

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

750

FROM: Executive Office

SUBMITTAL DATE:
April 20, 2015

SUBJECT: Drought/State Mandatory Water Reductions Workshop

RECOMMENDED MOTION: That the Board of Supervisors:

1. Direct the Executive Office to modify the date and time of the Drought/State Mandatory Water Reductions Workshop from May 26 to May 18 from 9:30 a.m. to noon.

BACKGROUND:

Summary

The Drought/State Mandatory Water Reduction Workshop as originally scheduled for May 26 conflicted with schedules for some Board members and other participants and thus requires revision. The proposed date of May 18 is optimal and minimizes this conflict. The following topics of concern have not changed and will be addressed during the workshop as shown on the April 14 Agenda, Item 3-5: 1) County owned and operated facilities and landscaping, 2) new development irrigation and landscaping standards, 3) existing development retrofit opportunities and programs related to turf, and 4) associated education and outreach to residents and businesses. Additionally, distribution of invitation letters will be forthcoming with the new, modified workshop date.
