- 3) Approve the Temporary Construction Easement and Right of Entry Agreement between the District and the City of Temecula and authorize the Chairman of the Board to execute the same on behalf of the District; and
- 4) Authorize the Clerk of the Board to certify acceptance of any documents running in favor of the District as part of this transaction; and
- 5) Authorize the General Manager-Chief Engineer or his designee to execute any other related documents and administer all actions necessary to complete this transaction; and
- 6) Direct the Clerk of the Board to submit the Notice of Determination to the County Clerk for filing within five (5) days of approval of this project, the authorization of the purchase of the temporary construction easement and right of entry.

BACKGROUND:

Summary (continued)

The District, in conjunction with the U.S. Army Corps of Engineers, is in the final phase of preparing construction drawings for the Murrieta Creek Phase II project. This Parcel has also been identified as needed on a temporary basis for access and construction staging to Murrieta Creek.

A Temporary Construction Easement and Right of Entry Agreement has been negotiated with the property owner, the City of Temecula (City), at the fair market value of \$118,000. The City has agreed to take a credit against their future contributions to the project in lieu of cash.

The Right of Entry and Temporary Construction Easement Agreement covers the use of Assessor's Parcel No. 921-020-089, located in the city of Temecula, also identified as RCFC Parcel No 7021-33T. The property contains approximately .68 acre or 29,261 sq. ft. and is unimproved and vacant. The District and Corps will be able to utilize the property for a period of thirty-six (36) months to access to the bottom of the creek from Sixth Street on the east side of Murrieta Creek.

Pursuant to CEQA, the project was reviewed and a Notice of Determination was filed in compliance with Section 21108 or 21152 of the Public Resources Code with the County Clerk of Riverside County on January 30, 2003. The purchase of a right of entry and temporary construction easement described herein was found to not have a significant effect on the environment. This acquisition was contemplated and adequately analyzed in the earlier Environmental Impact Report (SCH#2000071051) considered and certified by the Board on January 28, 2003, Agenda Item 11.5, Resolution No. F2003-1. Therefore, nothing further is required.

This action is necessary to facilitate the construction of the Murrieta Creek Phase II improvements.

Resolution No. F2015-28 and the Temporary Construction Easement and Right of Entry Agreement have been approved as to form by County Counsel.

Impact on Residents and Businesses

This project will reduce flooding in the Old Town section of the City, thereby protecting property and residents.

1 (3) years on RCFC Parcel No. 7021-33T for construction staging purposes and to facilitate the
2 District's construction of the Project; and,

3 WHEREAS, the District and the City have negotiated the terms and conditions of the
4 acquisition of the Rights and now desire to enter into the Temporary Construction Easement and
5 Right of Entry Agreement ("Agreement"); and,

6 WHEREAS, the District, as lead agency for CEQA purposes, has subsequent approvals
7 for the Murrieta Creek, Phase II Project, such as authorizing the acquisition of real property
8 interests, located in the City of Temecula, State of California, in order to implement the Project;
9 and,

10 WHEREAS, the acquisition of the Rights to the Property is a subsequent discretionary
11 action contemplated for the Murrieta Creek, Phase II Project and was analyzed in the previously
12 certified Environmental Impact Report ("EIR") certified by this Board on January 28, 2003 and a
13 Supplemental Environmental Assessment/Environmental Impact Report (SCH#2000071051)
14 ("SEA/EIR") certified by this Board on August 5, 2014; now, therefore,

15 BE IT RESOLVED, DETERMINED AND ORDERED by vote of the Board of
16 Supervisors of the Riverside County Flood Control and Water Conservation District in regular
17 session assembled on June 16, 2015, at 10:30 a.m. or soon thereafter, in the meeting room of the
18 Board of Supervisors of the District located on the 1st Floor of the County Administrative Center,
19 4080 Lemon Street, Riverside, California, based upon the evidence and testimony presented on
20 the matter, both written and oral, including the EIR and SEA/EIR, as it relates to the acquisition
21 of the right to possess and use real property project has determined the following:

22 1. The Board has evaluated the proposed acquisition of the Rights in the Property
23 from the City and determined the proposed acquisition is consistent and included in all
24 substantive respects with the Murrieta Creek, Phase II Project approved by the District; and

25 2. Based on the review of the EIR and SEA/EIR, the environmental impacts of the
26 acquisition project have been sufficiently assessed in the EIR and SEA/EIR and the acquisition
27 project has been determined that it would not have a significant effect on the environment based
28 upon substantial evidence in light of the whole record; and

3. There are no substantial changes in the Murrieta Creek, Phase II Project, including this acquisition project, no substantial changes in circumstances, or no new information which would require the preparation of subsequent negative declaration or other environmental assessment/documentation, pursuant to CEQA and Section 15162 of the CEQA Guidelines; and

4. Nothing further is required and no new environmental documentation is warranted because; 1) all potentially significant impacts of the project have been adequately analyzed in an earlier EIR and SEA/EIR pursuant to legal standards; 2) all potentially significant effects of the project have been avoided or mitigated pursuant to the earlier EIR and SEA/EIR; 3) the project will not result in any new significant environmental effects not identified in the earlier EIR and SEA/EIR; 4) the project will not substantially increase the severity of the environmental effects identified in the earlier EIR and SEA/EIR; 5) no considerably different mitigation measures have been identified; and 6) no mitigation measures found infeasible have become feasible.

BE IT FURTHER RESOLVED, DETERMINED AND ORDERED by vote of the Board of Supervisors of the Riverside County Flood Control and Water Conservation District ("Board"), that this Board authorizes the purchase of a Temporary Construction Easement and Right of Entry in certain real property located in the city of Temecula, County of Riverside, State of California, identified with Assessor's Parcel Number 921-020-089, more particularly described on Exhibits "A-7" and "B-7", for a purchase price of \$118,000.00, from the owner, the City of Temecula, pursuant to the terms and conditions of the Agreement.

BE IT FURTHER RESOLVED, DETERMINED AND ORDERED that the Temporary Construction Easement and Right of Entry Agreement between the District and the City is hereby approved and the Chairman of the Board of Supervisors of the District is authorized to execute the same on behalf of the District.

BE IT FURTHER RESOLVED, DETERMINED AND ORDERED that the Clerk of the Board certify acceptance of any documents conveying the real property interest in favor of the District to complete the purchase.

**TEMPORARY CONSTRUCTION EASEMENT AND RIGHT OF
ENTRY AGREEMENT BETWEEN RIVERSIDE COUNTY FLOOD
CONTROL AND WATER CONSERVATION DISTRICT AND
CITY OF TEMECULA (APN 910-020-089)**

This Temporary Construction Easement and Right of Entry Agreement ("Agreement") is entered into as of _____, 2015 ("Effective Date") between the City of Temecula, a municipal corporation ("Grantor" or "City") and Riverside County Flood Control and Water Conservation District, a body politic ("Grantee" or "District"). The City and the District are referred to below collectively as the "Parties".

RECITALS

A. The District has been working with the U.S. Army Corps of Engineers on the Murrieta Creek Flood Control, Environmental Restoration and Recreation Project ("Project"), which would reduce the potential threat of future flooding along Murrieta Creek in the Southwest area of Riverside County.

B. The Project is comprised of several funding sources, including local participation by the Cities of Temecula and Murrieta. The City is a local participant in this Project pursuant to that certain Cooperative Agreement dated January 11, 2005 between the District, the City of Temecula and the City of Murrieta.

C. The City of Temecula is the record fee owner of that certain approximate 3.64-acre vacant real property located at the northwest corner of Old Diaz Road and Rancho California Road and the northeast corner of Diaz Road and Rancho California Road, and identified as Riverside County Assessor's Parcel Number 921-020-089. This parcel is referred to below as Riverside County Flood Control District Parcel No. 7021-33T ("RCFC No. 7021-33T"). RCFC No. 7021-33T is described more particularly on Exhibit "A-7" hereto labeled "Legal Description for Diaz Road Right-of-Way Dedication Remainder Parcel" and depicted on Exhibit "B-7" hereto, which are incorporated herein by this reference.

D. The District desires to acquire from the City and the City desires to grant to the District a temporary construction easement with a term of three years on RCFC No. 7021-33T for construction staging purposes and to facilitate the District's construction of Phase 2 of the Project.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the City and the District mutually agree as follows:

1. The City hereby grants to the District a temporary construction easement and right of entry with a term of three years (referred to below as "temporary construction easement") on RCFC No. 7021-33T to facilitate the construction of Phase 2 of Project, subject to the terms of this Agreement.

2. The total monetary consideration for the District's use of the temporary construction easement pursuant to the terms of this Agreement is \$118,000 (One Hundred Eighteen Thousand Dollars). Said monetary consideration shall be payable as a credit in favor of the City in the amount of the total monetary consideration of \$118,000 towards the City's share of its Local Share costs in connection with the Project.

3. Term. The term of the temporary construction easement will commence on the Effective Date of this Agreement. The temporary construction easement will expire on the earlier of (a) three-years after the Effective Date of this Agreement, or (b) on the date that the District records a Notice of Termination of the temporary construction easement in the Official Records of the County of Riverside. Upon the expiration of the temporary construction easement, the District agrees to take such actions as the City may reasonably request to evidence and give effect to the extinguishment of the temporary construction easement and the relinquishment of the District's rights and interests in the temporary construction easement pursuant to this Agreement. The City grants to the District, its contractors, subcontractors, agents, representatives, employees and all others reasonably deemed necessary by the District, the right to use and occupy the temporary construction easement for a term of three years to facilitate the District's construction of Phase 2 of the Project. The purpose and scope of this temporary construction easement is to allow for the District's storage and assembly of equipment and materials, ingress and egress, and any related support activities to facilitate the construction of Phase 2 of the Project.

4. The District shall replace with material of like kind and quality any improvements, landscaping and irrigation located on RCFC No. 7021-33T that are damaged as a result of the District's construction of the Project.

5. The District shall install and maintain a 6-foot chainlink fence with privacy screens around RCFC No. 7021-33T five business days before it commences its use of the

temporary construction easement and shall maintain said fence during the term of the temporary construction easement.

6. The District shall obtain any necessary permits and approvals required in connection with the District's use of RCFC No. 7021-33T, and shall comply with all local, state, and federal rules that may apply in connection with the District's use of RCFC No. 7021-33T for Phase 2 of the Project.

7. The District shall keep the public right of way free of debris and dirt in connection with its use of the temporary construction easement for Phase 2 of the Project. The District shall sweep the public right of way as necessary to remove dirt and debris. Further, the District shall install a gravel and metal entrance and exit area for RCFC No. 7021-33T in connection with its use of the temporary construction easement.

8. The District agrees to keep the temporary construction easement free of any liens or lien claims made by contractors, subcontractors, suppliers, engineers and/or architects and surveyors who might have lien rights as a result of the District's use of the temporary construction easement in connection with the construction of Phase 2 of the Project. If any such lien is filed on RCFC No. 7021-33T in connection with the District's use of the temporary construction easement, the District will, at its sole cost and expense, have the lien released and discharged of record in a manner satisfactory to the City within thirty (30) calendar days of receiving notice of the lien. If the District fails to remove the lien within such thirty (30) day period, the City will have the right to remove the lien, and District, upon demand, will reimburse the City for all costs and expenses, including without limitation reasonable attorneys' fees incurred by the City in connection with such removal. To the extent permitted by law, the District hereby indemnifies the City from and against all claims and demands for payment, or liens or lien claims made against the City by contractors, subcontractors, suppliers, engineers and/or architects and surveyors who might have lien rights as a result of the District's use of RCFC No. 7021-33T for the construction of Phase 2 of the Project.

9. Notices. All notices and demands will be given in writing by certified or registered mail, postage prepaid, and return receipt requested, or by overnight carrier. Notices will be considered given upon the earlier of (a) two business days following deposit in the United States mail, postage prepaid, certified or registered, return receipt requested, or (b) one business day following deposit with an overnight carrier service. The Parties will address such notices as provided below or as may be amended by written notice:

10. Miscellaneous Provisions.

a. *Authority to Bind Parties and Execute Agreement.* The City and the District represent and warrant to one another that this Agreement constitutes a binding obligation on each of them and that the person executing this Agreement is authorized to execute the Agreement on behalf of the respective Party and to bind it.

b. *Entire Agreement.* This Agreement reflects the entire agreement between the City and the District regarding the District's use of the temporary construction easement on RCFC No. 7021-33T, and shall supersede all prior or contemporaneous oral or written understandings, statements, representations or promises between the City and the District concerning the subject matter of this Agreement.

c. *Governing Law.* This Agreement is deemed to have been prepared by each of the Parties hereto, and any uncertainty or ambiguity herein shall not be interpreted against the drafter, but rather, if such uncertainty or ambiguity exists, shall be interpreted according to the applicable rules of interpretation of contracts under the laws of the State of California, and not the substantive law of another state or the United States or federal common law. This Agreement shall be deemed to have been executed and delivered within the State of California, and the rights and obligations of the Parties shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

d. *Amendment or Modification.* This may be modified or amended only by a writing executed by all Parties to this Agreement.

e. *Partial Invalidity/Severability.* Each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law. If any provision of this Agreement or the application of such provision to any person or circumstance is, to any extent, deemed to be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected by such invalidity or unenforceability, unless such provision or such application of such provision is essential to this Agreement.

f. *Successors-in-Interest and Assigns.* Except as otherwise provided herein, the provisions of this Agreement will be binding on and inure to the benefit of the Parties hereto and their respective heirs, successors and assigns.

g. *Legal Representation.* The Parties, and each of them, acknowledge that in connection with the negotiation and execution of this Agreement, they have each been represented by independent counsel of their own choosing and the Parties executed the Agreement after review by such independent counsel, or, if they were not so represented, said non-representation is and was the voluntary, intelligent and informed decision and election of any of the Parties not so represented; and, prior to executing this Agreement, each of the Parties has had an adequate opportunity to conduct an independent investigation of all the facts and circumstances with respect to the matters that are the subject of this Agreement.

h. *Counterparts, Facsimile & Electronic Signatures.* This Agreement may be executed in whole or in counterparts which together shall constitute the entire Agreement. Facsimile or electronic signatures/counterparts to this Agreement shall be effective as if the original signed counterpart were delivered.

i. *Fees and Costs.* Each of the Parties to this Agreement shall bear its own attorneys' fees and costs, including, but not limited to expert fees, incurred in connection with negotiating the matters described in this Agreement.

IN WITNESS WHEREOF, the City and the District have entered into this Agreement as of the date set forth above.

State Clearinghouse Number (if submitted to State Clearinghouse): N/A

Project Title:
Murrieta Creek Phase II, Project No. 7-0-00021; Authorization to Purchase a Temporary Construction Easement and Right of Entry in Assessor's Parcel Number 921-020-089

Project Location (include county):
The Temporary Construction Easement and Right of Entry covers 3.64 acres of vacant and unoccupied land adjacent to Murrieta Creek within the city of Temecula, which is located in southwesterly Riverside County, California. The location is northeast of the intersection of Rancho California Road and Diaz Road. The location is within Township 8 South, Range 3 West, unsectioned northeasterly portion of the Temecula, California 7.5 Minute USGS Quadrangle.

Project Description:
The project consists of a Temporary Construction Easement and Right of Entry Agreement (Agreement) between the District and the City of Temecula (City). The Agreement covers the use of City property to be utilized by the District and the U.S. Army Corps of Engineers for a period of thirty-six (36) months to provide storage and assembly of equipment and materials. The Murrieta Creek Flood Control, Environmental Restoration and Recreation Project received project-specific analysis in the previously certified Final EIR (SCH #2000071051). A Supplemental EIR was prepared pursuant to CEQA Guidelines Section 15163 to address the Phase II modifications to the project previously analyzed in the Final EIR. After evaluation, it was determined that none of the conditions described in Section 15162 of the CEQA Guidelines calling for the preparation of a subsequent MND or EIR have occurred, and nothing further is required.

This is to advise that the Riverside County Flood Control and Water Conservation District, as lead agency, has approved the above-described Agreement on June 16, 2015 and has made the following determinations regarding the above-described project:

- 1. The Agreement will not have a significant effect on the environment.
2. An Environment Impact Report and a Supplemental EIR (SCH #2000071051) were prepared and certified and considered, respectively, pursuant to CEQA.
3. The Agreement between the District and City was reviewed and it was determined that although the proposed project could have a significant effect on the environment, no new environmental documentation is required because (a) the Project was adequately analyzed in the earlier EIR and the Supplemental EIR (collectively hereinafter referred to as the "Documents") for the Project pursuant to the applicable legal standards; (b) all potentially significant effects of the Project have been avoided or mitigated pursuant to the earlier Documents; (c) the Project will not result in any new significant environmental effects not identified in the earlier Documents; (d) the Project will not substantially increase the severity of the environmental effects identified in the Documents; (e) no considerably different mitigation measures have been identified; and (f) no mitigation measures found infeasible have become feasible. The Agreement is an implementing action in furtherance of the Project and is consistent with the characteristics evaluated in the Documents.
4. Nothing further is required because all potentially significant effects have been adequately addressed in the Documents.

This is to certify that the FEIR/Supplemental EIR, supporting documentation, and record of approval are available to the General Public at: Office of Clerk of the Board, County Administrative Center, 4080 Lemon Street, Riverside, CA 92501
