

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

101

**SUBMITTAL DATE:**  
10/14/14

**FROM:** Sheriff's Department

**SUBJECT:** Approval of Budget Adjustments to Enable the Sheriff's Department to Purchase and Install Video Conferencing Equipment to Conduct Court Hearings in the County Jails, All Districts. [\$199,650-100% Booking Fees Recovery Sub Fund]

**RECOMMENDED MOTION:** That the Board of Supervisors:

1. Approve and direct the Auditor-Controller to make the budget adjustments on the attached Schedule A enabling the Sheriff's Department to purchase and install video conferencing equipment to conduct court hearings, including video arraignment, in each of the five Riverside County jails.
2. Authorize the Purchasing Agent to purchase the video conferencing equipment from JEC Integration, at a cost not to exceed \$157,290, by piggy-backing on a Superior Court of California contract with JEC Integration that was originally established through a competitive bid.

**BACKGROUND:**

**Summary**

Currently, inmates in custody, pending arraignment on new charges, are transported to the court of jurisdiction. The Riverside County Sheriff's Department transports approximately 200 inmates each weekday for the purpose of arraignment.

This video conferencing project consists of the purchase and installation of video conferencing equipment for all five jails in Riverside County. All inmates pending arraignment will have their hearing conducted at the jail in which they are housed via video conferencing. Each jail will be linked to courtrooms in all jurisdictions. This will help to reduce the overall cost of inmate transportation, as well as reduce the amount of inmates being transported outside of the correctional facility.

The cost of the project is as follows:

JEC cost: \$157,290

JEC Integration will be providing the video arraignment equipment that will be in all five jails. This includes 32" flat panel monitors, cameras, multimedia carts, and all necessary electrical and data wires for installation.

RCIT cost: \$27,330

RCIT will install all necessary communication data lines at each proposed location within each jail. The quote includes cabling infrastructure at all five facilities and Cornet installation.

EDA cost by facility:

EDA will install all necessary power outlets at each of the proposed locations in the jail facilities. It will also be installing any necessary conduit to enable RCIT to run data lines to each of the locations.

SWDC	\$2,250
RPDC	\$3,560
SCF	\$5,220
Indio	\$4,000

EDA total: \$15,030

Project Total: \$199,650

The Blythe Jail has conducted video arraignments at its facility in the past. So costs will be incurred there for the JEC Integration video equipment, but infrastructure costs should be minimal.

**Impact on Citizens and Businesses**

The Sheriff's utilization of video arraignments at all County jail facilities will reduce transportation costs for inmate arraignments.

<b>DESCRIBE REQUESTED PURCHASE</b>	Purchase equipment for the video arraignment project that will be implemented in all five Conty jails. The purchase includes cameras, monitors, speakers, Multimedia carts, installation, licenses and warranty to conduct the video arraignment. This equipment will link up with equipment already purchased by the Riverside County Court.  Project Cost:  1) JEC (equipment and installation) \$157,289.60 2) RCIT (running data lines) \$27,330.00 3) EDA (installing power outlets) \$15,030 TOTAL COST \$199,649				
<b>BUSINESS NEEDS ADDRESSED</b>	This project will reduce the man hours needed to transport inmates from jail to court. There is an estimated 150 inmates per day that will no longer need to be transported from jail to court. This will also greatly reduce the miles and ware and tear on the Sheriff's transport vehicles ( busses and vans).
