER may record the Certificate with the County Recorder.

Whether or not the Certificate is relied upon by transferees or OWNER, COUNTY shall not be bound by a Certificate if a default existed at the time of the Periodic or Special Review, but was concealed from or otherwise not known to the TLMA Director or Board of Supervisors.

7. INCORPORATION AND ANNEXATION.

7.1 Intent. If all or any portion of the Property is annexed to or otherwise becomes a part of a city or another county, it is the intent of the parties that this Agreement shall survive and be binding upon such other jurisdiction.

7.2 Incorporation. If at any time during the term of this Agreement, a city is incorporated comprising all or any portion of the Property, the validity and effect of this Agreement shall be governed by Section 65865.3 of the Government Code.

7.3 Annexation. OWNER and COUNTY shall oppose, in accordance with the procedures provided by law, the annexation to any city of all or any portion of the Property unless both OWNER and COUNTY give written consent to such annexation.

8. DEFAULT AND REMEDIES.

8.1 Remedies in General. It is acknowledged by the parties that COUNTY would not have entered into this Agreement if it were to be liable in damages under this Agreement, or with respect to this Agreement or the application thereof.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that COUNTY shall not be liable in damages to OWNER, or to any successor in interest of OWNER, or to any other person, and OWNER covenants not to sue for damages or claim any damages:

- (a) For any breach of this Agreement or for any cause of action which arises out of this Agreement; or
- (b) For the taking, impairment or restriction of any right or interest conveyed or provided under or pursuant to this Agreement; or
- (c) Arising out of or connected with any dispute, controversy or issue regarding the application, validity, interpretation or effect of the provisions of this Agreement.

Notwithstanding anything in this Article 8 to the contrary, OWNER's liability to COUNTY in connection with this Agreement shall be limited to direct damages and shall exclude any other liability, including without limitation liability for special, indirect, punitive or consequential damages in contract, tort, warranty, strict liability or otherwise.

8.2 Specific Performance. The parties acknowledge that money damages and remedies at law generally are inadequate and specific performance and other non-monetary relief are particularly appropriate remedies for the enforcement of this Agreement and should be available to all parties for the following reasons:

- (a) Money damages are unavailable against COUNTY as provided in Section 8.1 above.
- (b) Due to the size, nature and scope of the project, it may not be practical or possible to restore the Property to its natural condition once implementation of this Agreement has begun. After such implementation, OWNER may be foreclosed from other choices it may have had to utilize the Property or portions thereof. OWNER has invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of

this Agreement, and it is not possible to determine the sum of money which would adequately compensate OWNER for such efforts.

8.3 General Release. Except for non-damage remedies, including the remedy of specific performance and judicial review as provided for in Section 4.2.6 (c) and Section 6.5, OWNER, for itself, its successors and assignees, hereby releases the COUNTY, its officers, agents, employees, and independent contractors from any and all claims, demands, actions, or suits of any kind or nature whatsoever arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other monetary liability or damages, whatsoever, upon the COUNTY because it entered into this Agreement or because of the terms of this Agreement. OWNER hereby waives the provisions of Section 1542 of the Civil Code which provides: "A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."

8.4 Termination or Modification of Agreement for Default of OWNER. Subject to the provisions contained in Subsection 6.5 herein, COUNTY may terminate or modify this Agreement for any failure of OWNER to perform any material duty or obligation of OWNER under this Agreement, or to comply in good faith with the terms of this Agreement (hereinafter referred to as "default"); provided, however, COUNTY may terminate or modify this Agreement pursuant to this Section only after providing written notice to OWNER of default setting forth the nature of the default and the actions, if any, required by OWNER to cure such default and, where the default can be cured, OWNER has failed to take such actions and cure such default within 60 days after the effective date of such notice or, in the event that such default cannot be cured within such 60 day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such 60 day period and to diligently proceed to complete such actions and cure such default.

8.5 Termination of Agreement for Default of COUNTY. OWNER may terminate this Agreement only in the event of a default by COUNTY in the performance of a material term of this Agreement and only after providing written notice to COUNTY of default setting forth the nature of the default and the actions, if any, required by COUNTY to cure such default and, where the default can be cured, COUNTY has failed to take such actions and cure such default within 60 days after the effective date of such notice or, in the event that such default cannot be cured within such 60 day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such 60 day period and to diligently proceed to complete such actions and cure such default.

8.6 Attorneys' Fees. In any action at law or in equity to enforce or interpret this Agreement, or otherwise arising out of this Agreement, including without limitation any action for declaratory relief or petition for writ of mandate, the parties shall bear their own attorneys' fees.

9. THIRD PARTY LITIGATION.

9.1 General Plan Litigation. COUNTY has determined that this Agreement is consistent with its General Plan, and that the General Plan meets all requirements of law. OWNER has reviewed the General Plan and concurs with COUNTY's determination. The parties acknowledge that:

(a) Litigation may be filed challenging the legality, validity and adequacy of the General Plan; and,

(b) If successful, such challenges could delay or prevent the performance of this Agreement and the development of the Property.

COUNTY shall have no liability in damages under this Agreement for any failure of COUNTY to perform under this Agreement or the inability of OWNER to develop the Property as contemplated by the Development Plan of this Agreement as the result of a judicial determination that on the Effective Date, or at any time thereafter, the General Plan, or portions thereof, are invalid or inadequate or not in compliance with law.

9.2 Third Party Litigation Concerning Agreement. OWNER shall defend, at its expense, including attorneys' fees, indemnify, and hold harmless COUNTY, its officers, agents, employees and independent contractors from any claim, action or proceeding against COUNTY, its officers, agents, employees or independent contractors to attack, set aside, void, or annul the approval of this Agreement or the approval of any permit granted pursuant to this Agreement. COUNTY shall promptly notify OWNER of any such claim, action or proceeding, and COUNTY shall cooperate in the defense. If COUNTY fails to promptly notify OWNER of any such claim, action or proceeding, or if COUNTY fails to cooperate in the defense, OWNER shall not thereafter be responsible to defend, indemnify, or hold harmless COUNTY. COUNTY may in its discretion participate in the defense of any such claim, action or proceeding.

9.3 Indemnity. In addition to the provisions of 9.2 above, OWNER shall indemnify and hold COUNTY, its officers, agents, employees and independent contractors free and harmless from any liability whatsoever, based or asserted upon any act or omission of OWNER, its officers, agents, employees, subcontractors and independent contractors, for property damage, bodily injury, or death (OWNER's employees included) or any other element of damage of any kind or nature, relating to or in any way connected with or arising from the activities contemplated hereunder, including, but not limited to, the study, design, engineering, construction, completion, failure and conveyance of the public improvements, save and except claims for damages arising through the sole active negligence or sole willful misconduct of COUNTY. OWNER shall defend, at its expense, including attorneys' fees, COUNTY, its officers, agents, employees and independent contractors in any legal action based upon such alleged acts or omissions. COUNTY may in its discretion participate in the defense of any such legal action.

9.4 Environment Assurances. OWNER shall indemnify and hold COUNTY, its officers, agents, employees and independent contractors free and harmless from any liability, based or asserted, upon any act or omission of OWNER, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns and independent contractors for any

violation of any federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under or about the Property, including, but not limited to, soil and groundwater conditions, and OWNER shall defend, at its expense, including attorneys' fees, COUNTY, its officers, agents, employees and independent contractors in any action based or asserted upon any such alleged act or omission. COUNTY may in its discretion participate in the defense of any such action.

9.5 Reservation of Rights. With respect to Sections 9.2, 9.3 and 9.4 herein, COUNTY reserves the right to either (1) approve the attorney(s) which OWNER selects, hires or otherwise engages to defend COUNTY hereunder, which approval shall not be unreasonably withheld, or (2) conduct its own defense, provided, however, that OWNER shall reimburse COUNTY forthwith for any and all reasonable expenses incurred for such defense, including attorneys' fees, upon billing and accounting therefor.

9.6 Survival. The provisions of Sections 8.1 through 8.3, inclusive, Section 8.6 and Sections 9.1 through 9.6, inclusive, and Section 10 shall survive the termination of this Agreement.

10. MORTGAGEE AND FINANCING PARTY PROTECTION.

The parties hereto agree that this Agreement shall not prevent or limit OWNER, in any manner from encumbering the Project, the Property or any portion thereof or any improvement thereon by any mortgage, deed of trust or other security device securing financing with respect to the Project or the Property.

The parties hereto further agree that this Agreement shall not prevent or limit OWNER in any manner from entering into a sale and leaseback arrangement or other financing arrangement within the first 90 days of commercial operation of the Project pursuant to which OWNER would transfer ownership of the Project only to another entity but OWNER would continue to operate the Project and OWNER would continue to be subject to all obligations and duties of this Agreement.

COUNTY acknowledges that (i) the lenders providing such financing and/or (ii) parties to the sale and leaseback arrangement or other financing arrangement within the first 90 days of commercial operation, may require certain Agreement interpretations and modifications and agrees upon request, from time to time, to meet with OWNER and representatives of such lenders and parties to negotiate in good faith any such request for interpretation or modification. COUNTY will not unreasonably withhold its consent to any such requested interpretation or modification provided such interpretation or modification is consistent with the intent and purposes of this Agreement.

Any parties to a sale and leaseback arrangement or other financing arrangement within the first 90 days of commercial operation of the Project and any mortgagee of the Property shall be entitled to the following rights and privileges:

(a) Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Property, or any sale and leaseback arrangement or other financing arrangement, made in good faith and for value, unless otherwise required by law.

(b) The Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, or any party to any sale and leaseback arrangement or other financing arrangement for the Project, or any part thereof, which has submitted a request in writing to the COUNTY in the manner specified herein for giving notices, shall be entitled to receive written notification from COUNTY of any default by OWNER in the performance of OWNER's obligations under this Agreement.

(c) If COUNTY timely receives a request from a Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, or from any party to any sale and leaseback arrangement or other financing arrangement for the Project, or any part thereof, requesting a copy of any notice of default given to OWNER under the terms of this Agreement, COUNTY shall provide a copy of that notice within ten (10) days of sending the notice of default to OWNER. Such Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, or any party to any sale and leaseback arrangement or other financing arrangement for the Project, or any part thereof, as the case may be, shall have the right, but not the obligation, to cure the default during the remaining cure period allowed under this Agreement.

11. MISCELLANEOUS PROVISIONS.

11.1 Recordation of Agreement. This Agreement and any amendment, modification, termination or cancellation thereof shall be recorded with the County Recorder by the Clerk of the Board of Supervisors within the period required by Section 65868.5 of the Government Code.

11.2 Entire Agreement. This Agreement sets forth and contains the entire understanding and agreement of the parties, and there are no oral or written representations, understandings or ancillary covenants, undertakings or agreements which are not contained or expressly referred to herein. No testimony or evidence of any such representations, understandings or covenants shall be admissible in any proceeding of any kind or nature to interpret or determine the terms or conditions of this Agreement.

11.3 Severability. If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. Notwithstanding the foregoing, the provision of the Public Benefits set forth in Section 4.2 of this Agreement, including the payments set forth therein, are essential elements of this Agreement and COUNTY would not have entered into this Agreement but for such provisions, and therefore in the event such provisions are determined to be invalid, void or unenforceable, this entire Agreement shall be null and void and of no force and effect whatsoever.

11.4 Interpretation and Governing Law. This Agreement and any dispute arising hereunder shall be governed and interpreted in accordance with the laws of the State of California. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be employed in interpreting this Agreement, all parties having been represented by counsel in the negotiation and preparation hereof.

11.5 Section Headings. All section headings and subheadings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

11.6 Gender and Number. As used herein, the neuter gender includes the masculine and feminine, the feminine gender includes the masculine, and the masculine gender includes the feminine. As used herein, the singular of any word includes the plural.

11.7 Joint and Several Obligations. If at any time during the term of this Agreement the Project and/or Property is owned, in whole or in part, by more than one OWNER, all obligations of such OWNERS under this Agreement shall be joint and several, and the default of any such OWNER shall be the default of all such OWNERS.

11.8 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

11.9 Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement thereafter.

11.10 No Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties and their successors and assigns. No other person shall have any right of action based upon any provision of this Agreement.

11.11 Force Majeure. Neither party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by floods, earthquakes, other Acts of God, fires, wars, riots or similar hostilities, strikes and other labor difficulties beyond the party's control, (including the party's employment force). If any such events shall occur, the term of this Agreement and the time for performance by either party of any of its obligations hereunder may be extended by the written agreement of the parties for the period of time that such events prevented such performance, provided that the term of this Agreement shall not be extended under any circumstances for more than five (5) years.

11.12 Mutual Covenants. The covenants contained herein are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the party benefited thereby of the covenants to be performed hereunder by such benefited party.

11.13 Successors in Interest. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the parties to this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to development of the Property: (a) is for the benefit of and is a burden upon every portion of the Property; (b) runs with the Property and each portion thereof; and, (c) is binding upon each party and each successor in interest during ownership of the Property or any portion thereof.

11.14 Counterparts. This Agreement may be executed by the parties in counterparts, which counterparts shall be construed together and have the same effect as if all of the parties had executed the same instrument.

11.15 Jurisdiction and Venue. Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed and tried in the Riverside Historic Courthouse of the Superior Court of the County of Riverside, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court.

11.16 Project as a Private Undertaking. It is specifically understood and agreed by and between the parties hereto that the development of the Project is a private development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between COUNTY and OWNER is that of a government entity regulating the development of private property and the owner of such property.

11.17 Further Actions and Instruments. Each of the parties shall cooperate with and provide reasonable assistance to the other to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of either party at any time, the other party shall promptly execute, with acknowledgement or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

11.18 Eminent Domain. No provision of this Agreement shall be construed to limit or restrict the exercise by COUNTY of its power of eminent domain.

11.19 Agent for Service of Process. In the event OWNER is not a resident of the State of California or it is an association, partnership or joint venture without a member, partner or joint venturer resident of the State of California, or it is a foreign corporation, then in any such event, OWNER shall file with the TLMA Director, upon its execution of this Agreement, a designation of a natural person residing in the State of California, giving his or her name,

residence and business addresses, as its agent for the purpose of service of process in any court action arising out of or based upon this Agreement, and the delivery to such agent of a copy of any process in any such action shall constitute valid service upon OWNER. If for any reason service of such process upon such agent is not feasible, then in such event OWNER may be personally served with such process out of this County and such service shall constitute valid service upon OWNER. OWNER is amenable to the process so served, submits to the jurisdiction of the Court so obtained and waives any and all objections and protests thereto. OWNER for itself, assigns and successors hereby waives the provisions of the Hague Convention (Convention on the Service Abroad of Judicial and Extra Judicial Documents in Civil or Commercial Matters, 20 U.S.T. 361, T.I.A.S. No. 6638).

11.20 Designation of COUNTY Officials. Except for functions to be performed by the Board of Supervisors, COUNTY may, at any time and in its sole discretion, substitute any COUNTY official to perform any function identified in this Agreement as the designated responsibility of any other official. COUNTY shall provide notice of such substitution pursuant to Section 2.8; provided, however, the failure to give such notice shall not affect the authority of the substitute official in any way.

11.21 Authority to Execute. The person executing this Agreement on behalf of OWNER warrants and represents that he has the authority to execute this Agreement on behalf of his corporation, partnership or business entity and warrants and represents that he has the authority to bind OWNER to the performance of its obligations hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year set forth below.

SOLAR POWER PLANT

The Diamond Valley Solar Project ("the Project") is a proposed solar electricity generation facility located near Winchester in Riverside County, California. The Project is located on a 10 acre parcel of land, which was created by Parcel Map # PM36611 on an existing 16.43 acre parcel of land with APN 463-040-018 at the street address of 33725 Grand Avenue, Hemet, CA 92545.

The Project will utilize photovoltaic solar modules to generate electricity for sale to Southern California Edison ("SCE") under a 20-year power purchase agreement ("PPA"). The photovoltaic solar modules will be of standard, commercially-available, 72-cell variety. The solar modules will be mounted on steel and aluminum racking that is held above the ground by steel h-beams that are driven directly into the ground. The racking will be oriented due south in a fixed position at a tilt angle of 30 degrees. The racking will not move throughout the day.

The electric output of the solar modules will be collected via underground cabling routed to a single switchboard and transformer pad along the eastern boundary of the project. This pad will also house protection, monitoring, and communications equipment. From here, the project's unified electric output will travel underground to the north, where it will interconnect with SCE's distribution grid near the southwestern corner of the intersection between Grand Avenue and Oxbow Drive. The Project will have a total alternating current generation capacity of 1.25 megawatts.

The Project will include an aggregate surface private driveway for maintenance and emergency access purposes. The Project will be surrounded by a chain link perimeter security fence. A landscaping screen will be planted outside of the fence to shield the Project from offsite view. The Project will be monitored by a motion-sensitive security camera system. The Project footprint will take up approximately 9 acres of the 10 acre property.

The Project will be designed, installed, and operated in full accordance with all applicable local, state, and national codes, ordinances, and regulations.
