**DATE: December 3, 2015**

**PAGE: 2 of 3**

**BACKGROUND:**

**Summary (continued)**

Multiple revisions to the Salary Ordinance are being recommended by Human Resources including, but not limited to, the following issues (the reasoning for the proposed changes are explained further below):

- Clarification of the employment of relatives provision
- Clarification of the classification duplication provision
- Increase number of days for a companion position under exceptional circumstances
- Exemptions from the merit system
- Difficult to Recruit (DTR) designation and differential pay
- Call back pay
- Family definition of sick leave
- Time frame for shift differential

All other recommended modifications not identified above are considered "clean up" items, such as the correction of minor grammatical errors and antiquated language; including deleting or clarifying language to reflect current practices and updated or newly introduced legislation. These "clean up" items do not result in substantive changes in policy.

Two versions of the Salary Ordinance are attached for reference: one in track changes mode to highlight the revisions made to the Salary Ordinance (Attachment B) and a final version with the track changes accepted in a clean version of the Salary Ordinance (Attachment A).

**Clarification of the Employment of Relatives Provision**

The employment of relatives provision proposes to clarify that County Officers or employees shall not be within the same chain of command or span of control of the defined relationships. The provision also addresses if such a relationship occurs what options are available to correct the reporting structure should such a relationship occur.

**Clarification of Classification Duplication**

Clarifies when/if and the criteria necessary in order to duplicate a classification. Also clarifies the intent of classification duplication shall not be based solely on salary and/or at-will status.

**Increase Number of Days for a Companion Position under Exceptional Circumstances**

The language previously allowed a companion position to be requested for a maximum of sixty (60) days under exceptional circumstances. The proposed modification will provide that under exceptional circumstances an agency/department head, with the prior approval of the Human Resources Director, may request a companion position an additional sixty (60) days in advance of a terminating employee (for a total of ninety (90) days).

**Exemptions from the Merit System**

Per the Salary Ordinance the County of Riverside is designated a local merit system. Pursuant to various Government Codes, certain classifications may be specifically appointed thereby exempting them from the merit system. In addition to the Government Codes, at-will classifications identified in Appendix II of the Salary Ordinance shall also be exempt from the merit system.

**Difficult to Recruit (DTR) Designation and Differential**

Proposes modified DTR language for classifications or positions that are designated as DTR after adoption of the Salary Ordinance. Modify the DTR language from additional steps added to the top of a DTR designated salary plan and grade to a percentage of pay. The intent of the modified language is that when a position or classification is designated as DTR by the Human Resources Director, a review of the position(s) or classification(s) will be conducted to include a review of market benchmarks, turnover rates, exit surveys and

other factors. This review will determine if the position/classification warrants adjustments based upon parity. Should an adjustment be recommended it would be presented to the Board of Supervisors for approval. If the review conducted reveals that no adjustment is warranted the DTR designation shall be removed. The intent of the DTR provision is to adjust compensation if the market warrants the adjustment.

This language only applies to classification(s) or position(s) that are designated following adoption of the Salary Ordinance. Any classification or position that was designated under the previous language will follow the previous provisions.

**Call Back Pay**

Adds two new provisions to the call back language: (1) if an employee is subsequently called back to work during the minimum call back period they are not entitled to additional compensation until the employee has worked the entire minimum call back period; and (2) if an employee responds to "call back" remotely (meaning they do not have to physically report to a worksite) and are able to complete the necessary work from a remote location the employee shall be paid for all time actually worked in one-tenth hour increments.

**Family Definition of Sick Leave**

The sick leave provision was updated to reflect the family definition in accordance with California's sick leave law, AB 1522, which became effective July 1, 2015 and to be consistent with Board Policy C-36, Healthy Families, Healthy Workplaces policy.

**Timeframe for Shift Differential**

The timeframe for shift differentials is proposed to be modified to begin at 6:00 pm (whereas previously it was 3:00 pm). The purpose of this change is to offer a shift differential to employees who work during inconvenient timeframes (i.e. 6:00 pm to 7:00 am).

**Impact on Residents and Businesses**

There is no direct impact on residents or businesses in the County of Riverside.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The proposed modifications to Ordinance 440 do not result in any immediate financial costs to the County.

The Board of Supervisors of the County of Riverside, State of California, ordains as follows:

**Section 1. TITLE AND DEFINITIONS**

This ordinance shall be known as "The Riverside County Salary Ordinance". For the purpose of this ordinance, words and phrases are defined as follows:

- a) "Appointed officers" shall mean the persons appointed or employed by the Board of Supervisors or otherwise as the principal employee of a department or agency in the County government, or of the Riverside County Flood Control and Water Conservation District or the Riverside County Regional Park & Open-Space District, which districts for the purposes of this ordinance and resolutions hereunder shall be deemed the equivalent of departments of the County government, except that references in this ordinance or said resolutions to the County shall mean such districts when the context so requires.
- b) "County officers" shall mean the officers designated as such by or pursuant to the law of the State of California.
- c) "Demotion" shall mean a change of employment without intervening loss of working days from a position allocated to a given salary plan and grade to a position of a different class allocated to a lower plan and grade, whether in the same or a different department.
- d) "Employees" shall mean all persons employed by the County of Riverside or the Riverside County Flood Control and Water Conservation District, or the Riverside County Regional Park & Open-Space District, other than officers.
- e) "Full time employee" shall mean employees whose positions require the number of hours usual or prescribed for normal permanent County employment. All positions shall be full time unless otherwise designated or unless the compensation is fixed upon the basis of part time work.
- f) "Holiday" or "paid holiday" shall mean any day on which County offices are not open for business, in accordance with County ordinance, other than Saturday or Sunday.
- g) "Officers" shall mean all "County officers", and "appointed officers" as herein defined, except where the natural construction of this ordinance otherwise indicates: "officer" is the equivalent of "agency/department head".
- h) "Part time employees" shall mean employees in positions which are designated part time or for which compensation is fixed upon a basis of part time work.
- i) "Pay period" shall mean fourteen (14) calendar days from Thursday (starting at midnight) through and including the second Wednesday thereafter, and refers to the period for computing compensation due for all normal working shifts ending during that period.
- j) "Permanent employee" shall mean a regular or seasonal employee who has completed the initial probationary period in a position, not including any incumbent of an At-Will position.
- k) "Physician", and designations of other positions herein which require a license to practice medicine or surgery, including specialties, shall mean and be equivalent to the designation of County Physician as used in State law.

- l) "Position" shall mean any office or employment to which a group of duties and responsibilities are assigned or delegated by competent authority, the performance of which requires the full time or part time employment of one (1) person unless permission is granted for job sharing.
- m) "Probationary employee" shall mean a regular or seasonal employee who has not completed:
  - 1. the required initial probationary period in a paid status in a position following initial employment; or
  - 2. the required probationary period in a paid status in a position to which he/she has been promoted, transferred, or demoted following completion of the initial probationary period.
- n) "Promotion" shall mean a change of employment without intervening loss of working days from a position allocated to a given salary plan and grade to a position of a different class allocated to a higher grade whether in the same or different agency/department. The appointment of an employee to a position allocated to a higher salary plan and grade because of professional registration achieved by the incumbent shall not be deemed a promotion but a change in salary allocation.
- o) "Reclassification" shall mean the reallocation of an incumbent within a filled position to a different class by a change of title and class specification, but does not necessarily involve a change of the salary plan and/or grade.
- p) "Regular employee" shall mean a holder of a regular position.
- q) "Regular position" shall mean a position established by this ordinance on an ongoing basis, as distinct from a seasonal or a temporary position.
- r) "Retire", "retired", and "retirement" shall mean receiving a pension through the California Public Employee Retirement System (CalPERS) pursuant to the California Public Employees' Retirement Law (*California Government Code* (Title 2, Division 5)).
- s) "Seasonal employees" shall mean employees whose employment is not continuous but is regularly recurrent in the same capacity because of particular functions which occur periodically each year; such employment may be permanent, but of an intermittent nature.
- t) "Temporary employee" shall mean an employee who is not a regular or seasonal employee.

- v) "Working day" means each day on which an employee performs a normal working shift, and including holidays as specified herein which fall on days of his or her normal working shift.

## **Section 2. EMPLOYMENT AND ORGANIZATION**

- a) The various officers are hereby allowed assistants, deputies, and employees, to be appointed or employed in the manner and to the extent as provided in this ordinance and by law.

- b) The powers and duties of officers shall be such as are provided by or pursuant to the law of the State and ordinances of the County of Riverside. Appointive officers shall also have such additional powers and duties as may lawfully be delegated to them by the Board of Supervisors.
- c) All employees shall have and exercise such powers and perform such duties as may be directed by the respective officers under whose direction they work, subject to the provisions of this ordinance.
- d) The conditions of employment specified in this ordinance shall apply to all officers and employees except as otherwise provided by law or any applicable memorandum of understanding between the County and a recognized employee organization (herein "MOU"). One or more of such conditions may be varied as to Resident Physicians and Surgeons at the Riverside University Health System – Medical Center (RUHS – MC) by resolution of the Board of Supervisors.
- e) In the absence or incapacity of the Sheriff, the Undersheriff will command the department, followed by the Assistant Sheriff assigned to Patrol and Investigations, followed by the Assistant Sheriff assigned to Court Services/Corrections, followed by the Assistant Sheriff assigned to Administration/Support Services.
- f) After an agency/department head has been continuously absent as the result of illness, injury, or leave of absence for more than twenty (20) working days, the assistant agency/department head, or if there is none, the senior employee next in authority, if he/she possesses any required license, shall automatically assume the designation as acting agency/department head, unless the Board of Supervisors appoints another person as acting agency/department head. This shall be deemed a temporary promotion. If the position of agency/department head becomes vacant, or in any case not covered by the foregoing provision, the Board of Supervisors shall designate the acting agency/department head, which shall be a temporary promotion.

When the absence ceases or the vacancy is filled, the temporarily promoted employee shall return to his/her regular position, and his/her regular salary plan and grade and anniversary date shall be re-determined as if the temporary promotion had not occurred. Any step increases which would have been due in his/her regular position shall be allowed.

- g) Except as otherwise provided by law every officer shall be a citizen of the United States.
- h) When in the judgment of the Board of Supervisors it becomes necessary or desirable to use the services of an employee within the same agency/department in a capacity other than that for which he/she is regularly employed, the Board of Supervisors may by resolution authorize such additional employment, fix any conditions, and provide for the rate of pay. Such additional employment shall not be included in computing vacation, sick leave, or similar benefits; or eligibility for step advance.
- i) Employment of Relatives. No officer shall appoint his or her spouse, or the spouse of any officer superior to himself/herself, in any capacity for compensation and no such spouse shall be eligible for appointment to or continued employment in the same position of any such person who succeeded thereto pursuant to any provision of law. Continued employment shall be deemed to include promotion, demotion, or transfer, if such employee is otherwise qualified.

Except as otherwise provided herein, no person shall be denied the opportunity for employment or continued employment because such person is related to any person presently employed by the County of Riverside. In no instance, shall a County officer or employee be within the chain of command or span of control (i.e. execute supervision over or initiate or participate in decisions (including but not limited to initial employment, retention, evaluation, promotion, or work assignments)) specifically pertaining to another County employee who is related within the first

degree of consanguinity whether by blood or marriage or any familial relationship that management determines may lead to conflict. Familial relationship shall include, but is not limited to, spouse, father, mother, brother, sister, son, daughter, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law, sister-in-law, grandparent, or the equivalent relationships through a lawfully registered domestic partnership.

Should such relationship occur, the employee(s) may promote, voluntarily demote, or will be transferred to position(s) which the employee is eligible and selected to fill. The promotion, transfer, or voluntary demotion must be accomplished within six (6) months.

- j) The Executive Director, Salton Sea Authority and the Executive Secretary for the Salton Sea Authority shall be appointed by the Board of Directors of the Salton Sea Authority and shall serve at the pleasure and will of the Board of Directors. Prior to appointment, the County of Riverside Human Resources Director shall obtain written acknowledgment from the prospective appointee(s) acknowledging his or her understanding of such at-will status. Any person appointed to either of these positions may be terminated from service at any time, by the Board of Directors of the Salton Sea Authority, without notice, cause, or rights of appeal. The Board of Directors of the Salton Sea Authority shall by employment agreement determine the compensation, benefits, and conditions of employment for the Executive Director, Salton Sea Authority.

### **Section 3. CLASSIFICATION PLAN**

a) **ADOPTION AND AMENDMENT**

1. **Class Specifications.** Unless otherwise ordered by the Board of Supervisors, the Human Resources Director may adopt and from time to time amend a classification plan which shall consist of a separate class specification containing the title, general statement of duties, typical tasks, and minimum qualifications, for each class of position other than County officers. Each new or revised class specification shall be approved by the Human Resources Director.
2. **Maintenance of the Plan.** The classification plan shall be maintained in a current condition by the Human Resources Director and the classification plan shall be made available in a format readily accessible by County agency/departments.
3. **Classification Studies.** The Human Resources Director shall have the responsibility for recommending changes in the classification plan to keep the same currently in a condition to meet the needs of the County and its agency/departments. From time to time the Human Resources Director may, and upon order of the Board of Supervisors shall, initiate classification studies of the various positions and class specifications, their relation to the salary plan, and related matters, and make appropriate recommendations to the Board of Supervisors for amendment of the classification plan, this ordinance and resolutions, orders and regulations made pursuant thereto. The Human Resources Director shall have the primary responsibility for preparation of class specifications.
4. **Approval of New Classes and Reclassification.** The Board of Supervisors shall approve the establishment of any new classes, on the recommendation of the Human Resources Director. The Human Resources Director may inactivate from the Class and Salary Listing, without Board of Supervisors' approval, classes which are no longer allocated to agencies or departments and not in current use. Reclassification to an existing class and exchanges of positions shall not require Board of Supervisors approval however, shall require the approval of the Human Resources Director and the County Executive Officer. As an outcome of a classification study or review, the Human Resources Director, with the

concurrence of the affected agency/department head, may reclassify positions which warrant a change to an existing job class, when no additional funding is required. This action shall be sufficient to authorize promotion or demotion through reclassification of the incumbents of the positions, on the request of the agency/department head.

b) CONFORMANCE TO PLAN

1. Requirement for Class Specification. No person shall be employed in or appointed to any regular or seasonal position until the class specification for such position exists within the classification plan.
2. Minimum Qualifications. No person shall be employed in or appointed to any regular or seasonal position unless said person meets the minimum qualifications set forth in the class specification except as otherwise provided in this section. No person shall be employed in or appointed to any temporary position unless said person meets the minimum qualifications set forth in the class specification, unless the Human Resources Director shall certify that there is no qualified person available for the temporary position.
3. Underfilling a Position. An underfill shall mean a classification within the same class series, generally the journey level classification within a promotional growth series. This action may be required when filling a position with an individual who currently qualifies for a lower level in the same class series. When any regular or seasonal position has been funded in a(n) agency/department, the position may be filled in a job class of the same class series as if it were a position in the same or lower paid job class.

At a later date, the position may be filled in the originally funded job class, provided the following conditions are met:

- a. The employee must meet the established minimum qualifications and is satisfactorily and substantially performing the duties of the higher class.
- b. The originally funded class is the journey level and the underfill is a lower level in the same class series, in the same representation unit and job classes in the series are not separately allocated.
- c. There is no increase in the number of positions allowed for the classes involved.

c) CLASS AND SALARY LISTING

1. Design of Listing. The Class and Salary Listing, by this reference made a part hereof, contains a list, by titles, of all classes of positions in the classification plan, each preceded by a job code number which is assigned for numerical reference, and followed by the salary plan and grade or other basis of compensation which applies to the class.

The Human Resources Director may include in the publication of the Class and Salary Listing other reference information by class, such as the designated union code or salary.

2. Amendments to the Appendices Impacting the Class and Salary Listing. The following Appendices: Appendix I, relating to overtime; Appendix II, At-Will classifications; and Appendix III, Executive Vehicle Benefit classifications, may be amended by resolution of the Board of Supervisors and shall be effective on the first day of the first full pay period following Board adoption, unless a different date is established by the Board.

3. Technical Title Changes and Additions. The Human Resources Director may change the title of a class of positions as listed in the Class and Salary Listing, without changing the job code number or salary, when an occupational title change is warranted because of technical or programmatic developments. These changes shall be effective on the first day of the first full pay period following approval.
4. Classification Duplication. The Human Resources Director may administratively duplicate an existing class (including for a separate program or district position) when necessary to preserve benefits that have been lawfully afforded to an employee group. The duplicated classification shall only differ from the existing classification by minimal modification of the following factors: title, class concept, essential duties, and recruiting guidelines. The duplicated classification shall be in accordance with the program area of the requesting department, and assigned a separate job code. Included in the provision of this authority is the ability of the Waste Management Department to fill a position in either a generic class or district class when needed to accommodate an employee whose benefits have been "grandfathered" under an earlier district arrangement. The salary of the duplicated class in the Class and Salary Listing shall be equivalent to the existing class, allowing, however, for a different salary plan and grade appropriate to the representation unit. It is not the intent of this provision to duplicate an existing classification solely based on salary and/or at-will status.

Whenever an administrative change or inactivation of a class is made by the Human Resources Director, or by resolution of the Board of Supervisors, the change shall also operate with respect to the listing of the class in Appendix I, II, or III, in the class specification, in any applicable MOU, and/or in any applicable Resolution of the Board of Supervisors.

Any or all sections of this ordinance, its appendices, and any personnel related supplements may be published by the Human Resources Director to include the technical changes authorized by this subsection, without separate Board of Supervisors' action.

#### **Section 4. POSITIONS ALLOWED**

##### a) AUTHORIZED POSITIONS

1. Position Control. No person shall be appointed to a position in any agency/department until the position has been allowed. The number of positions allowed to be filled in each agency/department shall be allocated by job class and employment type (e.g., regular, seasonal, temporary, or Per Diem) in the approved agency/department budget. The Human Resources Director shall maintain the official count of positions, which may be allowed when approved by the Board of Supervisors in the agency/department's final budget, or by resolution of the Board of Supervisors. A resolution concerning the number of allowed positions shall be effective on the date of its adoption unless a different date is set by the resolution.
2. Change in Allocated Positions. The Human Resources Director may adjust the number of positions allocated to a(n) agency/department, without Board of Supervisors action, when no additional funding is required. The request would require a detailed statement of the reason and need for a new position(s), a justification of the reason for the specific classifications requested and an affirmative statement signed by the agency/department head that no additional County appropriations would be required to sustain the requested position(s) in the current and following fiscal year. Agency/departments requesting a change in the number of positions during the fiscal year, without a change in funding, may request the change using the format prescribed by the Human Resources Director.

Other changes in the number of positions, those requiring additional funding, may be requested by agency/department heads via Form 11 submitted to the Board of Supervisors. Such requests shall contain the job code, job title, and agency/department number of the requested position.

b) PART TIME AND JOB SHARING

1. Part-Time Positions. When any full time regular position has been established or allowed in any agency/department by or pursuant to this ordinance, and in the opinion of the agency/department head only a part time employee is needed to perform the work, the position may be filled by a part time employee. A regular part time employee shall be scheduled to work in each pay period a minimum of one half (1/2) the number of hours prescribed for full time normal permanent County employment.
2. Job Sharing. Notwithstanding any provisions of this ordinance to the contrary, the Human Resources Director may authorize that two part time employees job share one regular position, provided that each employee is scheduled to work in each pay period one half (1/2) the number of hours prescribed for full time normal permanent County employment.

c) COMPANION POSITIONS

1. Advance Replacement of Terminating Employee. An agency/department head, with prior approval of the Human Resources Director, may fill a regular position with a replacement up to thirty (30) calendar days in advance of a terminating employee. Under exceptional circumstances, the position to be vacated may be filled with a replacement for up to an additional sixty (60) calendar days with the prior approval of the Human Resources Director . On approval, there shall be automatically established in the agency/department, an additional position of the same class which shall be automatically abolished on the effective date of said termination.
2. Companion Position During Unpaid Leave. When an employee is authorized a leave of absence without pay for a period in excess of twenty (20) working days, his/her position shall not be filled during such absence. On the agency/department head's request, a temporary companion position of the same class shall be allowed to the agency/department, only for the duration of the approved leave. If a regular employee is placed in such temporary position, he/she shall be entitled to the same benefits as if the position were a regular position. The agency/department head shall promptly inform the Human Resources Director of the adding of the companion position, and of its deletion upon the return to work or separation of the absent employee. The format provided by the Human Resources Director shall be used for this purpose.
3. Companion Position During Paid Leave. When an employee is absent on authorized paid leave as above, a companion position may be allowed with the prior approval of the Human Resources Director.

**Section 5. EMPLOYMENT PROCEDURES**

- a) The Human Resources administration under this ordinance is designated a local merit system except as otherwise provided herein. Appointments and promotions shall be made on the basis of merit and ability. Each officer shall appoint all necessary employees allowed for his or her agency/department by this ordinance only from among persons certified to him/her by the Human Resources Director as eligible for the respective positions. The Human Resources Director shall

determine the methods of evaluating the qualifications of applicants. The methods shall be practical in nature and may involve any combination of written test; oral test; performance test rating of education, training and experience; and shall take into consideration a system of veterans' preference as may be adopted by the Board of Supervisors by resolution. The veterans' preference program shall be administered by the Human Resources Director. County Officers and classifications identified in Appendix II of this Ordinance are exempt from the merit system, rather the appropriate County Officer(s) may appoint qualified candidates to these classifications.

- b) Employees may participate in County employment selection processes on County time, so long as it does not interfere with the discharge of their duties or agency/department operations.
- c) Request for referral of applicants and appointments shall be made in writing on forms prescribed and furnished by the Human Resources Director. Appointment forms duly executed shall be filed with the Human Resources Director.
- d) In the event of transfer, promotion, demotion, or reclassification of a regular or seasonal employee an appointment shall be filed as for a new employee but no termination of the preceding employment shall be necessary.
- e) When an employee is separated from County employment written termination of employment signed by the employing officer shall be promptly filed with the Human Resources Director, who shall notify or file copies thereof with other appropriate offices. Forms for this purpose shall be provided by the Human Resources Director and shall be completely filled out, giving the date of termination and the reason therefore. A termination of employment shall automatically terminate a separate appointment as a deputy.
- f) The Human Resources Director shall arrange for a background check and physical examination; cause the oath of office or affirmation to be administered as required by the Constitution of California; and cause other necessary records to be completed, executed, and filed with the appropriate offices.
- g) The Board of Supervisors shall adopt Medical Standards which shall be applied in determining the physical qualifications for employment. Every person initially employed or re-employed in a regular, seasonal, or temporary position within a designated Group I or II Medical Class under such standards, shall undergo a physical examination at the County's expense prior to the commencement of employment. The Human Resources Director may, when indicated, require that candidates within a designated Group III Medical Class undergo medical history, physical evaluation, and/or a physical examination at the County's expense prior to the commencement of employment. On the basis of the record and report, the Human Resources Director shall determine whether the applicant is physically qualified for the employment, which determination may be conditional, and the agency/department head shall be notified.
- h) The Human Resources Director shall arrange for the candidate for employment to report to such physician as the Human Resources Director may designate, with a written request for physical examination. The physician shall make the examination and promptly submit to the Human Resources Director a detailed written report thereof, together with his or her determination as to whether or not the employee is physically qualified for the position in accordance with the standards adopted by the Board of Supervisors. To the extent permitted by state and/or federal law the record of such examination may be examined and a copy made by the hiring officer, the County Health Officer, the District Attorney, the County Counsel, the employee or his or her representative authorized in writing, and the authorized representative of any insurance carrier of the County, in any matter in which the County's interest is involved. The record shall be retained by the Human Resources Director, who may require a complete or partial re-examination as may

be necessary from time to time or upon a change of work assignment of the employee.

- i) Employees to be employed in security or sensitive positions as designated by the Human Resources Director and all prospective employees shall undergo a background check prior to employment. The Human Resources Director shall make the necessary arrangements for conducting the background check. When the results are received, the Human Resources Director shall inform the hiring officer of the contents thereof.
- j) The requirements of this ordinance for a background check or physical examination or both may be waived by the Human Resources Director for any employee in a regular position, the compensation for which is fixed on an hourly or piecework basis, if the employment is intermittent or occasional in character and not on a full time basis.
- k) Any employee, upon the request of the Human Resources Director or a delegate, shall undergo a further physical examination at any time, upon the same conditions as his or her initial examination. Such subsequent examinations shall not be given routinely but only for reasons which in the opinion of the Human Resources Director shall justify the expense thereof to the County.
- l) Any County officer may deputize an employee by separate written appointment as deputy filed with the Human Resources Director, and any County officer may likewise appoint as many unpaid deputies as are necessary or convenient for the performance of his or her duties; provided any employee holding a regular position the title of which describes the position as deputy or assistant to a County officer shall be a deputy without a separate appointment as such. The constitutional oaths and appointments as deputies filed with the Human Resources Director shall be deemed filed with the County Clerk, who shall at all times have access thereto. This provision shall not apply as to oaths of office for County officers required by law to be filed with the County Clerk.
- m) Records of employees kept by the Human Resources Director are confidential and shall not be open to public inspection, except as may be required by state or federal law. They may be examined by County officials having an interest therein as a matter of official duty, and information therefrom may be released by the Human Resources Director at his or her discretion in accordance with usual and customary procedures.

## **Section 6. SALARY PROCEDURES**

- a) BASIS OF COMPENSATION
  - 1. **Full Compensation.** The compensation of each officer and employee as fixed in this ordinance and otherwise by Board of Supervisors' approval, shall be full compensation for the services required of him or her by law or by virtue of his or her office or employment. Except as otherwise specifically provided by law or ordinance, all fees, commissions, and mileage allowed to or received by any officer, his/her deputy, assistant, or employee from a third party by virtue of his/her office or position or the performance of any function thereof, shall be the property of the County and shall be deposited in the County Treasury not later than the fifth (5<sup>th</sup>) day of the month following its receipt.
  - 2. **Non-acceptance of Gratuities.** Whether on duty or off duty, no employee or officer shall accept any gift or favorable treatment which could reasonably be perceived as potentially influencing any decision or action of the officer or employee in his or her official capacity, or any decision or action of the County agency/department which he or she represents.
  - 3. **Devoting Time to County Business.** Every officer and employee holding a full time position

shall devote his or her full time to County business and shall not engage in private activities for profit during his or her working hours. This provision shall not apply to hospital based physicians and surgeons, who shall be permitted to attend to private patients at the Riverside University Health System – Medical Center in accordance with terms fixed by the Board of Supervisors.

4. Absence Without Pay. Unauthorized absence from duty shall be without pay and accounted for as absence without pay (“AWOP”). An employee who plans to take time off may be allowed approved AWOP when an appropriate leave balance is not available, but when an appropriate leave balance is available, may not be allowed approved AWOP, except in the case of military leave or a furlough program approved by the Board of Supervisors.
5. Pay and Records Adjustments. The Human Resources Director may cause benefits and records of service to be corrected and approve payment of claims in the resolution of grievances and disciplinary matters concerning amounts owed to employees for work performed.

b) **ATTENDANCE RECORDS AND REPORTS**

Each officer shall keep an accurate and current record of the attendance, absences, and status of employees, including sick leave and vacation accrued and allowed, and related matters. Each officer shall report on forms provided by the Auditor-Controller following the completion of each pay period as to the attendance of each employee in his or her agency/department, listing all absences and such other information as may be required. Such other reports concerning employees shall be made as the Auditor-Controller and Human Resources Director may require. From such reports, the Auditor-Controller and Human Resources Director shall maintain a record for each employee, including vacation and sick leave, accrued and allowed, payroll status, anniversary dates, and similar data. From such reports and records the compensation due each officer and employee shall be determined.

c) **PAYMENT**

1. The County Auditor-Controller shall distribute the salary warrants no later than the second Wednesday following the end of a pay period. Terminated employees shall be paid on the regular payday for the pay period during which they were terminated.<sup>1</sup>
2. An officer shall not be paid until he/she has submitted the attendance reports required by or pursuant to this ordinance and such other reports or documents as are required by law.
3. No officer or employee whose employment is terminated shall be entitled to receive the compensation then due him/her unless and until he/she has paid over or delivered to the appropriate officer of the County all County funds and property in his or her possession or control and any other funds or property held by him/her in his or her official capacity and has properly accounted therefore, or has been lawfully relieved of the obligation to do said acts.

**Section 7. VOLUNTARY FURLOUGH**

- a) Subject to any applicable Board of Supervisors’ Policy, a voluntary furlough may be granted to employees who desire to assist their agency/department in coping with budgetary constraints.

<sup>1</sup> The County is exempt from Section 201 of the CA Labor Code which requires immediate payment on termination (see § 220).

- b) An agency/department head whose current or projected funding level for any budget organization within the agency/department, which in the opinion of the Executive Office, will not sustain the current agency/department staffing level, may advise employees of the entire agency/department that they are eligible for voluntary furloughs. A simple announcement and/or posting or printing of the furlough provisions shall be the limit of such publication by the agency/department, without any promotional campaign or pressure on employees to participate. In agencies/departments which are not identified by the Executive Office as constrained in budget to an extent to warrant voluntary furloughs, the employees of such agency/department are not eligible to be granted a voluntary furlough.
- c) A voluntary furlough may be granted to regular employees under the conditions specified in this subsection. Hours taken as voluntary furlough shall be counted separately from any leave of absence which may be granted, so a furlough does not reduce the number of hours which an agency/department may grant as a leave of absence, nor does it reduce the number of hours which may be granted as an official leave of absence. An employee may be granted a furlough of eight (8) hours up to two hundred forty (240) hours in any one fiscal year period, July through June, in increments of full shifts.
- d) Furlough hours shall not be paid hours, but the fact that there is a reduction from full time in the number of hours of paid status in any pay period in which a furlough is taken shall not constitute a part time status for the purpose of the calculation and entitlement of any benefit. A full time employee on furlough shall continue to receive the full employee benefits over which the County has control. A furlough shall not be taken during temporary military duty, other than weekend drills.
- e) A furlough may be requested by the employee on a form or in a format prescribed by the Human Resources Director. The request shall be submitted to the agency/department head through appropriate channels, and shall require the agency/department head's approval. The agency/department head may deny the furlough request when in their judgment the employee cannot be spared from duty, for operational reasons. Furlough records shall be kept by the agency/department, and a copy shall be sent to the Human Resources Department – Employee Benefits and Records.

### **Section 8. SALARY PLAN AND ADMINISTRATION**

- a) **SALARY SCHEDULE EXPLANATION**
  - 1. The base rate of pay for job classes, unless otherwise specified in this ordinance, shall consist of a minimum and maximum hourly, monthly, and annual pay rate or a flat rate. Pay rates may be expressed as biweekly rates in the case of salaried employees.
  - 2. For the compensation for job classes having salary grades, the Class and Salary Listing contains the hourly, monthly and annual rates of compensation. Each salary plan and grade in the salary schedule includes the number of steps, which are shown to the right of the grade number.

- b) **NEW EMPLOYEES**

Refer to the applicable Memorandum of Understanding or Resolution of the Board of Supervisors for the rules governing the placement of new employees on the salary grade, including any advanced step, and/or any "difficulty to recruit" salary adjustments. Refer to Section 10 herein for the rules applicable to temporary employees.

c) CHANGE IN SALARY ALLOCATION

The salary of an incumbent of a position in a class which shall be reallocated to a different salary plan and grade shall be at the same percentage or number of steps from the minimum pay rate on the new grade as on the previous grade. The anniversary date shall not change. All changes in salary allocation shall coincide with the first working day of a pay period.

d) SPECIAL SALARY ADJUSTMENTS

1. The Human Resources Director may expressly set a different salary and anniversary date for the incumbent of any position, than that called for under other provisions of this ordinance, MOU, or Board resolution. Unless otherwise specified, such action shall automatically fix a new anniversary date on the first day of a pay period which is one (1) year in a paid status after the resulting change of salary.
2. When a higher pay rate has been established to temporarily compensate an employee for additional responsibilities beyond those normally performed in the position, the Human Resources Director may, at the agency/department head's request, adjust such pay rate to compensate for step increases and cost of living adjustments which the employee would have earned at the normal pay rate, maintaining the differential intended by the original special adjustment. When the additional responsibilities are concluded, the Human Resources Director may return the employee's pay to the normal rate, as though the temporary increase had not occurred.
3. The County Executive Officer may order changes to the base rate of pay of employees paid on the EXE Salary Plan to meet budgetary restraints faced by the County. Any adjustments shall be accomplished through an across-the-board percentage adjustment, to each employee's base rate of pay.

e) RE-EMPLOYMENT

1. Re-employment after military service shall conform to the requirements of the Military and Veterans Code and the Uniformed Services Employment and Reemployment Rights Act, but in other respects shall be in accordance with this ordinance.
2. Re-employment of Retired Persons. An employee who is retired under the California Public Employees Retirement Law and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. The Human Resources Director may allow the employment or re-employment following disability retirement, or following service retirement for up to 120 working days or 960 hours in any calendar year, without loss of retirement benefits, as specified in the California Public Employees Retirement Law. The law generally permits employment following disability retirement or only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration.

Consistent with the requirements of the California Public Employees Retirement Law for discontinuance of retirement benefits, the retiree may be employed or re-employed.

When a retiree under the California Public Employees Retirement Law is employed or re-employed, his/her retirement status must be specified in the documentation of appointment to a permanent or temporary position.

## **Section 9. TRAVEL AND EXPENSE**

Every officer and employee is hereby allowed his or her actual and necessary traveling expense incurred in the discharge of his or her official duties, upon proper claim therefore itemized and presented as required by law. Rates for meals and other usual items may be established by the Board of Supervisors in aid of this provision, and rules and regulations in connection with travel and expense may be adopted by them.

- a) Mileage Reimbursement. Employees who are required to use their personal vehicles for County business shall be reimbursed at the Internal Revenue Service (IRS) standard mileage rate. Adjustments to the County rate, if any, shall be made pursuant to the IRS rate effective at the time mileage is incurred.
  1. Subject to different requirement by the Board of Supervisors, claims for reimbursement of expenses shall be accompanied by a receipt or other voucher.
  2. Reimbursement for the use of a privately owned vehicle shall be permitted only when a County owned vehicle is not available or upon order of the Board of Supervisors, and subject to rules and regulations established by the Board of Supervisors.
- b) County vehicles shall be used only for the purpose of County business and not for personal business or pleasure of any person whatsoever. No employee shall take a County vehicle outside the County or keep any vehicle at his or her residence without authorization by the agency/department head or his/her designee and subject to the Overnight Retention of County Vehicles Policy (Policy D-10). The Director of Fleet Services shall have the primary authority for the administrative interpretation of the Travel and Transportation Policies (D Policies). Each officer or employee having the custody of a County vehicle shall exercise due caution and prudence in the operation of such vehicle, and shall minimize the risk of damage to such vehicle using available off-street parking whenever reasonably possible, particularly during the night. Such officer or employee shall be liable to the County for damages and other expense resulting from and caused by his or her willful misconduct in the use or operation of such vehicle.
- c) When provided in the statute, ordinance, or resolution establishing a standing board, commission, or committee, or by specific resolution of the Board of Supervisors, the members of such a standing board, commission, or committee shall be reimbursed for their necessary actual expenses in attending the meetings thereof within the County, and for such other necessary actual travel expenses as may be authorized by the Board of Supervisors. Such expenses may include mileage for use of a private vehicle at rates fixed by resolution of the Board of Supervisors. All such travel and expenses shall be subject to the provisions of this ordinance and to rules and regulations applicable to County officers and employees.
- d) Each member of the Board of Supervisors shall receive his or her actual traveling expenses from his or her residence to the place of meeting of the Board at the County seat when attending such meetings and his or her necessary actual expenses in traveling from his or her residence or other point of origin to attend upon and while engaged in County business and returning therefrom, including mileage for use of a private vehicle at rates fixed by resolution of said Board.
- e) The Human Resources Director may authorize the reimbursement of the actual transportation cost of an applicant, for any position, who at the request of the Human Resources Director shall travel to the place of interview in connection with consideration of his or her appointment to such position, unless such applicant withdraws his or her application after such interview or refuses the position after it is offered to him or her. This authorization shall not apply to more than three applicants for any one position at the same time.

**Section 10. TEMPORARY EMPLOYMENT PROVISIONS**

These Temporary Employment Provisions do not apply to any employees in the County's Temporary Assignment Program ("TAP").

Only subsection (e) of Section 10 applies to unrepresented Per Diem employees.

a) **APPLICABILITY<sup>2</sup>**

These Temporary Employment Provisions apply to:

Unrepresented job classes that are temporary or limited-term in nature (e.g. Professional Student Intern and Resident Physician and Surgeon); and unrepresented seasonal, temporary, or unrepresented Per Diem employees.

b) **GENERAL PROVISIONS (Not Applicable to unrepresented Per Diem Employees)**

1. Except as otherwise provided by this ordinance, a new employee shall be appointed at the first step of the appropriate salary plan and grade.

2. Upon prior authorization from the Human Resources Director, the initial salary placement for newly hired employees may be on any step of the appropriate salary plan and grade for his/her classification.

3. **Difficult to Recruit (DTR)**

1. Classifications or Positions Designated as DTR on or after January 5, 2016. Notwithstanding the provisions of this ordinance, employees shall be compensated at a rate up to eleven percent (11%) of their earnings to a maximum of eighty (80) hours actually worked in a pay period for those positions identified in specific classifications in a specific agency/department designated by the Human Resources Director as "difficult to recruit" (DTR).

Eligibility for the DTR differential shall be determined by the Human Resources Director based on a specific position, classification, geographical location, and/or agency/department basis that a recruitment or retention issue exists and the DTR designation would assist the County in recruiting and retaining employees in the specific position, classification, geographical location, and/or agency/department.

Eligibility for the DTR differential shall not be automatic nor shall such a determination have any bearing on the same or similar classifications (or similarly situated classifications). Upon such determination and approval, any differential granted pursuant to these provisions shall be implemented as follows:

a. Upon prior authorization of the Human Resources Director, the initial salary placement for newly hired employees may be at any step on the salary plan and grade for his/her classification and shall be compensated a DTR differential.

---

<sup>2</sup> Refer to Memoranda of Understanding for personnel rules for employees represented by a Registered Employee Organization, to Board of Supervisor Resolutions for personnel rules for other unrepresented employees, and to the TAP Employee Handbook for personnel rules for TAP employees.

- b. The DTR differential shall only apply to actual hours worked, up to eighty (80) hours in a pay period.
  - c. The assignment of the DTR differential shall trigger a review by the Human Resources Department of the position and classification. The review shall consist of review of market benchmarks, turnover rates, exit surveys and other factors that may have created the recruitment/retention issue. In the event the Human Resources Director determines the circumstances that created the recruiting or retention problem(s) for any and/or all position(s) in the specific classification in the specific agency/department no longer exist, he/she shall declare the provisions described above inoperative for such specific position(s)/classification(s). At that time, the DTR differential shall cease. In the event the Human Resources Director determines the recruitment/retention issue is related to a market parity issue, the Human Resources Director may recommend to the Board of Supervisors an adjustment to the salary range of the classification for parity purposes or propose another solution to resolve the recruitment/retention problem deemed acceptable within the provisions of this Ordinance. Should a salary adjustment occur due to a market parity issue, the DTR differential shall no longer apply.
  - d. A review of all position(s)/classification(s) designated as DTR shall be conducted annually.
2. Classifications or Positions Designated DTR prior to January 5, 2016. Notwithstanding the provisions of this resolution there shall be up to an additional four steps (approximately 11%) which shall be reserved for those classifications designated as "difficult to recruit".

Advancements to any of these steps shall not be automatic. They shall, instead, be granted based upon a determination by the Human Resources Director that a serious recruiting or retention problem exists for a classification(s), or that the increases granted to subordinate "difficult to recruit" classifications has created serious compaction problems, and Such designation may be made by geographical area or restricted within a classification to specific positions in specific departments. Upon such determination and approval, any increase granted pursuant to these provisions shall be implemented as follows:

- a. Upon prior authorization of the Human Resources Director, the initial salary placement for newly hired employees may be at any step on the salary plan and grade for his/her classification up to and including a step on the salary grades established pursuant to this subsection.
- b. In the event the salary granted to a newly hired employee pursuant to this subsection exceeds that of any permanent, regular full-time or regular part-time employee who has successfully completed one year or more of service at the top of the salary plan and grade for that classification(s), such employee(s) may, upon recommendation of the agency/department head, be placed on the same salary step as that granted to the new employee.
- c. In the event the Human Resources Director determines the circumstances that created the recruiting or retention problems for any or all classifications in the specific classification in the specific agency/department no longer

exist, he/she shall advise the County Executive Officer of his/her findings. If the County Executive Officer concurs, he/she shall declare the provisions described above inoperative for such specific classification(s). At that time, the "difficult to recruit" (DTR) salary plan will return to a standard salary plan, as directed by the Human Resources Director. Any employee compensated at a rate above that to which he/she would otherwise have been entitled upon removal of DTR from the top of the salary grade shall be frozen and shall not be increased until the regular salary for the specific classification exceeds the rate established pursuant to the provisions described above. In the event the Human Resources Director deems it necessary to remove the DTR from the bottom of the assigned DTR salary grade, the salary step of the affected employees shall be adjusted downward according to the number of DTR step(s) removed in order to preserve their current rate of pay.

4. Promotion. On promotion, the salary shall be at a rate on the new salary plan and grade which is approximately two (2) steps higher or immediately greater than two (2) steps higher, than that paid on the salary grade for the former position where the new grade is able to accommodate the increase. The effective date of all promotions shall coincide with the first working day of a pay period.
5. Transfer. On transfer, the salary shall be the same as that paid previously. The anniversary date shall not change.
6. Demotion. On demotion, the salary shall be the same percentage or number of steps from the minimum pay rate on the new grade as on the previous grade, where the new grade is able to accommodate the percentage or number of steps. The anniversary date shall not change. The effective date of all demotions shall coincide with the first working day of a pay period.
7. Reclassification. The salary of an incumbent of a position reclassified to a class on the same salary plan and grade shall not change. The anniversary date shall not change.

The salary of an incumbent of a position reclassified to a class on a higher salary plan and grade shall be at the rate which is approximately two steps higher, or immediately greater than two (2) steps higher, than that paid on the grade of the former position, where the new grade is able to accommodate the increase.

The salary of an incumbent of a position reclassified to a class on a lower salary plan and grade shall be placed at the same rate of pay, or on a step of the new grade which is closest to but not higher than the employee's current rate of pay; where the employee's current rate exceeds the maximum of the new grade, it shall be reduced to the maximum. The anniversary date shall not change.

The effective date of a reclassification shall coincide with the first working day of a pay period.

8. Authority to Specify Salary. An agency/department head may specify a higher step within the salary plan and grade for an employee who is newly hired or re-employed than the step that would be called for under other provisions in this ordinance.
9. Working Hours and Overtime

- a. FLSA Exempt Employees. Any employee whose position is determined to be exempt from the FLSA shall not be entitled to compensation for overtime of any type unless specifically provided herein.
- b. Definitions: For purposes of determining eligibility for overtime only:
  - (1) A "FLSA work week" shall consist of 168 consecutive hours (i.e. seven (7) days).
  - (2) Overtime is defined as time actually worked by an employee in excess of forty (40) hours in an FLSA workweek. Management reserves the right under the FLSA to designate the FLSA workweek for each employee.
- c. Authorization for Overtime Work. Performance of overtime work may be authorized by the agency/department head or his or her designated subordinate.
- d. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The Auditor-Controller shall maintain the record of overtime credit at one and one-half times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid for shall be specified.
- e. Compensation for Overtime Work. Employees who are not considered "exempt" under the provisions of the FLSA shall be paid at a rate of one and one-half times their FLSA regular hourly rate of pay for all time actually worked in excess of forty (40) hours during the designated FLSA workweek. Upon termination, accumulated overtime credit shall be paid for.
- f. Compensatory Time Off. An employee eligible for paid overtime under the provisions of this section may request, subject to management approval, the accumulation of up to one hundred twenty (120) hours of compensatory time off, in lieu of paid overtime. Such overtime is accumulated at the rate of one and one-half (1-1/2) hours of compensatory time off for each hour actually worked in excess of forty (40) hours during the designated FLSA work week.

Accumulated overtime credit may be taken in compensatory time off, at a time or times agreeable to the agency/department head. This method of reducing accumulated overtime credit is encouraged. With approval of the County Executive Officer, banked overtime credit may be paid for.
- g. If any employee is permitted to accumulate overtime credit in excess of one hundred twenty (120) hours, the agency/department head, within two weeks after such excess has been paid for, shall file a written report with the County Executive Officer and a copy with the Auditor-Controller, setting forth the number of hours paid for as to each employee and explaining the reasons for permitting such accumulation.
- h. Payoff for Unused Compensatory Time Off Upon Separation from County Service. Upon separation from County service, an employee shall be compensated at his/her hourly rate in effect at that time for each hour, or portion thereof, of accumulated compensatory time off (CTO).

- i. Fringe Benefits not Affected by Overtime. Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of required period for probation or salary step advance. Where overtime results from necessary irregular work schedules, it may be included in computing the minimum time for salary step advance which would otherwise be delayed beyond the normal period.

10. Standby. When placed by the agency/department head specifically on standby duty, an employee otherwise off duty shall be paid one (1) hour's pay for eight (8) hours of such duty, to the nearest tenth of an hour.

Standby compensation shall cease when the employee reports to work.

11. Minimum Overtime on Call-Back. A non-exempt employee called back to a worksite to meet an emergency on an overtime basis, whether or not in a standby duty status, shall receive minimum credit for one (1) hours' work.

If an employee should complete the work required, and subsequently be recalled during the minimum credit period, no additional compensation shall be paid for until the minimum credit time has been exhausted. Call-back pay does not include time commuting to and from work.

Remote Call-Back: If an employee may perform call-back work remotely, without the employee having to physically report to a worksite, then the employee will be paid in one-tenth hour increments for all time worked while remotely responding to the call. For example, if the employee remotely completes the performance of work in twenty five (25) minutes, the employee will be paid thirty (30) minutes for the remote call-back.

12. Jury Duty and Court Appearances. A temporary employee shall be entitled to retain jury fees, since the individual shall not be paid for time not actually worked.

Any employee who shall be called as a witness arising out of and in the course of County employment, shall not suffer any loss in their base hourly rate of pay, but any witness fees received shall be paid into the County Treasury, together with any mileage allowed if the employee uses County transportation.

Any employee absent due to private legal matters shall not be entitled to be paid during such absence.

13. Sick Leave

- a. Accrual. Every employee shall accrue sick leave on an hourly basis computed at the rate of .05 hours accrued per hour in a paid status to a maximum of four (4) hours per pay period.
- b. A seasonal employee shall be allowed to take sick leave only when the employee is in an active payroll status.
- c. Sick leave shall accrue at all times when the employee is in a paid status.
- d. Accrued sick leave of any person whose employment is permanently terminated shall automatically be canceled. However, any employee whose employment is terminated while he/she is on sick leave shall continue to be compensated for the

duration of his/her illness to the extent of his or her accrued sick leave, but after such termination shall derive no other benefits under this ordinance which result from being in a paid status. Unless the employee shall have retired, payment for sick leave continuing after termination shall be conditioned upon prior receipt of a physician's certificate or other adequate written proof of illness, and in the event of any doubt as to future duration of the illness may be paid on biweekly increments as used. If an employee receives a layoff notice pursuant to this ordinance, payment for sick leave shall continue conditioned upon receipt of a physician's certificate or other adequate written proof of illness given to the County prior to payment, and payment shall not continue beyond the exhaustion of accrued sick leave.

- e. Sick leave may be used for absence reasonably required by complications of pregnancy, continuing through delivery and reasonable period of recovery therefrom, to be determined in accordance with a written report or reports of the employee's personal physician, specifying the expected date of delivery and the date that the employee should cease work. In the event the agency/department head believes there are unusual circumstances, or that the full performance of the employee's work without undue hazard is such as to require a longer period of absence, and on the agency/department head's written request to the Human Resources Director, the determination of the period shall be subject to review and change by a physician employed or provided by the County, including a medical examination of the employee if required by such physician. In no event shall an employee return to work after pregnancy prior to a date to be fixed by her physician in a signed statement that she is physically able to perform the duties of her position.
- f. Proof of Illness. When in the judgment of the agency/department head good reason exists for believing an employee may be abusing sick leave the employee shall be placed on notice in writing. The employee shall also be placed on a medical certification program and be allowed paid sick leave by producing a certificate of a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician; or other proof satisfactory to the agency/department head. Such certificate shall include a written statement signed by a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician, stating the day(s) of the illness/injury and that the illness/injury prevents the employee from being able to work.  
  
Employees on a medical certification program shall have their sick leave usage reviewed at least annually. If the review shows substantial improvement, they shall be removed from the category of having to provide the certificate for each absence.
- g. Every employee shall be able to use accrued vacation, compensatory time, or holiday time when sick leave has been exhausted due to illness or injury unless they are on a medical certification program in accordance with the above.
- h. An employee off work or contemplating to be off work due to illness or injury for an extended period of two (2) weeks or more shall provide a comprehensive health statement as to length of absence from the employee's health care provider stating any duties an employee cannot perform and any restrictions or light duty requirements.

- i. Reporting Requirements. In the absence of a more stringent agency/department policy, an employee reporting off work for such leave usage shall call the employee's supervisor or designee within one (1) hour before or after the employee's scheduled shift starting time.
- j. Reason for Usage. Use of accrued sick leave shall be allowed for the purpose of preventative medical, dental care, and care of the family. For this purpose, family is defined to mean a spouse or Registered Domestic Partner, child, parent (including biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor), brother, or sister of the employee, grandparent, grandchild and the equivalent relationships through a lawfully registered domestic partnership.
- k. Payout for Sick Leave. Upon retirement, disability retirement, or death of an employee, and subject to the provisions of any applicable agreement between the employing agency and the California Public Employee's Retirement Law, unused accumulated sick leave shall be paid for at the rate of ten (10) percent of the current salary value thereof for each such person who has had five full years of service in a payroll status, plus two (2) percent for each additional year to a maximum of 50 percent, and, in no event, shall the total payment exceed a sum equal to 960 hours of full pay. Terminal sick leave pay for employees with five (5) or more years of service shall be paid into a Health Savings Account on behalf of the employee.

Sick leave compensation resulting from death shall be made to the persons entitled to it otherwise, in accordance with the Probate Code. Eligibility for a payout under this section is made at the time of separation from County employment and not at a later date.

- 14. Bereavement Leave. Employees who are entitled to accrue sick leave (under this Article) may be allowed up to five (5) days of leave, three (3) of which will be paid, and the additional two (2) days shall be deducted from the employee's sick leave accruals. Eligible employees must be in an active payroll status and be compelled to be absent from duty by reason of the death, or critical illness where death appears imminent, of the employee's father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparent, grandchild, step-relationships of the same categories or equivalent relationships through a lawfully registered domestic partnership. The County has the right to require proper documentation in support of the requested leave.
- 15. Fitness for Duty. An agency/department head, when in his/her judgment good cause exists, may order an employee off work until such time as the employee is able to present the agency/department head a physician's certificate stating the employee is able to return to work without impairing the health of the public, the employee's health, or the health of the other employees in the agency/department.

When the agency/department head orders an employee off work, the employee shall, at County expense, be referred to a County designated physician or other health care provider to obtain the required certificate.

In the event an employee has no accrued sick leave balance, the employee will then be absent from work without pay at the discretion of the agency/department head in accordance with the provisions of this ordinance. Should the physician or health care

provider determine that the employee is able to return to work during the shifts from which he/she was ordered off work, the employee shall not be charged with such absence and any leave banks used to cover the absence shall be restored.

16. On the Job Injury or Illness. An employee who suffers an injury or illness which entitles him or her to benefits under the Workers' Compensation Law, and for which he/she actually receives or obtains medical treatment, shall be entitled to full compensation for the first calendar day during which he/she is necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, he/she shall be paid as salary the difference between the temporary disability payments due him or her under the Workers' Compensation Law and his or her regular compensation, to the extent of the value of his or her accrued sick leave, including, for this purpose, the values, successively, of his/her accrued compensatory time off for overtime and accrued vacation credit. During a period of temporary disability and in the proportion that the employee is paid for the difference between his/her temporary disability payments and his/her regular compensation, he/she shall continue to accrue sick leave and vacation benefits at the regular rate.

The right is reserved to make later adjustments as between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayments directly or from future earnings.

17. Air Pollution Emergency. An employee unable to work on a regularly scheduled work day due to an air pollution emergency shall be granted a leave of absence without pay for the period of the emergency unless he/she chooses to use his or her accumulated overtime credit, sick leave credit, vacation credit or holiday leave credit for the period of time he/she was off work due to the emergency.

18. Leave of Absence

- a. An agency/department leave of absence or an official leave of absence without pay may be granted for the following reasons:
- (1) Illness or disability when sick leave has been exhausted;
  - (2) Pregnancy;

- c. Official leave of absence. A regular employee may request an official leave of absence exceeding 480 hours, but not exceeding one (1) year. The Board's action shall be final. Any official leave of absence granted shall be for a specified period and appropriate conditions may be imposed such as the employee providing sufficient medical documentation or other evidence documenting the leave as required by the Human Resources Director or a designee.

An employee with accumulated holiday credit may, and if requested by the agency/department head shall, within seven (7) days, specify the dates of at least three (3) working days during the next two (2) succeeding pay periods that the employee desires to take as holiday compensatory time off. The agency/department head may authorize compensatory holiday time off for all or any portion of the dates specified, but shall authorize at least one (1) of the three (3); provided however, that if in the agency/department head's judgment, such day or days will create a demonstrable hardship to the agency/department; in that event, the employee, within seven (7) days after notification by the agency/department head, shall specify three (3) other working days, at least one (1) of which shall be granted. Unless otherwise agreed to by the employee, the agency/department head shall not authorize time off less than eight (8) hours. All future recruitments for a position designated as such should include the requirement of bilingual skills.

When the skill is no longer needed or the employee is not required to use it or ceases to possess it, the agency/department head shall terminate the bilingual compensation by written notice to the Human Resources Director. The Human Resources Director may also terminate the bilingual compensation if he/she makes a like determination, and shall notify the department head. The term does not include members of volunteer fire departments or companies. For the purposes of this section, the volunteer worker

must be currently enrolled pursuant to this ordinance in order to be recognized as a volunteer worker. A volunteer worker is not an employee.

- b) Volunteer Organizations. Any agency/department of the County government may establish one or more organizations of volunteer workers in aid of the purposes of the agency/department or may recognize a private civic organization or delegation thereof as the equivalent. No particular form of organization shall be required; it may be an unincorporated association, a committee or subordinate body of an existing organization, a corporation, or merely a series of individuals sponsored by the agency/department.
- c) Enrollment of Volunteer Workers. In each agency/department having an organization of volunteer workers, the agency/department, or organization with agency/departmental approval, shall keep within the agency/department a current and continuing roster upon which volunteer workers are enrolled. This shall contain at least the name, address and telephone number, the date of enrollment and the date of termination of the enrollment; if the worker may be expected to drive an automobile in the performance of the volunteer function (other than between the worker's home and the workplace) then the roster shall include the number and expiration date of the worker's operator's license, and the name of company, policy number and expiration date of the worker's liability insurance. Records as to each volunteer worker shall be retained for three years after such worker has terminated.

The agency/department, or with its approval, the organization, shall, as a part of the roster or separately, keep a continuing record of the number of hours worked by each volunteer worker. If the services of any worker shall be terminated, or if the worker shall cease to perform voluntary service, entry of the date of termination shall promptly be made on the roster. Unless otherwise specified the termination of enrollment shall be without prejudice to later re-enrollment. The services of any volunteer worker may be refused or terminated by the agency/department at will, and shall be terminated when deemed in the best interest of the agency/departmental function or of the voluntary services program to do so.

If there is no volunteer organization within the agency/department, individual volunteer workers may be enrolled by the agency/department in the manner set forth in this subsection.

County vehicle use may be authorized only by the County Executive Officer on recommendation of the agency/department head including appropriate justification. No volunteer worker shall be permitted to drive either a private vehicle or a County vehicle for volunteer business until the worker has presented his or her current operator's license and liability insurance policy with minimum limits in the amounts required by the State for bodily injury or death and property damage, and the necessary data therefrom has been placed on the roster.
- e) Reimbursement of Expenses. A volunteer worker who drives a private vehicle duly authorized shall be entitled to reimbursement at a mileage rate currently fixed by the County.
