FORM 11: Resolution No. 2015-221, Summarily Vacating Portions of Pourroy Road in the French Valley Area.
This Vacation is Exempt Pursuant to CEQA. 3rd District; [\$0]

DATE: October 6, 2015

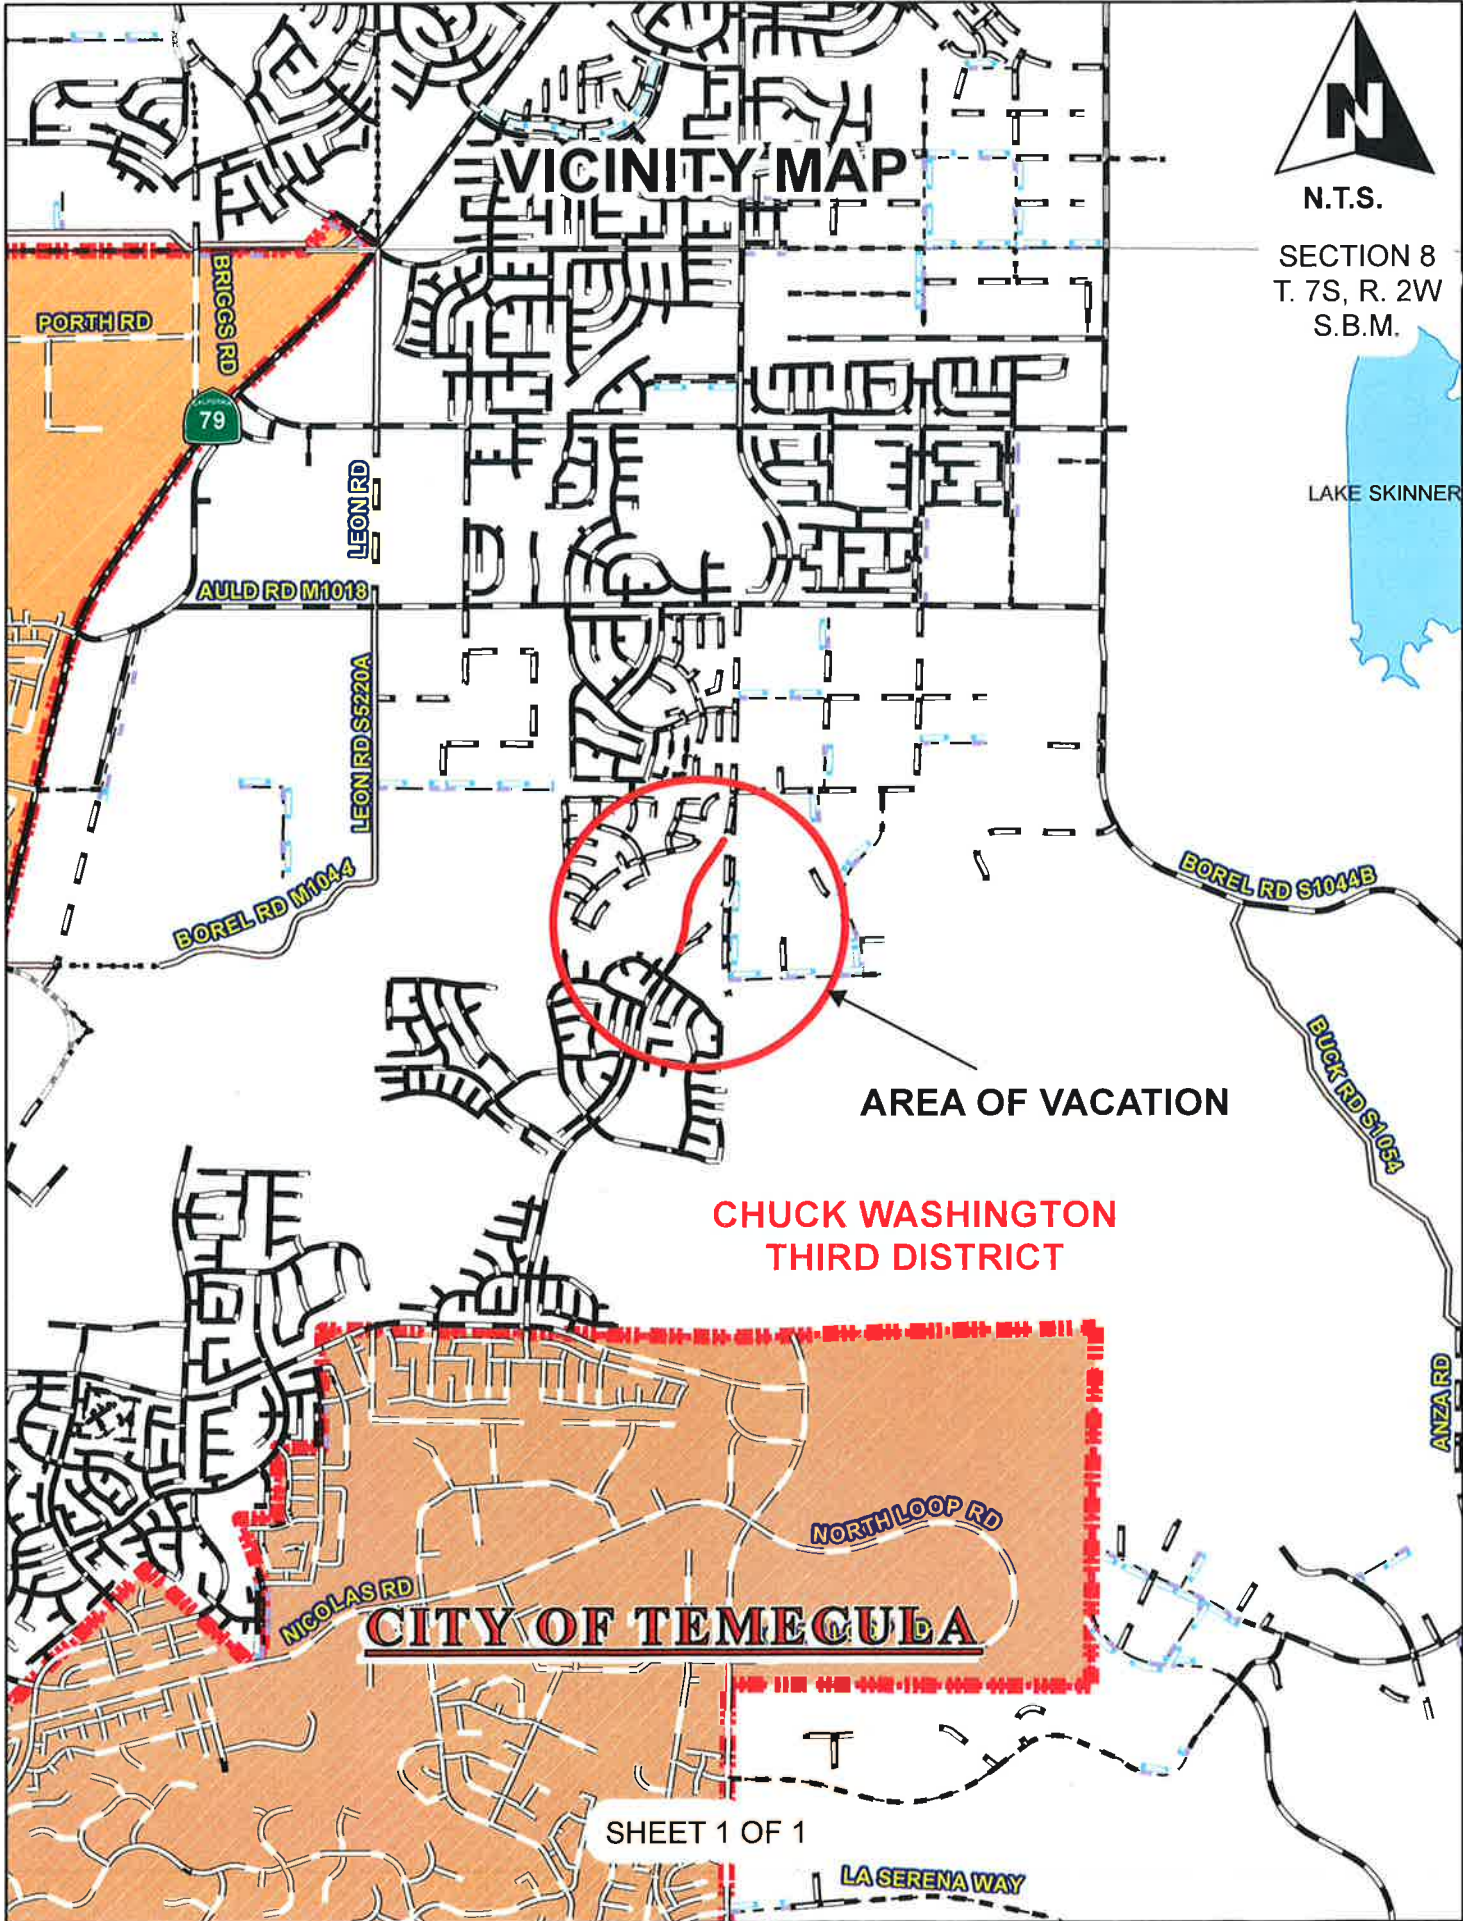

PAGE: 2 of 2

BACKGROUND:

Summary

These portions of Pourroy Road have been superseded by a new alignment dedicated and built by Tract Map 36376, which recently recorded. Portions of the old alignment are no longer needed and after being vacated will be a part of Tract 36376. This vacation will not eliminate access to any parcels. As determined in the attached CEQA Notice of Exemption, the vacation is exempt from the provisions of CEQA pursuant to Categorical Exemption 15060(c)(2) and 15061(b)(3) of the State CEQA Guidelines. The vacation will not result in any specific or general exceptions to the use of the categorical exemption and will not cause any direct or indirect physical environmental impacts.

NOTICE OF CEQA EXEMPTION

Project Name: Summarily Vacating Portions of Pourroy Road in the French Valley Area.

Project Number: AB15009, SU14

Project Location– See Exhibits “A” & “B”,

Description of Project: Summarily Vacating Portions of Pourroy Road in the French Valley Area.

Name of Public Agency Approving Project: Survey Division, Transportation and Land Management Agency.

Name of Person or Agency Carrying Out Project: Wesley Hohenberger, Riverside County Transportation Department, County of Riverside.

Exempt Status: California Environmental Quality Act (CEQA) Guidelines, Section 15061(b)(3), General Rule “Common Sense” Exemption. Not a “project” as defined under State CEQA Guidelines, Section 15060(c)(2).

Reasons Why Project is Exempt: The vacation of a street has been determined to not be a “project” as defined under State CEQA Guidelines section 15060(c)(2). However, even if it was determined to be a project under CEQA for analysis purposes, the project is exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The vacation of the existing roadway will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause any impacts to scenic resources, historic resources, or unique sensitive environments. Further, no unusual circumstances or potential cumulative impacts would occur that may reasonably create an environmental impact. The vacation of a portion of this street will not have an effect on the environment; thus, the County has deemed this does not meet the definition of a “project” under CEQA and no environmental impacts are anticipated to occur.

- Section 15061(b)(3) - General Rule “Common Sense” Exemption. With certainty, there is no possibility that the proposed project may have a significant effect on the environment. The vacation of a street will not require any construction activities, change the use or intensity of the existing site to create a physical environmental impact, and would not lead to any direct or reasonably foreseeable indirect physical environmental impacts. Therefore, in no way would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

- Section 15060(c)(2) – for purposes of analysis under CEQA, the vacation of the roadway is not a “project” under CEQA pursuant to Section 15060(c)(2). An action by a public agency is only a “project” subject to CEQA if the action might result in a physical change in the environment. Based upon a review of the whole action undertaken, supported, or authorized by the County, in no way will the vacation of the roadway increase the use of the site, result in increased development or construction impacts, or lead to any direct, indirect, or cumulative physical environmental impacts.

Based upon the identified exemptions above, the County of Riverside hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.
