BACKGROUND:

Summary

On June 11, 2015, MSJC approved a five-year law enforcement services agreement with the Riverside County Sheriff's Department to start providing law enforcement services on the MSJC campus. Under this agreement the Sheriff's Department will provide four Dedicated Deputy Sheriffs at the MSJC campus. The term of this agreement extends from July 1, 2015 through June 30, 2020. County Counsel has approved the Agreement as to form.

The Sheriff's Department is requesting budget adjustments for the additional cost of four Dedicated Deputy Positions, one rate supported Sergeant and the revenue that will be recovered from MSJC for the positions through Board-approved contract rates. Department staff estimates that the service addition will cost \$853,206 in FY 2015-16 and \$4,714,500 over the five-year term of the agreement. The hourly cost for service is estimated to increase five percent annually.

Five Patrol vehicles will be needed, in shift rotation, to fulfill the level of service required by MSJC. These vehicles will be financed over 36 months through County Fleet Services.

Impact on Citizens and Businesses

The Sheriff and MSJC share common goals that include the provision of programs that address the needs of students at risk. The SRO's serve as a visual deterrent to aberrant behavior and thereby enhance the District's campus control and student protection. All costs will be fully recovered through Board-approved contract rates.

District shall reimburse County the cost of rendering services hereunder at rates established by the County Board of Supervisors, which rates shall include all items of cost and expense to the Sheriff for providing the services hereunder. Such cost of services shall be established by the County Board of Supervisors in the form of hourly rates for Sheriff's Department personnel and vehicle mileage rates. //
//

Calculation of Facility Rates. The total of the facility's cost components is divided by the appropriate variable number funded employees assigned to the Hemet Station. This cost per funded position is then applied to the number of positions chargeable to each contract partner based at the Hemet Station to arrive at each contract partner's share of the facility cost.

The County agrees that the Facility Rate Station charges to District will not be increased due to the Sheriff's decision to move contract or unincorporated County Patrol positions from the Station.

8.5 Field Training Costs. Should District elect to add additional deputy sheriff positions to the level of service described herein, there will be an associated field training cost for each additional position. Billing will be provided for the field training costs in conjunction with the rate adjustment billing. Field training costs will not apply to supervisory or classified positions added to the level of service.

8.6 Miscellaneous Costs. There are a number of other service costs that District shall be responsible for paying as they are incurred. These costs are not included as the support or service and materials cost components in the fully supported deputy hourly rate, nor any other such rates established by the County Board of Supervisors. These service costs may include, but are not limited to charges from vendors for: crime scene clean-up, blood draws, rape exams, polygraph exams, specialized printing jobs exclusive to District and training for personnel requested by District for specialized law enforcement.

District's obligations hereunder shall be satisfied when District has provided to County the appropriate form of dismissal (or similar document) relieving the County from any liability for the action or claim involved. Any insurance coverage shall in no way limit or circumscribe District's obligations to indemnify and hold harmless the County.

County's obligations hereunder shall be satisfied when County has provided to District the appropriate form of dismissal (or similar document) relieving the District from any liability for the action or claim involved. Any insurance coverage shall in no way limit or circumscribe County's obligations to indemnify and hold harmless the District.
