BACKGROUND:

Summary

President Barack Obama signed the Workforce Innovation and Opportunity Act (WIOA) into law on July 22, 2014. WIOA took effect on July 1, 2015. WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market, and to match employers with the skilled workers needed to compete in the global economy. Congress passed WIOA by a wide bipartisan majority; it is the first legislative reform of the public workforce system in more than 15 years. Every year the key programs that form the pillars of WIOA help tens of millions of job seekers and workers to connect to good jobs and acquire the skills and credentials needed to obtain them. WIOA replaces the Workforce Investment Act of 1998 and retains and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.

The purpose of WIOA is to better align the workforce system with education and economic development in an effort to create a collective response to economic and labor market challenges on the national, state and local levels. WIOA continues the trend in workforce legislation by further engaging the private sector to lead local workforce development efforts and focuses on introducing increased flexibility and accountability of the local system. WIOA encourages an improved response to labor market needs by connecting board performance to outcomes that require an understanding of the correlation between training investments and economic return.

As part of the initial implementation of WIOA, the County of Riverside was granted initial designation as a local workforce development area by the California Workforce Investment Board. This designation allowed for continued receipt of WIOA formula funding and the establishment of a workforce development board. To further implement the requirements of WIOA, staff recommends the Board of Supervisors adopt the attached Resolution No. 2015-192 Dissolving the Existing Riverside County Workforce Investment Board and its Associated Committees Established Pursuant to the Work Force Investment Act of 1998; Establishing the Riverside County Workforce Development Board Pursuant to the Workforce Innovation and Opportunity Act of 2014; and Adopting the Riverside County Workforce Development Board Bylaws based on new WIOA membership requirements. The proposed Riverside County Workforce Development Board Bylaws are attached.

Summary (Continued)

Workforce Development Board

Each local workforce area is required to establish and maintain a Workforce Development Board pursuant to WIOA, with a minimum of 19 members. Staff recommends the proposed Workforce Development Board is comprised of 29 members. This results in a reduction of the number of required members from the current 54 Workforce Investment Board to a proposed 29 member Workforce Development Board. WIOA requires the following minimum membership composition:

- Ten Business Representatives (51%), including the Chair
- Four Representatives of the Workforce (20%)
- One Adult Education/Literacy Representative
- One Vocational Rehabilitation Representative
- One Higher Education Representative
- One Wagner-Peyser Representative
- One Economic Development Representative

The proposed 29 member Workforce Development Board satisfies the minimum required membership to meet the federal statutory requirements under WIOA, plus provides additional members to enhance geographic and organizational diversity and overall subject matter expertise to ensure membership engagement.

Standing Committees

Pursuant to WIOA a local board may designate and direct activities of standing committees to provide information and to assist the local board in carrying out activities under WIOA. At a minimum, the local board may designate each of the following, (i) a standing committee to provide information and assist with operational and other issues relating to the one-stop delivery system, (ii) a standing committee to provide information and to assist with planning, operational, and other issues relating to the provision of services to youth, and (iii) a standing committee to provide information and to assist with operational and other issues relating to the provision of services to individuals with disabilities.

Currently, the Riverside County Workforce Investment Board has a Regional Committee structure that meets bi-monthly to conduct Workforce Investment Board business. The Regional Committees represent Riverside County's East, Southwest, and West regions. Each Committee is comprised of Workforce Investment Board members and stakeholders that have a vested interest in workforce services and advocacy in their respective areas. The Workforce Investment Board Executive Committee receives and acts upon recommendations from these committees. The recommendations are related to each Committee's key strategies that align with the Board's Strategic Plan and Goals.

Rather than creating additional standing Committees, the three WIOA required focus areas will serve as standing agenda items for each of the Regional Committees. This committee structure will provide a structure that Workforce Development Board members will already be familiar with by utilizing an established meeting and committee system.

BACKGROUND:

Summary (Continued)

Current Workforce Investment Board members who are not appointed to the newly established Workforce Development Board will be recommended to join the Regional Committees in their respective areas.

Not a Project Under CEQA

The dissolution of the existing Riverside County Workforce Investment Board and its associated committees, establishment of the Riverside County Workforce Development Board pursuant to WIOA, and adoption the Riverside County Workforce Development Board Bylaws, are not projects under California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060 (c)(3) and Section 15378(b)(5) because they are mandatory organizational and administrative activities of the County of Riverside necessary to implement the federal requirements under WIOA and will not result in direct or indirect physical changes to the environment.

County Counsel has approved Resolution No. 2015-192 and the proposed Riverside County Workforce Development Board Bylaws as to form. Staff recommends adoption of Resolution No. 2015-192 and adoption and approval of the Riverside County Workforce Development Board Bylaws.

Impact on Residents and Businesses

The dissolution of the existing Riverside County Workforce Investment Board and its associated committees, establishment of the Riverside County Workforce Development Board, and adoption of the Riverside County Workforce Development Board Bylaws addresses Workforce Board requirements per WIOA regulations designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers needed to compete in the global economy.

Additional Fiscal Information

No County costs will be incurred and no budget adjustment is required at this time.

Contract History and Price Reasonableness

No County contract history and price reasonableness considerations are required for this recommendation.
