BACKGROUND:

Summary (Continued)

The Housing Authority of the County of Riverside, in its capacity as housing successor to the former Redevelopment Agency for the County of Riverside pursuant to the Redevelopment Dissolution Act (Housing Authority) is the current owner of 25.0 acres of land located on Middleton Street, in the unincorporated community of Oasis. The site is identified by assessor parcel numbers 751-160-004, 751-160-007, 751-160-009, 751-160-012, 751-160-014 (Site).

Housing Authority staff issued Request for Qualifications No. 2014-001A in May 2014 for an affordable housing development project on Middleton Street. Three proposals were received. After a careful and thorough review of all proposals, Housing Authority staff selected the Coachella Valley Housing Coalition, a California non-profit public benefit corporation (CVHC), as its collaborative developer partner for this project. The selection was due to, among other things, CVHC's extensive experience in the development of affordable housing, sustained history of leveraging multiple funding sources, excellent references, and its distinguished property management firm.

CVHC proposes to acquire the Site from the Housing Authority for the development and construction thereon of a mixed use project that will include commercial facilities with commercial uses, affordable rental housing, with a preference for farmworker households, and related infrastructure improvements (Project). The Project is proposed to be developed in three phases as follows, Phase I commercial development; Phase II 'Oasis Villas' 51 affordable rental housing units; Phase III 'Oasis Villas' additional 51 affordable rental housing units. Proposed commercial development and uses include a public laundry facility, child care center, medical service center, grocery store, and the construction of certain public improvements. Forty-nine percent (49%) of the 102 rental housing units are proposed to be rented to and occupied by low income households earning 80% or less of the County of Riverside area median income, with a preference for farmworker households. Rents shall be affordable and equal the product of 30% times 60% of the area median income adjusted for family size appropriate for the unit.

CVHC desires to enter into the attached proposed Exclusive Negotiation Agreement (ENA) with the Housing Authority to explore and negotiate in good faith a possible Disposition and Development Agreement (DDA), or such other type of agreement as the parties may deem appropriate to specify the rights and obligations of the parties with respect to the disposition of the Site, including the purchase price, and development of the Project as discussed above. The ENA does not constitute a commitment for conveyance or development of the Site or a promise to enter into a DDA. Any resulting DDA, or other agreement, will be subject to the prior approval of the Board of Commissioners. CVHC will process the entitlements and may seek other leveraging sources for the development of the Project. The term of the proposed ENA is for approximately 18 months with a 1 year extension, should the parties mutually agree.

County Counsel has reviewed and approved, as to form, the attached ENA. Staff recommends approval of the attached ENA.

Impact on Citizens and Businesses

Should the Board of Commissioners approve the project at a later date, the residents of Oasis will benefit as it will provide urgently needed resources to this isolated and rural area. Currently, housing options in the area include deplorable and unsafe conditions. The provision of 102 housing units that are both decent and affordable to farmworker households will directly impact quality of life for working poor families and seniors. Local commercial services are severely limited. The proposed commercial services will benefit the community at large by providing needed services and goods as well as increased economic opportunities in this underserved area.

SUPPLEMENTAL:
Additional Fiscal Information

No general funds will be used for the proposed Exclusive Negotiation Agreement. CVHC will bear its own costs and expenses incurred or to be incurred in connection with negotiating and preparing in good faith of a possible Disposition and Development Agreement for the Middleton Mixed Use Project. CVHC proposes three phases of construction that will leverage multiple funding sources. Overall, the expected investment from all sources of financing for the development and construction of the proposed project totals approximately \$52,174,118.

EXCLUSIVE NEGOTIATION AGREEMENT

THIS EXCLUSIVE NEGOTIATION AGREEMENT ("Agreement") is entered into as of August 18, 2015 by and between the Housing Authority of the County of Riverside, a public entity, corporate and politic, in its capacity as housing successor to the former Redevelopment Agency for the County of Riverside ("Authority"), and Coachella Valley Housing Coalition, a California nonprofit public benefit corporation ("CVHC"), on the terms and provisions set forth below:

RECITALS

A. The Authority is a California housing authority acting under the California Housing Authorities Law, Part 2 of Division 24 of the Health and Safety Code (the "Housing Authorities Law"). As such the Authority administers the development, rehabilitation and/or financing of affordable housing programs. The mission of the Housing Authority is to transform and promote healthy, thriving communities, re-ignite hope and restore human dignity through the creation and preservation of high quality and innovative housing and community development programs which enhance the quality of life and revitalize neighborhoods to foster self-sufficiency;

B. Assembly Bill No. x1 26, as modified by Assembly Bill No. 1484 (collectively the "Dissolution Act"), added Parts 1.8 and 1.85 to Division 24 of the California Community Redevelopment Law (Health and Safety Code sections 33000 et seq., the "CRL"). Pursuant to the Dissolution Act, the Redevelopment Agency for the County of Riverside ("RDA") was dissolved on February 1, 2012 such that the RDA is now deemed a former redevelopment agency under Health and Safety Code section 34173;

C. Pursuant to Health and Safety Code Section 34176 (a), and Authority Resolution Nos. 2012-035, 2012-001 and 2012-005, all housing functions previously performed by the former RDA, including related rights, powers, duties, obligations, and housing assets (excluding amounts in the Low and Moderate Income Housing Fund and enforceable obligations retained by the successor agency) were transferred to the Authority, including the Property (defined below);

D. The Authority now owns in fee that certain real property comprised of approximately 25.00 acres, located on Middleton Street in the unincorporated community of Oasis, identified as Assessor Parcel Numbers 751-160-004, 751-160-007, 751-160-009, 751-160-012, 751-160-014, as more particularly described in the Legal Description and depicted on the Site Map each respectively attached hereto as Exhibit A and Exhibit B and incorporated herein by this reference ("Property");

E. The Authority procured proposals through Request for Qualifications No. 2014-001A and selected CVHC as the successful proposer and collaborative developer partner, due to, among other things, CVHC's extensive experience in the development of affordable housing,

sustained history of leveraging multiple funding sources, excellent references, and distinguished property management firm;

F. CVHC is a California nonprofit public benefit corporation engaged in building safe and affordable housing for low-income families;

G. CVHC desires the Authority to convey the Property to CVHC for the development and construction thereon, in three separate phases, a mixed use project that will include one hundred and two (102) affordable rental housing units to be rented to and occupied by low income households, with a preference for farmworkers, and commercial and public service facilities, such as a public Laundromat, grocery store, day care center and medical services, and related infrastructure such as public improvements and other utilities (collectively the "Project");

H. The Authority desires to encourage and effectuate the development of the Property which will serve to preserve, protect, improve and increase the affordable housing stock and help eliminate blight within the County of Riverside;

I. Facilitating the development of the Property for affordable multi-family rental housing through the conveyance of land would also assist the County and the State of California in achieving its goals of assisting families of low-income, including low-income farmworkers and their families; and

J. The purpose of this Agreement is to establish the procedures and standards for the negotiation by the Authority and CVHC (hereinafter the "Parties") of a DDA or such other type of agreement as the parties may deem appropriate for the disposition of the Property and development of the Project. This Agreement in itself does not grant CVHC or any successor or affiliated entity the right to acquire the Property and/or develop the Project.

NOW, THEREFORE, Authority and CVHC hereby mutually agree as follows:

I. Recitals

The aforementioned recitals are incorporated herein by this reference and made a part of this Agreement.

II. Negotiation

A. Good Faith Negotiations

The Parties agree for the Negotiation Period (defined below) to negotiate diligently and in good faith, pursuant to this Agreement, to prepare a DDA to be entered into between the Parties with respect to the sale and development of the Property; provided, however, by entering into this Agreement, the Parties are not required to enter into a DDA. Authority agrees for the Negotiation Period, and the Extension Period (defined below), if an Authority Board of Commissioner's approved DDA is signed and submitted by CVHC to Authority during the

Negotiation Period, not to negotiate with any other person or entity to enter into any agreement regarding the acquisition, disposition or development of the Property. "Good faith negotiations" as used herein shall mean that the Parties shall use their best efforts to communicate frequently and follow reasonable negotiation procedures to develop a DDA mutually acceptable to the Parties.

Each of the Parties will bear its own costs and expenses, including, but not limited to, attorneys' fees, incurred or to be incurred in connection with negotiating and preparing this Agreement and the DDA and in carrying out the obligations under this Agreement (the "Direct Costs").

Nothing in this Agreement shall be deemed a covenant, promise, or commitment by the Authority with respect to the disposition of the Property.

B. Period of Negotiations

The negotiating period shall commence on the Effective Date (defined below) and end February 28, 2017 ("Negotiating Period"), subject to extension. The Negotiating Period may be extended for an additional one-year period (the "Extension Period") by the written mutual agreement of the Parties. The Executive Director of the Authority, or designee, has the authority, in his discretion, to consent to an extension of the Negotiation Period on behalf of the Authority. In determining whether or not to consent to an extension of the Negotiating Period, the Executive Director may consider the following factors, (i) whether sufficient progress in accomplishing the tasks set forth in the Schedule of Performance, attached hereto as Exhibit C and incorporated herein by this reference, has occurred, and (ii) whether the Parties are continuing to work toward a mutually acceptable DDA.

If a DDA has not been executed by the Parties by the expiration of the Negotiating Period, including any Extension Period, then this Agreement shall terminate, and neither party shall have any further rights or obligations under this Agreement except as set forth in Section IX of this Agreement, and the Authority shall be free to negotiate with any other persons or entities with regard to the Property. If a DDA is executed by the Parties, then, upon such execution, this Agreement shall terminate and all rights and obligations of the Parties shall be as set forth in the fully executed DDA.

The term "Effective Date" used herein shall mean that certain date this Agreement is executed by the Chairman of the County of Riverside Board of Supervisors.

Time is of the essence with respect to the performance of each of the covenants and agreements contained in this Agreement. While it is understood that all Parties will work in good faith, care will also be taken to ensure consistent and regular progress toward timely completion of the obligations set forth herein.

C. CVHC Obligations During the Negotiation Period

CVHC shall, within the Negotiating Period (including any mutually agreed upon Extension Period) satisfy the following obligations (unless otherwise waived in writing by the Authority's Executive Director or designee):

1. Investigate the projected costs of developing the Project, including the performance of all related on-site and off-site improvements for the Project;
2. Identify and develop a plan to obtain the necessary land use entitlements required for the Project and secure those land use entitlements required herein no later than the dates set forth in the Schedule of Performance attached hereto as Exhibit "C";
3. Agree to participate and/or conduct community meetings as requested by the Authority in relation to the Project;
4. Identify sources of funding and submit funding applications after consultation with Authority staff within the time frames set forth in the attached Schedule of Performance. Evaluate and provide a comprehensive written description of the estimated competitive score and feasibility of all funding applications to be submitted in connection with financing the Project on a quarterly basis commencing upon the Effective Date;
5. Conduct necessary geotechnical, cultural, traffic and environmental studies and investigations for the development of the residential, service facility and commercial uses at the Property;
6. Contract and pay for the Authority consultant services set forth in Sections II. D. 2 and II. D. 5 below;
7. Initiate and submit to the appropriate Governmental Authorities all applications for necessary entitlements (i.e., General Plan amendments, zone changes, parcel maps etc..) required for the development and construction of the Project as contemplated herein within the negotiation period. The requirements set forth in this subsection 7. include performing any necessary studies and or plans required for the entitlement process; and
8. Prepare and submit to Authority for its review the following pursuant to the Schedule of Performance attached hereto as Exhibit "C":
 - a. A preliminary and final site plan and architectural/design concept for the proposed development of the Project, showing building layout and dimensions, parking, landscaping and access.

- b. A schedule of the development of all structures and improvements proposed for the Project and an estimate of development costs including hard and soft costs.
- c. A detailed financial plan for the Project containing matters typically contained in such analysis, including, without limitation, a detailed pro forma, development cost budget and sources of equity and debt capital securing construction and long term financing. The estimates and project date shall be in sufficient detail to permit adequate financial analysis by the Authority.
- d. Copies of all completed reports, studies, analyses, and similar documents, but excluding confidential or proprietary information, prepared or commissioned by CVHC with respect to this Agreement and the Project, promptly upon their completion.

D. Authority's Obligations

Authority shall, within the Negotiation Period (and mutually agreed upon Extension Period) satisfy the following obligations:

- 1. Negotiate exclusively through its staff with CVHC for the disposition and development of the Project;
- 2. Determine and process any California Environmental Quality Act ("CEQA") documentation, at CVHC's expense, including the fees and expenses of any consultants to Authority employed in connection with the preparation of said CEQA documentation required in connection with the proposed sale of the Property to CVHC and Authority's approval of a DDA;
- 3. Review site plans and, without cost to Authority, use best efforts to assist CVHC with securing Project Entitlements (as hereinafter defined), which may be required by the County of Riverside or any other Governmental Authorities (as defined in Section III.A. 4. below);

- 5. Prepare a summary report, at CVHC's expense, in accordance with Section 33433 of the Health and Safety Code, including the fees and expenses of any consultants to Authority employed in connection with the preparation of said summary report; and
- 6. Arrange for and obtain, at Authority's expense, publication of notices of the public hearing for consideration of the DDA.

III. Proposed Development

A. Development Concept and Essential Terms and Conditions

The proposed development to be negotiated hereunder shall include the development and construction of the Project on the Property in three separate phases as follows, (i) phase one shall include the construction and development of the commercial and public services component including a public laundromat, grocery store, day care center and medical services, and related infrastructure such as public improvements and other utilities, and (ii) phase two shall consist of the development and construction of a total of fifty-one (51) affordable rental housing units, with a preference for farmworkers, and (iii) phase three shall consist of the development and construction of an additional fifty-one (51) affordable rental housing units, with a preference for farmworkers, for a total upon Project completion of one hundred and two (102) affordable rental housing units, (collectively defined herein as the Project).

The essential terms and conditions of any such DDA entered into with CVHC shall be in conformance with the following requirements:

1. CVHC shall acquire the Property from Authority in accordance with the Schedule of Performance and satisfaction of certain conditions precedent to be negotiated as part of the DDA. The sale will occur after CVHC has satisfactory evidence of committed financing for the development of the Property as contemplated by the DDA;
2. CVHC shall design and construct the Project on the Property, at its own cost and expense, in accordance with a Schedule of Performance to be negotiated as part of the DDA and in accordance with the scope of development and plans and specifications prepared by CVHC and approved in writing by Authority;
3. CVHC shall design and construct, if applicable, all on-site infrastructure improvements in connection with the Project on the Property and develop a plan for financing the cost of infrastructure improvements;
4. CVHC shall secure at its own cost and expense, as required, in accordance with the Schedule of Performance to be negotiated as part of the DDA, an amendment to the General Plan for the County of Riverside ("County"), as the case may be, a change of zone for the Property and any and all entitlements (other than grading or building permits or approvals which are simply ministerial and nondiscretionary in nature) (the "Entitlements"), which may be required by the City, County or any other governmental agency with jurisdiction over the construction and development of the Project (the "Governmental Authorities") to allow development of the Project;
5. CVHC shall be responsible for marketing the Project;

6. Other terms and conditions applicable to the DDA are as follows:
 - a. It is understood by CVHC that design and architectural approval by Authority will be required for the Project and that sketches, plans, working drawings, specifications and similar documents will be required to be submitted for written approval pursuant to the terms and provisions in the DDA.
 - b. It is understood that in developing the Property, CVHC will coordinate with the Authority the design and architectural theme of the Project to be compatible with other developments in the area.
7. Forty-nine (49%) percent of the housing units developed and operated as part of the Project shall be rented to and occupied by low income households earning 80 percent or less of the area median income, as determined by the California Department of Housing and Community Development, adjusted for household size appropriate for the unit. The final affordability, maximum income and lease rate requirements will be established in the DDA and shall conform to the CRL, including, but not limited to the requirements set forth in Health and Safety Code Sections 34176 and 34176.1.

B. CVHC's Findings, Determinations, Studies, and Reports

From time-to-time, as reasonably requested by Authority, CVHC shall provide oral Project status, and on the 5th of every month CVHC shall provide written progress reports, advising Authority on all matters related to the development, including financial feasibility analyses, construction cost estimates, marketing studies, and similar due diligence matters. Should negotiations not result in a DDA between Authority and CVHC, Authority may use the information provided by CVHC (excluding any confidential or proprietary information prepared or commissioned by CVHC, and subject to the proprietary rights of the authors or preparers, any confidentiality agreements and any privileges recognized by applicable law, subject to the requirements set forth in the California Public Records Act) in any way deemed by Authority to be of benefit to Authority. All costs incurred by CVHC in the preparation and presentation of such findings, determinations, studies, reports or other requests by the Authority under this Agreement shall be at the sole expense of CVHC.

IV. Purchase Price and/or Other Consideration

The purchase price for the Property to be paid to the Authority by CVHC will be established in the DDA.

V. Environmental Requirements

Certain State and local environmental requirements under CEQA may be applicable to the proposed Project. Authority's Board of Commissioners will consider the DDA upon submission of Authority's successful negotiations with CVHC on the terms and conditions of the

DDA. Authority will act as the “lead agency” under CEQA. Accordingly, CVHC agrees to supply information and otherwise cooperate with Authority, as requested by Authority to determine the environmental impact of the proposed Project, and to allow Authority to prepare such environmental documents as Authority may determine to be necessary pursuant to CEQA and Authority’s guidelines and procedures.

CVHC shall indemnify and hold harmless the Authority and the County of Riverside, their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, Board of Commissioners, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as “Indemnitees”) from any liability whatsoever, based or asserted upon any CEQA challenge related to the Project, except to the extent such liability is caused by the gross negligence or willful misconduct of any Indemnitees. CVHC shall pay, at its sole expense, all costs and fees including, but not limited, to attorneys’ fees, cost of investigation, defense and settlements or awards, of the Indemnitees in any claim or action based upon such alleged acts or omissions.

VI. Assignment

CVHC shall not assign all or any part of this Agreement without the prior written approval of Authority, except to a limited partnership, limited liability company or other entity formed for financing the Project, in which CVHC is a co-general partner (if a limited partnership) or a managing member (if a limited liability company); provided, however, any of the aforementioned transfers shall be subject to the approval of documentation by the Executive Director or designee. Authority, in its reasonable discretion, may approve an assignment to any other entity if, in the reasonable determination of Authority, the proposed assignee is comparable in all material respects (including experience, character and financial capability) to CVHC. Any such change (or assignment of this Agreement in connection therewith) shall be by instruments approved in writing as to form and content by the Authority’s Executive Director, or designee, and County Counsel, and if Authority approval is required pursuant to this Section VI, subject to the approval by Authority’s Board of Commissioners of evidence of the proposed assignee's qualifications to meet the obligations of CVHC under this Agreement. CVHC shall promptly notify Authority of any and all changes whatsoever in the identity of the parties in control of CVHC or the degree thereof, of which it or any of its officers have been notified or otherwise have knowledge or information.

VII. Condition of Site

CVHC will assume the full and complete responsibility to make all investigations of surface and subsurface conditions as may be necessary or appropriate and to evaluate the suitability of the Property for the proposed Project. Neither Authority nor the County shall make any representations or warranties concerning the Property, its suitability for the use intended by CVHC, or the surface or subsurface conditions of the Property.

Upon successful negotiation and approval of a DDA, the Property shall be conveyed to CVHC “AS IS”, meaning that CVHC will be accepting the Property in its present condition, including, but not limited to, the physical condition of the Property and all laws, rules and

regulations, whether federal, state or local, having or potentially having any impact on ownership, use, subdivision, improvement or other aspects of the Property. If a DDA is executed and approved by Authority, CVHC shall be responsible, at its own sole cost and expense, for improvements on the Property in connection with the construction of the Project, and will do all things necessary to prepare the Property for the construction and development of the Project in accordance with the Entitlements therefore.

VIII. Right of Entry

Authority hereby grants to CVHC and its employees, agents and contractors (herein referred to collectively as "CVHC Designees") the nonexclusive right to enter upon the Property at any time during the Negotiation Period to perform a survey and certain work, consisting of geotechnical investigation, soil testing, a Phase I Environmental Assessment prepared in compliance with the most recent published American Society for Testing and Materials Phase I Environmental Property Assessment Standard, a Phase II Environmental Investigation and Report, if required, and other due diligence related activities (collectively, "Work"), and for no other purposes without the prior written approval of Authority's Executive Director.

Prior to each entry onto the Property, CVHC shall provide three (3) working days advance written notice to Authority to arrange for access. Email communications shall constitute valid written notice provided such notice is (i) submitted three (3) days in advance, (ii) sent to Leah Rodriguez at lrodriguez@rivcoeda.org, and (iii) delivery of such email notice is confirmed with a documented reply and confirmation from Leah Rodriguez at lrodriguez@rivcoeda.org.

Prior to any entry onto the Property for the taking of environmental samples or testing, CVHC shall provide Authority with a work plan for on-site activity, including but not limited to a copy of its sampling and testing procedures. Such work plan shall be provided not less than three (3) working days in advance of any environmental testing or sampling activity contemplated under this Agreement.

CVHC shall provide to Authority a copy of all results generated by the sampling and testing performed pursuant to this Agreement. CVHC acknowledges and agrees for itself and on the behalf of CVHC Designees as follows:

- A. CVHC will not permit any dangerous condition to be created on the Property as a result of the activities of CVHC or CVHC Designees;
- B. That all acts and things done by CVHC on the Property will be done in a careful and reasonable manner, in accordance with all federal, state and local laws;
- C. CVHC will enter the Property entirely at its own cost, risk and expense;
- D. That prior to CVHC's entry upon the Property and during the term of this Agreement, CVHC shall require each and all of CVHC's contractors/consultants responsible for the Work under this Agreement with whom CVHC enters into a written contract for such Work to maintain, in full force and effect, statutory

workers' compensation insurance coverage and a commercial general liability policy in the amount of at least One Million Dollars (\$1,000,000) combined single limit policy. Not less than three (3) working days prior to entry on the Property, CVHC shall cause CVHC's contractors/consultants with whom CVHC enters into a written contract for such Work to provide certificates evidencing such coverage and naming Authority as additionally insured, as its interests may appear;

- E. CVHC shall not suffer or permit to be enforced against the Property, or any part thereof, any mechanics', material men's, contractors' or subcontractors' liens or any claim for damage arising from any Work performed by CVHC or CVHC's designee's use of and activities upon the Property pursuant to this Agreement. CVHC shall pay, or cause to be paid, all said liens, claims or demands before any action is brought to enforce the same against the Property.
- F. CVHC shall not have any interest in the Property or be entitled to any reimbursement or repayment for any Work performed upon the Property pursuant to this Agreement;
- G. CVHC shall take all necessary precautions to prevent the import and/or release into the environment of any hazardous materials which are imported to, in, on or under the Property during the performance of the Work. If hazardous materials are imported onto the Property as a result of the performance of the Work, CVHC shall be solely responsible for removing such imported hazardous materials in conformance with all governmental requirements. CVHC shall report to Authority, as soon as possible after each incident, any incidents with respect to the environmental condition of the Property; and
- H. CVHC shall obtain and maintain all governmental permits and approvals required for the Work conducted under this Agreement and shall comply with all statutes, ordinances, rules, regulations, orders and requirements now in effect or that become effective during the term of this Agreement applicable to its sampling and other activities pursuant to the access granted by this Agreement.

IX. Indemnity

CVHC shall indemnify and hold harmless the Authority and the County of Riverside, their respective Agencies, Districts, Special Districts and Departments, their respective directors, officer's, Board of Supervisors, Board of Commissioners, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "Indemnitees") from any liability whatsoever, based or asserted upon any services of CVHC, its officers, employees, subcontractors, consultants, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of CVHC, its officers, agents, employees, subcontractors, agents or representatives under this Agreement. CVHC shall pay, at its sole expense, all costs and fees including, but not limited, to

attorneys' fees, cost of investigation, defense and settlements or awards, of the Indemnitees in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by CVHC, CVHC shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of Authority; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CVHC's indemnification to the Indemnitees as set forth herein.

CVHC's obligation hereunder shall be satisfied when CVHC has provided to Authority the appropriate form of dismissal relieving Authority and/or the Indemnitees from any liability for the action or claim involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe CVHC's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve CVHC from indemnifying the Indemnitees to the fullest extent allowed by law.

X. Default and Remedies

(a) Failure by either party to negotiate in good faith as provided in this Agreement shall constitute an event of default under this Agreement. The non-defaulting party shall give written notice of a default to the defaulting party, specifying the nature of the default and the required action to cure the default. If a default remains uncured thirty (30) days after receipt by the defaulting party of such notice, the non-defaulting Party may exercise the remedies set forth in subsection (b) below.

(b) Remedies.

(1) Authority Default. In the event of an uncured default by Authority under this Agreement, CVHC shall be entitled to terminate this Agreement in which case following such termination, neither party shall have any further right, remedy or obligation under this Agreement.

(2) CVHC Default. In the event of an uncured default by CVHC under this Agreement, Authority shall be entitled to terminate this Agreement. Following such termination, neither party shall have any right, remedy or obligation under this Agreement; provided, however, that the indemnification obligations pursuant to Section IX shall survive such termination. CVHC and the Authority hereby waive the right to specific performance as a remedy under this Agreement.

(c) Waiver of Default.

Except as otherwise expressly provided in this Agreement, any failure or delay by either Party in asserting any of its rights or remedies as to any default shall not operate as a waiver of said default or of any rights or remedies in connection therewith or of any subsequent default or any rights or remedies in connection therewith, or deprive such Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

XI. CVHC Employees and Liabilities

It is understood that persons engaged or employed by CVHC as employees, agents, or independent contractors shall be engaged or employed by CVHC and not by Authority. CVHC alone is responsible for their work, direction, compensation and personal conduct. Nothing included in any provision of this Agreement shall impose any liability or duty upon Authority to persons, firms, or corporations employed or engaged by CVHC in any capacity whatsoever, or make Authority liable to any such persons, firms, or corporations, or to any government, for the acts, omissions, liabilities, obligations, and taxes, of whatsoever nature, of CVHC or of its employees, agents, or independent contractors.

XII. CVHC's Obligation to Refrain from Discrimination; CVHC's Obligation Toward Equal Opportunity

- 5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or, the term of this Agreement, including any extensions thereof, exceeds five (5) years Authority reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverage's currently required herein, if; in Authority's Risk Manager's reasonable judgment, the amount or type of insurance carried by CVHC has become inadequate.
