#### **BACKGROUND:**

**Summary** (Continued)

The EDA Real Estate division operates as an Internal Service Fund (ISF) and must recover its operating costs through charges to customers. Real Estate rates were derived by combining direct and indirect costs to run and operate the division. The division is proposing the billable hourly rates for FY 2016/17 to recover costs associated with providing acquisition and leasing services.

Requesting customers will be billed the approved hourly rate multiplied by the number of hours worked providing these services including pre-leasing activities. Leasing services are billed based on the management fee and is applied to the lease amount once an agreement has been executed.

EDA has complied with Board policies B-4 and B-28. The Auditor-Controller's Office has reviewed the proposed rates and methodology.
