MISCELLANEOUS; 2015 SERIES A BOND INSURER PROVISIONS

Section 30.01. Security for 2015 Series A Bonds. The 2015 Series A Bonds shall be Parity Debt within the meaning of such term in Section 1.01 and shall be secured in the manner and to the extent set forth in Article IV. As provided in Section 4.01 and Section 4.02 of the Indenture, the 2015 Series A Bonds shall be secured on a parity with all other Bonds issued under the Indenture, including the 2004 Series A-T Bonds remaining outstanding, the 2010 Bonds, the 2011 Bonds and the 2014 Bonds, by a first pledge of and lien on all of the Housing Tax Revenues in the Special Fund and all moneys in the 2015 Reserve Subaccount and any other Parity Debt hereafter issued that the Successor Agency elects to be secured by the 2015 Reserve Subaccount and the sub-subaccounts therein. The 2015 Series A Bonds shall be also equally secured by the pledge and lien created with respect to the 2015 Series A Bonds by Section 34177.5(g) of the California Health and Safety Code on moneys deposited from time to time in the Redevelopment Property Tax Trust Fund, provided, however, that such pledge and lien shall only be with respect to the amounts on deposit in the Redevelopment Property Tax Trust Fund after amounts on deposit therein have been set aside and reserved, in the manner required in the applicable indentures or other relevant documents, to pay (i) debt service on the other bonds of the Former Agency and the Successor Agency, including bonds issued for the benefit of other project areas of the Former Agency and bonds secured by the amounts required, prior to the Dissolution Act, to be deposited in the former low and moderate income housing fund of the Former Agency and (ii) amounts due pursuant to tax sharing agreements, owner participation agreements, development agreements and other similar agreements that are senior to the payment of the debt service on the 2015 Series A Bonds and the bonds described in (i) above. For the avoidance of doubt, the 2015 Series A Bonds are secured by the pledge and lien created with respect to the 2015 Series A Bonds by Section 34177.5(g) of the California Health and Safety Code on moneys deposited from time to time in the Redevelopment Property Tax Trust Fund to the extent set forth in the foregoing sentence on a parity basis with all refunding bonds issued by the Successor Agency, unless otherwise specified in connection with the issuance of such refunding bonds.

The Successor Agency acknowledges that, due to the passage of Dissolution Act, it will need to take certain actions to ensure that it collects sufficient Housing Tax Revenues to make the deposits as and when required to be made into the Special Fund pursuant to Section 4.02 of the Indenture, and in order to insure the payment of debt service on the Bonds, including the Series 2015 Series A Bonds, on a timely basis. The Successor Agency covenants that it will take all such actions as required to make the deposits as and when required to be made into the Special Fund pursuant to Section 4.02 of the Indenture, and to make the timely payment of debt service on the Bonds. The Successor Agency further acknowledges that the provisions of the Dissolution Act require that it establish the Retirement Fund, into which all Tax Revenues are required to be deposited. The Successor Agency has heretofore established the Retirement Fund as required by Section 34170.5(a) of the Redevelopment Law, and covenants that it shall continue to hold and maintain the Retirement Fund so long as any of the Bonds are Outstanding. The Successor Agency hereby agrees that it will hold the Special Fund as an account within the Retirement Fund and will continue to deposit all Housing Tax Revenues, as and when received, into the Special Fund in order to ensure that all Housing Tax Revenues are available for the payment of debt service on the Bonds on a timely basis and all amounts due the 2015 Series A Insurer.

The Successor Agency further covenants and agrees that it will duly and punctually pay or cause to be paid the principal of and interest on each of the Bonds, including the 2015 Series A Bonds, on the date, at the place and in the manner provided in the Bonds. The Successor Agency shall comply with all of the requirements of the Redevelopment Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder. Further, it will take all actions required under the Dissolution Act to include scheduled debt service on the 2015 Series A Bonds and any Parity Debt, all amounts required to be deposited in the Special Fund pursuant to and in accordance with Section 4.02 of the Indenture, as well as any amount required to replenish the Reserve Account and subaccounts thereunder established under the Indenture (including all [2015 Series A Reserve Insurance Policy Costs] (as defined in Section 30.09(a) hereof), all [2015 Series A Insurer Reimbursement Amounts] (as defined in Section 30.08(d) hereof) and all other amounts due the 2015 Series A Insurer hereunder, in Recognized Obligation Payment Schedules for each six-month period so as to enable the Riverside County Auditor-Controller to distribute from the Redevelopment Property Tax Trust Fund on each January 2 and June 1 all amounts required to be deposited in the Special Fund (pursuant to and in accordance with Section 4.02 the Indenture), which amounts will to be used to pay debt service on the Bonds, including the 2015 Series A Bonds, including all [2015 Series A Reserve Insurance Policy Costs], all [2015 Series A Insurer Reimbursement Amounts] and all other amounts due the 2015 Series A Insurer. These actions will include, without limitation, placing on the periodic Recognized Obligation Payment Schedule for approval by the Oversight Board and California Department of Finance the amounts to be held by the Successor Agency in the Special Fund, as contemplated by paragraph (1)(A) of subdivision (d) of Section 34171 of the California Health and Safety Code, that are necessary to comply with the Indenture.

The Successor Agency also covenants to calculate the amount of Tax Revenues received during each six-month period, as described above, to ensure that Housing Tax Revenues are properly credited to and deposited in the Special Fund, as required by Section 4.02 of the Indenture.

In the event the provisions set forth in the Dissolution Act as of the Closing Date of the 2015 Series A Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the Bonds and, if the timing of distributions of the Redevelopment Property Tax Trust Fund is changed, the receipt of (i) not less than one half of debt service due during each Bond Year on all Outstanding Bonds prior to April 1 of such Bond Year, and (ii) the remainder of debt service due during such Bond Year on all Outstanding Bonds prior to the next succeeding October 1.

Notwithstanding anything contained in the 2004 Indentures, the 2005 Series A First Supplement, the 2010 Series A-T First Supplement, the 2010 Series A Second Supplement, the 2011 Series A-T Second Supplement, the 2011 Series A Third Supplement, the Fourth Supplement or the Fifth Supplement, the Successor Agency shall not issue or incur additional Parity Debt other than Parity Debt issued or incurred solely for the purpose of refunding the 2015 Series A Bonds or any Parity Debt.

Section 30.02. Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of the Indenture, failure of the Successor

Agency to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, any Participating Underwriter or any owner or beneficial owner of the 2015 Series A Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Successor Agency to comply with its obligations under this Section 30.01.

Section 30.03. Tax Covenants Relating to 2015 Series A Bonds.

(a) Maintenance of Tax Exemption. The Successor Agency shall take all actions necessary to assure the exclusion of interest on the 2015 Series A Bonds from the gross income of the Owners of the 2015 Series A Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the date of issuance of the 2015 Series A Bonds.

(b) Federal Guarantee Prohibition. The Successor Agency shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2015 Series A Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Tax Code.

(c) Rebate Requirement. The Successor Agency shall take any and all actions necessary to assure compliance with section 148(f) of the Tax Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the 2015 Series A Bonds.

(d) No Arbitrage. The Successor Agency shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the 2015 Series A Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the 2015 Series A Bonds would have caused the 2015 Series A Bonds to be “arbitrage bonds” within the meaning of section 148 of the Tax Code.

(e) Maintenance of Tax-Exemption. The Successor Agency shall take all actions necessary to assure the exclusion of interest on the 2015 Series A Bonds from the gross income of the owners of the 2015 Series A Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the date of issuance of the 2015 Series A Bonds.

(f) Private Activity Bond Limitation. The Successor Agency shall assure that the proceeds of the 2015 Series A Bonds are not so used as to cause the 2015 Series A Bonds to satisfy the private business tests of section 141(b) of the Tax Code or the private loan financing test of section 141(c) of the Tax Code.

Section 30.04. Benefits Limited to Parties. Nothing in this Sixth Supplement, expressed or implied, is intended to give to any person other than the Successor Agency, the Trustee, the 2015 Series A Insurer and the Owners of the 2015 Series A Bonds, any right, remedy, claim under or by reason of this Sixth Supplement. Any covenants, stipulations, promises or agreements in this Sixth Supplement contained by and on behalf of the Successor Agency shall be for the sole and exclusive benefit of the Trustee, the 2015 Series A Insurer and the Owners of the 2015 Series A Bonds.

Section 30.05. Effect of this Sixth Supplement. Except as in this Sixth Supplement expressly provided or except to the extent inconsistent with any provision of this Sixth

Supplement, the 2015 Series A Bonds shall be deemed to be Bonds under and within the meaning thereof as set forth in Section 1.02 of the 2004 Series A Indenture.

Section 30.06. Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the Indenture, and for the better assuring and confirming unto the Owners of the 2015 Series A Bonds and the rights and benefits provided in the Indenture.

Section 30.07. Reliance on Facsimiles. The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Successor Agency shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Successor Agency whenever a person is to be added or deleted from the listing. If the Successor Agency elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Successor Agency understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Successor Agency shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Successor Agency and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Successor Agency. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Successor Agency agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Successor Agency; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

The Bonds have been authorized to be issued by the Successor Agency pursuant to resolutions of the Successor Agency adopted on _____, 2015 and _____, 2015. The obligations of the Successor Agency under the Indenture with respect to the Bonds are on a parity with 2004 Series A-T Bonds, the 2010 Bonds, the 2011 Bonds and the 2014 Series A Bonds (as such terms are defined in the Sixth Supplement). Additionally, the Successor Agency may issue or incur additional obligations on a parity with the Bonds, but only

subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Trustee) and all supplements thereto and to the Redevelopment Law for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Housing Tax Revenues, as that term is defined in the Indenture, and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Successor Agency to provide funds for the Successor Agency in order to refund all of the outstanding 2005 Series A Bonds.

This Bond and the interest hereon and all other parity obligations and the interest thereon (to the extent set forth in the Indenture) are payable from, and are secured by a charge and lien on the Housing Tax Revenues derived by the Successor Agency from the Redevelopment Project (as such terms are defined in the Indenture), and on a parity with any parity debt heretofore issued or hereafter issued at any time by the Successor Agency under and in accordance with the Indenture. The Housing Tax Revenues consist of that portion of Tax Revenues required by Section 33334.3 of the Redevelopment Law to be deposited in the Former Agency's Low and Moderate Income Housing Fund. Tax Revenues consist of all taxes pledged and annually allocated within the Plan Limitations, following the Closing Date, and paid to the Successor Agency with respect to the Project Area pursuant to the Redevelopment Law and the Constitution of the State, or pursuant to other applicable State laws, and as provided in the Redevelopment Plan, and all payments, subventions and reimbursements, if any, to the Successor Agency specifically attributable to *ad valorem* taxes lost by reason of tax exemptions and tax rate limitations, but excluding (i) amounts payable by the State to the Successor Agency under and pursuant to Chapter 1.5 of Part 1 of Division 4 of Title 2 (commencing with Section 16110) of the California Government Code, and (ii) amounts payable by the Successor Agency pursuant to Sections 33607.5 and 33607.7 of the Redevelopment Law, except and to the extent that any amounts so payable are payable on a basis subordinate to the payment of the Bonds or to the payment of Parity Debt, as applicable.

As and to the extent set forth in the Indenture, all of the Housing Tax Revenues are irrevocably pledged in accordance with the terms hereof and the provisions of the Indenture and the Redevelopment Law, to the payment of the principal of and interest on the Bonds and any such parity obligations. Notwithstanding the foregoing, certain amounts out of Housing Tax Revenues may be applied for other purposes as provided in the Indenture.

This Bond is not a debt of the County of Riverside, the State of California, or any of its political subdivisions, and neither said County nor said State or any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than the Housing Tax Revenues and amounts held in certain funds and accounts under the Indenture.

The rights and obligations of the Successor Agency and the owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages of the owners required to effect any such modification or amendment.

The Bonds maturing on October 1, 20__, are subject to redemption, at the option of the Successor Agency on any date on or after October 1, 20__, as a whole or in part, by such maturities as shall be determined by the Successor Agency, and by lot within a maturity, from any available source of funds, at a redemption price equal to the principal amount of the Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Successor Agency shall be required to give the Trustee written notice of its intention to redeem Bonds under this subsection (a) and of the maturities selected for redemption at least thirty (30) days prior to the date fixed for redemption (or such later date as shall be acceptable to the Trustee).

The Bonds maturing October 1, 20__ (the "Term Bonds"), are subject to mandatory redemption in part by lot on October 1, 20__, and on October 1 in each year thereafter as set forth below, from Sinking Account payments made by the Successor Agency, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium, or in lieu thereof shall be purchased in whole or in part pursuant to the Indenture, in the aggregate respective principal amounts and on the respective dates as set forth in the following table; *provided, however*, that if some but not all of the Term Bonds have been optionally redeemed, the total amount of all future applicable Sinking Account payments shall be reduced by the aggregate principal amount of such Term Bonds so redeemed, to be allocated among the Sinking Account payments as are thereafter payable on a pro rata basis in integral multiples of \$5,000 as determined by the Successor Agency (notice of which determination shall be given by the Successor Agency to the Trustee).

* Maturity

In lieu of redemption of Term Bonds, amounts on deposit as Sinking Account payments may also be used and withdrawn by the Trustee, at the written direction of the Successor Agency, at any time for the purchase of Term Bonds otherwise required to be redeemed on the following October 1 at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the Successor Agency may in its discretion determine. The par amount of any of the Term Bonds so purchased by the Successor Agency and surrendered to the Trustee for cancellation in any twelve-month period ending on August 1 in any year shall be credited towards and shall reduce the par amount of the Term Bonds otherwise required to be redeemed on the following October 1 pursuant to the mandatory Sinking Account redemption optional redemption described above.

The Trustee, on behalf and at the expense of the Successor Agency, shall mail (by first class mail) notice of any redemption to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and to the

Securities Depositories and to one or more Information Services, at least thirty (30) but not more than sixty (60) days prior to the date fixed for redemption; provided, however, that neither failure to receive any such notice so mailed nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon.

The Successor Agency has the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds shall be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

This Bond may be presented for transfer by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee in Los Angeles, California, or at such other place as is designated by the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time, form and manner as required by the Redevelopment Law and the laws of the State of California and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Redevelopment Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been signed by the Trustee.

Unless this certificate is presented by an authorized representative of The Depository Trust Company to the issuer or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co., or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, the Successor Agency to the Redevelopment Agency for the County of Riverside has caused this Bond to be executed in its name and on its behalf with the facsimile signature of the Deputy County Executive Officer of the County of Riverside on behalf of the Successor Agency to the Redevelopment Agency for the County of Riverside and attested by the facsimile signature of its Secretary, all as of the Original Issue Date set forth above.

MEMORANDUM

To: Successor Agency to the Redevelopment Agency for the County of Riverside

Date: June 1, 2015

From: C.M. de Crinis - Financial Advisor to the County of Riverside Tax Allocation Bonds Refunding Program

RE: 2015 Bond Refunding Plan – Refunding Series 2005 A (1986-1 Project) Series 2005 D (Desert Communities Project) and Series 2005 E (I- 215 Project) Project Area and Series 2005 Housing Bonds

Introduction

As a result of ABx1 26 and the California Supreme Court decision in the Matosantos case challenging the constitutionality of AB 26, all redevelopment agencies in the State were dissolved as of February 1, 2012, including the Redevelopment Agency for the County of Riverside, and successor agencies to the former redevelopment agencies were designated to expeditiously wind down the affairs of the former redevelopment agencies. The County of Riverside acts as the successor agency to the Redevelopment Agency (the “Successor Agency”).

Section 34177.5 of the Health & Safety Code, which was added to the Dissolution Act by AB 1484, authorizes the Successor Agency to issue bonds for the purpose of refunding outstanding tax allocation bonds of the Redevelopment Agency or the Successor Agency to provide debt service savings provided that (A) the total interest cost to maturity on the refunding bonds plus the principal amount of the refunding bonds does not exceed the total remaining interest cost to maturity on the bonds to be refunded plus the remaining principal of the bonds to be refunded, and (B) the principal amount of the refunding bonds does not exceed the amount required to defease

the refunded bonds, to establish customary debt service reserves, and to pay related costs of issuance. If the foregoing conditions are satisfied, the initial principal amount of the refunding bonds may be greater than the outstanding principal amount of the bonds to be refunded.

Section 34177.5(h) of the Dissolution Act requires the Successor Agency to make diligent efforts to ensure that the lowest long-term cost financing is obtained, and requires the successor agency to make use of an independent financial advisor in developing financing proposals and to make the work products of the financial advisor available to the Department of Finance at its request. This report will be submitted to the Department of Finance as part of the Agency's request for approval of the proposed 2015 refundings of the Jurupa Valley and Mid County bonds.

This report is written by C.M. de Crinis & Co. Inc., which has been engaged as the independent financial advisor to the County of Riverside's Tax Allocation Bond Refunding Program (the "County Program"), to analyze the possible refunding of the Successor Agency's tax allocation bonds and to assure compliance with AB 1484.

Overview of Bond Refunding Plan

On February 20, 2014 the County's Successor Agency Oversight Board elected, pursuant to Health and Safety Code Section 34177.5(f), to participate in the Riverside County's Refunding Program which is available to all Successor Agencies in the County. The Department of Finance has previously approved the refunding of six bond issues for the County's Successor Agency and three bond issues for participating cities. Seven of the bond issues have been successfully refunded and the two most recently approved are awaiting sale as of the date of this submission. Consistent with its internal policies and its fiduciary obligation to the taxpayers, the Successor Agency's staff and the Program's financing team continue to bring forward refunding candidates that meet its savings guidelines. Currently we have identified four additional Series of outstanding bonds totaling \$63,940,000 that can be currently refunded for savings. These four bond series were included in the Riverside County Public Financing Authority's \$144,075,000 Series 2005 Tax Allocation Revenue Bonds and \$18,245,000 Series 2005 Housing issue.

Refunding Candidates

The Successor Agency proposes to refund the following issues:

1. **Series 2005 A Bonds (1986-1 Project).** Currently \$24,385,000 in Bonds is outstanding and refundable for acceptable savings. These bonds have a final maturity date of October 1, 2037 and are first callable 10/1/2015 at Par. Successor Agency Refunding Series 2015 A Bonds in the amount of \$21,680,000 will be issued. Net Present Value savings are expected to be \$1,205,784 or 4.95% of bonds refunded. It is currently expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of "premium" pricing; the net proceeds will be sufficient to redeem the outstanding bonds.

2. **Series 2005 D Bonds (Desert Communities Project).** Currently \$14,440,000 in Bonds is outstanding and refundable for acceptable savings. These bonds have a final maturity date of October 1, 2037 and are first callable 10/1/2015 at Par. Successor Agency 2015 D Bonds in the amount of \$12,190,000 will be issued. Net Present Value savings are expected to be \$1,205,784 or 8.4% of bonds refunded. It is currently expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds.
3. **Series 2005 E Bonds (I-215 Project).** Currently \$20,930,000 in Bonds is outstanding and refundable for acceptable savings. These bonds have a final maturity date of October 1, 2037 and are first callable 10/1/2015 at Par. Successor Agency 2015 E Bonds in the amount of \$18,680,000 will be issued. Net Present Value savings are expected to be \$1,037,925 or 4.9% of bonds refunded. It is currently expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds.
4. **Series 2005 Housing Bonds.** Currently \$14,185,000 in Bonds is outstanding and refundable for acceptable savings. These bonds have a final maturity date of October 1, 2033 and are first callable 10/1/2015 at Par. Successor Agency 2015 Housing Bonds in the amount of \$12,555,000 will be issued. Net Present Value savings are expected to be \$1,230,760 or 8.7 % of bonds refunded. It is currently expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds.

Upon the issuance of the Series 2015 Refunding Bonds discussed herein together with the Series 2015 Refunding Series B and C Bonds previously approved and expected to be sold in June, all of the Successor Agency’s *tax-exempt* Housing and non-Housing bonds, issued *prior* to 2006, totaling \$303,330,000 will be refunded for savings.

Bond Structure and Credit Considerations- *Series 2015 A, D and E Bonds*

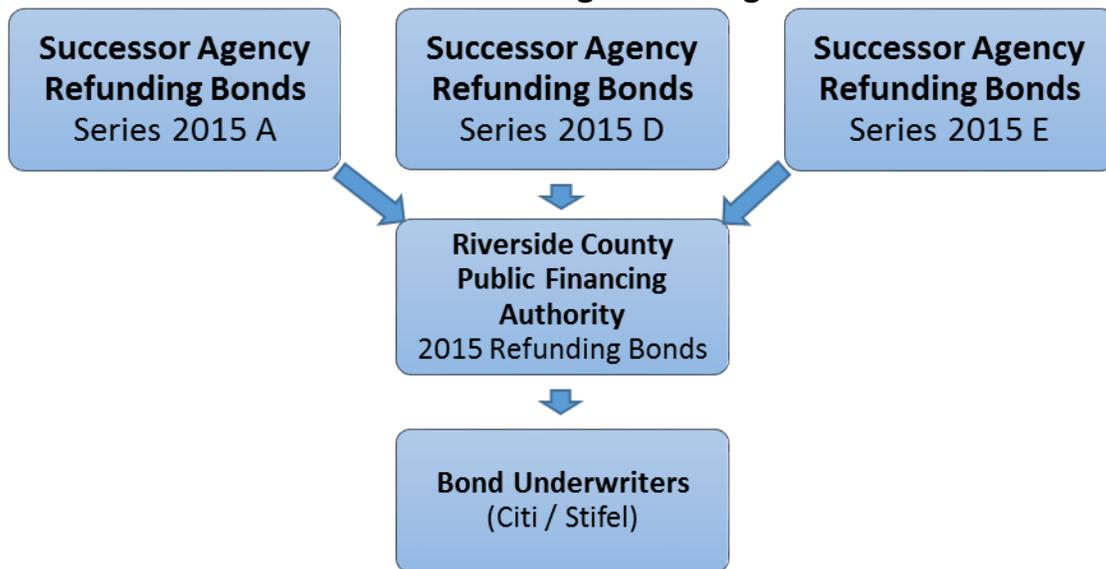

After analyzing several alternative structures with the lead underwriters, the recommended financing plan is to *consolidate the three Successor Agency refunding bond issues, the Series 2015 A, D and E Bonds into a single bond issue in a simultaneous two-step process.* First, senior lien project area refunding bonds, *the Series 2015 A, D and E Bonds* will be issued by the Successor Agency on parity with the existing project area senior lien bonds. Additionally, these bonds will be secured by a pledge of, and lien on, and shall be repaid from moneys deposited from time to time in the Successor Agency’s Redevelopment Property Tax Trust Fund pursuant to Section 34177.5(g), known as an RPTTF Pledge. This is the ***same bond structure*** approved by the Department of Finance last summer for the three 2014 Successor Agency Refunding Bond issues which refunded the Series 2004 A, D and E Bonds for the corresponding project areas.

Second, *the Series 2015 A, D and E Bonds* will simultaneously sold to the Riverside County Public Financing Authority and pooled into a single revenue bond issue, the Riverside County Public Financing Authority 2015 Refunding Revenue Bonds. This pooled structure is advisable as the senior lien bonds of the underlying Project Areas (1986-1, Desert Communities, and Interstate 215) each received the same bond rating of Standard & Poor’s “A-” in 2014. It is expected therefor that the Series 2015 Bond will also be rated Standard & Poor’s “A-”. Given their identical underlying ratings it is not expected that pooling the issues will incur added interest costs and that costs of issuing the bonds can be lowered.

Issuing these Refunding Bonds as a single issue with a subordinate RPTTF pledge only was also explored, but given the complex nature of the County RPTTF Fund, existing senior and subordinate debt and existing project areas and sub areas, it was not deemed advisable given potential investor concerns. The proposed structure was determined more efficient from a bond pricing standpoint. The 2015 Refunding Revenue Bonds issued by the Authority will be purchased by an underwriting team composed of Citi and Stifel. The County has utilized this structure in the past to achieve economies of scale in terms of costs of issuance and bond denomination size. In fact, the Series 2004 and 2005 Authority Revenue Bonds purchased Successor Agency bonds issued by each of the Successor Agency’s five project areas as is proposed herein. Senior Lien Debt Service coverage on the Series A Bonds is expected to be 1.71, Senior Lien Debt Service coverage on the Series D Bonds is expected to be 1.45 and Senior Lien Debt Service coverage on the Series E Bonds is expected to be 1.65.

2015 Bond Non-Housing Refunding Structure

County policy is to achieve a minimum net combined present value target of 3% of the principal bonds refunded (*Board Policy B-24 for the Riverside County Debt Advisory Committee*). If the savings are insufficient, the Successor Agency may forgo or delay the refinancing. The Series 2005 A, D, E and Housing Bonds can be refunded or repaid at any time after October

1, 2015 upon 30 days' notice and will be treated as a current refunding under Federal Tax Law. The Refunding Bonds will comply with the safe harbor regulation to qualify as a current refunding.

The term and repayment dates of the Refunding Bonds will be identical to the outstanding bonds being refunded. Principal amortization will be structured to produce proportional savings in each year.

Tax revenues will be pledged to pay the refunding debt service and submitted together with other existing Successor Agency debt service on the semi-annual ROPS for approval by the Department of Finance.

Bond Structure and Credit Considerations-Housing Bonds

The Series 2015 Housing Refunding Bonds will *be issued directly by the Agency* on parity with its existing Series 2004 B, Series 2010 A, Series 2010 A-T, Series 2011 A and Series 2011 A-T and Series 2014 Housing Bonds and secured by a pledge of the Housing Set Aside. Debt service coverage on the County's Housing Bonds is expected to exceed 1.50 times. It is expected that coverage will increase based upon the debt service savings and the County Assessor's projected increase in assessed values for Fiscal Year 2015-16. The current rating of the Series 2005 Housing Bonds is "A-" by Standard & Poor's.

The term and repayment dates will be identical to the outstanding bonds being refunded. Savings will be proportional in each year.

Bond Debt Service Reserve Funds

As noted above the Authority issued its Series 2004 and 2005 Revenue Bonds on a pooled basis. A key security feature of the underlying bonds was a "common reserve fund" attributable to each project area. In 2004 and 2005 the Authority Revenue Bonds were insured by XL Capital, now Syncora Guarantee, and were rated Aaa/AAA. The current rating of the Series 2005 Revenue Bonds is "BBB+" by Standard & Poor's, as a result of the downgrade of the original insurer and the lowest rating of the project area in the pool, the Mid County Project Area. *XL Capital also provided a surety policy in lieu of a cash funded debt service reserve fund* for the Series 2005 D (Desert Communities Project) and 2005 Housing Bonds. The Series 2005 A (1-1986) and 2005 E (I-215) debt service reserve funds were cash funded.

In 2014 amendments to the prior indentures were approved by the existing insurers, Syncora and MBIA, to allow for new debt service reserve fund sureties in cases where lower rated bond reserve fund sureties currently exist. These amendments were granted in connection with the Agency's 2014 Refunding Bonds. The Desert Communities 2005 Bonds and the Series 2005 Housing Bonds currently have bond reserve fund surety policies issued by XL Capital which is now Syncora Guarantee. Securing new surety policies produces greater savings than funding the debt service reserve requirement with cash from bond proceeds. Syncora Guarantee was rated Aaa/AAA in the 2004 and 2005 but the bond ratings, as result of the financial crisis, have been withdrawn.

There are two reserve fund surety providers generally acceptable to the market, Assured Guarantee Municipal and Build America Mutual; neither have the “AAA” credit ratings from both Standard & Poor’s and Moody’s required under the existing senior indentures. Their Standard and Poor’s ratings are “AA” and “AA” respectively. Obtaining bond insurance and a higher rated surety policy, if available, will upgrade the credit quality of the Project Area’s other outstanding parity tax allocation bonds. It is also expected that the Authority’s Refunding Bonds and the Housing Bonds will qualify and benefit from bond insurance.

The 1-1986 and I-215 2005 Bonds have cash funded reserves and the respective 2015 Refunding Bonds will also be funded with cash.

Bond Ratings

The Authority’s 2005 Bonds, which include the Series 2005 A, D & E Bonds to be refunded are currently rated “BBB+” by Standard & Poor’s. The Series 2005 Housing Bonds are currently rated “A-” by Standard & Poor’s. It is expected, based on the experience of the Series 2014 Refunding that the Series 2015 Refunding Revenue Bonds will receive a rating upgrade from Standard & Poor’s to “A-”, based on each project area’s characteristics, increased debt service coverage, RPTTF Pledge and term. It is expected that the RPTTF backup pledge will improve the credit quality of Series 2015 Refunding Revenue Bonds.

The Housing Refunding Bonds are expected to receive ratings of “A-”, based upon the current high coverage and the limitation on any new debt issuance beyond refinancings. (The Agency’s 2014 Housing Refunding Bonds received an “A-” rating.) It is also expected that bond insurance will be available from Assured Guaranty Mutual and/or Build America Mutual increasing the ratings to the “AA” category which is the current rating of both insurers by S&P. **Assured Guaranty insured the Agency’s 2014 Refunding Bonds.** No application will be made for a Moody’s or Fitch rating.

Process and Timing

The Successor Agency, the Authority and Oversight Boards are expected to approve the financing legal documents for the proposed three underlying refunding bond series (to be pooled) and the housing bond series at their respective meetings the week of June 15th. The Successor Agency and the Authority are expected to take action to approve the Bond Official Statements in August 2015. Assuming timely approvals from all entities, including

the State Department of Finance, the Successor Agency and the Authority anticipate issuing the Refunding Bonds in September of 2015.

Allocation of Savings

It is expected that reductions in annual debt service will be allocated by the County Auditor to the appropriate taxing entities semiannually as part of the tax apportionment and ROPS processes. The primary beneficiaries are school and community college districts receiving with approximately 60% of the savings. The County will receive approximately 30% (direct and indirect) of the annual savings, with the remainder distributed to cities and special districts. (See attached summary.)

Compliance with AB 1484

Based upon the current projected results, the Refunding Bonds would easily meet the tests imposed by AB 1484. The total interest cost to maturity on the refunding bonds plus the principal amount of the refunding bonds does not exceed the total remaining interest cost to maturity on the bonds to be refunded plus the remaining principal of the bonds to be refunded, and the principal amount of the refunding bonds does not exceed the amount required to defease the refunded bonds, to establish customary debt service reserves, and to pay related costs of issuance. It is also worth noting here that the County's policy with respect to refundings is to obtain a present value savings of at least 3% of the refunded bonds.

The Successor Agency has made diligent efforts to ensure that the lowest long-term cost financing is obtained. These efforts include selecting a bond structure which is expected to carry the lowest interest cost. The Successor Agency has utilized an independent financial advisor in developing financing proposals and the work products of the financial advisor in addition to this memorandum are available to the Department of Finance at its request.
