- Custodial: Included in monthly rent
- Utilities: County to pay for all interior utilities, including electricity, water and gas.
- Improvements: Not to exceed \$3,668,968.00 includes a contingency amount not exceed \$250,000. County will reimburse Lessor in three equal payments over three fiscal years. Second and third payments to include 6% interest.

The lease agreement places full responsibility on the Lessor to comply with and provide full CEQA review with the appropriate lead agency once the actual project and design parameters are established and to submit the necessary CEQA documentation to the lead agency overseeing the approval process.

The Notice of Exemption is included as Attachment A.

The attached lease has been reviewed and approved by County Counsel as to legal form.

**Impact on Citizens and Businesses**

The construction phase will provide construction jobs through the period of construction and long-term tenancy in this region will benefit the community as a whole by providing an important and positive economic impact to local business through the creation of jobs and sales tax revenue.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

See attached Exhibits A, B, & C.

DPSS will budget these costs in FY2017/18 thru FY 2026/27 and will reimburse the Economic Development Agency for all lease costs on a monthly basis. No net county cost will be incurred and no budget adjustment is necessary at this time.

**Contract History and Price Reasonableness**

This is a new ten-year lease. The lease rate is deemed competitive based upon the current market for new, build to suit office space.

## NOTICE OF EXEMPTION

January 12, 2016

**Project Name:** Authorization to Enter into a Ten-Year Lease Agreement with Capital Partners, upon completion of certain office building and associated improvements for use by the Riverside County Department of Public Social Services (DPSS), located in Coachella, County of Riverside, California

**Project Number:** FM042165001300

**Project Location:** East side of Harrison Street, West of Highway 111, south of 4<sup>th</sup> Street/Avenue 51, Coachella, California; Assessor's Parcel Number (APN) 778-080-006 (See attached exhibit)

**Description of Project:** The County of Riverside (County) desires to lease suitable office space in the Coachella Valley area upon completion of an office building and associated improvements for use by the DPSS to provide County services. On January 6, 2015, the Board of Supervisors (Board) approved the request by DPSS for the Economic Development Agency (EDA), Real Estate Division to locate suitable space to lease in the Coachella Valley area. The new office space will provide a local presence and allow customers to access services as conveniently as possible, while addressing space issues driven by caseload growth. The property to be leased is located on Harrison Street, in the City of Coachella, on APN 778-080-006 and was selected based on the determination as the best option to meet the needs of DPSS. The Lease Agreement with Capital Partners (Lessor) will consist of a ten-year term with two, five-year options and is defined as the proposed project under the California Environmental Quality Act (CEQA). Construction of an office building containing approximately 52,520 square feet and a parking lot consisting of approximately 312 parking spaces, including parking spaces for staff and the public, will commence after certain contingencies are met and the requisite permits have been obtained by the Lessor. Upon completion of construction, the County will lease the office building and associated improvements from the Lessor. The Lessor's estimated timeline for completion is July 2017. Additionally, the Agreement specifically delineates full responsibility on the Lessor to comply with and provide full CEQA review on the building once the actual construction parameters of the proposed Project are established, and to submit the necessary CEQA documentation to the lead agency overseeing the approval process.

**Name of Public Agency Approving Project:** County of Riverside, Economic Development Agency

**Name of Person or Agency Carrying Out Project:** County of Riverside, Economic Development Agency; CP Coachella DPSS, LLC

**Exempt Status:** State CEQA Guidelines Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

**Reasons Why Project is Exempt:** The discretionary action to lease the property is exempt from the requirements of CEQA as it would not result in direct impacts to the physical environment or reasonably foreseeable indirect effects. The lease of property itself would have no direct physical effect on the environment as the Lease Agreement consists only of a monetary exchange and does not include any changes to the existing land use or a physical disruption of the property.

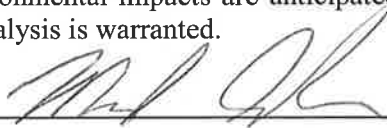

- **Section 15061 (b) (3) – “Common Sense” Exemption:** Even if a determination is made that the project is defined as a Project under CEQA, the agreement to provide a funding commitment and eventual lease of the DPSS facility is exempt pursuant to State CEQA Guidelines Section 15061(b)(3). In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Lease Agreement itself may have a significant physical effect on the environment. The Lease Agreement would be limited to the lease of the DPSS facility upon completion of construction and would not result in any physical direct or reasonably foreseeable indirect impacts to the environment. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

The potential indirect effects from this Lease Agreement would occur through series of discretionary actions that define a broader project, e.g., the construction and operation of an office building. The Lease Agreement between the County and Lessor is not deemed to be an approval pursuant to CEQA for any specific development and does not commit any public agency, including the City of Coachella, to a definite course of action regarding a project that may lead to an adverse effect on the environment or limit any choice of alternatives or mitigation measures prior to CEQA compliance. In addressing indirect effects of the Lease Agreement, CEQA Guidelines 15004(b) identifies the necessity of balance in determining the timing of CEQA compliance, citing the need to enable environmental considerations to have influence on programming and design, while at the same time having enough detailed information for meaningful environmental assessment. When considering future indirect effects from the Lease Agreement, at this point in the process, the design of the project is not substantive enough to provide a meaningful analysis of environmental effects. Future development of the site by the Lessor provides the appropriate opportunity for environmental considerations to influence design and the characterization of effects would be more meaningful as there are more specific associated with the development of the office building. The County has incorporated conditions which require future environmental review, as terms of the Lease Agreement, to be conducted by the Lessor to ensure that the appropriate level of analysis is conducted and that mitigation or alternatives be incorporated to minimize the proposed indirect effects of a future development to the greatest extent feasible. In summary, the potential indirect effects of the project, as proposed, are not reasonably foreseeable and not considered as part of the proposed discretionary action, which is limited to the Lease Agreement.

Based upon the identified exemption above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

**EXHIBIT B**

## ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
  2. Common public areas which County employees or its invitees would normally/reasonably use.
  3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory morecertified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
  
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

**Recitals:**

A. Lender has agreed to make a loan to \_\_\_\_\_, a \_\_\_\_\_ (Lessor), to be secured by a deed of trust, dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of \_\_\_\_\_ County, California (together with all amendments, increases, renewals, modifications, consolidations, replacements, substitutions, and extensions, either current or future, referred to hereafter as the "Mortgage") encumbering Lessor's ownership interest in real property located in \_\_\_\_\_, \_\_\_\_\_, State of California. The legal description of the encumbered real property (the "Mortgage Premises") is set forth in Exhibit A, attached to this Agreement. The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On \_\_\_\_\_, \_\_\_\_\_, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of the County Recorder of \_\_\_\_\_, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to perfect the foreclosure, trustee's sale, or other proceeding.

4. **Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term thereof with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease immediately upon Lender succeeding to Lessor's interest in the Lease and giving written notice thereof to Lessee, which Lender agrees to give County. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. **Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall:

(a) be liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;

(b) not be subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;

(c) not be bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or

(d) be bound by an amendment or modification of the Lease even though made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) be subject to the County's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

(f) upon any further transfer of Lessor's interest by Lender, be relieved of all obligations under the lease as Lessor and such obligations shall terminate as to Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability

(including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations

under the Lease.

**Project Location:** East side of Harrison Street, West of Highway 111, south of 4<sup>th</sup> Street/Avenue 51, Coachella, California; Assessor's Parcel Number (APN) 778-080-006 (See attached exhibit)

**Description of Project:** The County of Riverside (County) desires to lease suitable office space in the Coachella Valley area upon completion of an office building and associated improvements for use by the DPSS to provide County services. On January 6, 2015, the Board of Supervisors (Board) approved the request by DPSS for the Economic Development Agency (EDA), Real Estate Division to locate suitable space to lease in the Coachella Valley area. The new office space will provide a local presence and allow customers to access services as conveniently as possible, while addressing space issues driven by caseload growth. The property to be leased is located on Harrison Street, in the City of Coachella, on APN 778-080-006 and was selected based on the determination as the best option to meet the needs of DPSS. The Lease Agreement with Capital Partners (Lessor) will consist of a ten-year term with two, five-year options and is defined as the proposed project under the California Environmental Quality Act (CEQA). Construction of an office building containing approximately 52,520 square feet and a parking lot consisting of approximately 312 parking spaces, including parking spaces for staff and the public, will commence after certain contingencies are met and the requisite permits have been obtained by the Lessor. Upon completion of construction, the County will lease the office building and associated improvements from the Lessor. The Lessor's estimated timeline for completion is July 2017. Additionally, the Agreement specifically delineates full responsibility on the Lessor to comply with and provide full CEQA review on the building once the actual construction parameters of the proposed Project are established, and to submit the necessary CEQA documentation to the lead agency overseeing the approval process.

**Name of Public Agency Approving Project:** County of Riverside, Economic Development Agency

**Name of Person or Agency Carrying Out Project:** County of Riverside, Economic Development Agency; CP Coachella DPSS, LLC

**Exempt Status:** State CEQA Guidelines Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

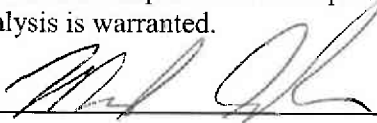

**Reasons Why Project is Exempt:** The discretionary action to lease the property is exempt from the requirements of CEQA as it would not result in direct impacts to the physical environment or reasonably foreseeable indirect effects. The lease of property itself would have no direct physical effect on the environment as the Lease Agreement consists only of a monetary exchange and does not include any changes to the existing land use or a physical disruption of the property.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** Even if a determination is made that the project is defined as a Project under CEQA, the agreement to provide a funding commitment and eventual lease of the DPSS facility is exempt pursuant to State CEQA Guidelines Section 15061(b)(3). In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Lease Agreement itself may have a significant physical effect on the environment. The Lease Agreement would be limited to the lease of the DPSS facility upon completion of construction and would not result in any physical direct or reasonably foreseeable indirect impacts to the environment. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

The potential indirect effects from this Lease Agreement would occur through series of discretionary actions that define a broader project, e.g., the construction and operation of an office building. The Lease Agreement between the County and Lessor is not deemed to be an approval pursuant to CEQA for any specific development and does not commit any public agency, including the City of Coachella, to a definite course of action regarding a project that may lead to an adverse effect on the environment or limit any choice of alternatives or mitigation measures prior to CEQA compliance. In addressing indirect effects of the Lease Agreement, CEQA Guidelines 15004(b) identifies the necessity of balance in determining the timing of CEQA compliance, citing the need to enable environmental considerations to have influence on programming and design, while at the same time having enough detailed information for meaningful environmental assessment. When considering future indirect effects from the Lease Agreement, at this point in the process, the design of the project is not substantive enough to provide a meaningful analysis of environmental effects. Future development of the site by the Lessor provides the appropriate opportunity for environmental considerations to influence design and the characterization of effects would be more meaningful as there are more specific associated with the development of the office building. The County has incorporated conditions which require future environmental review, as terms of the Lease Agreement, to be conducted by the Lessor to ensure that the appropriate level of analysis is conducted and that mitigation or alternatives be incorporated to minimize the proposed indirect effects of a future development to the greatest extent feasible. In summary, the potential indirect effects of the project, as proposed, are not reasonably foreseeable and not considered as part of the proposed discretionary action, which is limited to the Lease Agreement.

Based upon the identified exemption above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

LEASE  
COUNTY OF RIVERSIDE

**1. Parties.**

**1.1** This Lease ("Lease") is made by and between the **COUNTY OF RIVERSIDE**, a political subdivision of the State of California, hereinafter referred to as "County" and **CP Coachella DPSS LLC**, a California limited liability company, hereinafter referred to as "Lessor." County and Lessor are hereinafter collectively referred to as the "Parties" or individually as a "Party."

**2. Premises.**

**2.1 Letting.** Lessor hereby leases to County, and County hereby leases from Lessor, the Premises, for the term, at the rental, and upon all terms, covenants and conditions set forth in this Lease.

**2.2 Defined.** The Premises shall consist of that certain real property, including all improvements therein or to be provided by Lessor under the terms of this Lease, and identified as the northerly, approximate 4.2 acre portion of Assessor's Parcel Number 778-080-006, located in the City of Coachella, County of Riverside, State of California, generally described as a free standing building consisting of approximately 52,520 square feet with approximately 312 parking spaces allocated as unreserved and secured, all as shown on the attached Exhibit "A." It is understood that the Premises include all appurtenances and easements thereto and the non-exclusive right of ingress and egress at all times to and from the public streets and highways for County, its employees and invitees.

**2.3 Preparation of Premises/Acceptance.** The rights and obligations of the Parties regarding the construction of the Premises before the commencement of the Lease Term are stated in the attached Leasehold Improvement Agreement, Exhibit "B." If this Lease conflicts with the Leasehold Improvement Agreement, the Leasehold Improvement Agreement shall prevail.

**2.4 Condition of Premises.** Lessor shall deliver the Premises to County in a fully clean and safe condition, free of hazards and debris, entirely permitted and inspected by local authorities, on the Commencement Date, and Lessor warrants

for the term of this Lease, that all systems and equipment, including, but not limited to, electrical, plumbing, fire sprinkler, fire suppression system, fire/life/safety system, elevators, security systems, lighting, heating, ventilating and air conditioning systems ("HVAC"), loading doors, if any, that serve the Premises and all other such elements in the Premises (herein defined as the "Base Building Systems"), other than those installed or constructed by County, shall be in safe, hazard free, good operating condition, and, the roof, bearing walls and foundation of the Premises shall be free of material defect.

**3. Use.**

**3.1** County shall use and occupy the Premises for the purpose of providing office space for use by Department of Public Social Services, but the Premises may be used for any official business of County government or any other legal use which is reasonably comparable thereto. Nothing contained in this Lease shall be construed to require County to occupy the Premises continuously.

**4. Term.**

**4.1 Commencement.** This Lease shall be effective upon the date of its full execution by the Parties hereto, conditional upon the close of escrow per paragraph 19 herein. The Term of this Lease shall be for a period of 10 years ("Original Term") commencing on the earlier of (a) the date County staff occupies the Premises, or (b) the date on which County accepts the Premises for occupancy, which shall occur only after Lessor delivers to County a copy of the Certificate of Occupancy executed by the appropriate governing authority, if applicable, and provided that County, in its sole discretion, is satisfied that all leasehold improvements have been completed in accordance with Exhibit "B" and Exhibit "F," excepting minor punch list items, ("Commencement Date"). The Original Term shall expire at midnight on the last day of the one hundred twentieth month ("Expiration Date").

**4.2 Confirmation of Lease Information.** At such time as the Commencement Date of this Lease has been determined, either Party may deliver to the other Party a notice in the form set forth in the attached Exhibit "D," which the receiving Party shall execute, after making any corrections necessary to conform the information to the provisions of this Lease, and return to the forwarding Party within

thirty (30) days after receipt. Either Party will use reasonable efforts to deliver the notice to the other Party within thirty (30) days after the Lease Commencement Date. Anything to the contrary notwithstanding, failure to forward or execute said notice shall not invalidate or nullify the provisions of this Lease.

**4.3 Delay in Delivery of Premises.** If the Original Term of this Lease has not commenced by 605 days (20 months) from County's execution of this Lease, County may, at its sole option, either: (a) deduct from any rents that may become due hereunder the sum of one day's rent (based on the initial month's rent to be paid including expenses) for each day the Premises are not substantially complete and available for occupancy as per paragraph 2.4, after said date, as liquidated damages for failure to provide occupancy in a timely manner as prescribed hereunder; or

(b) Lessor and County agree that such damages are to be one of the mutually exclusive remedies, as prescribed in this Section 4, for such failure, in that at the time of entering into this Lease it would be impractical and extremely difficult to fix the actual damages that would flow from Lessor's failure to provide occupancy in a timely manner cancel this Lease, and Lessor hereby waives any and all rights that it may have against County for any costs, expenses and/or charges that Lessor may have incurred as a result of preparing the Premises for occupancy. Added to each of the above time periods shall be any days the County delays the completion of the project.

**4.4 Holding Over.** Any holding over by County after the expiration of said term or any extension thereof shall be deemed a month to month tenancy upon the same terms and conditions of this Lease.

**5. Rent.** The anniversary dates shall be deemed to fall on the first day of the first full month of each lease year following commencement of the Lease term.

**5.1 Rent.** County shall pay to Lessor as rent for the Leased Premises as the monthly rent outlined below, payable, in advance, on the first day of the month or as soon thereafter as a warrant can be issued in the normal course of County's business; provided, however, in the event rent for any period during the term hereof which is for less than one (1) full calendar month said rent shall be pro-rated based upon the actual number of days of said month.

Months 1-72	\$112,392.80 per month*
Months 73-120	\$129,251.72 per month*

\*Does not include reimbursement of Leasehold Improvement funds over the Initial Term of the Lease which are to be reimbursed per Section 9 of Exhibit B- Leasehold Improvement Agreement, attached. Rent includes Lessor's allocations of property taxes on core, shell, site and leasehold improvements. If the County Assessor excludes the value of leasehold improvements in the Property valuation and tax assessment, the Rent will be adjusted accordingly.

**5.2 Percentage Increase.** Notwithstanding the provisions of Section 5.1 herein, the monthly rent shall be increased on sixth anniversary of this Lease by an amount equal to 15 percent (15%) of such monthly rental as reflected above.

**5.3 Leasehold Improvement Funds and Reimbursement.** As part of the Lease, an amount of \$69.89 per square foot or \$3,668,968.00, including a County contingency amount of \$250,000.00, for County change orders, shall be provided by Lessor to be used to pay for design and construction of County's Leasehold Improvements (LI Funds). The LI Funds amount is to be reimbursed according to the formula outline in Section 9 of Exhibit B-Leasehold Improvement Agreement attached.

**6. Options.**

**6.1 Option to Extend Term.** Lessor grants to County two option(s) to extend the Lease term ("Extension Option(s)"). Each Extension Option shall be for a period of five years ("Extended Term"), subject to the conditions described in this Section 6.1.

**6.1.1 Exercise of Option.** The Extension Option(s) shall be exercised by County delivering to Lessor written notice thereof no later than ninety (90) days prior to the expiration of the Original Term or any extension thereof.

**6.1.2 Option Rent.** The rent payable by County during any Extended Term shall be as follows:

Months 121-180 \$ 148,640 per month\*

Months 181-240 \$ 170,936 per month\*

\* Does not include reimbursement of Leasehold Improvement Funds which were reimbursed during initial term of the Lease.

**6.1.3** All terms and conditions of this Lease with exception of Rent and Lease Term shall remain in full force and effect during the Extended Term.

**6.2 Right of First Refusal to Extend Lease Term.** At such time as the Original Term and/or Extended Terms have expired, in further consideration of the Rent, covenants, and conditions to be paid, performed, and observed by County, Lessor hereby grants to County a right of first refusal to extend the Lease of the Premises. In the event Lessor receives a bona fide offer from a third party to lease the Premises, which offer is acceptable to Lessor, Lessor shall promptly notify County in writing of the offer, including the amount of rent offered and other terms and conditions of the offer. County shall have thirty (30) business days within which to notify Lessor in writing whether County agrees to extend the Lease of the Premises on the same terms and conditions as the third party offer. In the event County elects to extend the Lease of the Premises the Lease shall be subject to the same terms and conditions as the third party offer, including, but not limited to, amount of rent, term, and commencement date. In the event County fails to give written notice of its election to extend the Lease of the Premises, Lessor shall be free to accept the bona fide offer and lease the Premises to the third party. If the third party fails to lease the Premises and the Premises remains available, County shall have the same right of first refusal granted herein with respect to a bona fide offer to lease the Premises by a subsequent third party offerer.

## **7. Compliance.**

**7.1 Compliance.** Commencement of the Original Term is specifically conditioned upon the Lessor's full satisfaction of the conditions provided in herein this Section 7. The Lessor shall have performed all necessary final actions and obtained the final approvals for the development of the Premises. Such final actions and approval may include, but are not limited to the following: (i) completing requisite activities to comply with California Environmental Quality Act ("CEQA") (ii) all final action and approvals by the local governing body for environmental and land use permits having

jurisdiction over the Property, and (iii) resolution or final adjudication of any legal challenges, including such challenges based on CEQA. Lessor warrants that the Premises and improvements on the Premises shall comply with all applicable State and Federal laws, covenants or restrictions of record, building codes, regulations and ordinances ("Applicable Requirements") in effect on the Commencement Date of this Lease. If the Premises do not comply with said warranty, County shall notify Lessor in writing of such non-compliance and Lessor shall, promptly after receipt of written notice from County or any governmental agency having jurisdiction over such matters setting forth the nature and extent of such non-compliance, rectify the same at Lessor's expense. If the Applicable Requirements are hereinafter changed so as to require during the term of this Lease, unless same is the result of the use to which County puts the Premises, the construction of an addition to or an alteration of the Premises, the remediation of any Hazardous Substance as hereinafter defined, or the reinforcement or other physical modification of the Premises Lessor shall, promptly after receipt of written notice from County or any governmental agency having jurisdiction over such matters setting forth the nature and extent of such non-compliance, rectify the same at Lessor's expense.

**7.2 California Environmental Quality Act.** Lessor warrants the property will be developed in full compliance with all pertinent California Environmental Quality Act (CEQA) requirements for new construction in the jurisdiction. The funds are contingent on the Lessor obtaining all required environmental and land use permits, including CEQA compliance with any applicable public agencies. The Lease between the County and Lessor is not deemed to be an approval pursuant to CEQA for any specific development or project and does not commit any public agency, including the County of Riverside, to a definite course of action regarding the project that may lead to an adverse effect on the environment or limit any choice of alternatives or mitigation measures prior to full CEQA compliance. Further, in the event of any action challenging the legality of such compliance related to any of the proposed uses of the property, the Lessor shall indemnify, defend, and hold harmless the County, its divisions, and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives at its sole cost and

expense, including but not limited to, attorney fees, cost of investigation, defense and settlements or awards, on behalf of the County in any claim or action based upon such liability.

**7.3 Americans With Disabilities.** Lessor warrants and represents the Premises shall be readily accessible to and usable by individuals with disabilities in compliance with Title III of the Americans with Disabilities Act of 1990 and California Title 24, as amended from time to time and regulations issued pursuant thereto and in effect from time to time as of the Commencement Date. Any cost incurred to cause the Premises to comply with said Act throughout the Lease Term shall be borne by Lessor as long as the County's initials use remains the same.

**7.4 Asbestos and Lead Based Paint.** Lessor warrants and represents the Premises shall be constructed, operated and maintained free of hazard from asbestos and lead based paint, as more fully set forth in the attached Exhibit "C."

**7.5 Hazardous Substance.** It is the intent of the Parties to construe the term "Hazardous Substances" in its broadest sense. Hazardous Substance shall be defined as any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials, is either: (a) potentially injurious to the public health, safety or welfare, the environment or the Premises; (b) regulated or monitored by any governmental authority; or (c) a basis for potential liability of County to any governmental agency or third party under any applicable statute or common law theory.

Lessor acknowledges that County's use may from time to time require the presence of Hazardous Substances at the Premises. County agrees that all such Hazardous Substances located in, at, or on the Premises shall be used, stored, handled, treated, transported, and disposed of in compliance with all applicable laws.

Lessor warrants and represents to County that Lessor has not used, discharged, dumped, spilled or stored any Hazardous Substances on or about the Premises, whether accidentally or intentionally, legally or illegally, and has received no notice of such occurrence and has no knowledge that any such condition exists at the Premises. If any claim is ever made against County relating to Hazardous Substances present at or around the Premises, whether or not such substances are present as of the date

hereof, or any such Hazardous Substances are hereafter discovered at the Premises (unless introduced by County, its agents or employees), all costs of removal incurred by, all liability imposed upon, or damages suffered by County because of the same shall be borne by Lessor, and Lessor hereby indemnifies and agrees to be responsible for and defend and hold County harmless from and against all such costs, losses, liabilities and damages, including, without limitation, all third-party claims (including sums paid in settlement thereof, with or without legal proceedings) for personal injury or property damage and other claims, actions, administrative proceedings, judgments, compensatory and punitive damages, lost profits, penalties, fines, costs, losses, attorneys' fees and expenses (through all levels of proceedings), consultants or experts fees and costs incurred in enforcing this indemnity. The representation, warranty and indemnity of Lessor described in this Paragraph shall survive the termination or expiration of this Lease.

**7.6 Sick Building Syndrome.** Lessor warrants and represents the Premises shall be constructed, operated and maintained free of certain hazards, including, but not limited to: spores, fungus, molds, bacteria, chemicals or fumes or other causes of any hazardous micro-environments, sometimes known as "Sick Building Syndrome," emanating from or within the Premises that may potentially cause discomfort, bodily injury, sickness or death. Should it be determined that remediation is necessary based on a report by a trained investigator, Lessor will promptly contract with a qualified and experienced company to safely remove the micro-environments using remediation guidelines recommended or required by the appropriate governmental agency. Any cost incurred to cause the Premises to be free of such hazard shall be borne by Lessor. Any subsequent operational or physical modification by the County that is determined to be the cause of such hazardous condition shall cause th County to be responsible for such remediation.

**7.7 Waste Water.** Lessor shall be responsible for compliance with all Federal, state or local laws, regulations or permits pertaining to storm water pollution, prevention plans ("SWPP") and all National Pollution Discharge Elimination System ("NPDES") laws or regulations adopted or to be adopted by the United States

Environmental Protection Agency. Parking lot sweeping shall be done as required by NPDES rules or as needed, at least two times per year, once prior to the rainy season.

**8. Custodial Services.**

**8.1 Custodial Services.** Lessor shall provide, or cause to be provided, and pay for all custodial services in connection with the Leased Premises and such services shall be provided as set forth in the attached Exhibit "E." The provider of such custodial services will perform background checks through LiveScan or in the manner specified by County, of qualified permanent and temporary employees to determine their suitability for employment. The provider will be bonded in the sum of \$10,000.00, and proof of such insurance, as supplied by the Lessor, shall be furnished prior to occupancy of Premises by County. In addition to bonding as required herein, Lessor shall also receive proof of statutory workers' compensation insurance, commercial general liability and vehicle liability insurance from the provider of any custodial functions performed at the Premises location.

**8.2 County's Right to Provide Custodial Service and Deduct Cost.**

If County provides verbal notice by telephone and followed up by email notice to Lessor of an event or circumstance that requires the action of Lessor with respect to the custodial services as set forth in Section 8.1 and Exhibit "E," and Lessor fails to provide such action as required by the terms of this Lease within three (3) days of County's notice, County may take the required action to provide custodial services by its staff or those of a custodial contractor if: (1) County delivers to Lessor an additional written notice advising Lessor that County intends to take the required action if Lessor does not begin the required action within forty-eight (48) hours after the written notice; and (2) Lessor fails to begin the required work within this forty-eight (48) hour period. Upon demand by County, Lessor shall promptly reimburse County the actual cost and expenses thereof, provided said costs and expenses are reasonable. Should Lessor fail to promptly pay the cost and expenses, County may deduct and offset that amount from Rent payable under this Lease. For purposes of this Section, notice given by fax or e-mail shall be deemed sufficient.

**8.3 Day Porter Services.** Lessor shall provide a Day Porter on site at the Premises Monday through Friday during the hours of 9 a.m. to 5 p.m. Such services

shall be provided as set forth in the attached Exhibit "E" and by this reference incorporated herein. The cost for this service is included in the monthly rent as reimbursement by County.

**9. Utilities.**

**9.1** Lessor warrants and represents to County that during the term of this Lease and any extension thereof that sufficient utility service to provide water, telecommunications, electric power, natural gas and sewers necessary to meet County's requirements exists or are available for use by County within the Premises. If County changes the use to a more demanding use, Lessor shall not be obligated to upgrade the utility services for such increased use.

**9.2** County shall pay separately for all telephone, electric, natural gas, water and sewer services utilized within the leased space which will be used in connection with the leased Premises. Lessor shall provide, or cause to be provided, and pay for all other utility services, including, but not limited to, landscape water and refuse collection, as may be required in the maintenance, operation and use of the Leased Premises.

**10. Repairs and Maintenance.**

If the partial condemnation does not render the Premises unusable for the business of County and less than a substantial portion of the Premises

is condemned, Lessor must promptly restore the Premises to the extent of any condemnation proceeds recovered by Lessor, excluding the portion lost in the condemnation, and this Lease will continue in full force, except that after the date of the title vesting, the Rent will be adjusted, as reasonably determined by Lessor and County.

County, however, will have the right to recover from the condemning authority any compensation that may be separately awarded to County in connection with costs in removing County's merchandise, furniture, fixtures, leasehold improvements, and equipment to a new location.

**14.4 Temporary Condemnation.** In the event of a temporary condemnation, this Lease will remain in effect, County will continue to pay Rent, and County will receive any award made for the condemnation. If the required performance cannot be completed within thirty (30) days, Lessor's failure to perform shall constitute a default under the Lease unless Lessor undertakes to cure the failure within thirty (30) days and diligently and continuously attempts to complete this cure as soon as reasonably possible.

**17.2 County's Right to Cure Lessor's Default and Deduct Cost.** Except as provided to the contrary in this Lease, if County provides notice to Lessor of Lessor's failure to perform any of its obligations under this Lease and Lessor fails to

provide such action as required by the terms of this Lease within the period specified, County may take the required action if: (a) County delivers to Lessor an additional written notice advising Lessor that County intends to take the required action if Lessor does not begin the required action within ten (10) days after the written notice; and (b) Lessor fails to begin the required action within this ten (10) day period.

**17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's written demand for payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed written objection to it, County may deduct from Rent payable by County under this Lease the amount set forth in the invoice, including reasonable transaction costs and attorneys' fees, plus interest as stated in Section 10.3.2 from the date these costs are incurred until the date of County's Rent offset.

**18. Lessor's Representations and Warranties.** Lessor represents and warrants to County that:

**18.1 Title.** County's Leasehold interest in the Premises is free and clear of restrictions which would restrict County's rights under this Lease.

**18.2 Certificate of Authority.** Lessor covenants that it is duly constituted under the laws of the state of its organization, and that the person(s) who is acting as its signatory in this Lease is duly authorized and empowered to act for and on behalf of the Lessor. Lessor shall furnish County prior to the execution hereof with evidence of the authority of the signatory to bind the entity or trust as contemplated herein.

**18.3 No Litigation.** There are no judicial, quasi-judicial, administrative or other orders, injunctions, moratoria or pending proceedings against Lessor or the Premises which preclude or interfere with, or would preclude or interfere with, the construction contemplated herein or the occupancy and use of the Premises by County for the purposes herein contemplated.

**18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise divide the Premises, (b) create, modify or terminate any ingress or egress to or from the premises, or (c) create any easements in the Premises, without County's prior written approval.

**19. Land Purchase.**

Lessor has executed a purchase contract on the land that will be included in the Premises described in Paragraph 2 of this lease agreement. Lessor and County are entering into this lease agreement prior to closing of the escrow on the land described in Exhibit A. Should, for any reason, the escrow on the land described in Exhibit A fail to close within 60 days of approval and execution of this lease agreement by the County of Riverside Board of Supervisors, County shall have the option of terminating the lease agreement and the parties shall have no further obligation to one another.

**20. Miscellaneous.**

**20.1 Quiet Enjoyment.** Lessor covenants that County shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the use of the Leased Premises so long as County shall fully and faithfully perform the terms and conditions that it is required to do under this Lease. If the Premises are part of a building shared with other tenants of Lessor, during County's tenancy, Lessor may make or permit other tenants to make alterations, renovations and improvements to those portions of the building not occupied by County. Lessor covenants for itself and anyone deriving title from or holding title under Lessor that County's access, ingress, loading and unloading and sufficient parking for County's business shall not unreasonably be obstructed nor shall the daily business of County be disrupted as a result of such alterations, renovations and improvements.

**20.2 Non-Waiver.** No waiver of any provision of this Lease shall be implied by any failure of either party to enforce any remedy for the violation of that provision, even if that violation continues or is repeated. Any waiver by a party of any provision of this Lease must be in writing. Such written waiver shall affect only the provision specified and only for the time and in the manner stated in the writing.

**20.3 Binding on Successors.** The terms and conditions herein contained shall apply to and bind the heirs, successors in interest, executors, administrators, representatives and assigns of all the Parties hereto.

**20.4 Severability.** The invalidity of any provision in this Lease as determined by a court of competent jurisdiction shall in no way affect the validity of any other provision hereof.

**20.5 Venue.** Any action at law or in equity brought by either of the Parties hereto for the purpose of enforcing a right or rights provided for by this Lease shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the Parties hereto waive all provisions of law providing for a change of venue in such proceedings to any other county.

**20.6 Attorneys' Fees.** In the event of any litigation between Lessor and County to enforce any of the provisions of this Lease or any right of either party hereto, the unsuccessful party to such litigation agrees to pay to the successful party all costs and expenses, including reasonable attorneys' fees, incurred therein by the successful party, all of which shall be included in and as a part of the judgment rendered in such litigation.

**20.7 County's Representative.** County hereby appoints the Assistant County Executive Officer/EDA as its authorized representative to administer this Lease.

**20.8 Agent for Service of Process.** It is expressly understood and agreed that in the event Lessor is not a resident of the State of California or it is an association or partnership without a member or partner resident of the State of California, or it is a foreign corporation, then in any such event, Lessor shall file with County's Assistant County Executive Officer/EDA, upon its execution hereof, a designation of a natural person residing in the State of California, giving his or her name, residence and business addresses, as its agent for the purpose of service of process in any court action arising out of or based upon this Lease, and the delivery to such agent of a copy of any process in any such action shall constitute valid service upon Lessor. It is further expressly understood and agreed that if for any reason service of such process upon such agent is not feasible, then in such event, Lessor may be personally served with such process out of this county and that such service shall constitute valid service upon Lessor. It is further expressly understood and agreed that Lessor is amenable to the process so served, submits to the jurisdiction of the court so obtained and waives any and all objections and protests thereto.

**20.9 Entire Lease.** This Lease is intended by the Parties hereto as a final expression of their understanding with respect to the subject matter hereof and as a complete and exclusive statement of the terms and conditions thereof and supersedes

any and all prior and contemporaneous leases, agreements and understandings, oral or written, in connection therewith. This Lease may be changed or modified only upon the written consent of the Parties hereto.

**20.10 Interpretation.** The Parties hereto have negotiated this Lease at arm's length and have been advised by their respective attorneys, or if not represented by an attorney, represent that they had an opportunity to be so represented and no provision contained herein shall be construed against County solely because it prepared this Lease in its executed form.

**20.11 Time of Essence.** Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

**20.12 Recording.** Either Lessor or County shall, upon request of the other, execute, acknowledge and deliver to the other a short form memorandum of this Lease for recording purposes. The Party requesting recordation shall be responsible for payment of any fees applicable thereto.

**20.13 Consent.** Whenever Lessor's or County's consent is required under any provision of this Lease, it shall not be unreasonably withheld, conditioned or delayed.

**20.14 Title.** Upon acquiring the land as set forth in Section 19, Lessor covenants that Lessor will have good title to the Premises, and Lessor does warrant and will defend the title thereto, and will indemnify County against any damages and expense which County may suffer by reason of any lien, encumbrance, restriction, or defect in title or description herein of the Premises. If, at any time, Lessor's title or right to receive Rent and any other sums due hereunder is disputed, County may withhold such sums thereafter accruing until County is furnished satisfactory evidence as to the Party entitled thereto.

**20.15 Conveyance by Lessor.** Should Lessor convey the Premises, all rights and obligations inuring to the Lessor by virtue of this Lease shall pass to the grantee named in such conveyance, and the grantor shall be relieved of all obligations or liabilities hereunder, except those theretofore accrued and not discharged.

**20.16 Mechanic's Liens.** If any mechanic's or materialmen's lien or liens shall be filed against the Premises for work done or materials furnished to a Party, that Party shall, at its own cost and expense, cause such lien or liens to be discharged within fifteen (15) days after notice thereof by filing or causing to be filed a bond or bonds for that purpose. In the event any notice preliminary to establishing such a lien (such as the California Preliminary 20-Day Notice) is served on Lessor for work done on the Premises, Lessor shall immediately forward a copy of such notice to Lessee.

**20.17 Surrender.** County shall, after the last day of the term or any extension thereof or upon any earlier termination of such term, surrender and yield up to Lessor the Premises in good order, condition and state of repair, reasonable wear and tear and damage by fire or other casualty excepted. County may, but shall not be required to: (a) patch or paint any walls/surfaces; (b) remove any leasehold improvements constructed or installed prior to or during the term of this Lease or any extension thereof; or (c) remove any fixtures or equipment installed prior to or during the term of this Lease or any extension thereof.

**20.18 Notice.** Except as expressly provided elsewhere in this Lease, all notices and other communication required under this Lease shall be in writing and delivered by: (a) Certified Mail, postage prepaid, return receipt requested, in the United States mail; or (b) via an overnight courier that provides written evidence of delivery and addressed to the Party hereto to whom the same is directed at the addresses set forth in Section 19.18 herein. Either Party hereto may from time to time change its mailing address by written notice to the other Party.
