7 CHANNEL'S principal function or DISTRICT'S ability to operate and maintain CHANNEL; and

8 F. Subject to the provisions of this License Agreement, DISTRICT is willing
9 to (i) allow CITY to construct trail improvements within CHANNEL RIGHT OF WAY, (ii)
10 allow CITY to operate and maintain said trail improvements, and (iii) allow the public to utilize
11 the trail improvements for compatible non-motorized recreational uses; and

12 G. In accordance with the provisions of this License Agreement, CITY is
13 willing to (i) prepare, or cause to be prepared, plans and specifications for PROJECT and submit
14 to DISTRICT for its review and approval, (ii) cause the construction, inspection, operation and
15 maintenance of PROJECT at no cost to DISTRICT, (iii) conduct periodic safety inspections of
16 TRAIL improvements, and (iv) indemnify and hold DISTRICT harmless from any claims arising
17 from public's use of TRAIL or CITY'S responsibilities in connection therewith or the condition

19 H. It is in the public interest to proceed with this Agreement.

20 NOW, THEREFORE, the parties hereto mutually agree as follows:

21 SECTION I

22 CITY shall:

1 1. Pursuant to California Environmental Quality Act (CEQA), assume lead
2 agency role and responsibility for preparation, circulation and adoption of all necessary and
3 appropriate CEQA documents pertaining to construction, operation and maintenance of TRAIL.

4 2. Prior to constructing any improvements or performing any physical

6 specifications for PROJECT, hereinafter together called "IMPROVEMENT PLANS", and
7 submit to DISTRICT for review and approval.

8 3. Pay all costs associated with preparation of IMPROVEMENT PLANS and
9 DISTRICT'S review and approval thereof.

10 4. Pay all costs associated with DISTRICT'S preparation and administration
11 of this License Agreement.

12 5. Obtain an encroachment permit from DISTRICT, pursuant to its rules and
13 regulations and comply with all provisions set forth therein, prior to commencing construction
14 of PROJECT or any other improvements within CHANNEL RIGHT OF WAY.

15 6. Prior to commencing construction, furnish DISTRICT with copies of all
16 permits, approvals or agreements as may be required by any Federal, State or local resource
17 and/or regulatory agencies for the construction, operation and maintenance of PROJECT. Such
18 documents, hereinafter called "REGULATORY PERMITS", include but are not limited to those
19 issued by the U.S. Fish and Wildlife Service, U.S. Army Corps of Engineers, California Regional
20 Water Quality Control Board, California Department of Fish and Wildlife, the State Water
21 Resources Control Board and Western Riverside County Regional Conservation Authority.

22 7. Assume sole responsibility for compliance with the requirements of all
23 REGULATORY PERMITS, including any amendments thereto, pertaining to the construction,
24 operation and maintenance of PROJECT.

1 8. Ensure that REGULATORY PERMITS, including any subsequent renewal
2 or amendments thereto, will not (i) impede DISTRICT'S ability to perform all necessary
3 operation and maintenance activities for CHANNEL as determined by DISTRICT, or (ii) include
4 any stipulations that would result in additional mitigation obligations being placed upon
5 DISTRICT for maintenance operations within CHANNEL'S right of way.

6 9. Cause PROJECT to be constructed, in accordance with IMPROVEMENT
7 PLANS approved by DISTRICT, and pay all costs associated therewith.

8 10. Not permit any change to, or modification of, DISTRICT permitted
9 IMPROVEMENT PLANS without the prior written permission and consent of DISTRICT.

10 11. Assume sole responsibility for the design, construction, operation and
11 maintenance of PROJECT, including all necessary modifications, repairs, corrections or
12 temporary removal as deemed necessary by DISTRICT for the continuing function,
13 reconstruction, repair or operation and maintenance of CHANNEL.

14 12. Within CHANNEL RIGHT OF WAY (i) assume sole responsibility for the
15 operation and maintenance of all CITY constructed improvements, including but not limited to,

1 13. Ensure the safety of the public who may utilize CHANNEL RIGHT OF
2 WAY by conducting periodic safety inspections and promptly making repairs that are necessary
3 to safeguard the public and its use thereof.

4 14. Promptly repair any damage to CHANNEL resulting from CITY'S use of
5 CHANNEL RIGHT OF WAY under the license granted herein unless such damage is caused by
6 flooding, or is the result of DISTRICT'S customary operation, maintenance or improvements to
7 its facilities located therein.

8 15. Waive any claim against DISTRICT for damages to TRAIL resulting from
9 DISTRICT'S customary operation and maintenance activities performed within CHANNEL
10 RIGHT OF WAY or its appurtenant works, including any natural calamity, act of God, or any
11 cause or conditions beyond the control of DISTRICT, save and except damages resulting from
12 DISTRICT'S active negligence or willful misconduct.

13 16. Immediately remove, upon written request by DISTRICT'S General
14 Manager-Chief Engineer, any improvements and/or equipment not previously approved by
15 DISTRICT or cease use where CITY has installed any such improvements and/or equipment or
16 CITY has used or allowed use of CHANNEL RIGHT OF WAY in a manner which, in the sole
17 opinion of DISTRICT'S General Manager-Chief Engineer, would be detrimental to the operation
18 of CHANNEL.

19 17. If in the opinion of the General Manager-Chief Engineer, the public's use
20 of CHANNEL RIGHT OF WAY may cause or contribute to a public hazard, a public nuisance,
21 degradation of water quality or any other matter of substantial concern, DISTRICT reserves the
22 right to require remediation and, if remediation is unsuccessful, to terminate this License
23 Agreement.

1 4. Upon DISTRICT approval of IMPROVEMENT PLANS and
2 REGULATORY PERMITS, issue an encroachment permit to CITY for the construction,
3 operation and maintenance of PROJECT in accordance with DISTRICT approved
4 IMPROVEMENT PLANS and subject to the provisions set forth in DISTRICT'S encroachment
5 permit.

6 5. Grant CITY a license to utilize CHANNEL RIGHT OF WAY for public
7 recreation purposes, provided that CITY'S activities do not, in any way whatsoever, impair
8 CHANNEL'S primary flood control purpose and function or otherwise interfere with
9 DISTRICT'S ability to operate, maintain, repair or reconstruct CHANNEL or any of its
10 appurtenant works. Said license may be revoked by DISTRICT in the event that said uses unduly
11 compromise CHANNEL'S primary flood control purpose and function or interfere with
12 DISTRICT'S ability to operate and maintain CHANNEL.

13 6. Provide CITY with written notice of (i) any non-compatible use or
14 condition that is not in conformity with the provisions of this License Agreement, or (ii) any
15 condition which, in the sole opinion of DISTRICT'S General Manager-Chief Engineer, could
16 adversely affect the primary flood control function of CHANNEL or DISTRICT'S ability to
17 operate and maintain CHANNEL, and grant CITY thirty (30) days from and after such notice to
18 correct any such nonconforming use or condition.

19 7. Continue to maintain CHANNEL'S structural integrity, including but not
20 limited to lines and grades, inlets, fencing, ramps and existing access roads to such an extent that
21 CHANNEL continues to function as a flood control facility at its design level.

22 8. Assume no responsibility, obligation, or liability whatsoever, for (i) the
23 design, construction, inspection, operation and maintenance of PROJECT, or (ii) CITY'S public's
24

1 CITY to require exact, full and complete compliance with any terms of this License Agreement
2 shall not be construed as in any manner changing the terms hereof, or estopping DISTRICT or
3 CITY from enforcement hereof.

4 6. If any provision in this License Agreement is held by a court of competent
5 jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless
6 continue in full force without being impaired or invalidated in any way.

7
8 7. This License Agreement is to be construed in accordance with the laws of
9 the State of California.
