1. The donation to Reach Out supports the Healthy Jurupa Program and more specifically, will sponsor "The Walk" which is a kick-off event to raise public awareness of the Jurupa Valley Waking Corridor and will engage community members in the many benefits of the corridor including family activities, access to resources, promotion of pedestrian and bike safety and highlighting local history.
2. The donation to the 100 Mile Club will be used to continue their efforts to get almost every elementary school child in the district to be a part of the club, which encourages kids to walk or run 100 miles. The program provides tee shirts and medals when goals are met. The program changes the way kids feel about fitness, their bodies and health.
3. The donation to the Friends of the Eddie Dee Smith Senior Center will purchase a new bingo machine and pool table for the center, so seniors can continue to engage their minds and bodies in a productive way. In addition, it will help fund the Senior Expo and Christmas Gift Card Program.
4. The donation to the Regents of the University of California (on behalf of UCR) will be used to enhance the student-athlete champion experience, promote fitness and wellness in competitive sports and provide awards and recognition opportunities.
