**BACKGROUND:**

**Summary**

Pursuant to ABx1 26, more specifically subdivision I of Health and Safety Code Section 34177, as amended by AB 1484 (Dissolution Act), successor agencies are required to prepare a Recognized Obligation Payment Schedule (ROPS) before each six month fiscal period.

Furthermore, subdivision m of Section 34177 requires that, "commencing with the ROPS covering the period of July 1, 2013, through December 31, 2013, successor agencies shall submit an oversight board approved ROPS to the Department of Finance and to the county auditor-controller no fewer than 90 days before the date of property tax distribution."

Therefore, the Successor Agency to the Redevelopment Agency for the County of Riverside (Successor Agency) is required to submit to the oversight board an approved ROPS covering the period of January 1, 2016 through June 30, 2016 (ROPS 15-16B) by September 17, 2015. ROPS 15-16B is included as Exhibit A, and is requesting approval of \$23,285,862 from the Redevelopment Property Tax Trust Fund (RPTTF) for debt service and other non-administrative costs. \$1,644,759 in expenditures is being requested for previously approved project budgets, and is to be paid from redevelopment bond proceeds. The Successor Agency is also requesting approval of the expenditure of \$9,351,000 for project costs to be paid from reserve funds.

In addition to the ROPS, the Successor Agency is also required to submit a detailed Administrative Budget for each six-month ROPS reporting period. As shown on Exhibit B, the Administrative Budget for the Successor Agency for the period January 1, 2016 through June 30, 2016 is projected to be \$678,229, and, if approved, will be funded from RPTTF. This amount represents the three-percent administrative allowance of all RPTTF projections for the ROPS 15-16B reporting period.

The aforementioned projected expenditures are components of the total budget of \$34,281,621 as requested on ROPS 15-16B.

**Impact on Citizens and Businesses**

Adoption of these items will have a positive impact on the citizens and businesses throughout Riverside County. Residents are relying on the completion of the remaining projects in order to enhance their communities. The various construction firms will also benefit from this action by being able to complete the remaining projects based on the reliance that they will be compensated. Further, approval of the ROPS provides authority to honor and make debt service payments according to the bond covenants, for the benefit of the RDA bondholders.
