

FORM APPROVED COUNTY COUNSEL
 BY: GREGORY P. PRIAMOS DATE 6/3/15

**SUBMITTAL TO THE BOARD OF DIRECTORS
 COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

239

FROM: Regional Park and Open-Space District

SUBMITTAL DATE:
6/4/2015

SUBJECT: Authorize the General Manager or his designee to Vote in favor of the Department of Environmental Health's Vector Control Funding Measure on behalf of the Park District for District Owned Parcels; Districts 1,3,5 [\$187 total and ongoing]; District Funds.

RECOMMENDED MOTION: That the Board of Directors:

1. Authorize the General Manager or his designee to vote in favor of the proposed Vector Control Funding Measure on behalf of the Park District for District-owned parcels.

BACKGROUND:

Summary

The Department of Environmental Health has provided vector control services to the unincorporated areas of the County since 1972. Due to loss of general fund support over the past decade, the Department is seeking a sustainable funding source in order to continue the vector control program. The proposed benefit assessment is consistent with funding measures for vector control and mosquito abatement districts across California.

2015-034D

**SUBMITTAL TO THE BOARD OF DIRECTORS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
FORM 11: Vector Control Funding Measure on behalf of the Park District for District Owned
Parcels;; Districts 1, 3, 5 [187]**

DATE: 6/4/2015

PAGE: 2 of 2

BACKGROUND:

Summary (continued)

On May 12, 2015, the Board adopted Resolution 2015-111 (Proposition 218 ballot proceedings and the mailing of assessment ballots) and 2015-112 (initiating proceedings and providing notice of intention to levy special assessments and preliminarily approving engineer's report). Ballots were mailed to all parcel owners within the central/western unincorporated service areas on May 22, 2015.

Impact on Residents and Businesses

Authorization to vote for District owned parcels will not have a substantial impact on residents and businesses. The potential ongoing cost for continued vector control services to District-owned parcels is minimal.
