BACKGROUND:

County of Riverside Economic Development Agency (EDA) funding will be used to initiate the 5th District Volunteer Appreciation Awards. The event will recognize outstanding community volunteers within the 5th district of Riverside County. One individual from each city as well as unincorporated community will be selected to receive the volunteer award. The event will not only recognize these individuals, but also to help inspire more community involvement and volunteerism throughout the County.

This volunteer summit will be similar to the highly successful program of the fourth district in the Coachella Valley and should be self-sustaining going forward due to sponsorship and ticket sales. Any surplus will be carried over for use in underwriting the following years programs. EDA will manage the event and keep detailed records as well as documentation of all activities for the purpose of transparency. These startup funds are necessary to pay deposits and costs until the event generates self-sustaining momentum.

Volunteers provide important work hours and resources on behalf of the county. The event will recognize volunteers each year starting May 5, 2016. The 5th District Volunteer Appreciation Summit will be held at Morongo Casino Resort and Spa in Cabazon.
