District 2; [\$315 annually]

BACKGROUND:

Summary (continued)

Revenue and Taxation Code §99(d) allows for the county and any local agency or agencies to enter into a Master Property Tax Agreement, which specifies the amount of property tax to be exchanged when an annexation occurs. Without a Master Property Tax Agreement, the county and the local agency meet and negotiate on each annexation proposal.

As the parties have met and negotiated the terms of the agreement, staff recommends that the Board of Supervisors approve Resolution No. 2015-86. The Rubidoux Community Services District will need to adopt a resolution with similar terms.

The exchange of property tax revenue will become effective for tax purposes beginning July 1 of the subsequent calendar year following the date of annexation. LAFCO will consider the annexation on April 23, 2015.

Impact on Citizens and Businesses

The Board's action today will have no immediate impact on citizens or businesses.

SUPPLEMENTAL:

Additional Fiscal Information

The resolution will transfer structural fire tax, currently estimated in the amount of \$319 annually to the Rubidoux Community Services District.
