

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

217

FROM: Successor Agency to the Redevelopment Agency

SUBMITTAL DATE:
6/4/2015

SUBJECT: Authorize the Executive Officer or his designee to Vote in favor of the Department of Environmental Health's Vector Control Funding Measure on behalf of the Successor Agency for the Successor Agency Owned Parcels. Districts 1,3,5 [\$43 total and ongoing], Department Funds.

RECOMMENDED MOTION: That the Board of Supervisors:

1. Authorize the Executive Officer or his designee to vote in favor of the proposed Vector Control Funding Measure on behalf of the County for County owned parcels.

BACKGROUND:

Summary

The Department of Environmental Health has provided vector control services to the unincorporated areas of the County since 1972. Due to loss of general fund support over the past decade, the Department is seeking a sustainable funding source in order to continue the vector control program. The proposed benefit assessment is consistent with funding measures for vector control and mosquito abatement districts across California.
