RECOMMENDED MOTION: (Continued)

3. Approve the attached Equity Rights Purchase Agreement between the County of Riverside and the Judicial Council of California, Administrative Offices of the Courts (JCC) and authorize the Chairman of the Board to execute the documents on behalf of the County necessary to complete the purchase of the equity interests;
4. Approve the Agreement for the Termination of the Transfer and Joint Occupancy Agreements and Relinquishment of Equity Interest of the Banning Courthouse with the Judicial Council of California and authorize the Chairman to execute the agreement on behalf of the County;
5. Authorize the Assistant County Executive Officer of the Economic Development Agency, or his designee, to execute any other documents and administer all actions necessary to complete this transaction;
6. Direct the Clerk of the Board to file a Notice of Exemption with the County Clerk within five days of approval by the board; and
7. Approve and direct the Auditor Controller to make the budget adjustment as shown on Schedule A.

BACKGROUND:

Summary

Under the Trial Court Facilities Act of 2002 (Government Code Sections 70301 – 70404), the County and JCC (Parties) entered into the transfer and joint occupancy agreements dated April 10, 2007, which provided for the Banning CAC/Courthouse property to be transferred in fee title to the JCC at a future date. The agreements designated this Property as shared use by both Parties, granting each party their proportionate equity interest.

The JCC constructed a new Courthouse facility within close proximity to this location which opened in April, 2015. Under the agreements, the County possesses a first right of refusal for the JCC's equity interest. The County and JCC have been working cooperatively to pursue the disposition of the subject property under the act and agreements. The JCC desires to sell their interests, and the County desires to acquire interests.

By acquiring the JCC's interests in this location, the County benefits through retaining fee title and acquiring full, unrestricted use of the Property to serve the County's current and future needs. Furthermore, the transaction allows for the County to utilize the building in the transition of services in the area. Use of the building in this way will reduce the costs associated with moving and/or relocating County departments in the near and long term.

Due to the age of the building, the Real Estate Division has negotiated this acquisition at land value only, which will include the elimination of the County's obligation to provide Court Parking. The estimated value of the building, improvements and land is \$2,525,000. The appraised land value is solely \$900,000, of which 60.37% (\$543,330.) equity interest pertains to the JCC, and 39.63% (\$356,670.) equity interest pertains to the County. The equity interest purchase price would be the JCC's portion of \$543,330 (60.37%).

DATE: February 18, 2016

BACKGROUND:

Summary (Continued)

The purchase of equity interests in real property has been reviewed and determined to be exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15061(b)(3) and Section 15301, Existing Facilities, Class 1 (a) as it can be seen with certainty that there is no possibility the activity in question may have a significant effect on the environment. The County's approval of the activity does not create any reasonably foreseeable physical change to the environment for this transaction merely involves the transfer of equity interest to the County.

On January 26, 2016, The Board of Supervisors adopted Resolution 2016-044, Notice of Intention to Purchase Equity Interests in Real Property from the JCC, located in the City of Banning, County of Riverside, State of California.

Resolution No. 2016-045, Equity Rights Purchase Agreement and the Termination of the Transfer and Joint Occupancy Agreements and Relinquishment of Equity Interest have been reviewed and approved by County Counsel as to legal form.

Impact on Citizens and Businesses

This transaction will preserve vital public services in their current location and within close proximity to the new courthouse facility. Additionally, businesses will continue to be patronized by the employees and visitors of these locations. The overall economic impact is the retention of jobs and services which benefit the community as a whole.

FINANCIAL DATA:

The following summarizes the funding necessary to acquire JCC's equity interests on Assessor's Parcel Numbers 541-142-013 and 541-145-011:

Purchase Price	\$ 543,330
Estimated Escrow and Closing Charges	\$ 2,994
Advertising Costs	\$ 1,500
Acquisition Administration	\$ 52,176
Total Estimated Acquisition Cost	\$ 600,000

EDA has already covered the costs for due diligence (preliminary title reports, appraisals) and will be reimbursed by the Executive Office. The remaining costs associated with the acquisition will be paid directly by the Executive Office. Any necessary budget adjustments will be brought forward under separate cover seeking authorization to purchase the real property. No additional County costs will be incurred as a result of this transaction.

Judicial Council of California, Administrative Office of the Courts (“**AOC**”) and County entered into that certain Transfer Agreement for the Transfer of Responsibility of the Banning Courthouse, dated April 10, 2007 (“**Transfer Agreement**”). The legal description of the real property relating to the Banning Courthouse Facility which is also sometimes referred to as the “Building,” which has the street address of 135 North Alessandro Road, Banning, CA, 92220 (“**Real Property**”), is attached to this Purchase Agreement as **Exhibit “A.”** On April 10, 2007, the AOC and County also entered into that certain Joint Occupancy Agreement for the Banning Courthouse (“**JOA**”), setting forth the terms governing the Parties’ respective rights and responsibilities regarding their shared possession, occupancy, and use of the Real Property and their respective Equity rights in the Real Property;

B. On June 21, 2007, the County and the AOC recorded a Memorandum of Agreements as document number 2007-0406729 in the Official Records of Riverside County (“**Memorandum**”) for the purpose of memorializing the existence of the Transfer Agreement and the JOA;

C. On July 29, 2014, the Judicial Council of California amended rule 10.81 of the California Rules of Court to substitute the “Judicial Council” for the “Administrative Office of the Courts” or the “AOC” in all contracts, memoranda of understanding, and other legal agreements, documents, proceedings, and transactions, with no prejudice to the substantive rights of any party;

D. Pursuant to California Rules of Court, Rule 10.81, all references to “Administrative Office of the Courts” or “AOC” in the Transfer Agreement and the Memorandum shall be replaced by “Judicial Council” or “Council” with no prejudice to the substantive rights of the Parties, and the Judicial Council will continue to perform all duties, responsibilities, functions, or other obligations, and bear all liabilities, and exercise all rights, powers, authorities, benefits, and other privileges attributed to the “Administrative Office of the Courts” or “AOC” in the Transfer Agreement and the Memorandum;

E. Pursuant to the JOA, as of the Effective Date, the County has 39.63% Equity interest in the Real Property, and the Judicial Council has 60.37% Equity interest in the Real Property;

F. As provided for in sections 5.1.3 and 5.4 of the JOA, the County desires to acquire and Council desires to sell all of the Council's Equity Rights (defined below) in the Real Property pursuant to the terms and conditions of this Purchase Agreement;

G. Concurrent with the Equity Purchase, the Council will relinquish the Council's Equity Rights in the Real Property and the Parties will terminate the Transfer Agreement and the JOA.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, County and Council do hereby agree as follows:

TERMINATION OF TRANSFER AND JOINT OCCUPANCY AGREEMENTS AND RELINQUISHMENT OF EQUITY INTEREST

This TERMINATION OF TRANSFER AND JOINT OCCUPANCY AGREEMENTS AND RELINQUISHMENT OF EQUITY INTEREST (this “**Termination**”) is made and given on the ____ day of _____, 2015, by and between the County of Riverside (“**County**”), whose present address is 4080 Lemon Street, 4th Floor, Riverside, CA, 92501, and the Judicial Council of California, an entity established by the Constitution of the State of California (“**Council**”), whose present address is 455 Golden Gate Avenue, 8th Floor, San Francisco, CA, 94102-3688. The Council and the County each constitute a “Party” and collectively constitute the “Parties” to this Termination.

RECITALS

A. The County is the fee owner of the real property having the street address of 135 North Alessandro, Banning, CA, as more particularly described in Attachment “1” to this Termination (“**Real Property**”), and which is improved with the trial court facility commonly known as the Banning Courthouse (the “**Banning Courthouse**”);

B. The Trial Court Facilities Act of 2002, Government Code §§ 70301, et seq. (SB 1732) (the “**Act**”) provides for the transfer of responsibility for funding and operation of trial court facilities in the State of California (the “**State**”) from the counties to the State, and recognizes certain “equity” rights (as that term is used in the Act) of the County and the Council in and to trial court facilities that are jointly occupied by a county and a trial court;

C. Judicial Council of California, Administrative Office of the Courts (“**AOC**”) and County entered into that certain Transfer Agreement for the Transfer of Responsibility of the Banning Courthouse, dated April 10, 2007 (“**Transfer Agreement**”). On April 10, 2007, the AOC and County also entered into that certain

Joint Occupancy Agreement for the Banning Courthouse (“JOA”), setting forth the terms governing the Parties’ respective rights and responsibilities regarding their shared possession, occupancy, and use of the Real Property and their respective Equity rights in the Real Property;

D. On June 21, 2007, the County and the AOC recorded a Memorandum of Agreements as document number 2007-0406729 in the Official Records of Riverside County for the purpose of memorializing the existence of the Transfer Agreement and the JOA (“**Memorandum**”);

E. On July 29, 2014, the Judicial Council of California amended rule 10.81 of the California Rules of Court to substitute the “Judicial Council” for the “Administrative Office of the Courts” or the “AOC” in all contracts, memoranda of understanding, and other legal agreements, documents, proceedings, and transactions, with no prejudice to the substantive rights of any party;

F. Pursuant to California Rules of Court, Rule 10.81, all references to “Administrative Office of the Courts” or “AOC” in the Transfer Agreement and the Memorandum shall be replaced by “Judicial Council” or “Council” with no prejudice to the substantive rights of the Parties, and the Judicial Council will continue to perform all duties, responsibilities, functions, or other obligations, and bear all liabilities, and exercise all rights, powers, authorities, benefits, and other privileges attributed to the “Administrative Office of the Courts” or “AOC” in the Transfer Agreement and the Memorandum;

G. On _____, 2015, the County and the Council entered into an Equity Rights Purchase Agreement (“**Purchase Agreement**”) in which the Council agreed to release all of the Council’s equity interest in the Banning Courthouse in exchange for the consideration set forth in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing promises, and for good and valuable consideration, the sufficiency of which is acknowledged, the County and the Council agree as follows:

1. Termination of Transfer and JOA Agreements; Relinquishment.

(a) The Council hereby fully and forever releases, relinquishes, waives, and surrenders to and for the benefit of the County, their respective successors and assigns, any and all right, title, and interest, of any and every kind, that the Council has or may have in and to the Banning Courthouse under or by virtue of the Act, the Transfer Agreement, or the JOA, including all rights, interests, and entitlement of the Council in the On-Site Parking Area and the Off-Site Parking Lot (“**Relinquishment**”).

(b) As a result of this Relinquishment, the County will be deemed to have purchased all rights, title, and interest that arise from the Act, including all "equity" interest (as that term is used in the Act), that the Council has, or may have, in and to the Real Property and the Banning Courthouse, including any parking which is associated with the Banning Courthouse, and the County shall no longer have any responsibility under section 4.1 of the Transfer Agreement to transfer fee title of the Real Property to the Council.

(c) As a result of this Relinquishment, the Real Property and the Banning Courthouse shall no longer be burdened by the Transfer Agreement, the JOA, or the Memorandum. Notwithstanding the preceding, Article 8 of the Transfer Agreement and Article 8 of the JOA shall survive termination and remain in full force and effect with respect to any claims that arose prior to the completion of the Equity Purchase until such time that the statute of limitations has expired. The Parties agree and acknowledge that despite the termination of the Transfer Agreement and the Joint Occupancy Agreement ("Agreements"), Article 8 of the Transfer Agreement and Article 8 of the JOA have been incorporated by referenced into this Termination and the Parties shall retain the Agreements until such time any of the continuing obligations are no longer in effect.

(d) The Parties acknowledge that the termination of the Transfer Agreement and the JOA will not impact the County's continuing obligation to make County Facilities Payments pursuant to Section 6.1 of the Transfer Agreement and the Act notwithstanding the Equity Purchase by the County.

2. No Warranty or Recourse. The release and relinquishment given by the Council under section 1 of this Termination is made without warranty or recourse of any kind except that it warrants that while the Council was the managing entity of the Banning Courthouse Facility, it has not adversely affected the property in any way.

3. Acceptance. The County hereby accepts the foregoing release from the Council.

4. Miscellaneous.

4.1 Governing Law. This Termination and the related Relinquishment is made and given in the State of California and will be governed by the laws of the State of California without resort to choice of law principles.

4.2 Conditions. This Termination and the related Relinquishment will confer no rights and will impose no obligations on the State, the Council, or the County beyond those expressly provided in this Termination and the Purchase Agreement.

4.3 Severability. If any agreement, covenant, or term of this Termination is held by a court of competent jurisdiction to be invalid, void, or

unenforceable, in whole or in part, all agreements, covenants, and terms of this Release not held invalid, void, or enforceable will continue in full force and effect and will in no way be affected, impaired, or invalidated thereby.

IN WITNESS WHEREOF, the County and the Council have signed this Termination by its duly authorized representatives.

FORM OF DISPUTE RESOLUTION AND NOTICES

FORM OF DISPUTE RESOLUTION AND NOTICES

11. DISPUTE RESOLUTION

11.1 Unassisted Negotiation: Mediation. In the event of a dispute between the Parties relating to performance of the Parties' obligations under this Agreement, or any aspect of the transactions contemplated in this Agreement, the County Executive Officer and a Director or an Assistant Director of the Judicial Council's Real Estate & Facilities Management, or their respective designees, must meet to discuss a resolution to the dispute. Any designee appointed must have the authority to negotiate for and to effectively recommend settlement to, the Party that he or she represents. If the Parties cannot resolve their dispute within 30 calendar days through that unassisted negotiation, they will attempt to resolve the dispute by mediation under this section 11.1.

11.1.1 Initiation of Mediation. Either or both of the Parties may request the initiation of mediation for any dispute described in section 11.1 by delivering a written request for mediation ("**Mediation Request**") to the other Party. The Mediation Request must (1) include a brief summary of the issues in dispute, (2) state the dates on which the requesting Party is unavailable to attend the mediation within the immediately-succeeding 90 calendar days after the delivery to the other Party of the Mediation Request, and (3) list at least three neutral mediators who are acceptable to the requesting Party for mediation of the dispute. Within five business days after the requesting Party's delivery of a Mediation Request to the other Party, the responding ("**Mediation Response**"), which must: (a) include a brief summary of the issues in dispute (which may or may not be the same as the summary provided by the requesting Party); (b) state the dates on which the responding Party is unavailable to attend the mediation within the 85 calendar days immediately following the requesting Party's receipt of the Mediation Response; and (c) state whether any of the neutral mediators listed in the Mediation Request are acceptable to the responding Party and, if none are, then the Mediation Response must list at least three neutral mediators who are acceptable to the responding Party.

11.1.2 Selection of Mediator. Within ten calendar days after delivery to the requesting Party of the Mediation Response, the Parties will attempt in good faith to agree upon a neutral mediator to preside over the mediation. The mediator must be a person knowledgeable in the provisions of the Act and with a reasonable degree of experience and expertise with the Transfers contemplated in the Act. The mediator must have no current or prior involvement with either Party in the negotiations between the Parties related to the Act or any of the court facility transfers provided for in the Act, and will discharge his or her duties impartially and as a neutral, independent participant to the mediation process to assist the Parties to achieve a settlement and compromise of their dispute, taking into consideration the relevant

facts, applicable law and the pertinent provisions of any relevant agreement between the County and the Judicial Council.

11.1.3 Cost of Mediation. The Parties will share equally in payment of all costs of the mediation, including the compensation of the mediator. The Parties and the mediator must reach a written agreement regarding the mediator's compensation and expenses before the mediation is commenced.

11.1.4 Date, Time, and Place of Mediation. In consultation with the Parties, the mediator will fix the date, time, and place of each mediation session. The mediation may be held at any convenient location agreeable to the Parties and the mediator. Mediation must be completed within 90 calendar days after the requesting Party's delivery to the responding Party of the Mediation Request.

11.1.5 Attendance at Mediation. Both Parties must attend the mediation session(s). The Parties may satisfy this attendance requirement by sending a representative familiar with the facts of the dispute, who has the authority to negotiate on behalf of, and to effectively recommend settlement to, the Party he or she represents. Any Party to the mediation may have the assistance of an attorney or other representative of its choice at its own cost. Other persons may attend the mediation sessions only with the consent of the Parties and the mediator.

11.1.6 Statements Before Mediation. The mediator will determine the manner in which the issues in dispute will be framed and addressed. The Parties should expect that the mediator will request a premediation statement outlining facts, issues, and positions of each Party ("**Premediation Statement**") in advance of the mediation session. At the discretion of the mediator, the Premediation Statements or other information may be mutually exchanged by the Parties.

11.1.7 Confidentiality. The mediation will be confidential in all respects, and the provisions of California Evidence Code sections 1152 and 1154 will apply to all written and verbal evidence presented in the mediation and to settlement communications made in the Premediation Statement, during the mediation itself, or otherwise in furtherance of or related to the mediation or the settlement of the dispute. The Premediation Statements will be confidential, for settlement purposes only, and will not be admissible for any purpose other than for the mediation. Without limiting the foregoing, the provisions of California Evidence Code sections 1115 through 1128, inclusive, will apply in connection with any mediation under this Agreement.

NOTICE OF EXEMPTION

November 5, 2015

Project Name: County of Riverside, JCC Purchase of Equity Interest, Banning

Project Number: FM0417200220

Project Location: 135 North Alessandro Road, south of Williams Street, Banning, California 92220; APNs 541-142-013 and 541-145-011 (See attached exhibit)

Description of Project: The County of Riverside (County) proposes to acquire the equity interest from the Judicial Council of California, Administrative Offices of the Courts (JCC) for the proposed property contained within 2.179 acres on APNs 541-142-013 and 541-145-011 in which both parties entered into transfer and joint occupancy agreements dated April 10, 2007. JCC has recently constructed a new courthouse facility which opened in April 2015 and is now seeking to sell their interest in the shared subject property with the County. By acquiring the JCC's interests in this property, the County benefits through retaining fee title and acquiring full, unrestricted use of the Property to serve the County's needs. Due to the age of the building, the acquisition is calculated on the land value only and will include the elimination of the County's obligation to provide Court Parking. The proposed Project is the acquisition of the equity interest in the property under the California Environmental Quality Act (CEQA); no expansion of an existing use will occur. While JCC-related uses may be removed from the property, the operation of the facility will continue to provide public services in a similar capacity/intensity and will not result in an increase in the intensity of the use of the site. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: County of Riverside, Economic Development Agency

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency

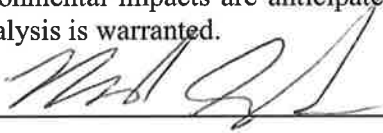

Exempt Status: State CEQA Guidelines, Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061 and 15300 to 15301.

Reasons Why Project is Exempt: The proposed Project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor would the Project include a reasonable possibility of having a significant effect on the environment due to unusual circumstances. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the acquisition of equity interest in the property from JCC.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site's use. The Project, as proposed, is limited to an acquisition of equity interest from a joint use agreement and does not include additional modifications that have been identified or are reasonably foreseeable. The full acquisition of the property will not increase or expand the use of the site, and is limited to the continued use of the site in a similar capacity; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid.* This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The proposed equity interest acquisition will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the existing use and will not create any new environmental impacts to the surrounding area. No alterations and no impacts beyond the ongoing, existing use of the site would occur. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.

FORM 11: Resolution No. 2016-044, Notice of Intention to Purchase Equity Interests in Real Property Located in Banning, District 5 [\$600,000], CIP 100%

DATE: January 13, 2016

PAGE: 2 of 3

RECOMMENDED MOTION: (Continued)

3. Authorize the Economic Development Agency to incur typical due diligence and transaction costs in the amount of approximately \$57,000; and
4. Direct the Clerk of the Board to give notice pursuant to Government Code Section 6063.

BACKGROUND:

Summary

Under the Trial Court Facilities Act of 2002 (Government Code sections 70301 – 70404), the County and JCC (Parties) entered into the transfer and joint occupancy agreements dated April 10, 2007, which provided for the Banning CAC/Courthouse property to be transferred in fee title to the JCC at a future date. The agreements designated this Property as shared use by both Parties, granting each party their proportionate equity interest.

The JCC constructed a new Courthouse facility within close proximity to this location which opened in April, 2015. Under the agreements, the County possesses a first right of refusal for the JCC's equity interest. The County and JCC have been working cooperatively to pursue the disposition of the subject property under the act and agreements. The JCC desires to sell their interests, and the County desires to acquire interests.

By acquiring the JCC's interests in this location, the County benefits through retaining fee title and acquiring full, unrestricted use of the Property to serve the County's current and future needs. Furthermore, the transaction allows for the County to utilize the building in the transition of services in the area. Use of the building in this way will reduce the costs associated with moving and/or relocating County departments in the near and long term.

In preliminary discussions with the JCC and due to the age of the building, the Real Estate Division will pursue this acquisition at land value only, which will include the elimination of the County's obligation to provide Court Parking. The estimated value of the building, improvements and land is \$2,525,000. The appraised land value is solely \$900,000, of which 60.37% (\$543,330.) equity interest pertains to the JCC, and 39.63% (\$356,670.) equity interest pertains to the County. The equity interest purchase price would be the JCC's portion of \$543,330 (60.37%).

Resolution No. 2016-044 has been reviewed and approved as to legal form by County Counsel.

Impact on Citizens and Businesses

This transaction will preserve vital public services in their current location and within close proximity to the new courthouse facility. Additionally, businesses will continue to be patronized by the employees and visitors of these locations. The overall economic impact is the retention of jobs and services which benefit the community as a whole.
