FOUND the project exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines Section 15302 (Replacement or Reconstruction) and Section 15301 (Existing Facilities), based on the findings and conclusions incorporated in the staff report; and,

APPROVED CONDITIONAL USE PERMIT NO. 3156, REVISED PERMIT NO. 2, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

BACKGROUND:

Summary

The Revised Permit to the approved Conditional Use Permit proposes to extend the permit life for the existing Wild West Rodeo Arena with an existing license for an on-site sale of alcoholic beverages for an additional 10 years. The project site currently contains an existing 1,160 sq. ft. barn, 240 sq. ft. shed, 1,480 sq. ft. barn, 1,000 sq. ft. rest room, an existing 3,000 sq. ft. caretaker's residence, 281 standard parking spaces, and 9 accessible parking spaces. The project also proposes to replace a fire damaged bar with a new 3,456 sq. ft. modular bar with a 1,728 sq. ft. porch.

Conditional Use Permit No. 3156 was initially approved by the Planning Commission on January 27, 1993 with an initial life of 10 years. Two other revisions were subsequently approved after that by the Planning Commission. Conditional Use Permit No. 3156, Revised Permit (RVP) No. 138 extended the permit life to June 29, 2004 and Conditional Use Permit No. 3156, Revised Permit No. 1 extended the permit life to July 1, 2014.

At the November 5, 2014 Planning Commission hearing, staff introduced into the record by memo which introduced modifications to the conditions of approval. Since the project exists and is only requesting for a 10-year permit extension, the Transportation Department removed certain Conditions of Approval that required improvements along Grand Avenue such as curb and gutter, landscaping, streetlights, etc. and modified conditions regarding the road right-of-way dedication to only require the road dedication at this time. The Planning Commission approved the project by a vote of 4-0 (Commissioner Valdivia was absent).

Impact on Citizens and Businesses

The impacts of this project have been evaluated through the environmental review and public hearing process by Planning staff and the Planning Commission.

PROJECT DESCRIPTION AND LOCATION:

The Revised Permit to the approved Conditional Use Permit proposes to extend the permit life for the existing Wild West Rodeo Arena with an existing license for an on-site sale of alcoholic beverages for an additional 10 years. The project site currently contains an existing 1,160 sq. ft. barn, 240 sq. ft. shed, 1,480 sq. ft. barn, 1,000 sq. ft. rest room, an existing 3,000 sq. ft. caretaker's residence, 281 standard parking spaces, and 9 accessible parking spaces. The project site is located northerly of Grand Avenue, easterly of Leon Road, and westerly of Whitaker Street, more specifically 32150 South Grand Avenue.

BACKGROUND:

Conditional Use Permit No. 3156 proposed a rodeo arena with a private residence and was approved by the Planning Commission on January 27, 1993 and was set to expire on January 27, 2002.

Conditional Use Permit No. 3156, Revised Permit (RVP) No. 138 proposed to add a 1,200 square foot modular unit as a snack bar to the rodeo arena and single family residence and was approved by the Planning Commission on June 29, 1994 and was set to expire on June 29, 2004.

Substantial Conformance No. 538 to Conditional Use Permit No. 3156 proposed the addition of a patio and cover to the snack bar and was approved administratively on September 26, 1995.

Conditional Use Permit No. 3156, Revised Permit No. 1 proposed to extend the life of the Conditional Use Permit for the Wild West Rodeo Area and was approved by the Planning Commission on November 17, 2004 and extended the permit life to July 1, 2014.

RECOMMENDATIONS:

FIND the project exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines Section 15302 (Replacement or Reconstruction) and Section 15301 (Existing Facilities), based on the findings and conclusions incorporated in the staff report; and,

APPROVE **CONDITIONAL USE PERMIT NO. 3156, REVISED PERMIT NO. 2**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings, which is incorporated herein by reference.

1. The project site is designated Open Space: Recreation (OS:R) on the Harvest Valley/Winchester Area Plan.
2. The Open Space-Recreation land use designation allows for active and passive recreational uses such as parks, trails, camp grounds, athletic fields, golf courses, and off-road vehicle parks. Ancillary structures may be permitted for recreational opportunities. The project is for a Rodeo Arena.
3. The project site is located within the Highway 79 Policy Area of the Harvest Valley/Winchester Area Plan. The purpose of the Policy Area is to address transportation infrastructure capacity within the policy area. Policy HWVAP 7.2 requires the establishment of a program in the Highway 79 Policy Area to ensure that overall trip generation does not exceed system capacity and that the system operation continues to meet Level of Service standards. The Transportation Department has reviewed this project and has determined that the project is exempt from traffic study requirements.
4. The project site is surrounded by properties which are designated Rural: Rural Residential (R:RR) (5 Acre Minimum) and Rural: Rural Mountainous (R:RM) (10 Acre Minimum) to the north, Community Development: Medium Density Residential (CD:MDR) (2-5 Dwelling Units per Acre) to the south, Community Development: Light Industrial (CD:LI) (0.25-0.60 Floor Area Ratio) to the east, and Community Development: Public Facilities (CD:PF) (\leq 0.60 Floor Area Ratio) to the west.
5. The zoning for the subject site is Rural Residential (R-R).
6. The proposed use, a Rodeo Arena, is a permitted use, subject to approval of a conditional use permit in the R-R zone, in accordance with Section 5.1.d. (45) of Ordinance No. 348.

7. The proposed project is consistent with the development standards set forth in the R-R zone. The lot size for the proposed project site is 9.85 acres which exceeds the minimum one-half acre lot size requirement. The existing residence does not exceed 40 feet in height and the other buildings do not exceed 50 feet in height. In addition, the project as designed and conditioned meets the development standards for automobile storage areas.
8. The project site is surrounded by properties which are zoned Rural Residential (R-R) to the north, east, and west and One-Family Dwellings (R-1) to the south.
9. The project is not located within a Criteria Area of the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).
10. The project has been determined to be categorically exempt from CEQA, as set forth per Section 15302 (Replacement or Reconstruction) and Section 15301 (Existing Facilities) of the CEQA Guidelines.
 - a. Section 15301 (Existing Facilities) includes the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The Wild West Rodeo Arena facility currently exists and no changes or expansions have occurred since the last extension in 2004. The project only involves the replacement of the existing fire damaged bar with a new modular bar on the same location.
 - b. Section 15302 consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaces and will have substantially the same purpose and capacity as the structure replaced. The project is proposing to replace a fire damaged approximately 3,400 square foot bar with a new 3,456 sq. ft. modular bar on the same location which is substantially the same size, purpose, and capacity.

CONCLUSIONS:

1. The proposed project is in conformance with the Open Space: Recreation (OS:R) Land Use Designation, and with all other elements of the Riverside County General Plan.
2. The proposed project is consistent with the Rural Residential (R-R) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.
3. The public's health, safety, and general welfare are protected through project design.
4. The proposed project is conditionally compatible with the present and future logical development of the area.
5. The proposed project will not have a significant effect on the environment.
6. The proposed project will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

FLOOD RI DEPARTMENT

10.FLOOD RI. 1 USE FLOOD HAZARD REPORT RECOMMND

Conditional Use Permit 3156 R2 is a proposal to renew the use of the Wild West Arena with an existing license for an on-site sale of alcoholic beverages in Harvest Valley/Winchester area. The 9.64 acre site is located northerly of Grand Avenue, easterly of Leon Road, and westerly Whitaker Street.

The site lies at the base of steep hills. A drainage area of about 2 acres is tributary to the site from the north. Although the proposal is only to renew the use of Wild West Arena, but the exhibit shows some parking area and handicap access route. This additional impervious area appears to be insignificant and therefore the District has no objection to the proposal. Any substantial amount of new impervious areas would require mitigation for increased runoff and water quality impacts.

The project site is located in the Salt Creek-Winchester/North Hemet Area Drainage Plan (ADP) where fees have been adopted by the Board of Supervisors. However, the amount of impervious surface proposed is insignificant and therefore the District shall not impose any fee at this time. Should additional development or use be proposed, the mitigation fee may be levied at that time.

The development of these premises shall comply with the standards of Ordinance No. 348 and all other applicable Riverside County ordinances and State and Federal codes.

RIVERSIDE COUNTY PLANNING DEPARTMENT

Juan C. Perez
Interim Planning Director

NOTICE OF EXEMPTION

TO: Office of Planning and Research (OPR) FROM: Riverside County Planning Department
P.O. Box 3044 4080 Lemon Street, 12th Floor 38686 El Cerrito Road
Sacramento, CA 95812-3044 P. O. Box 1409 Palm Desert, CA 92201
 County of Riverside County Clerk Riverside, CA 92502-1409

Project Title/Case No.: Conditional Use Permit No. 3156, Revised Permit No. 2

Project Location: In the unincorporated area of Riverside County, northerly of Grand Avenue, easterly of Leon Road, and westerly of Whitaker Street, more specifically 32150 South Grand Ave

Project Description: The Revised Permit to the approved Conditional Use Permit proposes to extend the permit life for the existing Wild West Rodeo Arena with an existing license for an on-site sale of alcoholic beverages for an additional 10 years. The project site currently contains an existing 1,160 sq. ft. barn, 240 sq. ft. shed, 1,480 sq. ft. barn, 1,000 sq. ft. rest room, an existing 3,000 sq. ft. caretaker's residence, 281 standard parking spaces, and 9 accessible parking spaces. The project also proposes to replace fire damaged bar with a new 3,456 sq. ft. modular bar with a 1,728 sq. ft. porch.

Name of Public Agency Approving Project: Riverside County Planning Department

Project Applicant & Address: Patricia Porter, P.O. Box 142, Winchester, CA 92596

Exempt Status: (Check one)

- Ministerial (Sec. 21080(b)(1); 15268) Categorical Exemption (15301 and 15302)
 Declared Emergency (Sec. 21080(b)(3); 15269(a)) Statutory Exemption (_____)
 Emergency Project (Sec. 21080(b)(4); 15269 (b)(c)) Other: _____

Reasons why project is exempt: The project has been determined to be categorically exempt from CEQA, as set forth per Section 15301 (Existing Facilities) and 15302 (Replacement or Reconstruction) of the CEQA Guidelines. Section 15301 (Existing Facilities) includes the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The Wild West Rodeo Arena facility currently exists and no changes or expansions have occurred since the last extension in 2004. The project only involves the replacement of the existing fire damaged bar with a new modular bar on the same location. Section 15302 consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaces and will have substantially the same purpose and capacity as the structure replaced. The project is proposing to replace a fire damaged approximately 3,400 square foot bar with a new 3,456 sq. ft. modular bar on the same location which is substantially the same size, purpose, and capacity.
