FORM 11: Adoption of Resolution Number 2015-11 Authorizing the Applications for the State of  
California, Department of Parks and Recreation, Habitat Conservation Fund Program; 2nd and 3rd  
Districts; [0]**

**DATE: September 10, 2015**

**PAGE: 2 of 2**

**BACKGROUND:**

**Summary (continued)**

The Habitat Conservation Fund awards approximately \$2,000,000 in grant funds to local agencies annually through a statewide competitive grant making process. The District intends to submit two applications for these funds.

The first application will request grant funds for the purpose of expanding nature interpretation programming at Hidden Valley Nature Center. This project will bring a series of environmental education programs and "Eco-Explorer" days focused on the Hidden Valley Wildlife Area and its ecosystem to the public over a two year period. Grant funds will be utilized for an additional staff person, supplies, and transportation costs directly associated with administering the project.

The second application will request funding to rehabilitate existing District trails. This project will seek to identify and resolve the underlying issues that have led to the erosion of trails in the Idyllwild area. Grant funds will be utilized to conduct assessments and implement a solution.

The proposed resolution is a requirement of the grant application process, and authorizes the District to submit applications for funds. The standard State agreement form is attached. A copy of any signed agreement will be provided to the Executive Office.

**Impact on Citizens and Businesses**

If awarded, these grants will provide the citizens of Riverside County with additional environmental education resources and improved trails.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

There is a 1:1 non-state match requirement associated with these grants. The District intends to meet this requirement by utilizing in-kind services, including existing staff time as well as volunteer time.

8. Any real property acquired or developed with grant monies (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the STATE, provided that such approval shall not be unreasonably withheld as long as the purposes for which the grant monies were awarded are maintained. Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE's rights to enforce performance under this agreement.
9. All real property or rights thereto, acquired with grant monies shall be subject to an appropriate form of restrictive title, rights, or covenants required and approved by the STATE. If the project property is taken by use of eminent domain, grantee shall reimburse the STATE an amount at least equal to the amount of grant monies received from the STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
10. If eminent domain proceedings are initiated against grantee, grantee shall notify the STATE within 10 days of receiving the complaint.

2. The grantee shall not discriminate against any person on the basis of residence, and shall not apply differences in admission or other fees on the basis of residence. Fees shall be reasonable and not unduly prevent use by economically disadvantaged members of the public.

## **K. Severability**

If any provision of this agreement or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the agreement which can be given effect without the invalid provision or application, and to this end the provisions of this contract are severable.

## **L. Liability**

STATE assumes no responsibility for assuring the safety of construction, site improvements or programs related to the GRANT SCOPE. The STATE's rights under this agreement to review, inspect, and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.

## **M. Assignability**

Without the written consent of the STATE, the grantee's interest in and responsibilities under this agreement shall not be assignable by the grantee either in whole or in part.

## **N. Section Headings**

The headings and captions of the various sections of this agreement have been inserted only for the purpose of convenience and are not a part of this agreement and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this agreement.
