BACKGROUND:

Summary

The California Department of Parks and Recreation is currently accepting grant applications for its Off-Highway Vehicle Enforcement Program. Since 2002, annual grant award from the Off-Highway Vehicle Enforcement Program has funded OHV law enforcement efforts in Riverside County.

The Riverside Off-Highway Vehicle Enforcement Program (R.O.V.E.), is the Sheriff's innovative and effective program that has put Deputies on all-terrain vehicles Off-Highway Vehicle (OHV) to enforce laws concerning illegal off-highway driving and environmental destruction.

The current application will begin Phase XIII of the Sheriff's county-wide effort with a proposed start date of August 2016. The application requests \$156,920 to support Deputy Sheriff overtime for continued and expanded patrols in problematic areas.

The grant application is an estimated request to the California of Parks and Recreation and this process requires adoption of resolution. Once the grant is awarded to Riverside County Sheriff department another Form 11 will be submitted to the for board approval to accept the grant award.

During the development of this phase of the county-wide project, the Sheriff requested public comment via a posting on the Department's web site.

Impact on Citizens and Businesses

The Parks and Recreation grant allows the Sheriff Department to continue enforcement of laws concerning unlawful intrusions on private and public lands and protected habitats.
