FORM 11: First Amendment to Lease- PSEC – Edom Hill Communications Site, 50-year lease, CEQA Exempt, District 4, [\$4,770,489] PSEC Operating Budget 100%

DATE: January 21, 2016

PAGE: 2 of 3

BACKGROUND:

Summary

On July 1, 2005, the Riverside County Information Technology (RCIT) entered into a ground lease for a telecommunications site located at 81 Edom Hill Road, near Cathedral City (commonly known to the County as Edom Hill). The agreement gave RCIT the authorization to build, operate, and maintain an 800 MHz radio system on the site, in support of the Public Safety Radio System.

Edom Hill has improved the radio coverage for the desert communities, and has proven to be an essential site for the County's Sheriff Department, as well as other County departments in assisting with routine functions. The initial agreement was established as a ten year term, which expired on June 30, 2015. The rent for the site is paid on an annual basis, with an increase rate of five percent after every anniversary. Subsequently, the annual rent has escalated to a payment of \$18,615.93.

At this point, RCIT desires to amend the agreement, with a retroactive term of five years that commences on July 1, 2015, and concludes on June 30, 2020. Additionally, the lease will be supplemented with options to extend to nine further terms of five years each (each, a Renewal Term) from the conclusion of the initial term on June 30, 2065 upon the same terms and conditions described in the initial agreement, and at the same rate of increase. Each renewal term will commence automatically, unless action to terminate be taken by the County. Both parties have agreed to the terms set forth on the First Amendment.

The First Amendment to the Licensing Agreement has been reviewed and determined to be categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15061(b) (3) and Section 15301 Class 1, Existing Facility, as it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. The County's approval of the activity does not create any reasonably foreseeable physical change to the environment for this transaction; it merely involves the curing of Section 1.F of the original agreement.

Impact on Citizens and Businesses

This facility will continue to provide important communications coverage for RCIT PSEC and enhances public safety communications for the benefit of residents and businesses in the desert communities.

SUPPLEMENTAL:

Additional Fiscal Information

RCIT will budget these costs in FY 2015/16 thru FY 2064/65 and will reimburse EDA for all lease costs on an annual basis.

FIRST AMENDMENT TO LEASE

This First Amendment to Lease ("First Amendment") is made this ____ day of _____, 2016 ("Execution Date") by and between **InSite Towers, LLC**, a Delaware limited liability company ("LESSOR"), and **County of Riverside**, a political subdivision of the State of California ("LESSEE").

WHEREAS, LESSOR, is the successor in interest to The Edom Hill Property Owners (as defined in the Lease dated July 1, 2005 ("the Agreement")) pursuant to an "Assignment and Assumption Agreement Ground Leases, Tenant Leases, and Permits" dated November 27, 2007; and

WHEREAS, LESSOR and LESSEE entered into the Agreement, whereby LESSOR leased to LESSEE a portion of LESSOR's telecommunications site located at Section 35, Township 3 South, Range 5 East, S.B.B. & M., in or near the City of Desert Hot Springs, in Riverside County, California (known to LESSOR as "CA008 Edom Hill B (Riverside Ground)"); and

WHEREAS, LESSOR and LESSEE desire to amend the Agreement to describe LESSEE's equipment located at the Site and extend the term of the Agreement;

NOW, THEREFORE, in consideration of the mutual promises herein set forth and other good and valuable consideration, the parties agree as follows:

1. Any capitalized term used herein, but not defined, shall have the meaning ascribed to such term in the Agreement.
2. Subject to the terms and conditions of the Agreement, LESSEE's equipment installed at the Site is described in Exhibit A attached hereto and incorporated herein by reference.
3. Section I.F of the Agreement is hereby deleted in its entirety and replaced with the following:

LESSEE is hereby granted options to extend this Lease for ten (10) further terms of five (5) years each (each, a "Renewal Term") from the conclusion of the initial term on June 30, 2015 upon the same terms and conditions herein contained and at the same rate of increase. The Renewal Term(s) shall commence automatically without further action on the part of LESSOR or LESSEE; provided, however, that either party may terminate this Agreement at the expiration of any Renewal Term(s) by giving the other party written notice of not less than six (6) months prior to the expiration of the then current term.

4. All notices, demands, requests or other communications which are required to be given, served or sent by one party to the other pursuant to the Agreement shall be in writing and shall be mailed, postage prepaid, by registered or certified mail, or forwarded by a reliable overnight courier service with delivery verification, to the following addresses for LESSOR and LESSEE or such address as may be designated in writing by either party:

Notice given by certified or registered mail or by reliable overnight courier shall be deemed delivered on the date of receipt (or on the date receipt is refused) as shown on the certification of receipt or on the records or manifest of the U.S. Postal Service or such courier service.

5. Each of the parties executing this First Amendment hereby covenants and warrants that such party has full power and authority to enter into this First Amendment and that each of the persons signing on behalf of LESSOR and LESSEE is duly authorized to do so.

6. This First Amendment may be executed in duplicate counterparts, each of which shall be deemed an original.

7. The parties agree that, except as amended herein, the terms and conditions of the Agreement shall remain in full force and effect; provided, however, that in the event of a conflict between the terms of the Agreement and the terms of this First Amendment, the terms of this First Amendment shall control.

IN WITNESS WHEREOF, the undersigned have executed this First Amendment as of the date first written above.

NOTICE OF EXEMPTION

December 14, 2015

Project Name: County of Riverside, Economic Development Agency (EDA) Edom Hill Communication Site First Amendment to Lease

Project Number: FM042341006400

Project Location: 81 Edom Hill Road, east of Varner Road, near Cathedral City, California 92881; APN 659-200-002; (See Attached Exhibit)

Description of Project: The County of Riverside Information Technology (RCIT) entered into a Ground Lease Agreement on July 1, 2005 which gave RCIT the authorization to build, operate, and maintain an 800 MHz radio system on site in support of the Public Safety Radio System. Edom Hill has improved the radio coverage for the desert communities, and is an essential site for the County's Sheriff Department, as well as other County departments in assisting with routine functions. The initial agreement was a ten-year term that expired on June 30, 2015. RCIT is seeking a First Amendment to the Ground Lease Agreement, with a retroactive term of five years that commences on July 1, 2015, and concludes on June 30, 2020. Additionally, the Ground Lease Agreement has options to extend to nine further terms of five years each upon the same terms and conditions described in the initial agreement, and at the same rate of increase. Each option will commence automatically, unless terminated by the County. The First Amendment to the Ground Lease Agreement is identified as the proposed Project under the California Environmental Quality Act (CEQA). It is assumed and reasonably foreseeable that improvements or maintenance of on-site operational equipment may occur during the term of the lease and would occur in a similar manner as with the existing Lease. The operation of the facility will continue to provide public safety communications services and will not result in an expansion of existing use. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: County of Riverside, Economic Development Agency

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency

Exempt Status: State CEQA Guidelines, Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061 and 15300 to 15301.

Reasons Why Project is Exempt: The proposed Project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor would the Project include a reasonable possibility of having a significant effect on the environment due to unusual circumstances. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the Amendment to the Ground Lease Agreement and any necessary maintenance or improvements to the existing on-site equipment would continue to occur in the same manner as with the existing Lease.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site's use. The Project, as proposed, is limited to the First Amendment to the Ground Lease Agreement. Any required maintenance or improvements to on-site equipment would occur in a similar manner as with the existing Lease, would be consistent with the land use, and would not require any expansion of public services and facilities; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The proposed First Amendment to the Ground Lease Agreement will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the existing use and will not create any new environmental impacts to the surrounding area. No alterations and no impacts beyond the ongoing, existing use of the site would occur. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.
