The Inspection revealed the excess outside storage of materials and an accumulation of rubbish on the subject property in violation of Riverside County Ordinances Nos. 348 and 541. The items included but were not limited to: desk, couches, carpet, tires, a toilet, tarps, buckets and other miscellaneous items in excess of 750 square feet.
2. There have been approximately seven (7) subsequent follow up inspections, with the last inspection occurring on April 23, 2015. The property continues to be in violation of Riverside County Ordinance Nos. 348 and 541.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for the removal of the excess outside storage and accumulated rubbish.

11 I, Cynthia Black, declare that the facts set forth below are personally known to me except to

1 4. Based on the Lot Book Reports from RZ Title Service dated April 11, 2014 and updated
2 on November 18, 2014 and March 11, 2015, it is determined that other parties may potentially hold a
3 legal interest in THE PROPERTY, to wit: Bank of America National Trust and Savings Association, a
4 National Banking Association, Eastern Municipal Water District, Kenneth M. Olson and Gayle A. Olson,
5 Trustees of the Kenneth M. and Gayle A. Olson Trust dated September 26, 1991, and Victoria Hartwig
6 (hereinafter referred to as "INTERESTED PARTIES"). Code Enforcement learned at one the of site
7 inspections that Sheryl Ann O'Brien (hereinafter referred to as "OCCUPANT") is living on THE
8 PROPERTY. True and correct copies of the Lot Book Reports are attached hereto and incorporated
9 herein by reference as Exhibit "C."

10 5. I am informed and believe and thereon allege that on April 9, 2014, Officer Wagner drove
11 to THE PROPERTY to conduct an inspection. Officer Wagner observed excess outside storage and
12 accumulated rubbish on THE PROPERTY. The outside storage of materials and accumulated rubbish
13 consisted of, but was not limited to: desks, couches carpet, a toilet, tarps, buckets and other
14 miscellaneous items in excess of 750 square feet. This condition causes THE PROPERTY to constitute
15 a public nuisance in violation of the provisions set forth in Riverside County Ordinance ("RCO") Nos. 348
16 and 541.

17 6. On April 9, 2014, a Notice of Violation for accumulated rubbish was signed by
18 OCCUPANT.

19 7. On April 24, 2014, a Notice of Violation was mailed to OWNER and OCCUPANT by
20 certified mail, return receipt requested and by first class mail.

21 8. On August 19, 2014, a Notice of Violation was mailed to OWNER and INTERESTED
22 PARTIES by first class mail and was posted on THE PROPERTY on August 20, 2014.

23 9. On October 1, 2014, a Notice of Violation was mailed to OWNER by first class mail.

24 10. A site plan and photographs depicting the conditions of THE PROPERTY are attached
25 hereto and incorporated herein by reference as Exhibit "D."

26 11. True and correct copies of each Notice issued in this matter and other supporting
27 documentation are attached hereto and incorporated herein by reference as Exhibit "E."

28 ///

1 12. There have been approximately seven (7) subsequent follow up inspections, with the last
2 inspection being April 23, 2015. Each inspection revealed the accumulated rubbish and excess outside
3 storage of materials remained on THE PROPERTY in violation of RCO Nos. 348 and 541.

4 13. Based upon my experience, knowledge and visual observations, it is my determination that
5 the conditions on THE PROPERTY are dangerous to the neighboring property owners and the general
6 public.

7 14. Furthermore, a recent inspection showed THE PROPERTY remained in violation of RCO
8 Nos. 348 and 541.

9 15. A Notice of Pendency of Administrative Proceedings was recorded in the Office of the
10 County Recorder, County of Riverside, State of California, on February 18, 2015 as Instrument Number
11 2015-0064977. A true and correct copy of which is attached hereto and incorporated herein by reference
12 as Exhibit "F."

13 16. A "Notice to Correct County Ordinance Violations and Abate Public Nuisance" providing
14 notification of the Board of Supervisors' hearing as required by RCO No. 725 was mailed to OWNER,
15 OCCUPANT and INTERESTED PARTIES, by first class mail and was posted on THE PROPERTY. True
16 and correct copies of the Notices, together with the Proofs of Service, and the Affidavit of Posting of
17 Notices are attached hereto and incorporated herein by reference as Exhibit "G."

18 17. The removal of all accumulated rubbish and all excess outside storage of materials
19 currently on THE PROPERTY is required to bring THE PROPERTY into compliance with RCO Nos. 348
20 and 541, and the Health and Safety Code.

21 18. Accordingly, the following findings and conclusions are recommended:

22 (a) the excess outside storage of materials and accumulated rubbish on THE
23 PROPERTY to be deemed and declared a public nuisance; and

24 (b) the OWNER, or whoever has possession or control of THE PROPERTY, be
25 required to remove all outside storage of materials and accumulated rubbish on THE PROPERTY in
26 strict accordance with the provisions of RCO Nos. 348 and 541.

27 ///

28 ///

1 (c) that if the materials and rubbish are not removed and disposed of in strict
2 accordance with all Riverside County Ordinances, including but not limited to RCO Nos. 348 and 541,
3 within ninety (90) days of the date of the posting and mailing of the Board's Order to Abate Nuisance, the
4 outside storage of materials and accumulated rubbish may be abated and disposed of by representatives
5 of the Riverside County Code Enforcement Department, a contractor, or the Sheriff's Department upon
6 receipt of owner's consent or a Court Order when necessary under applicable law.

7 (d) that reasonable costs of abatement, after notice and opportunity for hearing, shall
8 be imposed as a lien on THE PROPERTY, which may be collected as a special assessment against THE
9 PROPERTY pursuant to Government Code Section 25845 and RCO No. 725.

10 I declare under penalty of perjury under the laws of the State of California that the
11 foregoing is true and correct.

A.P. #462-030-009-8.

Including all appurtenances and easements used in connection therewith, all water and water rights (whether riparian, appropriative, or otherwise, and whether or not appurtenant) used in connection therewith, all shares of stock evidencing the same, pumping stations, engines, machinery, pipes and ditches, including also all gas, electric, cooking, heating, cooling, air conditioning, refrigeration and plumbing fixtures and equipment which have been or may hereafter be attached in any manner to any building now or hereafter on the said property, or to the said property, and also the rents, issues and profits thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon the Beneficiary to collect and apply such rents, issues and profits.

FOR THE PURPOSE OF SECURING: (1) Payment of the sum of \$ 22,500.00 with interest thereon according to the terms of a promissory note or notes dated February 10, 1984, made by Trustor, payable to the order of the Beneficiary, and extensions or renewals thereof; (2) payment of any and all obligations and liabilities, whatsoever, whether primary, secondary, direct, indirect, fixed or contingent, which are now due or may hereafter become due from Trustor (or any of them or any successor in interest to Trustor or any of them) whether created directly or acquired by assignment (if the document evidencing any such other obligation or liability or any other writing signed by Trustor (or any of them or any successor in interest to Trustor or any of them) specifically provides that said obligation is secured by this deed of trust); (3) performance of each agreement of Trustor herein contained; and (4) payment of all sums to be made by Trustor pursuant to the terms hereof.

TO PROTECT THE PROPERTY AND SECURITY GRANTED BY THIS DEED OF TRUST, TRUSTOR AGREES:

(a) Properly to care for and keep said property and buildings and improvements in good condition and repair; to underpin and support, when necessary, any building or other improvement situated thereon, and otherwise to protect and preserve same; not to remove or demolish any building or improvement situated thereon; to complete or restore same, wholly, and in good and workmanlike manner, any building or improvement which may be constructed, damaged or destroyed thereon, and pay in full all costs incurred therefor; not to commit or permit waste of the property; to comply with all laws, covenants, conditions or restrictions affecting the property; in the case of a leasehold estate, to observe and perform all obligations of Trustor under any lease or leases and to take any action required and to refrain from taking any action prohibited, as necessary, to preserve and protect the leasehold estate and the value thereof; to provide and maintain fire (and if required by Beneficiary, earthquake, burglary, mortgage guaranty and other insurance satisfactory to and with loss payable solely to Beneficiary, and to deliver all policies to Beneficiary, which delivery shall constitute assignment to Beneficiary of all return premiums; to appear in and defend, without cost to Beneficiary or Trustee, any action or proceeding purporting to affect the security hereunder, or the rights or powers of Beneficiary or Trustee, and, when required by Trustee or Beneficiary, to commence and maintain any action or proceeding necessary to protect such security and such rights or powers; and should Trustee or Beneficiary elect to appear in, defend, or commence and maintain any such action or proceeding, (including any proceedings under any law relating to insolvency or bankruptcy) to pay all their costs and expenses, including attorney fees; to pay before delinquency, all taxes, assessments and charges affecting the property, including assessments on appurtenant water stock; to pay when due all encumbrances, charges and liens affecting or purporting to affect title to said property; to pay all costs, fees and expenses of this trust; if said property be agricultural, to farm said land in an approved and husbandlike manner; and to keep all trees, vines and crops on said land properly cultivated, irrigated, fertilized, sprayed and fumigated; to replace all dead or unproductive vines or trees with new ones; and to keep all buildings, fences, ditches, canals, wells and other farming improvements on said premises in first class condition, order and repair. At the request of Beneficiary, Trustor will monthly pay to Beneficiary an amount equal to one-twelfth (1/12th) of the annual cost of taxes and assessments on the property together with an amount equal to the estimated next fire or fire and earthquake and other required insurance premiums divided by the number of months between the date of computation and the date of payment of the said insurance premium; said accumulated funds will be released to Trustor for payment of taxes, assessments and insurance premiums, or may be so directly applied by Beneficiary, if Beneficiary so elects.

(b) Should Trustor fail to make any payment or do any act as herein provided, then Beneficiary or Trustee (but without obligation so to do, and without notice to or demand upon Trustor, and without releasing Trustor from any obligation hereunder) may make or do the same, and may pay, purchase, contest or compromise any encumbrance, charge or lien, which in the judgment of either appears to affect said property; and in exercising any such powers, incur any liability and expend whatever amounts in its absolute discretion it may deem necessary therefor. All sums so incurred or expended by Beneficiary or Trustee shall be secured hereby and, without demand, shall be immediately due and payable by Trustor and shall bear interest at the rate of the indebtedness provided, however, that at the option of Beneficiary or Trustee such sums may be added to the principal balance of any indebtedness secured hereby and shall bear the same interest as such indebtedness and be payable ratably over the remaining term thereof.

IT IS MUTUALLY AGREED THAT:

1. Should the property or any part thereof be taken or damaged by reason of any public improvement or condemnation proceeding, or damaged by fire or earthquake, or in any other manner, Beneficiary shall be entitled, at its option, to commence, appear in and prosecute in its own name, any action or proceeding, or to make any compromise or settlement, in connection with such taking or damage, and to obtain all compensation, awards or other relief therefor. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policies of insurance affecting said property, are hereby assigned to Beneficiary, who may release any money so received by it, or apply the same on any indebtedness secured hereby, in its absolute discretion. In the event that anyone shall establish and exercise any right to develop, bore for or mine for any water, gas, oil or mineral on or under the surface of the property, any sums that may hereafter become due and payable to the Trustor as bonus or royalty shall be considered rent hereunder, and such sums, together with damages and other compensation payable to the Trustor by reason of the exercise of such rights are hereby made subject to this deed of trust and shall be applied in accordance with the provisions hereof. Trustor agrees to execute such further assignments of any compensation, award, damages and rights of action and proceeds, as Beneficiary or Trustee may require. The Trustee of Beneficiary may enter upon the property at any time during the existence of this trust for the purpose of inspection, or for the accomplishment of any of the purposes hereof.

2. By accepting payment of any sum hereby secured after its due date, or after the filing of notice of default and of election to sell, Beneficiary shall not waive its right to require prompt payment when due of all other sums so secured, or to declare default for failure to so pay, or to proceed with the sale under any such notice of default and of election to sell, for any unpaid balance of said indebtedness. If Beneficiary holds any additional security for any obligation secured hereby, it may enforce the sale thereof at its option, either before, contemporaneously with, or after the sale is made hereunder, and on any default of Trustor, Beneficiary may, at its option, offset against any indebtedness owing by it to Trustor, the whole or any part of the indebtedness secured hereby.

3. Without affecting the liability of any person, including Trustor, for the payment of any indebtedness secured hereby, or the lien of this deed of trust on the remainder of the property for the full amount of any indebtedness unpaid, Beneficiary and Trustee are respectively empowered as follows: Beneficiary may from time to time and without notice (a) release any person liable for the payment of any of the indebtedness, (b) extend the time or otherwise alter the terms of payment of any of the indebtedness, (c) accept additional security therefor of any kind, including deeds of trust or mortgages, (d) alter, substitute or release any property securing the indebtedness. Trustee may, at any time, and from time to time, upon the written request of Beneficiary (a) consent to the making of any map or plat of the property, (b) join in granting any easement or creating any restriction thereon, (c) join in any subordination or other agreement affecting this deed of trust or the lien or charge thereof, (d) reconvey, without any warranty, all or any part of the property.

4. Upon payment in full of all sums secured hereby, and performance of all obligations of the Trustor hereunder, the Trustee shall reconvey, without warranty, the estate vested in it hereby. The grantee in any reconveyance made pursuant to this deed of trust may be described as "the person or persons legally entitled thereto;" and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof.

5. If default be made in the payment when due of any part or installment of principal or interest of the note or notes specifically referred to above or in the payment of any other indebtedness secured hereby or in the event Trustor or any successor in interest to Trustor in the property drills or extracts or enters into any lease for the drilling or extraction of oil, gas, or other hydrocarbon substances or any mineral of any kind or character therefrom or from any part thereof, or upon default by Trustor in the performance of any agreement hereunder, or in the event and at any time after anyone establishes and exercises any right to develop, bore for or mine for any water, gas, oil or mineral on or under the surface of the property, Beneficiary shall have the right, at its option, to declare said note or notes and any other indebtedness or obligation secured hereby, irrespective of its maturity date specified in any note or written agreement evidencing the same, immediately due and payable without notice or demand, and no waiver, or this right shall be effective unless in writing and signed by Beneficiary.

6. Waiver of a right granted to Beneficiary hereunder as to one transaction or occurrence shall not be deemed to be a waiver of the right as to any

subsequent transaction or occurrence. Beneficiary may rescind any notice before Trustee's sale by executing a notice of rescission and recording the same. The recording of such notice shall constitute also a cancellation of any prior declaration of default and demand for sale, and of any acceleration of maturity of indebtedness affected by any prior declaration or notice of default. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default then existing or subsequently occurring, nor impair the right of the Beneficiary to execute other declarations of default and demand for sale, or notices of default and of election to cause the property to be sold, nor otherwise affect the note or deed of trust, or any of the right, obligations or remedies of the Beneficiary or Trustee hereunder.

7. At least three months having elapsed between the recording of the notice of default and the date of sale, Trustee, having first given notice of sale as then required by law, and without demand on Trustor, shall sell the property at the time and place of sale fixed by it in the notice of sale, either as a whole or in separate parcels, and in such order as the Trustee may determine, at public auction to the highest bidder for cash, in lawful money of the United States of America, payable at the time of sale. Trustee may postpone sale of all or any portion of the property by public announcement at the time of sale, and from time to time thereafter may postpone the sale by public announcement at the time fixed by the previous postponement, and without further notice it may make such sale at the time to which the same shall be so postponed. Trustee shall deliver to the purchaser its deed conveying the property so sold, but without any covenant or warranty, expressed or implied. The recital in any such deed of any matters or facts, stated either specifically or in general terms, or as conclusions of law or fact, shall be conclusive proof of the truthfulness hereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale. After deducting all costs, fees and expenses of Trustee and of this trust, including costs of evidence of title in connection with the sale, the Trustee shall apply the proceeds of the sale to the payment of all sums then secured hereby, in such order and manner as may be required by the Beneficiary; the remainder, if any, to be paid to the person or persons legally entitled thereto. If Beneficiary shall elect to bring suit to foreclose this deed of trust in the manner and subject to the provisions, rights and remedies relating to the foreclosure of a mortgage, Beneficiary shall be entitled to a reasonable sum to be lit by the court as attorney's fees expended in the prosecution of said action.

8. Trustor hereby gives to and confers upon Beneficiary the right, power and authority during the continuance of these trusts to collect the rents, issues and profits of said property and of any personal property located thereon with or without taking possession of the property affected hereby, and hereby absolutely and unconditionally assigns all such rents, issues and profits to Beneficiary; provided, however, that Beneficiary hereby consents to the collection and retention of such rents, issues and profits as they accrue and become payable only if Trustor is not, at such times, in default with respect to payment of any indebtedness secured hereby or in the performance of any agreement hereunder. Upon any such default, Beneficiary may at any time, without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, and in its own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine; also perform such acts of repair, cultivation, irrigation or protection, as may be necessary or proper to conserve the value of the property; also lease the same or any part thereof for such rental, term, and upon such conditions as its judgment may dictate; also prepare for harvest, harvest, remove, and sell any crops that may be growing upon the premises, and apply the proceeds thereof upon the indebtedness secured hereby. The entering upon and taking possession of said property, the collection of such rents, issues and profits, and the application thereof as aforesaid, shall not waive or cure any default or notice of default hereunder; or invalidate any act done pursuant to such notice. Trustor also assigns to Trustee, as further security for the performance of the obligations secured hereby, all prepaid rents and all monies which may have been or may hereafter be deposited with said Trustor by any lessees of the premises herein described, to secure the payment of any rent, and upon default in the performance of any of the provisions hereof, Trustor agrees to deliver such rents and deposits to the Trustee.

9. Any Trustor who is a married person hereby expressly agrees that recourse may be had against his or her separate property for any deficiency after the sale of the property hereunder.

10. The pleading of any statute of limitations as a defense to any and all obligations secured by this deed of trust is hereby waived to the full extent permissible by law.

11. Beneficiary may, from time to time, substitute another Trustee in the place of the Trustee herein named, to execute this trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all the title, powers and duties conferred upon the Trustee herein named. Each such appointment and substitution shall be made by written instrument executed by the Beneficiary, containing reference to this deed of trust sufficient to identify it, which, when recorded in the office of the County Recorder of the county or counties in which the property is situated, shall be conclusive proof of the proper appointment of the successor trustee.

12. This deed of trust shall inure to and bind the heirs, devisees, legal representatives, successors and assigns of the parties hereto. All obligations of each Trustor hereunder are joint and several. The rights or remedies granted hereunder, or by law, shall not be exclusive, but shall be concurrent and cumulative.

13. For any statement regarding the obligations secured hereby, Beneficiary may change the maximum amount permitted by law at the time of the request herefor.

14. (a) On the note referred to at item (i) of the first page of this deed of trust, the interest rate is an adjustable rate, subject to change as herein indicated. (b) The interest rate may be changed on the following dates ("Change Dates"): The first change date shall be 6 months after the date on which the first monthly payment is due, and subsequent change dates shall be every six months thereafter. However, if the first monthly payment is due before February 1, 1982, the first change date shall be the date in July 1982 on which the monthly payment is due, and subsequent change dates shall be every six months thereafter. The interest rate may not be changed on a Change Date by more than one percentage point. Subject to that limitation, the new interest rate is calculated by (i) determining the change that has occurred in an index

figure from the date the loan was made until the Change Date, and (ii) applying the same change to the original interest rate of the note. No change of interest rate of less than one-tenth of one percentage point will be made on any Change Date. The index figure is a six month average of the monthly average of weekly auction rates on six month United States Treasury Bills. There is no maximum interest rate other than the maximum derived from aggregating the maximum Change Date increases for all Change Dates. (c) If the interest rate is changed, the amount of monthly payments of principal and interest will change, effective the first monthly payment following the Change Date, to evenly amortize the loan at maturity.

15. If all or any part of said property or an interest therein is sold or transferred by Trustor without Beneficiary's prior written consent, excluding (a) the creation of a lien or encumbrance subordinate to this deed of trust, (b) the creation of a purchase money security interest for household appliances, (c) a transfer by devise, descent or by operation of law upon the death of a joint tenant or (d) the grant of any leasehold interest of three years or less not containing an option to purchase, Beneficiary may, at Beneficiary's option, declare all the sums secured by this deed of trust to be immediately due and payable. Beneficiary shall have waived such option to accelerate if, prior to the sale or transfer, Beneficiary and the person to whom said property is to be sold or transferred reach agreement in writing that the credit of such person is satisfactory to Beneficiary, that such person meets Beneficiary's other loan requirements (including such person's becoming a resident of said property), that the interest payable on the sums secured by this deed of trust shall be at such rate as Beneficiary shall request, and that such person execute a written assumption agreement, substitution of liability, or similar agreement, as required by Beneficiary. As a condition of Beneficiary's waiving the option to accelerate provided herein, Beneficiary may require an increase in the current note interest rate, an increase in the note base index figure, or both, or may require other changes to the note, this deed of trust, or both. If Beneficiary exercises such option to accelerate, Beneficiary shall mail Trustor notice of acceleration in accordance with the final paragraph of this deed of trust. If Trustor fails to pay such sums in accordance with such notice, Beneficiary may, without further notice or demand on Trustor, invoke any remedies permitted by paragraphs 5 through 7 hereof.

If a mailing address is set forth opposite any Trustor's signature hereto, and not otherwise, the undersigned Trustor shall be deemed to have requested that a copy of any notice of default, and of any notice of sale hereunder, be mailed to said Trustor at said address.
