**BACKGROUND:**

**Impact on Residents and Businesses**

The Santa Ana Canyon - Below Prado - Inland Empire Brine Line Protection Project consists of approximately 2,200 lineal feet of sheet pile protection to be installed at two separate locations (see attached Project Location Map).

This project is necessary to protect existing development and critical infrastructure against the maximum controlled flood release from an improved Prado Dam. This project is a component of the Corps of Engineers' \$2.2 billion Santa Ana River Mainstem Project (SARMP). The Local Cooperation Agreement between the Corps and the Local Sponsors (Riverside, San Bernardino and Orange Counties) calls for each County to be responsible for obtaining the necessary right of way, utility relocation(s) and funding the local cost share of the protection works and any other SARMP elements that lie within their respective jurisdictions.

This project is funded by ad valorem property tax revenue and entails no new fees, taxes or bonded indebtedness.

**SANTA ANA CANYON-BELOW PRADO  
INLAND EMPIRE BRINE LINE PROTECTION PROJECT  
PROJECT NO. 2-0-00105**

The Inland Empire Brine Line Protection Project consists of the installation of approximately 2,500 LF of AZ26-700 sheet pile, having a width of approximately two feet and a maximum toe depth of 55 feet (15 feet below the scour depth), with tiebacks spaced approximately every 10 feet. Construction will occur in two different locations along the existing Santa Ana River (SAR) Trail. The easternmost portion (near Prado Dam), will extend approximately 2,100 linear feet. The westernmost portion at the outlet to Aliso Canyon will extend approximately 120 linear feet. The tiebacks have an average length of approximately 40 feet.

The proposed Project will protect the Inland Empire Brine Line from being exposed due to possible erosion caused by the Santa Ana River and Aliso Creek. The sheet piles at the easternmost location are necessary due to the proximity of the Santa Ana River to the Brine Line. The sheet piles at the westernmost location will protect the Brine Line from both the Santa Ana River and Aliso Creek floodwaters.

## **DESIGNATED PROJECT(S) GENERAL AGGREGATE LIMIT**

This endorsement modifies insurance provided under the following:  
COMMERCIAL GENERAL LIABILITY COVERAGE PART

### **SCHEDULE**

#### **Designated Project(s):**

EACH "PROJECT" FOR WHICH YOU HAVE AGREED, IN A WRITTEN CONTRACT WHICH IS IN EFFECT DURING THIS POLICY PERIOD, TO PROVIDE A SEPARATE GENERAL AGGREGATE LIMIT; PROVIDED THAT, THE CONTRACT IS SIGNED AND EXECUTED PRIOR TO ANY LOSS FOR WHICH COVERAGE IS SOUGHT.

#### **Designated Project General Aggregate(s):**

GENERAL AGGREGATE  
LIMIT SHOWN ON THE  
DECLARATIONS

- A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **COVERAGE A. (SECTION I)**, and for all medical expenses caused by accidents under **COVERAGE C (SECTION I)**, which can be attributed only to operations at a single designated "project" shown in the Schedule above:
1. A separate Designated Project General Aggregate Limit applies to each designated "project", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations, unless separate Designated Project General Aggregate(s) are scheduled above.
  2. The Designated Project General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A.**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under **COVERAGE C**, regardless of the number of:
    - a. Insureds;
    - b. Claims made or "suits" brought; or
    - c. Persons or organizations making claims or bringing "suits".
  3. Any payments made under **COVERAGE A.** for damages or under **COVERAGE C.** for medical expenses shall reduce the Designated Project General Aggregate Limit for that designated "project". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Project General Aggregate Limit for any other designated "project" shown in the Schedule above.
  4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Project General Aggregate Limit.
- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **COVERAGE A. (SECTION I)**, and for all medical expenses caused by accidents under **COVERAGE C. (SECTION I)**, which cannot be attributed only to operations at a single designated "project" shown in the Schedule above:
1. Any payments made under **COVERAGE A.** for damages or under **COVERAGE C.** for medical expenses shall reduce the amount

**COMMERCIAL GENERAL LIABILITY**

available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

2. Such payments shall not reduce any Designated Project General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Ag-

gregate Limit, and not reduce the General Aggregate Limit nor the Designated Project General Aggregate Limit.

- D. For the purposes of this endorsement the Definitions Section is amended by the addition of the following definition:

"Project" means all work performed by or for you pursuant to a separate written contract.

- E. The provisions of SECTION III - LIMITS OF INSURANCE not otherwise modified by this endorsement shall continue to apply as stipulated.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

The Damage To Premises Rented To You Limit will apply to all "property damage" proximately caused by the same "occurrence", whether such damage results from: fire; explosion; lightning; smoke resulting from such fire, explosion, or lightning; or water; or any combination of any of these causes.

The Damage To Premises Rented To You Limit will be the higher of:

4. Paragraph a. of the definition of "insured contract" (DEFINITIONS - Section V) is deleted and replaced by the following:

However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage to premises while rented to you, or temporarily occupied by you with permission of the owner, caused by: fire; explosion; lightning; smoke resulting from such fire, explosion, or lightning; or water, is not an "insured contract";

5. This Provision B. does not apply if coverage for Damage To Premises Rented To You of COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY (Section I - Coverages) is excluded by endorsement.

### C. BLANKET WAIVER OF SUBROGATION

We waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of: premises owned or occupied by or rented or loaned to you; ongoing operations performed by you or on your behalf, done under a contract with that person or organization; "your work"; or "your products". We waive this right where you have agreed to do so as part of a written contract, executed by you before the "bodily injury" or "property damage" occurs or the "personal injury" or "advertising injury" offense is committed.

### D. BLANKET ADDITIONAL INSURED - MANAGERS OR LESSORS OF PREMISES

WHO IS AN INSURED (Section II) is amended to include as an insured any person or organization (referred to below as "additional insured") with whom you have agreed in a written contract, executed before the "bodily injury" or "property damage" occurs or the "personal injury" or "advertising injury" offense is committed, to name as an additional insured, but only with respect to liability arising out of the ownership, maintenance or use of that part of any premises leased to you, subject to the following provisions:

1. Limits of Insurance. The limits of insurance afforded to the additional insured shall be the limits which you agreed to provide in the written contract, or the limits shown on the Declarations, whichever are less.
2. The insurance afforded to the additional insured does not apply to:
  - a. Any "bodily injury" or "property damage" that occurs, or "personal injury" or "advertising injury" caused by an offense which is committed, after you cease to be a tenant in that premises;
  - b. Any premises for which coverage is excluded by endorsement; or
  - c. Structural alterations, new construction or demolition operations performed by or on behalf of such additional insured.
3. The insurance afforded to the additional insured is excess over any valid and collectible

"other insurance" available to such additional insured, unless you have agreed in the written contract that this insurance must be primary to, or non-contributory with, such "other insurance".

**E. INCIDENTAL MEDICAL MALPRACTICE**

1. The following is added to paragraph 1. Insuring Agreement of COVERAGE A. – BODILY INJURY AND PROPERTY DAMAGE LIABILITY (Section I – Coverages):

"Bodily injury" arising out of the rendering of, or failure to render, the following will be deemed to be caused by an "occurrence":

- a. Medical, surgical, dental, laboratory, x-ray or nursing service, advice or instruction, or the related furnishing of food or beverages;
- b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances;
- c. First aid; or
- d. "Good Samaritan services." As used in this Provision E., "Good Samaritan services" are those medical services rendered or provided in an emergency and for which no remuneration is demanded or received.

2. Paragraph 2.a.(1)(d) of WHO IS AN INSURED (Section II) does not apply to any registered nurse, licensed practical nurse, emergency medical technician or paramedic employed by you, but only while performing the services described in paragraph 1. above and while acting within the scope of their employment by you. Any "employees" rendering "Good Samaritan services" will be deemed to be acting within the scope of their employment by you.

3. The following exclusion is added to paragraph 2. Exclusions of COVERAGE A. – BODILY INJURY AND PROPERTY DAMAGE LIABILITY (Section I – Coverages):

(This insurance does not apply to:) "Bodily injury" or "property damage" arising out of the willful violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by or with the knowledge or consent of the insured.

4. For the purposes of determining the applicable limits of insurance, any act or omission

together with all related acts or omissions in the furnishing of the services described in paragraph 1. above to any one person will be deemed one "occurrence".

5. This Provision E. does not apply if you are in the business or occupation of providing any of the services described in paragraph 1. above.

6. The insurance provided by this Provision E. shall be excess over any valid and collectible "other insurance" available to the insured, whether primary, excess, contingent or on any other basis, except for insurance that you bought specifically to apply in excess of the Limits of Insurance shown on the Declarations of this Coverage Part.

**F. EXTENSION OF COVERAGE – BODILY INJURY**

The definition of "bodily injury" (DEFINITIONS – Section V) is deleted and replaced by the following:

"Bodily injury" means bodily injury, mental anguish, mental injury, shock, fright, disability, humiliation, sickness or disease sustained by a person, including death resulting from any of these at any time.

**G. CONTRACTUAL LIABILITY – RAILROADS**

1. Paragraph c. of the definition of "insured contract" (DEFINITIONS – Section V) is deleted and replaced by the following:

- c. Any easement or license agreement;

2. Paragraph f.(1) of the definition of "insured contract" (DEFINITIONS – Section V) is deleted.

**H. ADDITIONAL INSURED – STATE OR POLITICAL SUBDIVISIONS – PERMITS**

WHO IS AN INSURED (Section II) is amended to include as an insured any state or political subdivision, subject to the following provisions:

1. This insurance applies only when required to be provided by you by an ordinance, law or building code and only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.

2. This insurance does not apply to:

- a. "Bodily injury," "property damage," "personal injury" or "advertising injury" arising out of operations performed for the state or political subdivision; or

## COMMERCIAL GENERAL LIABILITY

- b. "Bodily injury" or "property damage" included in the "products-completed operations hazard".

### I. OTHER INSURANCE CONDITION

- A. COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV), paragraph 4. (Other Insurance) is deleted and replaced by the following:

#### 4. Other Insurance

If valid and collectible "other insurance" is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

##### a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the "other insurance" is also primary. Then, we will share with all that "other insurance" by the method described in c. below.

##### b. Excess Insurance

This insurance is excess over any of the "other insurance", whether primary, excess, contingent or on any other basis:

- (1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk, or similar coverage for "your work";
- (2) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
- (3) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
- (4) If the loss arises out of the maintenance or use of aircraft, "autos", or watercraft to the extent not subject to Exclusion g. of Section I - Coverage A - Bodily Injury And Property Damage Liability; or
- (5) That is available to the insured when the insured is an additional

insured under any other policy, including any umbrella or excess policy.

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any provider of "other insurance" has a duty to defend the insured against that "suit". If no provider of "other insurance" defends, we will undertake to do so, but we will be entitled to the insured's rights against all those providers of "other insurance".

When this insurance is excess over "other insurance", we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such "other insurance" would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under that "other insurance".

We will share the remaining loss, if any, with any "other insurance" that is not described in this Excess Insurance provision.

##### c. Method Of Sharing

If all of the "other insurance" permits contribution by equal shares, we will follow this method also. Under this approach each provider of insurance contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the "other insurance" does not permit contribution by equal shares, we will contribute by limits. Under this method, the share of each provider of insurance is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all providers of insurance.

- B. The following definition is added to DEFINITIONS (Section V):

"Other Insurance":

- a. Means insurance, or the funding of losses, that is provided by, through or on behalf of:

- (1) Another insurance company;
  - (2) Us or any of our affiliated insurance companies, except when the Non cumulation of Each Occurrence Limit section of Paragraph 5 of LIMITS OF INSURANCE (Section III) or the Non cumulation of Personal and Advertising Injury limit sections of Paragraph 4 of LIMITS OF INSURANCE (Section III) applies;
  - (3) Any risk retention group;
  - (4) Any self-insurance method or program, other than any funded by you and over which this Coverage Part applies; or
  - (5) Any similar risk transfer or risk management method.
- b. Does not include umbrella insurance, or excess insurance, that you bought specifically to apply in excess of the Limits of Insurance shown on the Declarations of this Coverage Part.

**J. INCREASED SUPPLEMENTARY PAYMENTS**

Paragraphs 1.b. and 1.d. of SUPPLEMENTARY PAYMENTS – COVERAGES A AND B (Section I – Coverages) are amended as follows:

1. In paragraph 1.b., the amount we will pay for the cost of bail bonds is increased to \$2500.
2. In paragraph 1.d., the amount we will pay for loss of earnings is increased to \$500 a day.

**K. KNOWLEDGE AND NOTICE OF OCCURRENCE OR OFFENSE**

1. The following is added to COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV), paragraph 2. (Duties In The Event of Occurrence, Offense, Claim or Suit):

Notice of an "occurrence" or of an offense which may result in a claim must be given as soon as practicable after knowledge of the "occurrence" or offense has been reported to you, one of your "executive officers" (if you are a corporation), one of your partners who is an individual (if you are a partnership), one of your managers (if you are a limited liability company), or an "employee" (such as an insurance, loss control or risk manager or administrator) designated by you to give such notice.

Knowledge by any other "employee" of an "occurrence" or offense does not imply that you also have such knowledge.

2. Notice of an "occurrence" or of an offense which may result in a claim will be deemed to be given as soon as practicable to us if it is given in good faith as soon as practicable to your workers' compensation insurer. This applies only if you subsequently give notice of the "occurrence" or offense to us as soon as practicable after you, one of your "executive officers" (if you are a corporation), one of your partners who is an individual (if you are a partnership), one of your managers (if you are a limited liability company), or an "employee" (such as an insurance, loss control or risk manager or administrator) designated by you to give such notice discovers that the "occurrence" or offense may involve this policy.
3. This Provision K. does not apply as respects the specific number of days within which you are required to notify us in writing of the abrupt commencement of a discharge, release or escape of "pollutants" that causes "bodily injury" or "property damage" which may otherwise be covered under this policy.

**L. UNINTENTIONAL OMISSION**

The following is added to COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV), paragraph 6. (Representations):

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy shall not prejudice your rights under this insurance. However, this Provision L. does not affect our right to collect additional premium or to exercise our right of cancellation or nonrenewal in accordance with applicable state insurance laws, codes or regulations.

**M. PERSONAL INJURY – ASSUMED BY CONTRACT**

## **BLANKET ADDITIONAL INSURED (CONTRACTORS)**

**This endorsement modifies insurance provided under the following:**

**COMMERCIAL GENERAL LIABILITY COVERAGE PART  
COMMERCIAL GENERAL LIABILITY – CONTRACTORS COVERAGE PART**

1. WHO IS AN INSURED – (Section II) is amended to include any person or organization you are required to include as an additional insured on this policy by a written contract or written agreement in effect during this policy period and signed and executed by you prior to the loss for which coverage is sought. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization. The person or organization is only an additional insured with respect to liability caused by "your work" for that additional insured.
2. The insurance provided to the additional insured is limited as follows:
  - a) In the event that the limits of liability stated in the policy exceed the limits of liability required by a written contract or written agreement in effect during this policy period and signed and executed by you prior to the loss for which coverage is sought, the insurance provided by this endorsement shall be limited to the limits of liability required by such contract or agreement. This endorsement shall not increase the limits stated in Section III – LIMITS OF INSURANCE.
  - b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of an architect's, engineer's or surveyor's rendering of or failure to render any professional services including:
    - I. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, or drawings and specifications; and
    - II. Supervisory or inspection activities performed as part of any related architectural or engineering activities.
3. Subpart (1)(a) of the Pollution exclusion under Paragraph 2., Exclusions of Bodily Injury and Property Damage Liability Coverage (Section I – Coverages) does not apply to you if the "bodily injury" or "property damage" arises out of "your work" performed on premises which are owned or rented by the additional insured at the time "your work" is performed.
4. Any coverage provided by this endorsement to an additional insured shall be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis unless a written contract or written agreement in effect during this policy period and signed and executed by you prior to the loss for which coverage is sought specifically requires that this insurance apply on a primary or non-contributory basis. When this insurance is primary and there is other insurance available to the additional insured from any source, we will share with that other insurance by the method described in the policy.
5. As a condition of coverage, each additional insured must:
  - a.) Give us prompt written notice of any "occurrence" or offense which may result in a claim and prompt written notice of "suit".
5. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" included in the "products-completed operations hazard" unless you are required to provide such coverage for the additional insured by a written contract or written agreement in effect during this policy period and signed and executed by you prior to the loss for which coverage is sought and then only for the period of time required by such contract or agreement and in no event beyond the expiration date of the policy.
