- 4. Direct the Clerk of the Board to file the Notice of Exemption with the County Clerk upon approval of the project.

BACKGROUND:

Summary

There is an existing Sublease Agreement for a Communications Site that is dated February 27, 2012, between the County and Los Angeles SMSA Limited Partnership a California limited partnership, doing business as Verizon Wireless. The Sublease Agreement gave Verizon the authorization to build, operate, and maintain a communication facility on that certain real property located at 17425 Ferguson Avenue, Riverside, California 92508 and identified as Assessor's Parcel Numbers: 294-110-005, 295-020-005, and 295-020-008, adjacent to the shooting range at the Ben Clark Training Center.

Verizon has requested to amend the Sublease Agreement, for the purpose of making certain modifications to its existing communications equipment, specifically upgrades to more efficient panel antennas. Additionally, the legal description will be corrected to redefine the leased premises, as Verizon's contractor developed the site slightly outside the legally described area.

The First Amendment to the Sublease Agreement has been reviewed and determined to be categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15061(b) (3) and Section 15301 Class 1, Existing Facility, as it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. The County's approval of the activity does not create any reasonably foreseeable physical change to the environment for this transaction; it merely involves an upgrade to the existing communications equipment, and a correction to the legal description of the premises.

**FIRST AMENDMENT TO COMMUNICATIONS
SITE SUBLEASE AGREEMENT**

THIS **FIRST AMENDMENT TO COMMUNICATIONS SITE SUBLEASE AGREEMENT ("1st Amendment")**, dated as of _____, is entered by and between the County of Riverside, a political subdivision of the State of California (the "**County**"), as sublessor, and Los Angeles SMSA Limited Partnership, a California limited partnership, d/b/a Verizon Wireless (the "**Sublessee**"), as sublessee, sometimes collectively referred to as the "**Parties**".

RECITALS

A. The County and the County of Riverside Asset Leasing Corporation ("**CORAL**") have entered into that certain **Lease** dated April 1, 2005, pursuant to which the County has agreed to lease to CORAL, and CORAL has agreed to lease from the County, certain real property located at 17425 Ferguson Avenue, Riverside, California, and identified as Assessor's Parcel Nos. 294-110-005, 295-020-005 and 295-020-008 in the County Assessor's Office of Riverside County, California (the "**Property**"). CORAL and the County have also entered into that certain **Sublease and Option to Purchase** dated April 1, 2005, pursuant to which CORAL has agreed to sublease to the County, and the County has agreed to sublease from CORAL, the Property.

B. The County and Sublessee have entered into that certain **Communications Site Sublease Agreement** dated February 27, 2012 (the "**Original Sublease**"), pursuant to which the County has agreed to sublease to Sublessee, and Sublessee has agreed to sublease from the County, a portion of the Property, as more particularly described in the Original Sublease (the "**Premises**").

C. The Original Sublease together with this 1st Amendment are collectively referred to herein as the "**Sublease**."

D. The Parties now desire to amend the Sublease to: (i) permit Sublessee to make certain modifications to its existing communications equipment installed at the Premises, and (ii) include a legal description of the Premises.

NOW THEREFORE, for good and valuable consideration the receipt and adequacy of which is hereby acknowledged, the Parties agree as follows:

1. **IMPROVEMENTS.** The Sublessee's Facilities (as defined in the Original Sublease) and the Original Sublease are hereby amended to include Sublessee's improvements as more particularly described and depicted in Exhibit "C-1" attached hereto and incorporated herein (the "**Improvements**") .

2. **PREMISES.** The Original Sublease is hereby amended to include a legal description of the Premises as set forth in Exhibit "B-1" attached hereto and incorporated herein.

3. EXHIBITS. Exhibit "B" of the Original Sublease is hereby supplemented with Exhibit B-1 attached hereto and incorporated herein by this reference. In the event of a conflict or inconsistency between Exhibit B attached to the Original Sublease and Exhibit B-1 attached hereto, Exhibit B-1 shall control. Exhibit "C" of the Original Sublease is hereby supplemented with Exhibit C-1 attached hereto and incorporated herein by this reference. In the event of a conflict or inconsistency between Exhibit C attached to the Original Sublease and Exhibit C-1 attached hereto, Exhibit C-1 shall control.

4. CAPITALIZED TERMS. Unless defined herein or the context requires otherwise, all capitalized terms herein shall have the meaning defined in the Sublease, as heretofore amended. The provisions of this 1st Amendment shall prevail over any inconsistency or conflicting provisions of the Sublease, as heretofore amended, and shall supplement the remaining provisions thereof.

5. MISCELLANEOUS. Except as amended or modified herein, all the terms of the Original Sublease shall remain in full force and effect and shall apply with the same force and effect. Time is of the essence in this 1st Amendment and the Sublease and each and all of their respective provisions. Subject to the provisions of the Sublease as to assignment, the agreements, conditions and provisions herein contained shall apply to and bind the heirs, executors, administrators, successors and assigns of the parties hereto. If any provisions of this 1st Amendment or the Sublease shall be determined to be illegal or unenforceable, such determination shall not affect any other provision of the Sublease and all such other provisions shall remain in full force and effect. The language in all parts of the Sublease shall be construed according to its normal and usual meaning and not strictly for or against either the County or Sublessee. Neither this 1st Amendment, nor the Original Sublease, nor any notice nor memorandum regarding the terms hereof, shall be recorded by Sublessee.

6. EFFECTIVE DATE. This First Amendment to Communications Site Sublease Agreement shall not be binding or consummated until its approval by the Riverside County Board of Supervisors and fully executed by the Parties.

[signatures on following page]

IN WITNESS WHEREOF, the parties have executed this 1st Amendment as of the date first written above.

NOTICE OF EXEMPTION

December 22, 2015

Project Name: County of Riverside, Economic Development Agency (EDA) First Amendment to Communication Site Lease, Verizon Nandina

Project Number: FM0473462012000

Project Location: 17425 Ferguson Avenue, north of Nandina Avenue, Riverside, California 92508; Assessor Parcel Numbers (APN) 294-110-005, 295-020-005, and 295-020-008; (See Attached Exhibit)

Description of Project: The County of Riverside (County) has an existing Sublease Agreement for a Communications Site that is dated February 27, 2012, with Verizon Wireless. The Sublease Agreement gave Verizon the authorization to build, operate, and maintain a communication facility on that certain real property located at 17425 Ferguson Avenue, Riverside, California 92508 and identified as Assessor's Parcel Numbers: 294-110-005, 295-020-005, and 295-020-008, adjacent to the shooting range at the Ben Clark Training Center. At this time Verizon has requested to amend the Sublease Agreement, for the purpose of making certain modifications to its existing communications equipment, specifically upgrades to more efficient panel antennas. Additionally, both parties would also like to rectify an erroneous miscalculation that occurred during the execution of the existing Sublease Agreement, relative to the legal description of the premises. The First Amendment to the Sublease Agreement is identified as the proposed Project under the California Environmental Quality Act (CEQA). It is assumed and reasonably foreseeable that improvements or maintenance of on-site operational equipment may occur during the term of the lease. This activity would be consistent with the existing use and no expansion of an existing use will occur. The operation of the facility will continue to communications services and will not result in an expansion of existing use. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: County of Riverside, Economic Development Agency

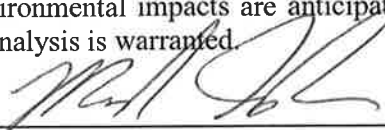

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency

Exempt Status: State CEQA Guidelines, Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061 and 15300 to 15301.

Reasons Why Project is Exempt: The proposed Project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor would the Project include a reasonable possibility of having a significant effect on the environment due to unusual circumstances. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the Amendment to the Sublease and maintenance or improvements to the existing on-site equipment.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The Project, as proposed, is limited to the Amendment to the Sublease and maintenance or improvements to existing on-site equipment. The maintenance or improvements to on-site equipment would be consistent with the land use, and would not require any expansion of public services and facilities; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid.* This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The proposed Amendment to the Sublease and maintenance or improvements to on-site equipment will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the existing use and will not create any new environmental impacts to the surrounding area. No alterations and no impacts beyond the ongoing, existing use of the site would occur. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.
