BACKGROUND:

Summary:

On February 11, 2014, Board of Supervisors (BOS) Agenda Item 3-45 approved one year Agreements for Care Transitions Intervention (CTI) services to be provided at three desert entities: Desert Healthcare District; John F. Kennedy Memorial Hospital; and Eisenhower Medical Center. On April 28, 2015, BOS Agenda Item 3-21, extended the Agreement with JFK Memorial Hospital for an additional year.

CTI is an evidence based service model of coaching to prevent needless hospital readmission after being discharged. The target population to be served is adults who reside in Riverside County, are enrolled in a Medicare or Medi-Cal program, have at least one chronic condition, has a potential for or history of hospital readmission and are being discharged from a hospital setting to their home. Hospital will refer patients discharging from the hospital to be coached by a trained CTI Social Services Worker, who will assist the patient with assessing their home environment through a home visit, reconciling medications, maintaining a personal health record and coordinating post-discharge care from their primary care physician with the anticipated outcome of preventing needless readmission to the Hospital.

The services have been proven successful by reducing the number of hospital readmissions with 30 days of discharge. The Hospital has requested OoA to continue to provide Care Transitions Intervention (CTI) coaching and hospital liaison services through December 31, 2016.

Impact on Citizens and Businesses

The CTI coaching services will link the referred patient, who is being discharged from the Hospital to OoA programs and services to prevent hospital readmission within 30 days of discharge.

SUPPLEMENTAL:

Additional Fiscal Information

The one year service agreement is for \$50,000 and is funded 100% by JFK Memorial Hospital with the breakdown as follows:

FY 2015/16	\$ 25,000
FY 2016/17	\$ 25,000
Total	\$ 50,000

No additional county funds are required for these services. The department has included the costs associated with these services in the current fiscal year budget, along with the FY 2016/17 recommended budget; therefore, no budget adjustment is needed.

ATTACHMENT A: Services Agreement between John F. Kennedy Memorial Hospital and the Riverside County Office on Aging

SERVICES AGREEMENT

THIS SERVICES AGREEMENT (“Agreement”) is made and entered into as of the later of January 1, 2016, or the execution of the Agreement by both parties (the “Effective Date”) between JFK Memorial Hospital, Inc., a California corporation, doing business as **JOHN F. KENNEDY MEMORIAL HOSPITAL** (“Hospital”) and the **COUNTY OF RIVERSIDE, OFFICE ON AGING** (“Contractor”).

RECITALS:

A. Hospital is in need of a **Care Transitions Intervention Coach** (the “Services”), and is in need of an experienced individual to provide the service.

B. Contractor employs or otherwise contracts with individuals duly qualified and experienced in furnishing the Services (collectively “Contractor Staff”).

C. Contractor and Hospital agree that it is in the best interest of Hospital’s ability to provide quality patient care in a cost-effective and efficient manner for Hospital to contract with an entity to provide the Services.

NOW, THEREFORE, for and in consideration of the recitals above and the mutual covenants and conditions contained herein, Hospital and Contractor agree as follows:

1. CONTRACTOR’S OBLIGATIONS.

a. **Services.** While this Agreement is in effect, Contractor shall provide Services at Hospital as set forth in Exhibit A attached hereto and made a part hereof.

b. **Performance.** Contractor and its Contractor Staff agree that all Services provided pursuant to this Agreement shall be performed in compliance with all standards set forth by law or ordinance or established by the rules and regulations of any federal, state or local agency, department, commission, association or other pertinent governing, accrediting, or advisory body, including The Joint Commission (“Joint Commission”), having authority to set standards for health care facilities. At all times while this Agreement is in effect, the CEO shall have the right to request removal of any such Contractor Staff if in the CEO’s best judgment such removal is in the best interests of Hospital. Contractor hereby agrees to immediately remove any such Contractor Staff upon receipt of the CEO’s request.

c. **Records and Reports.** Contractor shall contemporaneously record and maintain all information pertaining to Contractor’s performance of duties under this Agreement. Contractor’s records of billings and receipts relating to Services performed hereunder shall be available to Hospital upon request. Contractor agrees that all records and reports required by this Subsection shall be the exclusive personal property of Hospital.

d. **Representations and Warranties.** Contractor represents and warrants to Hospital as follows: (i) neither Contractor nor any Contractor Staff is bound by any agreement or arrangement which would preclude Contractor or any Contractor Staff from entering into, or from fully performing the Services required under this Agreement; (ii) no Contractor Staff’s

license or certification in the State or in any other jurisdiction has never been denied, suspended, revoked, terminated, relinquished under threat of disciplinary action, or restricted in any way; (iii) neither Contractor nor any of Contractor Staff has ever been charged with or convicted of a criminal offense related to health care or listed by a federal agency as debarred, excluded or otherwise ineligible for federal program participation.

e. **Background Verifications.** Contractor shall provide Hospital with a description of its background investigation processes, shall attest to Hospital that Contractor has completed a background check for each Contractor Staff providing Services at Hospital in the form attached hereto as Exhibit B, and disclose to Hospital any positive findings for any Contractor Staff providing Services to the extent permitted by law and shall provide Hospital or its designee access to the background screening results upon reasonable notice. A background check will be considered "completed" if it includes, at a minimum, all of the following elements: (1) 7 year criminal background check in current and previous counties of residence and employment, (2) confirmation that Contractor Staff is not listed as sexual offender and, if requested by Hospital, in any child abuse registry. Hospital shall have the right to require the withdrawal of any Contractor Staff in the event that Contractor Staff fails to meet the standards established by Hospital for acceptable background.

f. **Licenses.** Contractor and Contractor's Staff shall maintain any professional licenses required by the laws of the State of California at all times while performing services under this Agreement.

2. **CONTRACTOR'S COMPENSATION.** For the Services rendered pursuant to this Agreement, Hospital shall pay Contractor, as its sole compensation hereunder, as set forth in Exhibit C, attached hereto and incorporated herein by the reference, payable within 30 business days of receipt of written documentation of the performance of the Services. Notwithstanding the foregoing, no compensation shall be payable to Contractor for any services for which Contractor has not submitted such documentation as reasonably required by Hospital, including, without limitation, the IRS Form W-9 "Request for Taxpayer Identification Number and Certification." Contractor shall have the sole responsibility to compensate Contractor Staff. Contractor reserves the right, in its sole discretion, to determine the compensation payable to Contractor Staff. Contractor hereby agrees to indemnify and hold Hospital harmless from any and all claims, costs and/or liability suffered or incurred by Hospital in connection with any claims for compensation by Contractor Staff for Services rendered hereunder. The indemnification obligations herein stated in this Subsection shall survive the termination and/or expiration of this Agreement.

3. **TERM.** The term of this Agreement ("Term") shall be **one (1) year** commencing on the Effective Date. If the parties continue to abide by the terms and conditions of this Agreement without having executed a renewal or extension of this Agreement or advised the other party of such party's intent not to renew or extend this Agreement, then this Agreement shall automatically be extended on a month-to-month basis for up to six (6) months.

4. **TERMINATION.**

a. **Termination Without Cause.** Either party may, in its sole discretion, terminate this Agreement without cause by giving the other party at least **thirty (30) days'** prior written notice.

b. **Termination for Breach.** Either party may terminate this Agreement upon breach by the other party of any material provision of this Agreement, provided such breach continues for fifteen (15) days after receipt by the breaching party of written notice of such breach from the non-breaching party.

c. **Immediate Termination by Hospital.** Hospital may terminate this Agreement immediately by written notice to Contractor upon the occurrence of any of the following: (i) breach by Contractor or any Contractor Staff of any of the confidentiality provisions hereof; (ii) closure of Hospital, cessation of the patient care operations or sale of Hospital or of all, or substantially all, of Hospital's assets; or (iii) Contractor or any of Contractor Staff's conviction of a criminal offense related to health care or Contractor or any Contractor Staff's listing by a federal agency as being debarred, excluded, or otherwise ineligible for federal program participation.

d. **Termination for Changes in Law.** In the event that any governmental or nongovernmental agency, or any court or administrative tribunal passes, issues or promulgates any new, or change to any existing, law, rule, regulation, standard, interpretation, order, decision or judgment (individually or collectively, "Legal Event"), which a party (the "Noticing Party") reasonably believes (i) materially and adversely affects either party's licensure, accreditation, certification, or ability to refer, to accept any referral, to present a bill or claim, or to receive payment or reimbursement from any governmental or non-governmental payor, or (ii) indicates a Legal Event with which the Noticing Party desires further compliance, then, in either event, the Noticing Party may give the other party thirty (30) days prior written notice of its intent to amend or terminate this Agreement. Notwithstanding the foregoing, the Noticing Party may propose an amendment to the Agreement to take into account the Legal Event, and, if accepted by the other party prior to the end of the thirty (30) day notice period, the Agreement shall be amended as of the date of such acceptance and if not amended shall automatically terminate.

e. **Effect of Termination.** As of the effective date of termination of this Agreement, neither party shall have any further rights or obligations hereunder except: (a) as otherwise provided herein; (b) for rights and obligations accruing prior to such effective date of termination; and (c) arising as a result of any breach of this Agreement.

5. **CONTRACTOR'S STATUS.** In performing the Services, Contractor and Contractor Staff are acting as independent contractors, and neither Contractor nor Contractor Staff shall be considered an employee of Hospital. Hospital shall not exercise any control or direction over the manner or method by which Contractor provides the Services. However, Contractor shall require all Contractor Staff to perform at all times in accordance with currently approved methods and standards of practice for Services in the medical community. The provisions set forth herein shall survive expiration or other termination of this Agreement, regardless of the cause of such termination.

6. **INSURANCE.**

Contractor shall secure and maintain at all times during the Term, at Contractor's sole expense, general liability insurance covering Contractor, and Contractor's Staff, with a carrier licensed to do business in the State and having at least an "A" BEST rating, at the following limits:

Such insurance shall name Hospital as an additional insured and shall not be cancelable except upon 30 days' prior written notice to Hospital. Such coverage shall be primary and non-contributory. Contractor shall annually provide Hospital a certificate of insurance evidencing such coverage and coverage extensions.

Contractor certifies awareness of the laws of the State of California requiring employees to be insured against liability for workers compensation, and agrees to comply with all applicable laws regarding Workers' Compensation Insurance and coverage during the term of this Agreement.

In instances where Contractor is a self-insured public entity, the foregoing insurance provisions may be waived by Hospital. Contractor agrees to provide Hospital with proof of such self-insurance coverage upon request by Hospital. In the event that Contractor ceases being adequately self-insured, and/or terminates the self-insurance of Contractor, the foregoing insurance requirements shall be in full force and effect. Contractor agrees to provide written notification to Hospital in the event that the self-insurance of Contractor becomes inadequate and/or is terminated. Failure to provide such notice shall be a means for termination of this Agreement.

7. **ACCESS TO BOOKS AND RECORDS.** If the value or cost of Services rendered to Hospital pursuant to this Agreement is \$10,000 or more over a 12-month period, in accordance with section 1861(v)(1)(I) of the Social Security Act, Contractor agrees that at least for four (4) years after the furnishing of such Services, Contractor shall, upon written request, make available to the Secretary of the United States Department of Health and Human Services (the "Secretary"), the Comptroller General of the United States, or their respective duly-authorized representatives, such books, documents, and records as may be necessary to certify the nature and extent of the cost of such Services.

A waiver by either party of a breach or failure to perform hereunder shall not constitute a waiver of any subsequent breach or failure. Contractor shall not assign or transfer, in whole or in part, this Agreement or any of Contractor's rights, duties or obligations under this Agreement without the prior written consent of Hospital, and any assignment or transfer by Contractor without such consent shall be null and void.
