BACKGROUND:

Summary

The subject property owned by the County consists of 1.21 acres of vacant land and is identified as Assessor's Parcel Number 920-110-004, located in the City of Temecula, in southwestern Riverside County, State of California, (Property). The land currently lies vacant and serves no current or future use or purpose for the County. It was originally acquired through a tax sale and is basically a slope along Winchester Boulevard (SR 79). The sale of the property will alleviate the County of on-going maintenance and risk interest in ownership.

The Property has been reviewed and determined to be no longer needed for County use or purposes and it is recommended that the Property be sold in accordance with Government Code Sections 25520 et seq. as required by law. The terms and conditions of the sale are contained within Resolution No. 2016-079 and the bid forms. In order to initiate this process, staff recommends adoption of Resolution No. 2016-079 to provide the statutory notice of the Board of Supervisor's intention to sell the Property. Also, this action will facilitate the sale to invite bids from prospective buyers for and to set a date for the public bidding process to occur. The minimum bid shall be set at \$75,000, which is the fair market value of the property as determined by an MAI appraiser.

In accordance with Government Code 54222, other public agencies and all County departments were notified regarding the offer to sell to public agencies first. While several inquired, no agencies or departments indicated sincere interest during the requisite sixty day period.

Resolution No. 2016-079 and the Bid Form Documents have been approved as to form by County Counsel.

Impact on Citizens and Businesses

The sale proceeds will enable the County to better provide needed services to the community. The sale will eliminate the County's on-going maintenance and risk obligations and return the property to private use and tax rolls.

SUPPLEMENTAL:

Additional Fiscal Information

Based upon the appraised value less County staff costs and expenses in the amount of \$10,000, this sale is expected to generate approximately \$65,000. No net County costs will be incurred and no budget adjustment is necessary.
