## NOTICE OF EXEMPTION

November 24, 2015

**Project Name:** County of Riverside, Surplus Property located in the City of Corona

**Project Number:** FM0417200229

**Project Location:** North of West 6<sup>th</sup> Street, south of Pleasant View Avenue, east of North Smith Avenue and west of South Sherman Avenue in the City of Corona, Riverside County, California; Assessor Parcel Numbers (APNs) 118-130-013, 118-130-014 & 118-130-031  
(See attached exhibits)

**Description of Project:** On February 2, 2016, the County of Riverside (County) Board of Supervisors (Board) adopted Resolution No. 2016-013, Declaration of Surplus Real Property and Notice of Intention to Sell Real Property Located in the City of Corona, County of Riverside, State of California, Portion of Assessor's Parcel Numbers 118-130-013, 118-130-014 & 118-130-031, declaring the (Properties) to be surplus real properties and invited bids to acquire the Property at the date set for the bids to be reviewed and considered by the Board.

For efficiency in the public bidding process, after all the bids, both written and oral, have been reviewed and considered by the Board, the Board may choose to accept the highest bid, authorize to sell the real property, approve the agreement for the purchase and sale of the property and direct the Chairman of the Board to execute the agreement and the deed at the close of the public hearing. In the event that no bids are received or the Board desires to reject all the bids reviewed and considered, the Board may authorize the Economic Development Agency – Real Estate Division to continue to market this Property for sale. If a party is interested in purchasing the Property under the terms and conditions set by the Board in the Resolution No 2016-014 and the Bid Forms, the proposal shall be submitted to the Board for its review and consideration on whether to accept the proposal.

The Project is limited to the sale of surplus property alone and would not result in any physical changes or significant effect on the environment.

**Name of Public Agency Approving Project:** County of Riverside, Economic Development Agency

**Name of Person or Agency Carrying Out Project:** County of Riverside, Economic Development Agency

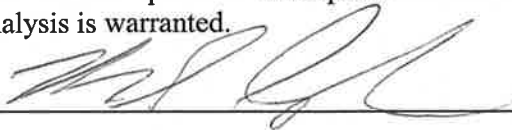

**Exempt Status:** State California Environmental Quality Act (CEQA) Guidelines, Section 15312, Class 12, Surplus Government Property Sales Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061 and 15300 to 15312.

**Reasons Why Project is Exempt:** The proposed Project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor would the Project include a reasonable possibility of having a significant effect on the environment due to unusual circumstances. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the sale of surplus government property and associated transfer of title.

- **Section 15312 – Class 12 Surplus Government Property Sales Exemption:** This categorical exemption includes the sales of surplus government property, except for parcels of land located in in area of Statewide, regional, or areawide concern identified in Section 15206 (b)(4). These areas include the Lake Tahoe Basin, The Santa Monica Mountains Zone, the California Coastal Zone, areas within 0.25 miles of a wild and scenic river, the Sacramento-San Joaquin Delta, the Suisun Marsh, and the jurisdiction of the San Francisco Bay Conservation and Development Commission. Sections (a) and (b) of this exemption provide conditions where, if met, the sale is still considered exempt. The Project is located in the City of Corona and the nearest Wild and Scenic River is Bautista Creek, which is located approximately 40 miles to the east of the Project. Therefore, the Project is not located within an area of significance and the provisions listed in Subsections (a) and (b) would need not be applied. The Project, as proposed, is limited to the sale and transfer of title of land; therefore, the Project is exempt as the Project meets the scope and intent of the Class 12 Exemption identified in Section 15312, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The proposed sale and transfer of title will not result in any direct or indirect physical environmental impacts. The property would remain in its existing state until development entitlements are sought through application with the City of Corona, which would require additional CEQA review, prior to issuance. At this time, specific details for future development are not known or reasonably foreseeable. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.
