FORM 11: Adoption of Resolution 2015-085, Declaring its Intent to Levy and Collect Assessments for Fiscal year 2015-2016 on Assessable Hotels and Motels Located within the Palm Springs Desert Resort Communities Tourism Business Improvement District, District 4, [\$0]

BACKGROUND:

Summary

In June 2008, the Palm Springs Desert Resort Communities Convention and Visitors Authority (CVA) requested that the County form the Palm Springs Desert Resort Communities Tourism BID in the Coachella Valley.

The Parking and Business Improvement Area Law of 1989, requires that the Tourism BID be approved and implemented on a fiscal year basis. The attached Resolution 2015-085 begins the process of complying with this requirement for fiscal year 2015-2016. There is no requirement to obtain consent again from the participating cities and none have expressed interest in withdrawing their consent.

Resolution 2015-085 includes a complete description of the Tourism BID and sets the date, time and place for the required public hearing. It also directs the Clerk of the Board to publish a copy of the resolution in newspapers within the boundaries of the BID. The boundaries of the Tourism BID include the County unincorporated area of the Coachella Valley and the cities of Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage.

The Tourism BID is a type of assessment district that is publicly sanctioned but privately directed. The assessment is not considered a tax under Proposition 218 because businesses are being assessed, not property. It is a public/private partnership where private businesses agree to assess themselves in exchange for the authority to use the funds to benefit their business. Other California counties that have created multi-jurisdictional BIDs include Mendocino County, San Luis Obispo County, and Sonoma County.

Tourism is the Coachella Valley's number one industry. Tourism provides the most jobs and contributes the greatest amount to the local tax base for that area. The Tourism BID provides a stable source of marketing dollars that enhances the area's ability to plan and implement marketing and sales programs. It also provides more control to hospitality professionals on the use of funds generated from their businesses. This source of funds allows the Tourism BID member jurisdictions in the Coachella Valley to be more competitive in the tourism market.

The level of assessment being considered for the fiscal year 2015-2016 Tourism BID will remain at 2% of the sale of overnight room stays and will again apply only to hotels and motels with 50 or more sleeping rooms. There are approximately 75 hotels/motels within the proposed Tourism BID boundaries that fall in this category. The total annual revenue projected to be generated in fiscal year 2015-2016 is approximately \$7.49 million. The revenue collected will be used to fund the following activities to promote tourism for the Tourism BID jurisdictions in the Coachella Valley:

1. Marketing, advertising, and public relations;
2. Brochure development and distribution;
3. Promotion of public events which benefit businesses in the area and which take place on or in public places within the area; and
4. Activities which benefit businesses located and operating in the area, including but not limited to downtown shopping and promotional programs.

Resolution 2015-085 reflects no changes from the current fiscal year's Tourism BID.

I.
BACKGROUND

A. Advisory Board

The Hospitality Industry and Business Council ("HIBC"), also known as the CVB Board of Directors, of the Palm Springs Desert Resort Communities Convention and Visitors Authority, commonly referred to as the Greater Palm Springs Convention & Visitors Bureau (CVB), was appointed by the Riverside County Board of Supervisors pursuant to Government Code Section 36530 to serve as the Advisory Board for the Palm Springs Desert Resort Communities Tourism Business Improvement District (TBID) which was established by the Board of Supervisors pursuant to the Parking and Business Improvement Area Law of 1989 (Streets & Highways Code § 36500 et, seq.) (the "Act").

The Advisory Board makes recommendations concerning the TBID, its operations, the expenditures of revenues derived from assessments levied by the County of Riverside related to the TBID and is authorized to incur obligations against funds derived from those assessments in accordance with policy guidelines established by the Board of Supervisors.

B. Boundaries

The boundaries of the TBID is coterminous with the operational boundaries of the CVB which includes the geographical area within unincorporated Coachella Valley and the cities of Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Springs, Palm Desert, and Rancho Mirage ("Greater Palm Springs"). All of the above cities have granted the County of Riverside consent to establish the TBID within their jurisdictions.

C. Purpose

The TBID levies assessments on certain businesses in order to promote tourism within Greater Palm Springs and to fund programs that benefit the hotel and motel businesses within Greater Palm Springs. Specifically, the type of activities to be funded by the TBID assessments include the following: (a) marketing, advertising, and public relations; (b) brochure development and distribution; (c) promotion of public events which benefit businesses in the area and which take place on or in public places within

the area; and (d) activities which benefit businesses located and operating in the area, including but not limited to shopping and promotional programs. No capital improvements are intended to be funded by the TBID annual assessment.

D. Assessment

Pursuant to the Act and Ordinance No. 883, as amended through 883.1, an annual assessment was levied on all hotels and motels that have fifty (50) or more sleeping rooms and are located within the TBID boundaries. The assessment for these hotels and motels is two percent (2%) of the gross room rental revenue for overnight room stays. Gross room rental revenue equal the total dollar amount charged for overnight room rentals to guests (with the exception of government employees and long term guests who stay more than 28 consecutive nights) and not including incidental room charges such as room service, video rental, or similar charges. Gross room rental revenue is basically equal to the total consideration charged for room rentals valued in U. S. dollars, whether or not received and whether received in money or other consideration such as goods, labor, property or otherwise.

All hotels and motels that have fifty (50) or more sleeping rooms and are located within the TBID boundaries will be subject to the assessment levy pursuant to Section 36531 of the California Streets and Highways Code.

E. Annual Report

Pursuant to Riverside County Ordinance No. 833, as amended through 883.1, the Advisory Board must present an Annual Report to the Board of Supervisors for its approval that includes a program of activities intended to be implemented within the TBID together with an estimate of related expenditures. The Advisory Board must also include in the Annual Report an outline of the previous year's revenues and how those revenues were expended.

Since the establishment of the TBID, no contributions have been paid to or made to the TBID from sources other than the TBID assessments levied pursuant to Ordinance No. 883, as amended through Ordinance No. 883.1. All voluntary contributions made by private businesses or individuals in the form of CVB membership or partnership fees, and all public monies voluntarily made or provided by public taxing agencies are provided to the CVB for either specified programs or activities that may also be included in the TBID program of activities.

F. Relationship with CVB

The CVB is a joint powers authority that was established, pursuant to California Government Code section 6500 et seq., to *"jointly encourage, promote and to do such other things as might be necessary to enhance, to the greatest extent possible, all aspects of hospitality, convention and tourism industry in the Coachella Valley and to attract visitors to the area from a world-wide market, all to the benefit of the member organizations and their citizens."* Like the TBID, the "Member Organizations" of the CVB consist of the County of Riverside (with respect to the geographical area within unincorporated Coachella Valley) and the cities of Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Springs, Palm Desert, and Rancho Mirage. Each of the CVB's Member Organizations contribute a portion of their respective transient occupancy tax ("TOT") revenue, pursuant to an established formula, to fund the CVB's General Fund which is used to pay for the general operations of the CVB. The CVB General Fund is segregated from the Tourism Business Improvement District Fund which contains the revenue generated by the TBID assessments, which is a restricted "Special Revenue Fund."

In an effort to reduce the amount of TOT contributions of each of the CVB's Member Organizations to the CVB General Fund, each of the cities that comprise Greater Palm Springs granted consent to the County of Riverside to include their cities within the proposed boundaries of the TBID. The revenue which is generated by the TBID assessments are intended to fund independent tourism-related activities and/or to supplement funding of certain CVB tourism-related activities, as may be permitted pursuant to the Act and Ordinance No. 883, as amended through 883.1.

II. **TBID ASSESSMENT REVENUE**

B. Recommendation

The Advisory Board recommends the Board of Supervisors confirm this Annual Report and continue to levy the annual continuation of the TBID annual assessment for Fiscal Year 2015-2016 pursuant to the Parking and Business Improvement Area Law of 1989 (California Streets and Highways Code section 36500 et seq.), subject to the following findings and recommendations:

- 1) That the boundaries of the TBID area should remain the same, with the recognition that the cities of Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs and Rancho Mirage have not withdrawn their consent to include them in the boundaries of the TBID.
- 2) That the HIBC (also known as the CVB Board of Directors) be appointed by the Board of Supervisors pursuant to Government Code Section 36530 to continue to serve as the Advisory Board for the TBID.

- 4) That the annual assessment be levied on all hotels and motels that have fifty (50) or more sleeping rooms and are located within the TBID boundaries.
- 5) That the assessment for the subject hotels and motels remain at two percent (2%) of the gross room rental revenue for overnight room stays.
- 6) That gross room rental revenue shall mean the total dollar amount charged for overnight room rentals to guests who are subject to the payment of transient occupancy tax, as required by the assessed business's local taxing agency responsible for collecting the assessed business's transient occupancy taxes, but shall not include the amount of the District assessment or charges exempt from transient occupancy tax under local ordinance.
- 7) That gross room rental revenue be equal to the total consideration charged for room rentals valued in U.S. dollars, whether or not received and whether received in money or other consideration such as goods, labor, property or otherwise.
- 8) That the revenues generated by the assessment be used to promote tourism and to fund programs that benefit the hotel and motel businesses within the TBID area.

- 10) That none of the revenue generated by TBID assessments be used to fund any capital improvements.
- 11) That TBID assessment revenue is projected to be \$7,490,500 for Fiscal Year 2015-2016 (July 1, 2015 through June 30, 2016).
- 12) That the CVB has retained the services of Vavrinek, Trine, Day & Co., LLP, an independent certified public accounting firm, to audit the TBID finances and it concluded in its Independent Auditor's Report that there were no material weaknesses or significant audit findings in relation to the CVB or the TBID.

C. Program of Activities, Marketing, Advertising and Public Relations

The type of activities intended to be funded by the TBID assessments include: (a) marketing, advertising, and public relations; (b) brochure development and distribution; (c) promotion of public events which benefit businesses in the area and which take place on or in public places within the area; and (d) activities which benefit businesses located and operating within the TBID area.

1. Advertising Placement and Production

TBID assessment revenue will assist the CVB with developing new marketing and promotional campaigns targeting regional, national and international markets. The campaigns are intended to further increase visitation and generate "room night" bookings with a goal of increasing market share and positively impacting the local economy. These programs will consist of print, digital, outdoor, radio, social media and promotions. These funds will be utilized to produce the materials and purchase media for placement. Additional details can be referenced in attachment A.

2. Digital Marketing

The CVB's marketing campaign will have more of an emphasis on digital marketing of the businesses within the TBID area and will be targeted toward specific groups and consumer markets via the internet and electronic mail. This activity is intended to improve search engine optimization and improve alliances with third-party booking sources and to improve marketing efforts to increase market share for the businesses within the TBID area. The objective of developing and enhancing the CVB's website is to provide the general public with fast, efficient and increased access to the website for purposes related to enhancing public transparency and promoting the assessed businesses and general hospitality industry within the TBID area.

3. Collateral Materials and Brochure Development and Distribution

The TBID assessment revenue will assist the CVB with developing visitor guides, print promotional brochures and maps that will be targeted toward the leisure market, travel industry trade and professional organizations at the regional, national and international levels. Informational brochures will also be produced for the purpose of providing travel professionals, such as but not limited to travel agents and tour operators, with the necessary information to effectively and efficiently plan pleasure and business travel itineraries for their respective clients.

4. Familiarization Tours (FAMs)

TBID assessment revenue will assist the CVB with hosting familiarization tours and site visits arranged and conducted by the CVB's Convention Sales, Travel Industry Sales and Marketing Departments. The purpose of these tours and site visits are to introduce, educate and assist professional organizations, tour operators, travel trade and media from regional, national and international markets. These familiarization trips assist the CVB and businesses within the TBID area to attract new business opportunities and increase market share. These activities are also intended to help generate 166,000 room nights, 794 qualified meeting and convention leads and 278 event bookings during Calendar Year 2015.

5. Tradeshows, Sales Missions, Travel & Lodging

The TBID assessment revenue will assist the CVB with funding tradeshows, sales missions and client events. These events will include attendance by qualified meeting planners from across the United States and Canada. These activities are intended to help generate 166,000 room nights and 794 qualified meeting and convention leads. It is expected that Travel Industry Sales will generate 150 qualified hotel and non-hotel business leads and 1,000 client service requests from Tour Operators for those hospitality/tourist related businesses within the TBID area. The TBID assessment revenue will assist with funding the operation of satellite sales offices in Southern California, Washington DC and Florida with the objective of specifically targeting meeting and convention business.

6. Special Promotions

TBID assessment revenue will assist the CVB with implementing events in targeted markets, with the purpose of increasing market share and enabling the hotels, resorts, attractions and other hospitality entities to conduct business in markets that are not reachable as a single entity or business. The target markets include Seattle, Portland, San Francisco, Sacramento, Los Angeles, Orange County, San Diego, Scottsdale/Phoenix, Chicago, Denver, Dallas, Minneapolis, Washington D.C. and New York, as well as Canada, Australia, Germany, France, China and the United Kingdom.

7. Event Hosting

TBID assessment revenue will assist the CVB with supporting major local events that provide a direct impact to hotel occupancy while supporting the CVB's Convention Sales, Marketing and Travel Industry Sales Strategies. Primary consideration is given to major events that produce room nights and increase media exposure for the destination.

8. Research
