**SUBMITTAL TO THE BOARD OF SUPERVISORS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
FORM 11: Authorization to Initiate the Community Recidivism Reduction Grant Program in
Riverside County, All Districts, \$500,000 State Funding**

DATE: August 6, 2015

PAGE: 2 of 2

BACKGROUND:

Summary

The Budget Act of 2015 added four million dollars statewide to funds appropriated in 2014 for the Reduction Grant Program as described in Penal Code § 1233.10 (a) (Attachment 1.) In order to again receive funding Boards of Supervisors must send a letter of interest to the Board of State and Community Corrections by September 30, 2015. Grants must be awarded by the Board of Supervisors in collaboration with the Riverside Community Corrections Partnership to nongovernmental agencies or to a consortium/coalition of nongovernmental entities with a five-year history of providing community recidivism and crime reduction services to persons who have been released from state prison, county jail, or a juvenile detention facility, who are under the supervision of a parole or probation department, or any other person at risk of becoming involved in criminal activities. Examples of these services include but are not limited to delinquency prevention, reentry services, life skills, mental and physical health assessments, mental health and substance abuse treatment, literacy, job training, and or prevention of homelessness.

Awards to counties are based upon population. Riverside County's allocation of \$250,000 is for a four-year period and the award to any one entity cannot exceed \$50,000. In addition to submitting a letter of interest by September 30, 2015, the County must continue to utilize the reporting requirements, funding criteria, and grant award procedures developed for dissemination of the 2014 allocation. Counties are also required to collect and submit data regarding the individuals served and the types of services provided by grant recipients. These reports will be submitted to the Board of State and Community Corrections beginning January 31, 2016 and each subsequent year until January 31, 2021. Counties are allowed to use up to five percent of the grant award to recover administrative costs incurred.

Impact on Citizens and Businesses

Public safety is increased when adults and juveniles released from state and local detention facilities are successfully integrated into their communities and do not commit additional crimes.

Executive Director
Board of State and Community Corrections
2590 Venture Oaks Way, Suite 200
Sacramento, California 95833

Dear Ms. Howard,

The County of Riverside is interested in receiving funding under provisions of the Budget Act of 2015 to continue the competitive grant program as described in Penal Code § 1233.10 (a). The Board of Supervisors in our regularly scheduled meeting on this day took affirmative action to support this grant program and the allocation our County will be awarded to foster community efforts to reduce crime and recidivism.

The Board of Supervisors, the Community Corrections Partnership, and the Executive Office will continue to work collaboratively to expand community based entities that have histories of working with the targeted population. We are confident that nongovernmental entities will help us successfully continue our efforts to reduce crime and recidivism. Local providers as partners in this effort ensures county-wide access for individuals being released from state prison, county jails or one of our juvenile facilities. We know that local government and community based organizations are excellent partners and consistently work well together for the benefit of our residents.

The Board of Supervisors and Community Corrections Partnership will ensure that the \$250,000 entrusted to Riverside County will be distributed through a competitive process that requires recipients be experienced providers of the services offered, ensures that data is collected to meet funding requirements and that the procedures utilized are fair to all entities. Furthermore, the Board and the Community Corrections Partnership headed by the Chief Probation Officer will ensure that reports are submitted to the Board of State and Community Corrections beginning January 31, 2016 and continuing each January 31 until 2021.

Attached please find a copy of today's proceedings.

Sincerely,

Marion Ashley, Chairman
Riverside County Board of Supervisors
