DATE: September 3, 2015

BACKGROUND:

Summary

By Minute Order dated June 30, 2015 (Agenda Item 3-63), the Board of Supervisors authorized the Clerk of the Board to advertise for the pavement resurfacing of three Transportation Department maintenance yards located in El Cerrito, Hemet, and Perris.

The environmental clearance for the project has been documented by the Notice of Exemption, which was approved by the Board of Supervisors on June 30, 2015 (Agenda Item 3-63).

The resurfacing work consists of grinding the existing asphalt concrete pavement to remove up to three inches, grading the site and compacting the existing subgrade, and resurfacing with new hot mix asphalt. The resurfacing work will be limited to the existing paved parking areas.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the specifications. Bidders were required to acknowledge and take into account the issued addendum on their Contractor's Bid in order to be considered for award. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum Number 1.

The construction contract includes the following schedules of work:

Base Bid Schedule:	Resurfacing of three maintenance yards
Alternate Bid Schedule 1:	Additional area to resurface at El Cerrito Maintenance Yard
Alternate Bid Schedule 2:	Additional area to resurface at Perris Maintenance Yard

The contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents, which meet the requirements of the contract.

Project Number: 15-00008

Impact on Residents and Businesses

The proposed improvements will improve surface drainage and benefit the project area by significantly increasing the service life of the existing infrastructure and provide a safer paved surface to the Transportation Department's Operation and Maintenance staff.

The construction work will take approximately three weekends to complete and will be phased to keep the maintenance yard locations open during construction, continuing to service public needs.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to All American Asphalt for the total amount of \$361,156. The project is funded with Gas Tax.

There are no General Funds used in this project.

Contract History and Price Reasonableness

Seven bids were received on August 5, 2015, ranging from \$361,156 to \$622,400. The bid received from Jacobsson Engineering Construction, Inc. (Jacobsson) was found to be nonresponsive due to the missing bid price for bid items 9, 10, and 11. Jacobsson was notified by a letter dated August 7, 2015. A copy of the letter is attached herewith. Their bid was the sixth highest in bid price ranking.
