In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

EXHIBIT A
SCOPE OF SERVICE
ARMED SECURITY GUARD SERVICES

1.0 GENERAL INFORMATION

- 1.1 The County of Riverside (COUNTY) desires a favorable image and considers it to be a major asset of a security service. Contractor's employee appearance, attitude, courtesy, job knowledge, and training are influential in creating a favorable image. Security guards shall have normal concerns for their own physical safety and shall take reasonable precautions not to place themselves in situations that would encourage violence or abuse against themselves or other persons in the area.
- 1.2 The Contractor is required to enter into a Service Level Agreement (SLA) with each County End User prior to providing any Security Services for the End User. A SLA is a document executed by a County End User and the Contractor that details the work activities, deliverables, expectations, timelines, and financial consequences for non-performance that a Contractor shall provide to the End User. The Contractor shall receive a Purchase Order from each End User which shall include an SLA
- 1.3 End Users may have one or more SLA's depending on how their organization is structured. End User requirements for Security Services may change over the course of the contract. As this occurs, the End User and the Contractor shall update the SLA to reflect any changes. The Contract issued by the County Purchasing Department shall remain the master agreement allowing for each End User to initiate its own SLA. The Contractor shall comply with the Security Service requirements in End User's SLA
- 1.4 The Contractor shall discuss with the End User the Security Services requested and perform an on-site assessment, if necessary, in order to determine the most cost effective combination of Security Officers and Ancillary Services.
- 1.5 Each End User's SLA shall describe the specific Security Services required and the Contractor shall comply with all terms and conditions as stated in the SLA.
- 1.6 The Contractor shall ensure, prior to executing a SLA, that the following provisions are included:
 - a) Scope of work
 - b) Billing and remittance instructions
 - c) Contact information, including primary and secondary Emergency Call Procedures
- 1.7 All SLA changes, modifications, deletions, or additions shall be in writing and must be mutually agreed upon by the Contractor and End User prior to any such change, modification, deletion, or addition taking effect.
- 1.8 Upon termination of any SLA, the Contractor shall cooperate with the End User in transferring all documents, books, records, and other property of the End User in the Contractor's possession or control, as may be reasonably requested by the End User, to the End User or such party as the End User may designate in writing.

- 1.9 Should there be a change in the COUNTY's requirements for security services; contractor will adjust the number of personnel when required. The COUNTY will endeavor to give contractor at least a 24-hour written or verbal notice whenever there is to be an increase or decrease in personnel. Any change in personnel shall not affect the quoted man-hour rate to be paid for the service provided.
- 1.10 In an effort to be able to respond effectively to any and all situations that may arise, the COUNTY staff shall not possess direct supervisory authority over security guards while on duty; all directives will come from the CONTRACTOR. If any direction is given to a guard, is only to be used to focus the security guard's attention to a particular situation or event and is not intended to replace or usurp the CONTRACTOR's employer / employee relationship with each security guard.
- 1.11 The COUNTY prohibits the use of arrest powers by security personnel. Security personnel powers of arrest are no greater than that of a private citizen. The CONTRACTOR shall assume full liability for any of their employees in the exercising of any police authority. When necessary, the proper police authority shall be summoned. Any change in personnel shall not affect the quoted man-hour rate to be paid for the service provided.

- 1.11 The COUNTY prohibits the use of arrest powers by security personnel. Security personnel powers of arrest are no greater than that of a private citizen. The CONTRACTOR shall assume full liability for any of their employees in the exercising of any police authority. When necessary, the proper police authority shall be summoned. 1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.

1.3 CONTRACTOR affirms this it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit B. CONTRACTOR is not to perform services or provide products outside of the Agreement.

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

2.1 This Agreement shall be effective from December 15, 2015 through July 31, 2016, with the option to renew annually for three (3) additional years, unless terminated earlier. CONTRACTOR shall commence performance effective date of this Agreement and shall diligently and continuously perform thereafter. The Riverside County Board of Supervisors is the only authority that may obligate the County for a non-cancelable multi-year agreement.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided and expenses incurred in accordance with the terms of Exhibit B, Payment Provisions. The estimated maximum payments by COUNTY to CONTRACTOR shall not exceed two hundred fifty thousand dollars (\$250,000) annually including all expenses. The compensation shall be split amongst the primary, secondary, tertiary, and Quaternary CONTRACTORS based on the ability of the lower cost vendor to fulfil the requirement. Should the lower cost (primary) awardee not be able to fulfil the requirement, then the secondary awardee would be offered the opportunity and continue as such until the requirement can be fulfilled. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products. Unless otherwise specifically stated in

Exhibit B, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR.
