FORM 11: Approval of the Scott Road Community Facilities District No. 05-8 Transportation Uniform Mitigation Fee Program Improvement Credit Agreement between the County of Riverside, City of Menifee, and KB Home Coastal, Inc. for Tract No. 30142 and Tract No. 30142-2. 5th District; [\$0]
DATE: February 16, 2016
PAGE: 2 of 2

BACKGROUND:

Summary

Tract No. 30142, consisting of 202 single family residential units, and Tract No. 30142-2, consisting of 197 single family residential units (Tracts), are owned by KB Home Coastal, Inc. (Developer) and are located within the boundaries of Community Facilities District No. 05-8 (Scott Road CFD), which is administered by the County. With the incorporation of the City of Menifee (City), the geographical boundaries of the Scott Road CFD now fall primarily within the City, including these Tracts. The Scott Road CFD is a funding mechanism that provides a means to finance, in part, the Scott Road improvements between Antelope Road and State Route 79 and improvements to the interchange at Interstate 215 (I-215).

In addition, the Scott Road Improvements have been identified as part of the TUMF Regional System of Highways and Arterials and are to be among those facilities whose construction is to be partly financed by the collection of TUMF.

The County, City, and the Developer now desire to enter into this agreement to provide a means by which the Developer's participation in the Scott Road CFD is offset against the Developer's obligation to pay applicable TUMF for the Tracts. Each single-family residential unit constructed within the Tracts is eligible to receive a TUMF credit in an amount up to a maximum of \$8,873 at issuance of certificate of occupancy for each unit applicable to the Tracts.

Project Number: B3-0369

Impact on Residents and Businesses

Community Facilities Districts are an important tool to fund the early delivery of infrastructure. It allows the County and City to fund a major facility through a bond sale and special assessment, with appropriate credit given towards mitigation fee obligations, as opposed to the traditional "pay as you go" method to collect fees on a lot-by-lot basis over a longer period of time.

RECITALS

WHEREAS, Developer owns a phased Tentative Tract Map No. 30142, for which a Final Phase Tract Map No. 30142 ("Final Phase") was recorded on November 16, 2012, as Instrument No. 2012-0554379; and a Final Phase 2 Tract Map No. 30142-2 ("Phase 2"), was recorded on November 16, 2012, as Instrument No. 2012-0554378 (the "Tracts") and the Tracts are located within the City of Menifee, County of Riverside, State of California, as depicted in Exhibit "A," attached hereto and incorporated herein by this reference;

WHEREAS, Final Phase Tract Map No. 30142 consists of 202 single-family residential units and Final Phase 2 Tract Map No. 30142-2 consists of 195 single-family residential units;

WHEREAS, the Tracts are Phase 2 and Final Phase of approved, phased Tentative Tract Map No. 30142 (the "Project"), which was approved by County prior to City's incorporation, and was conditioned by County to participate in some form of funding mechanism, such as a Community Facilities District, that would provide a means of financing the construction of the following public facilities (the "Scott Road Improvements") that were determined by County to be necessary to mitigate the transportation and circulation needs that would result from the Project:

- (i) The widening of Scott Road to four lanes between Antelope Road and Briggs Road including all associated appurtenances and rights-of-way;
- (ii) The widening of the interchange at Interstate 215 and Scott Road and the modification of the ramps to meet future traffic demands including all associated appurtenances and rights-of-way;
- (iii) The full width improvement to Scott Road from Antelope Road to State Route 79 including all associated appurtenances and rights-of-way, bringing into conformance said facility with the Transportation Uniform

Mitigation Fee Program ("TUMF"), as amended from time to time;

The three groups of improvements set forth immediately above are collectively referred to herein as the "Scott Road Improvements";

WHEREAS, the Riverside County Board of Supervisors (the "Board"), on April 4, 2006, (i) adopted Resolution No. 2006-092 establishing Community Facilities District No. 05-8 (Scott Road) of the County of Riverside ("Scott Road CFD") and authorizing the levy of a special tax to pay for the construction or financing of the Scott Road Improvements, (ii) adopted Resolution No. CFD 2006-02 determining the need to incur bonded indebtedness in an aggregate principal amount not to exceed \$100,000,000 to finance the Scott Road Improvements, and (iii) called a special election for April 18, 2006, for the qualified electors of the Scott Road CFD to consider propositions dealing with the levy of the special tax and the incurrence of bonded indebtedness;

WHEREAS, the Board, on April 25, 2006, canvassed the results of the special election and determined that the qualified electors voted and approved the propositions by more than two-thirds of the votes cast and caused a Notice of Special Tax Lien for the Scott Road CFD to be recorded on May 4, 2006;

WHEREAS, County/City, by the adoption of Ordinance No. 824, as amended from time to time, established the Transportation Uniform Mitigation Fee Program which requires a developer to pay the fee (the "TUMF") which is set by said Ordinance and which is to be paid as a condition of receiving certification allowing for the occupancy of a residential or commercial structure; the TUMF is intended to represent a new structure's fair share of the estimated costs to construct those transportation improvements needed to mitigate the traffic impacts and burdens placed on the Regional System of Highways and Arterials ("RSAH") generated by a residential or commercial development and determined necessary to protect the safety, health and welfare of persons traveling to and from the such residential or commercial development using the RSAH;

WHEREAS, the Tracts are located within the boundaries of the Scott Road CFD, as shown on the Boundary Map of the Scott Road CFD recorded as Instrument No. 2006-0167553 on March 8, 2006, or within territory that has been annexed to the Scott Road CFD.

WHEREAS, the Scott Road Improvements have been identified as part of the RSAH and to be among those facilities whose construction is to be financed by the collection of the TUMF;

WHEREAS, the Rate and Method of Apportionment of Special Tax for the Scott Road CFD (the "RMA") that was approved by the Board and the qualified electors of the Scott Road CFD is intended to reflect the amount of the TUMF approved for any given fiscal year, beginning July 1, 2005, with the intent that each unit within a single-family residential tract and each unit within a multifamily residential development will receive a credit against the TUMF in an amount set forth in this Agreement;

WHEREAS, the Scott Road Improvements are to be constructed by the Riverside County Transportation Department as the lead agency, and from the proceeds of special taxes levied or

the proceeds of special tax bonds issued by the Scott Road CFD;

WHEREAS, on October 1, 2008, the Tracts and improvements were incorporated into City's municipal boundaries;

WHEREAS, City reduced the TUMF during calendar year 2010 but that reduction ended as of December 31, 2010;

WHEREAS, County, City and the Developer now desire to enter into this Agreement to provide a means by which Developer's participation in the Scott Road CFD is offset against Developer's obligation to pay the applicable TUMF (the "TUMF Credit") for the Tracts in accordance with the TUMF administrative plan; and

NOW, THEREFORE, for the purposes set forth herein, and for good and valuable consideration, the adequacy of which is hereby acknowledged, Developer, County, and City hereby agree as follows:

TERMS

1.0 Incorporation of Recitals. The Parties hereby affirm the facts set forth in the Recitals above and agree to the incorporation of the Recitals as though fully set forth herein.

2.0 Construction of Improvements. County and City shall be responsible for constructing the Scott Road Improvements.

3.0 TUMF Credit for Single-Family Residential Development. The amount of the TUMF Credit is determined by the TUMF in effect as of July 1st of the fiscal year in which the first "production unit" building permit is issued; provided, however, (i) that the actual amount of the TUMF Credit applied will be equal to the TUMF in effect on the date Developer secures a certificate of occupancy for each single-family residential unit up to maximum amount of \$8,873 (the "Maximum TUMF Credit"), and (ii) that at no time shall the actual TUMF Credit amount exceed 100% of the TUMF charged for each said unit. Developer understands and acknowledges that the TUMF is adjusted annually, and the Developer agrees that if the TUMF in effect on the date a certificate of occupancy is secured for each single-family residential unit is greater than the Maximum TUMF Credit for said unit, then Developer shall pay the differential amount in cash prior to securing the certificate of occupancy for said unit.

4.0 Miscellaneous.

4.1 Assignment. Developer may assign all or a portion of its rights pursuant to this Agreement to a purchaser of one or more lots within the Tracts (an "Assignment"). Developer and such purchaser and assignee (the "Assignee") shall provide to County and City such reasonable proof as each of them may require that the Assignee is the purchaser of said lots within the Tracts. Any assignment pursuant to this paragraph 4.1 shall not be effective unless and until the Developer and Assignee have executed an assignment agreement with County and with City in a form reasonably acceptable to both County and City, whereby Developer and

Assignee agree, except as may be otherwise specifically provided therein, to the following: (i) Assignee shall receive all or a portion of the Developer's rights pursuant to this Agreement, including credits up to the Maximum TUMF Credit for each single-family residential unit developed on a lot within the Tracts or for each multifamily residential unit developed on a parcel within the Tracts purchased by the Assignee pursuant to this Agreement and (ii) the Assignee shall be bound by all applicable provisions of this Agreement.

4.2 Relationship between the Parties. The Parties hereby mutually agree that this Agreement shall not operate to create the relationship of partnership, joint venture, or agency among County, City and the Developer, or between any of the Parties.

4.3 Indemnification. Developer agrees to protect, indemnify, defend and hold the Community Facilities District, County and City, and their respective directors, officers, legislative body, Board, City Council, elected and appointed officials, employees, representatives and agents (the "Indemnified Parties"), and each of them, harmless from and against any and all claims, including, but not limited to, third-party claims, and against any and all losses, liabilities, expenses, suits, actions, decrees, judgments, awards, reasonable attorney's fees, and court costs ("Losses") which the Indemnified Parties, or any combination thereof, may suffer or which may be sought against or recovered or obtained from the Indemnified Parties, or any combination thereof, as a result of or by reason of or arising out of or in consequence of (a) the approval of this Agreement, (b) the awarding of credit pursuant to or on account of this Agreement, and/or (c) the untruth or inaccuracy of any representation or warranty made by Developer in this Agreement. If Developer fails to protect, indemnify, defend and hold harmless the Indemnified Parties in accordance with the preceding sentence, the Indemnified Parties, and/or each of them, shall have the right, but not the obligation, to defend the same and charge all of the direct or incidental costs of such defense, including all Losses incurred by Indemnified Parties, to and recover the same from said Developer. The provisions of this Section shall survive the expiration, discharge or other termination of this Agreement.

4.4 Warranty as to Property Ownership; Authority to Enter Agreement. Developer hereby warrants that it owns fee title to the Tracts and that it has the legal capacity to enter into this Agreement. Each Party separately warrant that the individual(s) who have signed this Agreement on behalf such Party has the legal power, right, and authority to enter into this Agreement on behalf of such Party, and each individual signing this Agreement has been duly authorized to do so on behalf of said Party.

4.5 Prohibited Interests. Developer represents and warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Developer, or any parent or related entity of Developer, to solicit or secure this Agreement. Developer also warrants that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for Developer, any fee, commission, percentage, brokerage fee, gift, or other consideration contingent upon the making of this Agreement. For breach of this representation and warranty, County and City shall each have the right to rescind this Agreement without liability.
