3. Authorize the Purchasing Agent, in accordance with Ordinance 459, based on the availability of fiscal funding, to sign amendments that do not change the substantive terms of the agreement, including amendments to the compensation provision that do not exceed the annual CPI reports, as approved to form by County Counsel; and
4. Authorize the Auditor-Controller to adjust the FY 15/16 budget as indicated in the attached Schedule A.

BACKGROUND:

Summary

Following the recent outbreak of the Ebola virus disease, the Centers for Disease Control and Prevention (CDC) has released grant funds through the California Department of Public Health (CDPH), Emergency Preparedness Office (EPO) to support local public health preparedness planning and operations readiness for responding to Ebola.

The Riverside County Department of Public Health, Emergency Preparedness and Response branch (PHEPR), will utilize funds to develop an Ebola Response Plan and purchase isolation units and personal protective equipment for first responders who transport patients.

PHEPR will contract with an outside agency to develop an Ebola Response Plan. The plan will be utilized by RCDOPH, its response partners and community agencies to enhance response capabilities during a potential or confirmed case of the disease. Individual isolation units will be utilized by EMS providers to transport possible Ebola patients from the field to a frontline hospital and from a frontline hospital to an assessment hospital. Personal protective equipment will include face shields, surgical hoods, and fluid resistant gowns, gloves, boot covers and aprons.

Impact on Citizens and Businesses

PHEPR is partnering with local ambulance providers to equip them with isolation units and appropriate personal protective equipment for the safe transportation of potentially affected patients. These measures will ensure capabilities are implemented to better prepare our response agencies for a variety of emerging infectious diseases.

PHEP Ebola Supplemental Fund Work Plan

Local Health Departments are required to submit a work plan outlining plans, planned activities, and expected outcomes related to public health functions as described in CDC-RFA-TP12-12010302SUPP15. Work plans should not duplicate previously funded activities but rather expand upon such activities (e.g. augment scope, prolong duration).

The work plan is targeted to address public health preparedness capabilities related to the following recipient activities:

Activity 1: Community Preparedness

Activity 2: Public Health Surveillance and Epidemiological Investigation

Activity 3: Public Health Laboratory Testing

Activity 4: Non-Pharmaceutical Interventions

Activity 5: Responder (Worker) Safety and Health

Activity 6: Emergency Public Information and Warning/Information Sharing

Recipient Activity 7: Medical Surge

Please provide the following information for each of the seven (7) recipient activities as noted on page 12 of the supplemental guidance.

1. **Problem statement:** Define what the problem or issue your jurisdiction seeks to resolve with supplemental funds during the project period. Limitations or "root causes" that have led to the current problem/issue may be included.
2. **Baseline Capacity:** Specify the current baseline capacity in this area, such as current percentage of staff who can don/doff PPE per CDC guidelines.
3. **Outcomes:** Define the expected outcomes that align to resolving the problem or closing the gaps. The outcomes should define what changes or improvements will occur to the public health/healthcare systems or to the community such as awareness, knowledge, attitudes, skills, opinion, behavior, policies, and health improvement. Ideally, outcomes should link to planned activities, quantify the targeted change, and include an estimated timeline for achieving the change. Awardee can insert as many outcomes as needed.
4. **Planned activities:** List the intermediate activities Awardee will undertake, including tasks and estimated start and end dates that will lead to the associated outcome and contribute to resolving the identified issue or problems. Awardees can insert as many planned activities as needed.
5. **Proposed outputs:** List the proposed outputs that will be produced as a result of the planned activities, such as a plan, a training curriculum, or a tracking system database.

| | |
|---|-----------------------------|
| Recipient Activity 1 Problem Statement (Please limit to 500 characters) | |
| The Riverside County Department of Public Health (RCDOPH) plans to develop a response plan specific to the Ebola Virus Disease (EVD), as there is not one currently in place. | |
| Recipient Activity 1 Baseline Capacity (Please limit to 500 characters) | |
| RCDOPH has developed multiple response plans that will be utilized by staff during various medical/health emergencies, including infectious disease outbreaks. Although a basic EVD response plan has been developed, the plan is not a fully-integrated, comprehensive plan to guide RCDOPH staff, response partners and community organizations during an EVD response. | |
| Outcomes (Please limit to 500 characters) | |
| Developing the comprehensive RCDOPH EVD Plan will provide RCDOPH staff, fellow response partners and community organizations with a guide to preparing for and responding to EVD. | |
| Planned Activities for Outcomes (250 character limit each, please add rows as needed) | Estimated Timeframe |
| 1. RCDOPH will identify the key elements that will be found within the RCDOPH EVD Response Plan. | Start:7/1/15 End:7/31/16 |
| 2. RCDOPH will utilize the identified key elements to develop the RCDOPH EVD Response Plan. | Start:7/1/15 End:7/31/16 |
| Proposed Outputs Associated to Outcomes (250-character limit each; please add rows as needed) | |
| 1. Once the RCDOPH EVD Response Plan is developed, RCDOPH staff, Response Partners and Community Partners will have an operational plan in place that will assist them with preparation efforts for an EVD outbreak. | |
| 2. Once the RCDOPH EVD Response Plan is developed, RCDOPH staff, Response Partners and Community Partners will have an operational plan in place that will guide them through response efforts during an EVD outbreak. | |

| <ol style="list-style-type: none">1. The Riverside County Department of Public Health (RCDOPH) currently does not have an adequate amount of PPE as required by CDC to protect Public Health staff responding to a potential Ebola Virus Disease (EVD) case. Select RCDOPH staff need to receive training on how to properly don and doff EVD required PPE.2. EMS providers in Riverside County need equipment and PPE to be able to safely transport possible EVD patients by ambulance. |
| Recipient Activity 5 Baseline Capacity (Please limit to 500 characters) |
| <ol style="list-style-type: none">1. CDC recommends staff responding to an EVD outbreak use either a PAPR or N95 for respiratory protection, single use fluid-resistant or impermeable gowns, single use nitrile gloves, single use boot covers and a single use fluid-resistant or impermeable apron. RCDOPH's current stockpile of the above mentioned PPE would only cover a minimal number of the RCDOPH staff. In addition, only a minimal number of RCDOPH staff have been trained on how to properly don and doff EVD required PPE.2. EMS providers in Riverside County currently have no individual isolation systems that can be utilized to transport possible EVD patients from the field to a hospital or from a frontline hospital to an assessment hospital. |

Purchasing the individual isolation systems for EMS providers in Riverside County will ensure that EMS responders have the proper equipment necessary to transfer possible EVD patients safely by ambulance. - A. Department intends to avoid any real or apparent conflict of interest on the part of the Awardee, sub-Awardees, or employees, officers and directors of the Awardee or sub-Awardees. Thus, Department reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Awardee to submit additional information or a plan for resolving the conflict, subject to Department review and prior approval.
- B. Conflicts of interest include, but are not limited to:

- 2) An instance where the Awardee's or any sub-Awardee's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If Department is or becomes aware of a known or suspected conflict of interest, the Awardee will be given an opportunity to submit additional information or to resolve the conflict. An Awardee with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by Department to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by Department and cannot be resolved to the satisfaction of Department, the conflict will be grounds for terminating the Award. Such notices shall state the Grantee's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

- e. The Grantee will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Grantee's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Grantee may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Grantee will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or CDPH may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Grantee becomes involved in, or is threatened with litigation by a subGrantee or vendor as a result of such direction by CDPH, the Grantee may request in writing to CDPH, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.
