BACKGROUND:

Summary

1. The Desert Recreation District will be providing a Kick off to Summer program and a Back to School Movie Night program in Mecca. Each event will average 250 to 300 people in attendance. Many of the youth and families who live in Mecca are low-income with few options for family recreation in the area. These programs will provide families with a healthy, safe and fun environment at no cost to enjoy an evening in the park with a movie, and children can participate in activities. CID funding will be used to support both programs.
2. The World Affairs Council of the Desert sponsors the Academic WorldQuest program, an educational and learning competition testing high school students' knowledge of international affairs. Funds will be used by the local program to send the winning team and coach to the national competition annually. Additionally, the World Affairs Council will invite high school and college students from the Coachella Valley to attend the monthly Speaker Dinner Series. The World Affairs Council will designate \$2,500 to support the WorldQuest program and will use \$1,000 to sponsor students to attend the monthly Speaker Dinner Series.
