Summary (continued)

On August 18, 2015, by Minute Order 13-1C, the Board of Supervisors authorized the Clerk of the Board to advertise for bids for Construction Improvements to the Boat Launch and Related Facilities at Mayflower Park, Blythe, California. The project, when complete, will improve the existing boat launch by adding 30 feet of concrete mesh to extend the boat ramp, as well as a boarding float dock system, walkways, water quality devices, and parking area improvements. An Additive Alternate was also included in the bid request to include the site preparation for a future prefabricated restroom/shower building (to be purchased under a separate contract). The project was advertised in the Palo Verde Valley Times and The Desert Sun newspapers as well as the ACR Reprographics "Plan Well Room." One addendum was issued to answer questions posed by potential bidders in accordance with District standard procedures.

The bid opening was September 30, 2015. Three potential local (Blythe area) contractors attended the mandatory project "pre-bid meeting." One contractor, AZCA Drilling and Pump Inc., submitted a bid in the amount of \$669,007.50 for the Base Bid and Additive Alternate. The Parks Department has reviewed the bid and recommends that the Board waive any minor irregularities and award the Construction Contract.

The contractor is qualified to perform the work as outlined in the bid, has executed the Contract and has provided bonds and insurance documents which meet the requirements of the Contract.

County Counsel has reviewed the Construction Contract with exhibits and approved as to form.

Impact on Citizens and Businesses

Currently, the boat ramp requires regular maintenance to maintain safety and function and must be closed regularly due to low water levels. This project will provide an improved and extended ramp, including floating docks to assist visitors in loading and unloading their vessels in the lower region of the Colorado River, Blythe, California and thus provide a safer and more consistent use area for park guests.

SUPPLEMENTAL:

Additional Fiscal Information

On 6/19/2012, by Minute Order 13.1, the County of Riverside, on behalf of its Parks Department, accepted a grant from CA State Parks Division of Boating and Waterways for \$620,000 for design, engineering, and construction of a boat launch and related facilities. Of the originally awarded \$620,000, \$80,199 has been spent for design and engineering, leaving \$539,801 for construction. The actual cost of construction as per this contract will exceed the remaining available grant balance by \$129,207, which includes the cost of \$18,427 for the Additive Alternate portion of the project bid.

Initially the District budgeted to expend \$25,000 from District CIP Fund 33100 fund balance reserved for CIP to cover construction costs above the balance of available grant funds. The additional \$104,207 needed will also be covered by District CIP Fund 33100, but no budget adjustment is needed due to timing delays on other projects that were initially budgeted to be spent from that same fund.

CEQA Compliance

On August 18, 2015, by Minute Order 13-1C, the Board of Supervisors adopted a Negative Declaration for this project. Nothing further is required because the award of this contract is within the scope of what was analyzed in the previously adopted Negative Declaration by this Board.

Contract History and Price Reasonableness

The construction award is for a total dollar amount of six hundred sixty-nine thousand seven dollars and 50/100 cents (\$669,007.50), including a five percent project contingency. The engineer's estimate for the proposed work was six hundred forty-five thousand dollars. The proposed bid exceeded the engineer's estimate by four percent. The Parks Department believes this cost to be within industry standard and is an acceptable cost for the proposed work.

A. EXPECTED OR INTENDED INJURY

Section I – Coverage A, Exclusion **a.** is amended as follows:

- a. "Bodily injury" or "property damage" expected or intended from the standpoint of an insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

C. EXTENDED PROPERTY DAMAGE COVERAGE

Section I – Coverage A, Exclusions **j.(3)** and **(4)** is amended to add the following:

Paragraphs **(3)** and **(4)** of this exclusion do not apply to tools or equipment loaned to you, provided they are not being used to perform operations at the time of loss.

SCHEDULE	
Limits Of Insurance	Deductible
\$5,000 Each Occurrence	\$250 Per Claim
\$10,000 Annual Aggregate	

- a. The each occurrence limit listed above is the most we will pay for all damages because of "property damage" to property in the care, custody and control of or property loaned to an insured as the result of any one "occurrence", regardless of the number of:

- (1) insureds;
- (2) claims made or "suits" brought;
- (3) persons or organizations making claims or bringing "suits".

The aggregate limit listed above is the most we will pay for all damages because of "property damage" to property in the care custody and control of or property loaned to an insured during the policy period.

Any payment we make for damages because of "property damage" to property in the care, custody and control of or property loaned to an insured will apply against the General Aggregate Limit shown in the declarations.

- b. Our obligation to pay damages on your behalf applies only to the amount of damages in excess of the deductible amount listed above. We may pay any part or all of the deductible amount listed above. We may pay any part or all of the deductible amount to effect settlement of any claim or "suit" and upon notification by us, you will promptly reimburse us for that part of the deductible we paid.
- c. If two or more coverages apply under one "occurrence", only the highest per claim deductible applicable to these coverages will apply.
- d. Insurance provided by this provision is excess over any other insurance, whether primary, excess, contingent or any other basis. Since insurance provided by this endorsement is excess, we will have no duty to defend any claim or "suit" to which insurance provided by this endorsement applies if any other insurer has a duty to defend such a claim or "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

D. PROPERTY DAMAGE – ELEVATORS

Section I – Coverage A.2. Exclusions paragraphs **j.(3)**, **j.(4)**, **j.(6)** and **k.** do not apply to use of elevators. This insurance afforded by this provision is excess over any valid and collectible property insurance (including any deductible) available to the insured and **Section IV – Commercial General Liability Conditions** paragraph **4. Other Insurance** is changed accordingly.

E. FIRE, LIGHTNING OR EXPLOSION DAMAGE

Except where it is used in the term "hostile fire", the word fire includes fire, lightning or explosion wherever it appears in the Coverage Form.

Under **Section I – Coverage A**, the last paragraph (after the exclusions) is replaced with the following:

Exclusions c. through n. do not apply to damage by fire, smoke or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in **Section III – Limits of Insurance**.

F. MEDICAL PAYMENTS

If **Section I – Coverage C. Medical Payments Coverage** is not otherwise excluded from this Coverage Form:

The requirement, in the Insuring Agreement of Coverage C., that expenses must be incurred and reported to us within **one year** of the accident date is changed to **three years**.

G. SUPPLEMENTARY PAYMENTS

Supplementary Payments – Coverages A and B paragraphs 1.b. and 1.d. are replaced by the following:

1.b. Up to \$5,000 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

1.d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$500 a day because of time off from work.
