SUBJECT: Landscaping and Lighting Maintenance District No. 89-1-Consolidated,
Annexation of Zone 191 (French Valley) District 3 [\$14,174 Annual Base];
L&LMD No. 89-1-C - 100%

RECOMMENDED MOTION: That the Board of Supervisors adopt the following Resolutions:

1. Resolution No. 2015-080 a Resolution of the County of Riverside initiating proceedings for the annexation of Zone 191 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated and ordering preparation of the Engineer's Report regarding the proposed annexation of Zone 191.
2. Resolution No. 2015-081, a Resolution of the County of Riverside declaring its intent to order the annexation of Zone 191 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated of the County of Riverside pursuant to the Landscaping and Lighting Act of 1972 for the maintenance and servicing of fossil filters, streetlights, and traffic signals; adopting the preliminary engineer's report; giving notice of and setting the time and place of the public hearing on the annexation of Zone 191, ordering a mailed ballot election; and directing notice of the public hearing and ballot be mailed pursuant to Article XIID of the California Constitution.

FORM 11: Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Annexation of Zone 191 (French Valley). District 3 [\$14,174]; L&LMD No. 89-1-C – 100%
DATE: April 16, 2015
PAGE: 2 of 3

BACKGROUND:

Summary

Adoption of Resolution No. 2015-080 appoints the Director of the Transportation and Land Management, or his designee, as the engineer to prepare a report regarding the proposed annexation of Zone 191 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2015-081 declares the Board of Supervisors' intention of ordering the annexation of Zone 191 to L&LMD No. 89-1-C. The annexation of Zone 191 to L&LMD No. 89-1-C will fund the maintenance and servicing of fossil filters, streetlights, and traffic signals within public right-of-way located southerly of Auld Rd and westerly of Leon Rd in the French Valley area and includes one assessable commercial parcel totalling 56.03 acres.

Consistent with the Board of Supervisors' direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 30, 2015, to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 191 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2015-081, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 191 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity, which owns all of the property within the proposed boundaries of Zone 191, and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election," allowing for the election and public hearing to be held on June 30, 2015.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of fossil filters, streetlights, and traffic signals within public right-of-way.

The property owners within the proposed boundaries of Zone 191, which are represented by Parcel Map No. 33691, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram), are impacted by the cost of this annexation. The property owners within the proposed boundaries of Zone 191 have petitioned the County of Riverside to annex their property to L&LMD No. 89-1-C and understand that this annexation will result in an assessment on their property to fund the maintenance and servicing of the aforementioned improvements (fossil filters, streetlights, and traffic signals).

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2015-16 for Zone 191 is \$14,174. This will result in an assessment for fiscal year 2015-16 within Zone 191 of \$253 per acre. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), if any, as it stands as of March of each year over the base index for March of 2015.

4 **PROCEEDINGS FOR THE ANNEXATION OF ZONE 191 TO LANDSCAPING AND LIGHTING**
5 **MAINTENANCE DISTRICT NO. 89-1-CONSOLIDATED OF THE COUNTY OF RIVERSIDE**
6 **PURSUANT TO THE LANDSCAPING AND LIGHTING ACT OF 1972 AND ORDERING**
7 **PREPARATION OF ENGINEER'S REPORT REGARDING SAID ANNEXATION**

8 **WHEREAS**, the Board of Supervisors (hereinafter the "Board of Supervisors") of the County of
9 Riverside (hereinafter the "County") has been advised by the Riverside County Transportation
10 Department (hereinafter "Department") that said Department has received an application from the
11 owner (the "Applicant") of all the property within the unincorporated area of the County (hereinafter
12 "Zone 191"), as shown and described in Exhibit "A", which is attached hereto and made a part hereof,
13 to be annexed to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (hereinafter
14 "L&LMD No. 89-1-C") of the County of Riverside, State of California, and the Board of Supervisors has
15 determined that it is necessary and desirable to initiate proceedings for the annexation of Zone 191 to
16 L&LMD No. 89-1-C pursuant to the Landscaping and Lighting Act of 1972, Part 2 (commencing with
17 Section 22500) of Division 15 of the Streets and Highways Code (hereinafter, respectively, the "Act"
18 and the "Street and Highways Code"); and

19 **WHEREAS**, such proceedings shall comply with the requirements of Article XIID of the
20 California Constitution and Section 4000 of the Elections Code requiring voter approval of the proposed
21 assessment to be levied by L&LMD No. 89-1-C for Zone 191; and

22 **WHEREAS**, the Applicant has executed a "Waiver and Consent Regarding Date of Assessment
23 Ballot Election" allowing for the election to be held on June 30, 2015; and

24 **WHEREAS**, the Director of the Department, or his designee, is a licensed and registered civil
25 engineer, has expertise with respect to the formation and annexation of territory to landscaping and
26 lighting maintenance districts and the levying of assessments for said purposes and, therefore, is able

1 to serve as the engineer (hereinafter the "Engineer") for the County with regard to the annexation of
2 Zone 191 to L&LMD No. 89-1-C.

3 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the
4 Board of Supervisors of the County of Riverside assembled in regular session on May 12, 2015 as
5 follows:

6 **Section 1. Recitals.** The Board of Supervisors hereby finds and determines that all
7 the above recitals are true and correct.

8 **Section 2. Annexation.** The Board of Supervisors proposes to annex Zone 191 to
9 L&LMD No. 89-1-C and to initiate and conduct proceedings therefore pursuant to the Act for the
10 purpose of levying an annual assessment on all parcels within Zone 191 to pay the costs of the
11 following services:

12 (a) The maintenance and servicing of fossil filters within the public right-of-way
13 including the removal of petroleum hydrocarbons and other pollutants from water
14 runoff; and

15 (b) Providing electricity to and the maintenance and servicing of
16 streetlights and traffic signals within the public right-of-way including incidental
17 costs and expenses.

18 **Section 3. Boundaries and Designation.** The boundaries of Zone 191 that are
19 proposed to be annexed to L&LMD No. 89-1-C shall include all of the property as shown and described
20 in Exhibit "A".

21 **Section 4. Report.** The Director of the Department, or his designee, is hereby
22 designated Engineer and is ordered to prepare and file a report with the Clerk of the Board of
23 Supervisors in accordance with Sections 22608 and 22585 et. seq. of the Streets and Highways Code
24 and Section 4 of Article XIID of the California Constitution.

25 **Section 5. Effective date.** This Resolution shall take effect from and after its date of
26 adoption.

DATE

1 with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the
2 Street and Highways Code and Section 4 of Article XIID; and

3 **WHEREAS**, said Engineer has filed the Report with the Clerk of the Board of Supervisors and
4 the Report has been presented to and considered by the Board of Supervisors; and

5 **WHEREAS**, the Applicant has executed a "Waiver and Consent Regarding Date of Assessment
6 Ballot Election" allowing for the election to be held on June 30, 2015; and

7 **WHEREAS**, it is necessary that the Board of Supervisors adopt a resolution of intention
8 pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to
9 Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said
10 Report, the annexation of Zone 191, and the assessments to be levied on parcels within Zone 191
11 beginning in fiscal year 2015-16;

12 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the
13 Board of Supervisors in regular session assembled on May 12, 2015 as follows:

14 **Section 1. Findings.** The Board of Supervisors, after reviewing the Report, finds that:

- 15 (a) The foregoing recitals are true and correct;
- 16 (b) The Report contains all matters required by Sections 22565 through 22574 of the
17 Streets and Highways Code and Section 4 of Article XIID and may, therefore, be
18 approved by the Board of Supervisors;
- 19 (c) The annual assessment for fiscal year 2015-16 on all parcels within Zone 191 will be
20 \$230 per acre.

21 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the
22 annexation of Zone 191, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and
23 collect an annual assessment on all assessable lots and parcels of property within Zone 191
24 commencing with the fiscal year 2015-16 as set forth in the Report. The Report expressly states that
25 there are no parcels or lots within Zone 191 that are owned by a federal, state or other local
26 governmental agency that will benefit from the services to be financed by the annual assessments. The

1 annual assessments will be collected at the same time and in the same manner as property taxes are
2 collected, and all laws providing for the collection and enforcement of property taxes shall apply to the
3 collection and enforcement of said assessments.

4 **Section 3. Boundaries.** All the property within boundaries of Zone 191 is proposed to be
5 annexed to L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County
6 as described and shown in Exhibit "A".

7 **Section 4. Description of Services to be Provided.** The services authorized for Zone 191
8 of L&LMD No. 89-1-C are:

- 9 (a) The maintenance and servicing of fossil filters within the public right-of-way including the
10 removal of petroleum hydrocarbons and other pollutants from water runoff; and
11 (b) Providing electricity to and the maintenance and servicing of
12 streetlights and traffic signals within the public right-of-way including incidental costs and
13 expenses.

14 **Section 5. Amount to be Levied.** The assessment to be levied upon each parcel that
15 benefits from the annexation of Zone 191 to L&LMD No. 89-1-C will be \$253 per acre for fiscal year
16 2015-16. As stated in the Report, the total budget for Zone 191 for the fiscal year 2015-16 is
17 \$14,174.00; there are 11 parcels that are to be assessed that aggregate to 56.03 acres. Each
18 succeeding fiscal year the special assessment may be subject to an annual adjustment that is the
19 greater of two percent (2%) or the cumulative percentage increase, if any, in the Consumer Price Index
20 for all Urban Consumers ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard
21 Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States
22 Department of Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in
23 the "Index" as it stands on March of each year over the base Index for March of 2015. Any increase
24 larger than the greater of 2% or the CPI-U annual adjustment requires a majority approval of all the
25 property owners in Zone 191. The Board of Supervisors will levy the assessment in each subsequent
26 fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Zone 191 of

1 L&LMD No. 89-1-C. The annual assessment will fund the services described in Section 4 of this
2 Resolution. For further particulars, reference is to be made to the Report on file in the Office of the
3 Clerk of the Board of Supervisors.

4 **Section 6. The Property to be Annexed.** The property to be annexed to L&LMD No.
5 89-1-C is Zone 191. The boundaries of Zone 191 are located within the unincorporated area of the
6 County and are described and shown in the Report and Exhibit "A".

7 **Section 7. Report.** The Report, which is on file with the Clerk of the Board of Supervisors
8 and which has been presented to the Board of Supervisors, is hereby approved. Reference is made to
9 the Report for a full and detailed description of the services, the boundaries of Zone 191, and the
10 annual assessment to be levied upon assessable lots and parcels within Zone 191 proposed to be
11 annexed to L&LMD No. 89-1-C.

12 **Section 8. Public Hearing.** The question of whether Zone 191 shall be annexed to L&LMD
13 No. 89-1-C and an annual assessment levied beginning with fiscal year 2015-16 shall be considered at
14 a public hearing (hereinafter the "Public Hearing") to be held on June 30, 2015, at 9:30 a.m. at the
15 meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor, Riverside,
16 California.

17 **Section 9. Majority Protest.** Each owner of record of property within Zone 191 is to receive
18 by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and
19 Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the
20 Public Hearing. The agency shall not impose an assessment if there is a majority protest. A majority
21 protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment
22 exceed the ballots submitted in favor of the assessment. In tabulating the ballots, the ballots shall be
23 weighted according to the proportional financial obligation of the affected property.

24 **Section 10. Information.** Any property owner desiring additional information regarding
25 Zone 191 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact Ms. Brigitte
26 Hahn, Senior Engineering Technician, Transportation Department of the County of Riverside, 4080

1 Lemon Street, 8th Floor, Riverside, California, 92501, or by telephone at 951-955-6263, or by e-mail at
2 bhahn@rctlma.org.

3 **Section 11. Notice of the Public Hearing.** Notice of Public Hearing with regard to the
4 annexation of Zone 191 to L&LMD No. 89-1-C shall be given consistent with Section 22626 of the
5 Streets and Highways Code and Section 4 of Article XIID. The Clerk of the Board of Supervisors shall
6 give notice of the Public Hearing by causing a certified copy of this Resolution to be published once in
7 an appropriate newspaper at least ten (10) days prior to the date of the Public Hearing that is June 30,
8 2015. Publication of this Resolution is to be effected by the Clerk of the Board of Supervisors. Notice
9 shall also be given by mailing first-class, postage prepaid, those notices, as prepared by County
10 Counsel, assessment ballot and information sheets as required by Section 4 of Article XIID and
11 Section 4000 of the California Elections Code to all owners of record of property within Zone 191 as
12 shown on the last equalized assessment roll of the County. Mailing is to be made by the Engineer and
13 deposited with the U. S. Post Office at least forty-five (45) days prior to the Public Hearing on June 30,
14 2015.

15 **Section 12 Effective Date.** This Resolution shall take effect from and after its date of
16 adoption.

ENGINEER'S REPORT FOR Landscaping & Lighting Maintenance District No. 89-1-Consolidated Zone 191 PM 33691

Prepared by
Psomas
1500 Iowa Ave., Ste. 210
Riverside, CA 92507
(951) 787-8421

April 2015

AGENCY: COUNTY OF RIVERSIDE TRANSPORTATION DEPARTMENT

**PROJECT: ANNEXATION OF PARCEL MAP 33691 TO LANDSCAPING AND LIGHTING
MAINTENANCE DISTRICT NO. 89-1-CONSOLIDATED AS ZONE 191**

**TO: BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE
STATE OF CALIFORNIA**

ENGINEER'S REPORT

Pursuant to the provisions of Section 22565 through 22574 of the Landscaping and Lighting Act of 1972 ("1972 Act"), said act being Part 2 of Division 15 of the Streets and Highways Code of the State of California, Section 4 of Article XIII(D) of the California Constitution, and direction from the Board of Supervisors of Riverside County, California, I submit herewith the following Engineer's Report ("Report").

This Report provides for the annexation of Tentative Parcel Map 33691 Revised No. 1 ("PM 33691") to Landscape & Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C") as Zone 191 ("Zone 191") and establishes the Maximum Assessment to be levied in the 2015–2016 Fiscal Year (from July 1, 2015 to June 30, 2016) and all subsequent fiscal years, for this area to be known and designated as:

**L&LMD No. 89-1-C Zone 191
PM 33691**

I do hereby assess and apportion the total amount of the costs and expenses upon several parcels of land within said designated area liable therefore and benefited thereby, in proportion to the estimated benefits that each parcel receives, respectively, from said services.

NOW, THEREFORE, I, the appointed ENGINEER, acting on behalf of the County of Riverside Transportation Department, pursuant to the 1972 Act, do hereby submit the following:

Pursuant to the provisions of law, the costs and expenses of Zone 191 have been assessed upon the parcels of land in Zone 191 benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcel, reference is made to the Assessment Diagram, a reduced copy of which is included herein.

As required by law, an Assessment Diagram is filed herewith, showing Zone 191, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within Zone 191 as the same exist, each of which subdivisions of land into lots or parcels, respectively, have been assigned a lot or parcel number and/or Assessor Parcel Number within a specific tract/commercial development and indicated on said

Assessment Diagram and in the Assessment Roll contained herein. Assessor Parcel Numbers as shown on said Assessment Diagram as of the date of this Report, correspond with the numbers assigned to each parcel by the Riverside County Assessor. Reference is made to the Assessor Parcel Map for a description of the lots or parcels and their respective dimensions.

As of the date of this Report, there are no lots or parcels within Zone 191 that are owned by a federal, state or other local governmental agency that will benefit from the services to be provided by the assessments to be collected.

DATED this 14th day of April, 2015

EXECUTIVE SUMMARY

A. Introduction

Pursuant to the provisions of law, the costs and expenses of Zone 191 have been assessed upon the parcels of land in Zone 191 benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcel, reference is made to the Assessment Diagram, a reduced copy of which is included herein. WHEREAS, on this 12th of May, 2015 the Board of Supervisors of the County of Riverside ("Board"), State of California, ordering the preparation of the Engineer's Report ("Report") providing for the annexation of Tentative Parcel Map 33691 Revised No. 1 ("PM 33691") to Landscape & Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C") as Zone 191 ("Zone 191"), pursuant to the provisions of the Landscaping and Lighting Act of 1972 ("1972 Act"), being Division 15 of the Streets and Highways Code of the State of California, did adopt Resolution No. 2015-080 for a special assessment district zone known and designated as:

Zone 191 PM 33691

The annexation of Zone 191 includes all parcels of land within the commercial development known as PM 33691, also identified by the following Assessor Parcel Number(s), which are valid as of the date of this Report:

963080002-8

As required by law, an Assessment Diagram is filed herewith, showing Zone 191, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within said Zone 191 as the same exist, each of which subdivisions of land into lots or parcels, respectively, have been given a lot or parcel number and/or Assessor Parcel Number within a specific tract/parcel map and indicated on the Assessment Diagram and in the Assessment Roll contained herein. Psomas submits this Report, for the annexation of said Zone 191 and the establishment of the Maximum Assessment to be levied and collected commencing Fiscal Year 2015-2016 and all subsequent fiscal years, consisting of five parts.

PART I

Plans and Specifications: This section contains a description of Zone 191's boundaries and the proposed improvements within Zone 191. Zone 191 shall consist of a benefit zone encompassing all of the properties within the commercial development known as PM 33691.

The proposed improvements described in this Report are based on the current development and improvement plans provided to Psomas as of the date of this Report. Improvement plans ("Plans") include (1) Riverside County Transportation Department Conditions of Approval for Parcel Map 33691, Plot Plan 21163 and Plot Plan 25183; (2) Unapproved Street Light Plans for Parcel Map 33691 and Plot Plan 25183, IP No. 080038, prepared by Temecula Engineering Consultants, Inc., dated 10/09/2014; (3) Unapproved Tentative Parcel Map No. 33691-Revised No.1, by Temecula Engineering Consultants, Inc. dated 08/02/2012; and (4) Parcel Map No. 33691, sheet 3 of 7, by Dennis Janda, Inc. dated March 2008.

PART II

The Method of Apportionment: A narrative of the property benefits from the improvements and the method of calculating each property's proportional special benefit and annual assessment. The proposed Initial Maximum Assessment and assessment range formula established for Zone 191 is based on the Plans and estimated annual costs and expenses associated with all improvements to be accepted and maintained by Zone 191 at build-out. At build-out there will be 24 streetlights, two traffic signals and eight fossil filters to maintain and service. The Initial Maximum Assessment may be adjusted by the greater of two percent, the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) for All Items, or the CPI-U for Electricity (as applicable) for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical Area ("Index") published by the U.S. Department of Labor's Bureau of Labor Statistics (BLS), if any. The annual CPI-U for All Items or CPI-U for Electricity (as applicable) adjustment will be based on the cumulative increase, if any, in the Index as it stands in March of each year over the base Index of 2015. The Initial Maximum Assessment established within Zone 191 shall be \$14,174. Zone 191 includes one assessable lot or parcel and no non-assessable lots or parcels.

PART III

The Cost Estimate: An estimate of the cost of the streetlight, traffic signal and fossil filter maintenance including incidental costs and expenses in connection therewith for Fiscal Year 2015–2016, is as set forth on the lists thereof, attached hereto.

PART IV

Assessment Diagram: The Assessment Diagram shows the parcels of land included within the boundaries of Zone 191. For details concerning the lines and dimensions of the applicable Assessor's Parcel Numbers, refer to the County Assessor's Maps as of the date of this Report.

PART V

Assessment Roll: A listing of the Assessor's Parcel Numbers, and the initial Annual Assessment per lot or parcel to be applied on the tax roll for Fiscal Year 2015–2016.

B. Assessment Zone

The services to be provided by L&LMD No. 89-1-C Zone 191 generally includes local street lighting, traffic signals and fossil filters. The annexation of PM 33691 to L&LMD No. 89-1-C as Zone 191 will provide the financial mechanism (annual assessments) by which the ongoing operation and maintenance of these services will be funded. Zone 191's structure, proposed services, method of apportionment and assessments described in this Report are based on the Plans provided to Psomas as of the date of this Report, including all estimated direct expenditures, incidental expenses, and reserves associated with the maintenance, energizing and servicing of the streetlights and traffic signals as well as the maintenance and servicing of the fossil filters as indicated in the Plans.

PART I – PLANS AND SPECIFICATIONS

A. Description of the Assessment Zone

Zone 191 is located within the unincorporated area known as French Valley in the County of Riverside, State of California and is comprised of PM 33691. The area for PM 33691 is generally located north of Jolynn Road, south of Auld Road, east of Sky Canyon Drive, and west of Leon Road. PM 33691 includes one assessable commercial lot or parcel and no non-assessable lots or parcels. Zone 191 consists of all subdivisions of land into lots or parcels located in the following development area(s):

- PM 33691 – Assessor Parcel Number(s) as of the date of this Report:

963080002-8

B. Description of Improvements and Services For Landscape & Lighting Maintenance District No. 89-1-C

The following services were authorized pursuant to County of Riverside Board of Supervisors approved Resolution No. 94-389 for L&LMD No. 89-1-C:

- L&LMD No. 89-1-C will annually levy an assessment on property within its boundaries to pay the cost of the following services and improvements:
 - The installation and planting of landscaping, including trees, shrubs, grass and other ornamental vegetation;
 - The installation or construction of statuary, fountains and other ornamental structures and facilities;
 - The installation or construction of public lighting facilities including but not limited to, traffic signals;
 - The installation or construction of any facilities which are appurtenant to any of the foregoing, or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks or paving, water irrigation, drainage or electrical facilities, and,
 - The maintenance or servicing, or both of any of the foregoing.

C. Description of Services for Landscape & Lighting Maintenance District No. 89-1-C Zone 191

The services to be funded by L&LMD No. 89-1-C Zone 191 include the maintenance and servicing of public lighting facilities, specifically streetlights and traffic signals as well as fossil filters within the commercial development designated as PM 33691 on public rights-of-way known as:

- Industry Way
- Wealth Street
- Rich Court
- Leon Road
- Auld Road

PART II – METHOD OF APPORTIONMENT

A. Benefit Analysis

The proposed improvements, the associated costs, and assessments have been carefully reviewed, identified, and allocated based on special benefit.

Street lighting, traffic signals and fossil filters are the responsibility of L&LMD No. 89-1-C Zone 191.

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the construction, maintenance, and servicing of public lights, landscaping, dedicated easements for landscape use, and appurtenant facilities. The 1972 Act further provides that assessments may be apportioned upon all assessable lot(s) or parcel(s) of land within an assessment district in proportion to the estimated benefits to be received by each lot or parcel from the improvements rather than assessed value.

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

The formula used for calculating assessments reflects the composition of the parcels and the improvements and services provided by Zone 191 to fairly apportion the costs based on the estimated benefit to each parcel. Any lot or parcel that is dedicated to or used for right of way, easement or common area ("Exempt Property"), if any, within Zone 191 is specifically excluded from the apportionment calculation and are exempt from assessment.

In addition, Article XIII(D) of the California Constitution ("Article") requires that a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. The Article provides that only special benefits are assessable, and the County must separate the general benefits from the special benefits conferred on a parcel. A special benefit is a particular and distinct benefit over and above general benefits conferred on the public at large, including real property within the district. The general enhancement of property value does not constitute a special benefit.

Special Benefit

The streetlight, traffic signal and fossil filter improvements within Zone 191 provide direct and special benefit to the lots or parcels within Zone 191. Therefore, the maintenance of these improvements also provides direct and special benefit by maintaining the functionality of the improvements and allowing the improvements to operate in a proper manner.

Each and every lot or parcel within the Zone 191, receives a particular and distinct benefit from the improvements over and above general benefits conferred by the improvements. First, the improvements were conditions of approval for the creation or development of the parcels. In order to create or develop the parcels, the County required the original developer to install streetlights, traffic signals and fossil filters and to guarantee the maintenance of the streetlights, traffic signals and fossil filters and appurtenant facilities serving the lots or parcels. Therefore, each and every lot or parcel within the proposed Zone 191 could not have been developed in the absence of the installation and expected maintenance of these facilities.

In addition, the improvements continue to confer a particular and distinct special benefit upon parcels within Zone 191 because of the nature of the improvements. The proper maintenance of streetlights and the traffic signal specially benefit parcels within Zone 191 by improving neighborhood property protection, increased traffic safety by improving visibility, control and restriction of traffic into and out of the development by defining a specific path, and providing an enhanced quality of life and sense of well-being for properties within Zone 191. Streetlights also provide safety for pedestrians and motorists living and/or owning property in Zone 191 during the nighttime hours, and to assign rights-of-way for the safety of pedestrians and motorists by defining a specific path during all hours of the day.

Streets are constructed for the safe and convenient travel of vehicles and pedestrians. They also provide an area for underground and overhead utilities. These elements are a distinct and special benefit to all developed parcels in Zone 191. Streetlights are installed on and are for street purposes and are maintained and serviced to allow the street to perform to the standards it was designed.

Streetlights are determined to be an integral part of "streets" as a "permanent public improvement." One of the principal purposes of fixed roadway lighting is to create a nighttime environment conducive to quick, accurate, and comfortable seeing for the users as well as a sense of safe motoring and pedestrian experience of traffic egress and ingress into the facility. These factors, if attained, combine to improve traffic safety and achieve efficient traffic movement. Fixed lighting can enable the motorist to see detail more distinctly and to react safely toward roadway and traffic conditions present on or near the roadway facility.

The system of streets within Zone 191 is established to provide access to each parcel in Zone 191. Streetlights provide a safer street environment for owners of the parcels served. If the parcels were not subdivided to provide individual parcels to owners within Zone 191, there would be no need for a system of streets with streetlights. Therefore, the installation of streetlights is for the express, special benefit of the parcels within Zone 191.

The proper maintenance of the fossil filters specially benefit parcels within Zone 191 by improving water quality control.

Finally, the proper maintenance of streetlights, the traffic signal and fossil filters and appurtenant structures, provides an enhanced quality of life and sense of well-being for properties within Zone 191.

Based on the benefits described above, streetlights, traffic signals and fossil filters are an integral part of the quality of life of Zone 191. This quality of life is a special benefit to those parcels with a commercial land use within Zone 191 and do not include government owned easements, utility easements, and flood channel parcels. Government-owned easement, utility easement and flood channel parcels do not benefit from the improvements due to their use and lack of habitation on such parcels. Parcels of this nature are usually vacant narrow strips of land or flood control channels and therefore do not generate or experience pedestrian or vehicular traffic. Nor do these types of parcels support dwelling units or other structures that would promote frequent use of the parcels by the traveling public. As a result of this lack of activity on such parcels they do not receive any benefit from streetlights, traffic signals or fossil filters and are not assessed.

Future changes in number and configuration of parcels is foreseen. The benefit of the services provided by Zone 191 by any parcel configuration would be proportional to the lot size. Therefore, the proportionate share of the costs and expenses for the maintenance and servicing of the streetlights, traffic signals and fossil filters are apportioned on a per acreage basis for all benefiting parcels within Zone 191.

SPECIAL BENEFITS OF LANDSCAPE & LIGHTING MAINTENANCE DISTRICT NO. 89-1-C STREET LIGHTING ZONE 191 AUTHORIZED SERVICES:

The special benefits of street lighting are the provision of energy, convenience, safety, security of property, improvements and goods. This includes the following:

- Enhanced deterrence of crime such as vandalism and other criminal activities which would reduce damage to improvements or property.
- Improved visibility to assist police in the protection of property.
- Increased nighttime safety on roads and streets by reducing nighttime accidents and personal property loss.
- Improved traffic circulation.
- Improved ability to see for pedestrians and motorists.
- Improved visibility for ingress and egress to the property.

The special benefits of traffic signals are the provision of traffic control and restriction, convenience, safety, security of property, improvements and goods. This includes the following:

- Increased daytime and nighttime safety on roads and streets by reducing accidents and personal property loss.
- Improved ability of pedestrians and motorists to drive and walk safely.
- Improved ingress and egress to the property.
- Improved traffic circulation.

The special benefits of fossil filters are the provision of improved water quality control.

General Benefit

The total benefit from the works of improvement is a combination of the special benefits to the parcels within Zone 191 and the general benefits to the public at large and to adjacent property owners. A portion of the total maintenance costs for streetlights, traffic signals and fossil filters, if any, associated with general benefits will not be assessed to the parcels in Zone 191, but will be paid from other Riverside County Funds. Because the streetlights and fossil filter improvements are located immediately adjacent to properties within Zone 191 and are maintained solely for the benefit of the properties within Zone 191, any benefit received by properties outside of Zone 191 is nominal. Therefore, the general benefit portion of the benefit received from the streetlight and fossil filter improvements for Zone 191 is zero. However, the two traffic signal improvements provide general and specific benefit to Zone 191. It has been determined that the costs and expenses for the traffic signal improvements for Zone 191 at the intersection of Leon Road and Auld Road are 28% of the County's total maintenance cost and the traffic signal improvements at the intersection of Industry Way and Auld Road are 20% of the County's total maintenance cost. Each percentage was derived from the budget prepared by Riverside County Transportation Department. Therefore, only the costs directly related to the specific benefit of the traffic signal improvements will be assessed to Zone 191.

The benefits received by each parcel with in Zone 191 would be proportional to the lot size. Therefore, the proportionate share of the costs and expenses for the maintenance and servicing of the streetlights, traffic signals and fossil filters are apportioned on a per acreage basis for all benefiting parcels within Zone 191.

B. Maximum Assessment Methodology

The following methodology was previously adopted by the Riverside County Board of Supervisors in the annual Engineer's Report approved on November 29, 1994. Such methodology has been maintained in preparation of this Report. The purpose of establishing a Maximum Assessment formula is to provide for reasonable increases and inflationary adjustments to annual assessments without requiring costly noticing and mailing procedures, which would add to Zone 191 costs and assessments.

The Maximum Assessment formula shall be applied to all Assessable Parcels of land within Zone 191. For Zone 191, the initial Maximum Assessments for Fiscal Year 2015–2016 are as follows:

- The initial Maximum Assessment established within Zone 191 shall be \$14,174.

The initial Maximum Assessment is subject to an annual inflator starting in Fiscal Year 2016–2017. The initial Maximum Assessment may be adjusted by the greater of two percent, the cumulative percentage increase in the CPI-U for All Items, or CPI-U for Electricity Index (as applicable) published by the BLS, if any. The annual CPI-U for All Items or CPI-U for Electricity (as applicable) adjustment will be based on the cumulative increase, if any, in the Index as it stands in March of each year over the base Index of 2015.

The Maximum Assessment is adjusted annually and is calculated independent of the Zone 191's annual budget and proposed annual assessment. The proposed annual assessment applied in any fiscal year is not considered to be an increased assessment if it is less than or equal to the Maximum Assessment amount. In no case shall the annual assessment exceed the Maximum Assessment.

The Maximum Assessment is designed to establish a reasonable limit on Zone 191 assessments. The Maximum Assessment calculated each year may require an increase to the annual assessment. However, the Initial Maximum Assessment per Acre may not increase except by escalation and, as parcel configuration changes occur, the assessment per parcel will adjust according to each parcel's acreage.

To impose an increased assessment, the County of Riverside must comply with the provisions of the Constitution Article XIII(D) (Section 4c), that requires a public hearing and certain protest procedures including mailed notice of the public hearing and property owner protest balloting. Through the balloting process, property owners must approve the proposed assessment increase. If the proposed assessment is approved, then a new Maximum Assessment is established for Zone 191. If the proposed assessment is not approved, the County may not levy an assessment greater than the adjusted Maximum Assessment previously established for Zone 191.

C. Annual Assessment

The Method of Apportionment of the Assessment is based upon the relative special benefit derived from the improvements and conferred upon the assessable real property within Zone 191 over and above general benefit conferred upon the assessable real property within Zone 191 or to the public at large. The benefits received by each parcel within Zone 191 would be proportional to the lot size. Therefore, the proportionate share of the costs and expenses for the maintenance and servicing of the streetlights, traffic signals and fossil filters are apportioned on a per acreage basis for all benefiting parcels within Zone 191. Any Exempt Property within Zone 191, if any, is specifically excluded from the apportionment calculation and are exempt from assessment.

The Assessment per Assessable Parcel within Zone 191 is calculated by dividing the total Annual Balance to Levy by the Net Assessable Acres, the quotient of which is multiplied times the acreage of each parcel that is not Exempt. Total Zone 191 acres less Exempt Property acres, if any, equals Net Assessable Acres. The

Annual Balance to Levy is the Total Annual Street Lighting, Traffic Signal, and Fossil Filter Costs as seen in Part III – Cost Estimate.

The Assessment Rate per Acre is calculated as follows:

Total Zone 191 Acres	56.03
Less: Exempt Property Acres	0
Net Assessable Acres	56.03

Annual Balance to Levy	\$14,174		
Net Assessable Acres	56.03	=	\$253 Assessment Rate per Acre

The Assessment per Assessable Parcel for FY 2015-2016 is calculated as follows:

$$\text{Assessment Rate per Acre} \times \text{Acreage of each parcel that is not Exempt} = \text{Annual Assessment per Assessable Parcel.}$$

PART III – COST ESTIMATE

L&LMD NO. 89-1-C ZONE 191 PM 33691 FOR FISCAL YEAR 2015–2016¹

Cost Description	Total Costs for Zone 191 ²	Cost per Acre ^{2,3}
Traffic Signal at the intersection of Leon Road at Auld Road 28% of \$5,500 per Traffic Signal	\$1,540	\$27
Traffic Signal at the intersection of Industry Way at Auld Road 20% of \$5,500 per Traffic Signal	1,100	20
Annual Energy Charge of \$257.94 per street light For 24 Street Lights - 135 Watt 22,500 lumen HPSV ⁴	6,191	110
Fossil Filters (8)	2,100	38
Field, Repair & Replacement	700	13
Maintenance Total	\$11,631	\$208
Administrative Costs	739	13
Operating Reserve Contribution	515	9
Administration Total	\$1,254	\$22
Subtotal: Annual Street Lighting, Traffic Signal, and Fossil Filter Costs	\$12,885	\$230
10% Contingency	1,289	23
Total Annual Street Lighting, Traffic Signal, and Fossil Filter Costs	\$14,174	\$253

Initial Maximum Assessment⁵	\$14,174
---	-----------------

¹ Zone 191 Proposed Budget is based on information provided in the Plans.

² All costs were rounded up to whole dollars.

³ Based on 56.03 Net Assessable Acres derived from Tentative Parcel Map No. 33691-Revised No. 1.

⁴ HPSV means high pressure sodium vapor.

⁵ The initial Maximum Assessment may be adjusted by the greater of two percent, the cumulative percentage increase in the CPI-U for All Items, or the CPI-U for Electricity (as applicable) Index published by the BLS.

PART IV - Zone 191 ASSESSMENT DIAGRAM

FISCAL YEAR 2015–2016 L&LMD NO. 89-1-C ZONE 191

The Assessment Diagram for Zone 191 by this reference is incorporated and made a part of this Report. Only the parcels identified within the Zone 191 Assessment Diagram are within said boundary.

If any parcel submitted for collection is identified by the County Auditor Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel number will be identified and resubmitted to the County Auditor Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if any parcel has changed subsequent to the date of this Report, the assessment amount applied to all parcels within Zone 191 shall be recalculated and applied according to the approved method of apportionment.

Information identified on this Assessment Diagram was received from Riverside County Transportation Department.

The Zone 191 Assessment Diagram identifying the boundaries of parcels within PM 33691 in L&LMD No. 89-1-C Zone 191 is included in this Report for reference on the following page. For details concerning the lines and dimensions of the applicable Assessor's Parcel Numbers, refer to the County Assessor's Maps as of the date of this Report.

PART V – ASSESSMENT ROLL

Parcel identification for each parcel or lot within Zone 191 shall be the parcel(s) which are valid as of the date of this Report and reflective of the Assessor's Parcel Maps. Zone 191 includes the following Assessor Parcel Number(s) as of the date of this Report:

963080002-8

Based on the parcel configuration within Zone 191 as of the date of this Report, the Fiscal Year 2015-2016 Annual Assessment for each parcel is as follows:

**L&LMD NO. 89-1-C ZONE 191
PM 33691
PROPOSED FISCAL YEAR 2015–2016 ANNUAL ASSESSMENTS**

Parcel Map	Assessor's Parcel Number/Lot No.	FY 2015-2016 Assessment
33691	963080002-8	\$14,174

Waiver and Consent Regarding Date of Assessment Ballot Election

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 191 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on June 30th, 2015; a copy of said waiver is filed herewith and made a part hereof.

**LANDSCAPING AND LIGHTING MAINTENANCE
DISTRICT NO. 89-1-CONSOLIDATED
OF THE COUNTY OF RIVERSIDE, CALIFORNIA**

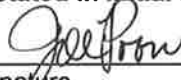

**WAIVER AND CONSENT REGARDING DATE OF
ASSESSMENT BALLOT ELECTION**

The undersigned, an authorized representative of French Valley Airport Center, LLC (the "Owner") owns property within the unincorporated area of the County of Riverside (the "County") represented by the following Assessor's Parcel Numbers for fiscal year (the "Property"): APN(s) 963-080-002.

The Owner has made application that the Property be annexed as Zone 191 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated of the County ("L&LMD No. 89-1-C") and certifies the following:

1. The Owner waives the requirements of Section 4000 of the Elections Code of the State of California (the "Elections Code") that the mailed ballot election required for annexation and the levy of an annual assessment must be held on an established mailed ballot election date pursuant to Section 1500 of the Election Code; and
2. The Owner consents to the mailed assessment ballot election with respect to the levy of an annual assessment on the Property being held on June 30, 2015

OWNER: French Valley Airport Center, LLC
