Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

INSTRUCTIONS FOR FILING CLAIM

(See Claim Form on Reverse Side)

The California Revenue and Taxation Code, Section 4675, states in part (paraphrased):

For the purposes of this article, parties of interest and their order of priority are:

- (a) First, lienholders of record prior to the recordation of the tax deed to the purchaser in the order of their priority; and
- (b) Then, any person with title of record to all or any portion of the property prior to the recordation of the tax deed to the purchaser.

If you consider yourself to be a party of interest in the sale of tax-defaulted property as defined above, please fill out the reverse of this form stating how you have determined your status as a party of interest. If you need help in filling out the form, please contact our office by telephone at 951-955-3947, mail, or in person.

You must attach copies of documents to support your claim as follows:

- 1. In case (a), attach a copy of your trust deed or other evidence of lien or security interest, along with a statement under penalty of perjury setting forth the original amount of the lien or interest, the total amount of payments received reducing the original amount of the lien or interest, and the amount still due and payable as of the date of the sale of the tax defaulted property by the Tax Collector.
- 2. In case (b), attach copies of any other documents (e.g., deed, certified death certificate, will, court order, etc.) supporting your claim.

PLEASE NOTE: We cannot, by law, begin processing of claims until one year has passed from the date of the deed to the purchaser. In order to receive consideration by the Riverside County Board of Supervisors, claims must be filed **ON OR BEFORE THE EXPIRATION OF ONE YEAR** following the date of the recording of the deed to the purchaser. Please see the "Date Deed to Purchaser Recorded" appearing on the attached notice (Form 117-170). The Tax Collector will submit a recommendation to the County Board of Supervisors as to what disposition should be made on your claim. Following the Board's review, the claim will either be approved or denied. The Clerk of the Board of Supervisors will notify you of the action taken by the Board. Should the claim be approved, the Auditor-Controller will issue a County warrant in payment. By law, the Auditor-Controller cannot issue a warrant in payment of the approved claim until 90 days following the action taken by the Board.
