Table 9 – Project Summary

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The County of Riverside is the fourth most populated county in the State, consisting of urbanized neighborhoods, suburban cities, and rural communities. The County is divided into five (5) Supervisorial Districts and approximately sixty-three (63) unincorporated communities and neighborhoods. The Riverside “Urban County” CPD program includes fourteen (14) cities with populations under 50,000 (participating cities), one (1) “Metro” City with a population over 50,000, and the unincorporated areas of Riverside County. The Metro City is eligible to participate in the CPD programs as an entitlement jurisdiction and receive funding directly from HUD however; the city has elected to join the Urban County for the overall implementation of these programs.

The County is committed to the most effectual distribution of CDBG, HOME, and ESG funds to primarily these areas of the County and to programs and projects that serve the most disadvantaged residents in these communities. The goal is to address high-priority community development needs outlined in the County’s CP. (Refer to County Map and Minority and Low- and Moderate- Income Concentration Maps in Appendix J/K)

Each CDBG and ESG application received was scored and ranked according to the CP priorities, urgency of needs, readiness of projects, experience of program/project administrators, and cost-effectiveness. CDBG program funds will be distributed and expended based on program criteria. The County has not established specific priority or target areas per se to focus the investment of CDBG funds therefore, for purposes of the 2016-2017 OYAP, geographic target areas are more loosely defined to include administration, countywide, supervisorial districts, cooperating cities, and metro city(s). Priority is given to CDBG projects that benefit the greatest percentage of low- moderate- income persons, both as Low-Mod Area (LMA) or Low-Mod Clientele (LMC). Some service providers in the County may not always be located in low- moderate- income census tracts yet their services are designed and intended for low-moderate- income clients. These may include clinics, food pantries, senior centers, health care facilities, etc. CDBG housing rehabilitation programs will be provided on a county-wide basis in each participating city and in the unincorporated County areas based on low- and moderate- income qualified residents. Supportive services will be available throughout the Urban County to low- and moderate- income residents and persons with special needs. Public and infrastructure improvements will be located primarily in the Urban County’s low- and moderate-income areas or where those with special needs can benefit from ADA improvement projects. ESG funds will be awarded to projects that will best serve the priority needs of homeless individuals and families and those at risk of becoming homeless. HOME funds will be distributed to those projects that meet priority needs, are timely, and meet other evaluation factors that indicate a strong probability the project will be executed.

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically:

The national objective and performance outcome measurement system established by HUD is used as the basis for assigning priorities to needs for which funding may be allocated. The overall priority for this Plan is to use CPD Federal funds for lower-income residents and individuals with special needs so that they can achieve a reasonable standard of living. The County is committed to allocating funds that serve the needs of the lowest-income and most disadvantaged residents. Households with incomes less than 50 percent of the area median income, particularly those with extremely low-incomes (less than 30 percent of area median income), are particular priorities. In addition to projects and programs available to eligible participants, specific projects and programs are targeted to the designated low/moderate income CDBG Benefit Service Areas, defined as geographic locations (census block groups) where a minimum of 51% of the households residing in those areas are low- to moderate-income, described above.

Other established priorities for allocating CPD funds are based on a number of criteria, including: the established need; eligibility of activities/programs; urgency; cost efficiency; identified gaps in service; availability of other funding sources to address specific needs; and comments and feedback received from citizen participation efforts.

Priorities are based on the County's belief that, by increasing self-sufficiency and economic opportunity, many of the housing, social service, educational, and other needs can be addressed more readily.

Discussion

In order for an activity or project to be eligible for funding, it must qualify as meeting one of the three national objectives of the program:

- Principally benefit (at least 51%) low and moderate income persons;
- Aid in the prevention of slums or blight; or
- Meet community development needs having a particular urgency.

Priorities that guide the allocation of CPD funds are derived from the following goals:

- To provide decent housing;
- To provide a suitable living environment; and
- To expand economic opportunities.

In addition to national objectives and performance measurements, the County must weigh and balance the input from different groups and assign funding priorities that best bridge the gaps in the County's service delivery system. The County received input through outreach efforts helping to prioritize funding for community facilities, community services, homeless facilities and services, economic development, and public improvements. In summary, projects are reviewed and funding allocations are made based upon the above criteria, including the projects ability to reach and serve the areas and persons with the greatest need.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

Lower-income households continue to pay a higher percentage of their income for housing, compared to other income groups. A large proportion of lower income renter-households also tend to experience other housing problems such as overcrowding and inadequate housing conditions. In order to help provide decent and affordable housing, and improve the social and economic status for extremely low-, very low-, low-, and moderate-income households in the County of Riverside, the following priorities have been established:

1. Provide homeownership opportunities for first-time homebuyers and for the low- and moderate-income community.

Homeownership may provide many social and financial benefits to families, children, and communities. There is considerable evidence that homeownership experiences result in greater social stability, education completion, civic participation, and improved quality of life, according to “Reexamining the Social Benefits of Homeownership after the Housing Crisis” (Joint Center for Housing Studies of Harvard University, August 2013) and “Social Benefits of Homeownership and Stable Housing” (National Association of Realtors®, April 2012).

2. Improve the conditions of substandard housing and substandard existing rental housing for the low income community.

As the County’s housing inventory ages, maintenance and repairs become more critical. If units fall into disrepair, residents may be subject to unsafe and unhealthy living conditions. Maintaining older units and ensuring that durable construction materials are used for new housing is important in maintaining the supply of housing in the County.

3. Expand the affordable rental housing stock for low-income and special needs households.

Based on cost burdened household data from Comprehensive Housing Affordability Strategy (CHAS) and coupled with National Low Income Housing Coalition (NLIHC) projections, there is a great need to expand affordable rental housing stock for low-income households, as well as special needs households including elderly, large families, HIV/AIDS and their families.

4. Shelter the homeless.

According to the 2011 Riverside County Homeless Count & Survey Comprehensive Report, prepared by Applied Survey Research, on a given day throughout the County of Riverside, there are approximately 6,203 adults and children who are homeless. Of these, more than 82 percent live on the streets and nearly 18 percent live in emergency shelters or transitional housing. Although HOME regulations

prohibit the use of funds for the construction of shelters, the County seeks to develop and construct transitional to permanent housing for the homeless.

5. *Address farm worker and migrant farm worker housing needs in Riverside County.*

Based on December 2014 Labor Market Information from the California Employment Development Department, there were 15,400 farm labor jobs in Riverside County, primarily in the Coachella Valley region. In a survey conducted in December 2006, among 525 farm workers, 72% identified that they live year-round in the Coachella Valley. Approximately 88% lived in conventional housing situations including apartments, houses, and mobile homes. Over 66% were renters living with family members contributing to overcrowding. Among those interviewed, 2% identified that they lived in situations not meant for human habitation such as outdoors, cars, trailers on private property, or in converted garages.

Discussion

Five-Year Affordable Housing Objectives:

The County’s Specific Affordable Housing Objectives for the (2014-2019) period are addressed in the following discussion. The discussion includes the basis for assigning the priority; obstacles to meeting underserved needs, and proposed accomplishments that the County hopes to achieve over the next five years.

1. Provide homeownership opportunities for first-time homebuyers and for the very low-, low- and moderate-income community.

1. First Time Home Buyer (FTHB) Program - HOME down payment assistance for very low and low-income households that have not had ownership interest in improved upon residential real

property within the most recent three-year period. A covenant agreement will be recorded on the property for the required minimum affordability period based on the down payment assistance amount provided to the homebuyer per §92.254(a)(4) of the HOME rule.

2. Mortgage Credit Certificate (MCC) - Tax credit for qualified households to reduce homeowner income tax liability and increase disposable income to allow the homeowner to afford higher housing costs given their income.

2. Improve the conditions of substandard housing and substandard existing rental housing affordable to low-income families.

1. Low-Income Home Energy Assistance Program (LIHEAP) - Community Action Partnership of Riverside County administers a weatherization program available to low income homeowners.

3. Address farm worker and migrant farm worker housing needs in Riverside County and in the Coachella Valley.

1. Farm worker Housing - HOME assistance for the development, construction, or rehabilitation of affordable housing for low-income farm worker households.

4. Expand the affordable rental housing stock for low-income and special needs households

1. Multi-family - HOME assistance for the development and construction of affordable rental housing for low-income households. Assisted units will be restricted to a minimum of 20-years; a covenant agreement will be recorded on the property for the required minimum affordability period.

5. Shelter the homeless. (Note: HOME regulations restrict the use of funds for the development and construction of homeless shelters or temporary housing.)

1. CDBG Public Service Activities - CDBG assistance to non-profit agencies that provide emergency shelters and supportive services for homeless persons.
2. Emergency Shelter Grant (ESG) Activities - ESG assistance for selected non-profit agencies for emergency shelter and essential services for homeless persons.
3. County Supported Single Room Occupancy (SRO) Housing - Supportive services and housing for homeless at La Hacienda Apartments (formerly Miles Ave SRO) and Geel Place (formerly Western Riverside SRO) located in Eastern Riverside County and Western Riverside County, respectively. Tenant Based Rental Assistance Program (TBRA) – The TBRA program is designed to provide extremely low-income homeless individuals and families earning no more than 30% of the area median income a one-time grant to pay for the utility and/or security deposit and 12 months of rental assistance.

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of the County of Riverside administers and manages several programs to address the housing needs of residents county-wide. The annual estimated operating budget of \$98 million is allocated to fund Housing Authority projects and programs.

The Public Housing Program provides decent, safe, and sanitary housing to low and moderate-income families, seniors, and persons with disabilities. These multi-family developments were constructed or purchased with funding provided by HUD. The property units are operated and maintained by the Housing Authority with funding subsidies from HUD. The Department of Housing and Urban Development (HUD) has conditionally approved three (3) Commitments to Enter into a Housing Assistance Payment (CHAPs) under the Rental Assistance Demonstration (RAD) program for its public housing properties which will result in the full conversion of HACR's 469 unit public housing portfolio to units assisted with Project Based Vouchers, which are commonly referred to as "Section 8" units. The Rental Assistance Programs are tenant based utilizing Section 8 (Voucher) Rental Assistance Payments. The Section 8 (Voucher) program assists lower-income households with rental assistance to provide an opportunity to live in affordable, decent, safe, and sanitary housing.

Actions planned during the next year to address the needs to public housing

The Housing Authority will be converting all of its public housing stock to long term project based Section 8 contracts through the Rental Assistance Demonstration (RAD) program. The RAD application has been approved by HUD and the Housing Authority will initiate the conversion process in Fiscal Year 2016-2017 per the policies and procedures required by HUD. This will allow more funding flexibility to maintain and improve existing public housing stock.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority operates on the premise that affordable housing is not the end goal for a family but a stepping stone to reach full sufficiency in market rate housing. The ultimate goal is for the agency's families to successfully graduate to homeownership. To actively engage residents in this goal the agency has taken the following actions:

1. Regular engagement of residents via onsite managers, a resident newsletter, and through specialized self-sufficiency coordinators funded through HUD's Resident Opportunity and Self-Sufficiency (ROSS) program and Family Self-Sufficiency Program.
2. Providing outreach and information to all Public Housing residents on community homeownership initiatives and credit counseling agencies.
3. Working collaboratively with our local Habitat for Humanity to provide public housing residents with

targeted homeownership opportunities.

4. The implementation of grant funded ROSS programs (noted above) at strategic public housing sites to provide one-on-one coaching to families with the goal of increasing the household's income and assisting the household with attaining homeownership within a three year period.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

N/A – HACR is not a troubled agency and has been rated as either a HUD “High Performer” or a “Standard Performer” in the past 5 years.

Discussion

Refer to above discussion.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The County Continuum of Care (CoC) was notified in March, 2016 of its 2015 Continuum of Care Tier 1 Program funding, it is estimated that HUD will be announcing the Tier 2 awards sometime prior to June 2016 . The County Department of Public Social Services will receive \$8,711,433 for 26 projects including: transitional housing, permanent supportive housing, , Rapid Rehousing and HMIS. This amount includes the renewal burden demand of existing CoC housing and services programs, but also the following new funding:

- Path of Life East County: \$377,260
- Coordinated Entry System Project: \$500,000
- Collaborative Applicant Planning Grant: \$292,607

The County's priorities for ranking applications as per HUD guidelines put permanent housing (including permanent supportive housing for chronically homeless) and rapid rehousing families with children as its highest priority.

The above funds will leverage the County's, relatively small, allocation of \$649,342, Emergency Solutions Grant (ESG) funding, used to support shelter operations (\$378,000), outreach services (\$10,000), homelessness prevention (\$35,000), rapid re-housing (\$177,642), and County administration of the program (\$48,700).

Issues contributing to homelessness include increases in the number of persons whose income falls below the poverty level, reductions in subsidies to the poor, lack of affordable housing for low- and moderate-income persons, drug/alcohol abuse, and the de-institutionalization of the mentally ill. The housing market and economic conditions have also resulted in some families facing homelessness due to foreclosures, unemployment, and/or underemployment.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including: Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The County of Riverside CoC has established chronically homeless persons as the highest need priority based on the goals HUD has established in its Opening Doors Federal and Strategic Plan to Prevent and End Homelessness. The CoC is in the process of implementing a coordinated entry system to ensure appropriate intervention through program admissions that will be marketed to community groups and outreach providers who coordinate outreach efforts with staff trained to guide households through the process regardless of age, gender, ethnicity, disability, etc. Within the CoC, there are several outreach teams from county, city and nonprofit homeless providers that cover specific populations or geographic regions in the county. There are also specific outreach teams serving the mentally ill, veterans, youth

and chronic homeless. The teams collaborate weekly and each conducts daily mobile outreach and provides client services focused on the chronically homeless populations living on the streets to connect them with supportive services and achieve housing stability. The Department of Mental health (now named the Behavioral Health), has outreach peer specialists that perform initial field assessments, in depth assessments, referrals to all contacts, linkage to various community organizations, assistance with entitlement questions and problems, linkage to mental health providers for assessment and services if appropriate, and emergency shelter and transitional housing by partnering with community agencies as well as facilitating referrals and other linkages to services.

Addressing the emergency shelter and transitional housing needs of homeless persons

Currently, in Riverside County there are 805 emergency beds and 577 transitional housing beds. The Housing First approach adopted by the county and CoC requires that homeless are helped into permanent housing or rapid re-housing as soon as possible. Transitional housing beds have begun to decrease in the county and permanent housing is increasing because of reallocations made in the HUD CoC Program Consolidated Application and the CoC's success in obtaining new funding for Permanent Supportive Housing. Both Transitional Housing and Emergency shelters focus on lessening the time that a homeless person or family's length of time homeless (LOTH) in the shelter by effective and quick assessment of homeless clients and getting them stabilized into permanent housing with intensive case management initially and support in the initial phase of residency in permanent housing. This period will serve as a time to address the other needs to maintain self-sufficiency either by accessing mainstream benefits, employment or medical or mental health support.

The CoC works with the county's Economic Development Agency and other public funding agencies to integrate the CoC Programs and the Emergency Solutions Grant, Social Services to Veteran Families (SSVF) and CDBG funding to increase the number of families with children who are assisted through rapid re-housing. In addition, other non-McKinney-Vento funding sources, such as Emergency Food and Shelter Program (EFSP), funded under Federal Emergency Management Agency (FEMA) will be matched as a source for rental/mortgage assistance for families that are homeless or at-risk of homelessness in the county's strategy to meet this goal.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The CoC is implementing a countywide Coordinated Entry System to assess homeless individuals/families using the VI-SPDAT that tracks the length of time a client has been on the streets or

in Emergency Shelter. DPSS will use HUD CoC Program planning grant funding to measure system-wide performance in HMIS, such as length of time homeless. This will be used to help the CoC prioritize and house those with longest length of time homeless. The planning process also included creating a CoC Standards and Evaluation Committee in 2015 that is developing strategies to prioritize CH individuals/families with longest time homeless and most severe needs, including:

- Increasing the supply of permanent supportive housing and rapid rehousing;
- Housing individuals/families identified in CES with the longest time homeless first; and
- Using HMIS data to record episodes of homelessness and destination at program exit to track agency and system performance.

The CoC has also adopted a “Housing First” approach that is based on new evidenced-based and promising practices and endorsed by HUD to place a homeless individual or family in permanent housing and provide services to keep them stably housed.

Homeless CoC youth providers have implemented outreach and service based events in the communities to draw homeless youth, unaccompanied and transitional age into contact with services available to them. The Operation SafeHouse is the only CoC youth provider that has opened a permanent supportive housing program called Harrison House, for transitional age youth, in the eastern desert region of Riverside County.

Homeless Veterans and Families Preventative services for homeless veterans and their families has increased with the awarding and introduction of the Supportive Services for Veterans Families (SSVF) grant program in 2013 to Riverside County. In 2014, two SSVF funded agencies received a total of \$3 million in surge funding to expanded housing and supportive services for veterans and their families. CoC providers who have received SSVF funding have been able to assist homeless veterans and their families or have been able to prevent them from becoming homeless. SSVF provides for outreach, case management, and assistance with obtaining veteran and other mainstream benefits. Client based needs for health care, transportation, legal services, housing counseling, and rapid re-housing are some of the preventative and stabilizing aspects of the program. SSVF grantees must be actively involved with the CoC in Riverside County. Community events like “Veterans Stand Down” for homeless, veterans provided Veterans Affairs Supportive Housing (VASH) vouchers to chronically homeless and much needed services to those who have been unable to go directly to the Veteran’s Services Office or were non-eligible for services. Mainstream and public benefit services are made accessible to homeless veterans through community providers present at these types of events.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The County of Riverside CoC Discharge Policy is mandated by the state and followed by the CoC. The CoC established a Discharge Planning Committee, responsible for implementing policies and protocols and coordinating with various organizations, to ensure that persons being discharged from a publicly-funded institution or system of care are not discharged immediately into homelessness. The goals are to identify discharge housing needs inclusive of housing and supportive services and to link the individual with community resources that will include mental health services, substance abuse support, and housing. Health Care, The Hospital Association of Southern California Inland Area, serves as the lead agency on the Discharge Planning Committee to facilitate communication regarding the discharge planning needs of homeless persons from acute care hospitals. Mental Health, The County of Riverside Department of Mental Health (now called the Riverside University Medical System – Behavioral Health), collaborates with DPSS and the CoC in the coordination and implementation of discharge planning for homeless individuals disabled by a serious mental health and/ or substance abuse disorder(s). Foster Care and Extended Foster Care programs help transition dependent youth who are emancipating from foster care to independent living. Corrections, The Department of Public Social Services and the Riverside Sheriff's and Probation Departments, support the Continuum of Care's mission of working towards reintegrating persons leaving correctional facilities to community based living and self-sufficiency.

Through AB 109 termed 'Early Releases' incarcerated individuals were released early from local correctional facilities. This created a plethora of individuals released onto the streets in 2012. The Department of Public Social Services and the Probation Department along with other law enforcement agencies and CoC partner agencies like the Department of Mental Health (now Behavioral Health) created a process which included emergency services and housing opportunities for qualified persons. The awareness of the lack of services for persons released from incarceration and the data collected from the 2013 Homeless Point in Time Count gave the county and the CoC hard data on other sources to homelessness and was an added impetus to the inclusivity of homelessness.

Discussion

The Department of Public Social Services, as the County of Riverside's Continuum of Care Collaborative Applicant and lead agency, maintains and creates the commitment and resources needed to leverage community stakeholders, agencies, business and non-profit partners. These partnerships have become solidified through the annual HUD CoC Homeless Assistance Consolidated Application and the CoC network program activities.

These local and community, non-profit agencies and organizations offer prevention services and help close the gaps of homelessness through the local, state and private funding streams accessed by them. Other CoC providers and community stakeholders through their mission to specific sub-populations, such as homeless veterans are able to leverage federal funding sources in partnership with agencies like the Department of Mental Health (Behavioral Health), Housing Authority, Veterans Administration, and the DPSS Self Sufficiency programs. Local efforts like the County and City of Riverside using Federal and local dollars fill in where needed and work in conjunction with the non-profit organizations in their community to end homelessness. Mainstream benefits are made accessible to qualifying clients through the CoC program housing providers, local non-profit organizations, agencies and educational institutions which collaborate and work on creating accessibility to homeless emergency services for homeless families and individuals. These local providers, private and public, help clients gain accessibility to benefits or to enhance the support given to them in CoC housing programs.

The 2016-17 goal and highest priority for the CoC is to fully implement a countywide Coordinated Entry System (CES).

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The County of Riverside covers an area of 7,208 square miles with an estimated population of 2.3 million. Within the territory of the County there are highly diversified areas that consist of high density urbanized areas and also lower density rural areas. However, the need for affordable housing remains at-large throughout the entire County. Within the vast areas of the County there are several barriers to the production of affordable housing which are as follows:

Land Use: The land use implications relate in particular to parcels that require a zone change to a zoning classification that allows multi-family housing due to their inconsistency with the General Plan designation. In order to address the inconsistencies with zoning and the County's General Plan, the County is developing a programmatic rezoning process to bring these parcels that are incorrectly zoned under the site inventory in conformity with the overlying General Plan designation which will eliminate zoning constraints for public and private sectors.

Density: Density is also a critical factor in the development of affordable housing. In the current economic state where funds have diminished, maintaining lower costs to the development of affordable housing is critical. Overall, maintaining higher density lowers the per unit land cost. Since the need for affordable housing is recognized as a significant housing problem in the County of Riverside, the County has established the R-6 zone as a residential incentive that allows flexibility in the density based on the physical and service constraints in the area. As a result affordability is restricted on the units. In the past the County has utilized R-6 zoning on two projects and is currently reevaluating the process to increase its effectiveness.

Infrastructure: The need for affordable housing remains large in rural areas of the County. The rural areas employ a significant number of low-income households. However, the need to fulfill the affordable housing need in these areas is strongly hindered by the lack of infrastructure. The Coachella Valley Water District which is the main source of water supply in these areas completed a domestic water hydraulic modeling study which showed that in certain areas of the Eastern Coachella Valley, the demand for housing exceeds the areas water supply. In order to further the development of future affordable housing it is a possibility that additional facilities will need to be incorporated such as pipelines, treatment plants, booster pumping stations and any other facilities determined by the water company at the expense of the developer. Adding these additional expenses to the overall development of a project will significantly increase the cost. In addition to infrastructure costs, most of the projects in this area are located on a flood plain, in which the structure must be raised, or they must have a flood basin which also contributes to the expense of development in these areas.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The County is working to eliminate the identified barriers to affordable housing. In an effort to eliminate these barriers, multiple county departments have strategically planned and implemented effective procedures to cure any deficiencies that result in a barrier to the production of affordable housing. In addition to the procedures mentioned above, the County is continuously seeking funding sources that will alleviate the cost burdendness due to the lack of infrastructure in parts of the County where affordable housing is crucial.

Discussion

The County uses a multi-faceted strategy to address barriers to affordable housing. Limited resources dictate that strategies be focused on the most effective tools possible. A major focus involves the use of both financial and processing assistance to maximize as many housing units as possible. This approach allows the County to quantify affordable housing production and make adjustments to development strategies as necessary.

Development fees and approval delays add to the cost of development. In addition, inflation can increase the cost of both materials and labor. These factors combined with negative public perceptions serve as a major disincentive to the construction of affordable housing and are seen as obstacles by qualified developers.

The County assistance includes implementation of the following programs:

- Project Ombudsman: This program involves the designation of a staff liaison or Ombudsman to work with affordable housing developers and their representatives.
- Gap Financing: Gap financing offers financial assistance in the form of grants; or below market-interest rate loans; and other favorable repayment terms.
- Fee Subsidies: Under certain circumstances, the County will subsidize the payment of development fees.
- Waivers of Development Mitigation Fees: Under County Ordinance Number 659 fee waivers can be granted for publicly subsidized affordable housing projects.
- Public Opposition as a Barrier to Affordable Housing: The County will continue to educate the public about the social and economic benefits of affordable housing.
- Fair Housing as a Barrier to Affordable Housing: The County will continue to affirmatively further fair housing county-wide.
- Tax Policies: The County keeps property taxes at a minimum and does not have a residential or business utility tax.
- Fast Track and Priority Processing: The intent of this program is to expedite the construction of affordable housing projects through all phases of the approval process.

AP-85 Other Actions – 91.220(k)

Introduction

As a collaborative facilitator, the County continues to implement various actions to:

- (1) Address obstacles to meeting underserved needs;
- (2) Foster and maintain decent affordable housing;
- (3) Reduce lead-based paint hazards;
- (4) Reduce the number of poverty-level families;
- (5) Develop institutional structure; and
- (6) To enhance coordination between public and private housing and social service agencies.

(1) Actions planned to address obstacles to meeting underserved needs

Through its annual application process, priorities for use of CDBG, HOME, and ESG funds, the County places highest priorities on activities that meet underserved needs. The primary objective of the County's CPD program is the development of viable urban communities by providing decent, safe, and sanitary housing, and expanding economic opportunities principally for persons of low and moderate-income. One of the most important steps in addressing obstacles to community development is identification and evaluation. Unfortunately, there are barriers and challenges that hinder the development and implementation of important programs intended to serve those most in need. In Riverside County, obstacles for CPD-funded activities include language and culture, location and geography, limited resources, and program restrictions and regulations.

The County identifies projects and services that are flexible but at the same time also meet federal community development program eligibility and can comply with timely draw-down requirements. In FY 2016-2017 it is the County's intent to fund projects that address one or more of the obstacles, described in the Five-Year CP, to meeting underserved needs.

The following established Priority Needs form the basis for allocating investments geographically within the County and are a result of various community outreach efforts and consultation meetings conducted during the Citizen Participation process:

- Improvements to infrastructure and public facilities in order to foster a suitable living environment for low and moderate income households and those with special needs;
- Provision of services and program to benefit low and moderate income households and those with special needs, such as youth (and at-risk youth), seniors, and the disabled;
- Provision of services for the homeless and those at risk of becoming homeless; and
- Provision of affordable housing to low and moderate income households and those with special needs.

The Urban County has extensive housing and community development needs. Generally, the lack of adequate funding is the most critical obstacle to addressing underserved needs. Only eligible activities that received a High priority level in the Five-Year CP, will be funded. The County strongly encourages its own agencies as well as cooperating cities and other sub-recipients to seek other resources and to leverage additional funding whenever possible from local, State, Federal, and private sources. Although needs are high in all of the top priority areas, due to limited funds and resources available, there is a high probability that some of these desired needs will not be addressed.

The mission of meeting and addressing community, social, and economic development needs of low-income persons and their communities is of paramount importance to the County. The County will continue to utilize available resources to fund activities that will benefit those that are the most vulnerable, and meet the underserved needs in the Community. The goal is to work collaboratively with service providers, non-profit organizations, local government, neighborhood councils, local businesses, community residents, and stakeholders to develop an ongoing strategy to meet gaps in the provision of services and strengthen the effectiveness of the County's programs and initiatives.

(2) Actions planned to foster and maintain affordable housing

Refer to AP-55-Affordable Housing for discussion on the County's Affordable Housing strategy and goals.

(3) Actions planned to reduce lead-based paint hazards

The County of Riverside, Environmental Health Department has programs that serve the community to identify and address lead based paint hazards. The programs from the Office of Industrial Hygiene (OIH) are as follows:

Childhood Lead Poisoning Prevention Program (CLPPP): Funded by the State of California, Department of Public Health the Riverside County CLPPP performs provides case management for children with elevated blood lead levels. The CLPPP consists of both nursing personnel, from the County's Department of Public Health, and State of California Lead certified Environmental Health Specialists (EHS) from the County's Department of Environmental Health. The EHS personnel conduct lead paint inspections / risk assessments in order to identify housing-related lead hazards as part of case management.

In addition to performing the environmental assessment of the homes of lead poisoned children, the Department of Environmental Health conducts enforcement actions against those who create lead hazards in Riverside County. The Environmental Health Department also provides outreach and education to Code Enforcement agencies throughout the County and the public at large.

(4) Actions planned to reduce the number of poverty-level families

As noted elsewhere in the document, poverty is a condition with no simple solutions. Poverty is a persistent situation in which low income results from an inability to enter the mainstream. The challenges associated with poverty make it hard for low-income families to obtain and maintain employment, and therefore housing and basic needs. To the extent possible, the County seeks to reduce the number of people living in poverty (extremely low-income households earning less than 30% of the AMI) by providing a combination of direct assistance services and indirect benefit from neighborhood improvements. Economic stability can have lasting and measurable benefits for both parents and children.

The County's Five-Year CP and 2016-2017 OYAP will focus primarily on supporting programs that raise household incomes and stabilize housing situations by supporting anti-poverty activities through the following:

- Rehabilitate substandard existing single-family or multi-family housing for income qualified owners or to owners who rent to income-qualified tenants;
- Provide increased affordable homeownership opportunities for low income households, including seniors and disabled;
- Rehabilitate or provide new affordable housing units that include (1) handicap accessibility for seniors or the disabled (2) Provide housing opportunities for homeless individuals and households earning less than 30% of AMI;
- Encourage economic development in low- and moderate-income areas;
- Provide comprehensive rapid-rehousing and homeless prevention housing programs;
- Encourage Substance Abuse Recovery and Counseling Programs;
- Provide Job Training and Life Skills Development;
- Provide programs and services offering education and wealth building opportunities; and
- Provide access to local Health Programs.

In addition, the County's anti-poverty agency, Community Action Partnership (CAP), addresses poverty through a comprehensive set of strategies that range from crisis management, to financial security, to capacity building for families and communities. The County also supports a network of other Core Service Agencies that are located strategically throughout the County and cover specific geographic areas. They often are the first to intercept clients seeking safety net services, that include information and referrals to other agencies that specialize in particular knowledge and skill sets to address their problems directly. Efforts are continually underway to improve the quality of life and economic well-being of the residents through these types of collaborative efforts.

(5) Actions planned to develop institutional structure

The formation of sustainable partnerships is essential to maintaining a strong institutional structure to ensure that the goals and objectives of the Five Year Consolidated Plan and each OYAP will be addressed by various government agencies, participating cities, nonprofit organizations, and other private and public establishments. The County will facilitate and coordinate activities among public-private agencies and organizations to ensure that the needs for affordable housing, community, social, and economic development opportunities of low- and moderate-income people are addressed.

Coordination efforts not only include collaboration among service providers but also the successful leveraging of financial resources. With the number and variety of participants in the delivery system it can at times be difficult to establish priorities and to allocate resources. The key agencies that are involved in the implementation of the Plan, as well as additional resources that may be available are described in sections AP-10 and AP-15.

Strengths and gaps regarding the institutional structure delivery system were identified through the citizen participation process. The County makes every effort to improve institutional structure by continuing to build and improve relationships with local service providers in order to avoid the possibility of clients falling through the gaps. Even the vast distance between communities can contribute to the impediments encountered by private, non-profit, and government agencies attempting to provide services to low-income residents.

The County's EDA Staff, specifically responsible for the administration of the CPD-funded programs, coordinate activities among the private and public agencies and organizations in the area. More recently, CDBG staff has been tasked with providing additional assistance to the County's participating jurisdictions that have encountered some level of staff reduction resulting in a lack of trained staff, resources, and effective implementation of the CDBG program as a result of local, state, and federal budget cuts.

The County will continue to encourage and support the formation of joint efforts for projects and activities that create viable, self-sufficient communities; decent, affordable housing; a suitable living environment; and expanded economic development opportunities for low-income persons.

(6) Actions planned to enhance coordination between public and private housing and social service agencies

The County will continue to strive to increase affordable housing collaborative efforts with public and private sector entities, numerous advisory agencies, Community Housing Development Organizations (CHDOs), lending institutions, as well as other service providers including Catholic Charities, Office on Aging, and Code Enforcement. Efforts to increase the participation of the CDBG, HOME, Low-income Tax Credit, Federal, State and other local housing program sources will be directed at:

- Strengthening the housing service delivery system by working more closely with the Housing Authority and by collaborating with non-profit organizations;
- Integrating community development block grant housing programs;
- Increasing the involvement of the Community Council, Housing Review Committee, and the Municipal Advisory Council (MAC); and
- Working more closely with identified Community Housing Development Organizations (CHDOs) as well as local city governments.

Refer to above discussions.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction

The 2014-2019 CP describes the jurisdiction's community development priorities and goals based on an assessment of housing and community development needs, an analysis of housing and economic market conditions, and available resources. The County leverages its CDBG, HOME, and ESG funds with other resources to increase the impact on housing, community development, and homelessness issues.

As required by HUD, the identification of needs and the adoption of strategies to address those needs must focus primarily on low- and moderate-income individuals and households. The County's overall priority is to increase self-sufficiency and economic opportunity for lower-income residents and individuals with special needs so that they can achieve a reasonable standard of living. This OYAP focuses on activities to be funded with the three primary entitlement grants from HUD (CDBG, HOME, and ESG).

The primary objective of the CDBG program is to develop viable urban communities by providing decent housing, a suitable living environment, and economic opportunities, principally for persons of low- and moderate- income. The HOME Program will focus on providing decent, safe, and affordable housing, and alleviate rent burdens, homelessness, and deteriorating housing stock. The ESG program will provide outreach and emergency shelter, but places a much greater emphasis on helping people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Applicants requesting funds to support its programs and projects are required to show that they are leveraging other funds to meet their needs. The following provides additional information about the CPD program requirements.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	80.00%

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

HOME funds will only be used for eligible activities as described in the HOME regulations (24CFR§ 92.205). During the 2016 program year, other forms of investment not described in §92.205(b) which the County may use for housing activities include CDBG, NSP, and other local funds.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Recapture Provisions

For acquisition of existing housing, the County has elected to employ the recapture of funds option described in the HOME Regulations at 24 CFR 92.254(a)(5)(ii).

If a HOME assisted housing unit is sold or otherwise transferred during the required affordability period, the County will recapture HOME funds from the net proceeds of the sale of the property.

The net proceeds of the sale shall be determined as the sales price minus the senior loan repayment and closing costs. Recaptured funds will be recycled through the County's HOME Investment Partnership fund in order to assist other HOME eligible activities.

The County will collect a fee of thirty dollars (\$30) for furnishing a beneficiary statement or payoff demand statement as provided by section 2943 of the Civil Code of California. For subordination of debt secured by a deed of trust or agreement containing covenants where EDA is the beneficiary, the County will collect a fee of three hundred dollars (\$300) for processing. The County will prepare and execute documents necessary to reconvey or release the property without charge. However, the homeowner will be responsible for all costs of recordation.

Under current regulations, if affordability restrictions on a HOME project is conveyed to a lender due to foreclosure or transfer in lieu of foreclosure, the Participating Jurisdiction must repay the HOME account because the project has not met the affordability requirements for the full affordability period. If a HOME-assisted homebuyer project with a recapture agreement no longer meets the applicable affordability requirements due to foreclosure, transfer in lieu of foreclosure or assignment of an FHA insured mortgage to HUD (involuntary sales), the County is responsible for repaying the direct HOME subsidy provided to the homebuyer from available net proceeds at the time of foreclosure or transfer in lieu of foreclosure. A short sale or deed in lieu is not considered an involuntary sale and is not permissible under current regulations.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

In exchange for receiving funds to assist in the purchase of a home, the purchaser must sign loan documents, including a Promissory note, Disclosure Notice, and Subordinate Deed of Trust, which will provide upon a sale, transfer, lease or any other disposition, including refinancing or incurring of additional debt secured by the home, within 15 years of purchase, the principal amount of the HOME assistance is repaid to the County.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

HOME funds will not be used for this purpose.

Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

Refer to Appendix G.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The County of Riverside Continuum of Care (CoC) is implementing a Coordinated Entry System (CES) through the 25 Cities Project, a partnership with the U.S. Department of Housing and Urban Development (HUD) to eliminate homelessness among veterans by 2016 and chronic homelessness by 2020. The pilot in the Greater City of Riverside Area has been expanded countywide. A Coordinated Entry System Advisory Team has been formed and meets every other month to develop written standards, policies and guidelines for CES. The goal of a Coordinated Entry System is that it cover a large geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.

Participating agencies will be responsible for engaging chronically homeless individuals and families through the use of Housing Navigators and a standardized vulnerability assessment and intake process that provides referrals to a centralized housing system that places priority on those who are at highest risk with the most appropriate intervention rather than a "first come, first served" approach.

Each assessment point of the coordinated system will handle an initial, comprehensive assessment or screening of client need, data entry, referrals, and, potentially, program admissions. Ideally, these centers will serve as the main access points for prevention and diversion services as well. Assessment center staff, after an initial assessment, will either provide the necessary prevention or diversion services or admit or refer a family or individual to the program that is best equipped to get them into permanent housing as quickly as possible.

The Riverside University Health System – Behavioral Health (formerly the County of Riverside Department of Mental Health) will be the lead agency responsible for implementing the county's Coordinated Entry System.

The Department of Public Social Services (DPSS) is the HUD grantee responsible for a centralized or coordinated Homeless Management Information System (HMIS), for the County of Riverside Continuum of Care and the HMIS Lead Organization. DPSS has the responsibility to establish,

support, and manage HMIS in a manner that will meet HUD's standards for quality, privacy, security, and other requirements for organizations participating in HMIS. The HMIS is a mandatory comprehensive and standardized assessment tool used to collect client-level data and data on the provision of housing and services to homeless individuals and families and persons at risk of homelessness.

Victim service providers cannot, and Legal Services Organizations may choose to not participate in HMIS. Providers that do not participate in HMIS must use a comparable database that produces unduplicated, aggregate reports instead. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

The County and its subrecipients work with the Continuum of Care to ensure the screening, assessment, and referral of program participants are consistent with the written standards. The County will continue to coordinate and collaborate with the CoC and other key stakeholders in order to foster a comprehensive, community-wide coordinated assessment process and HMIS that ensures a seamless coordination of services and funding streams.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The County accepts applications for annual ESG allocations. A Notice of Funding Availability (NOFA) is published, in English and Spanish, in local newspapers and placed on EDA's website to invite qualified non-profits, community groups, faith-based organizations, and governmental entities to apply. Pursuant to EDA's application review process, an application is reviewed and evaluated for completeness, eligibility, and the project's ability to reach and serve the areas and persons with the greatest need.

Funding recommendations are made based on applicants leveraging resources, capacity, financial management, knowledge and experience of applicants to effectively implement, administer, and monitor an ESG funded activity (ies). Activities that directly contribute to the goals and objectives of the County's Consolidated Plan and help the County meet federal program requirements by serving homeless persons or families, will be considered.

ESG funds are awarded through a competitive process following federal guidelines. Funding is allocated as part of the One-Year Action Plan approval process which includes a public hearing before the County Board of Supervisors. Per HUD requirements, EDA also consults with the CoC in order to work in collaboration with their efforts in eliminating and preventing homelessness. The CoC provides recommendations for funding allocations, trends, and needs in the community. Funds are ultimately allocated based on funding availability, number of clients proposed to serve, area need, recommendations of CoC, and public comments. Final funding allocations are approved by the County Board of Supervisors.

The County enters into a one or two year agreement with each sub-recipient receiving ESG funding, these agreements define:

- Key program components or activities (including benchmarks for success);
- the level of ESG funding;
- the anticipated source and amount of matching funds (24CFR Part 576.201) contributed by the agency/organization;
- Applicable laws and regulations; and
- Documentation or reporting requirements.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The County collaborates with sub-recipients to ensure that the homeless participation requirement is met. Sub-recipients include in their policy an extended invitation to previous homeless clients their opportunity to participate on the Board, provide feedback, and participate in survey's regarding services and policies of their facility. Sub-recipients consult with homeless or formerly homeless persons in the considering and making of policies and decisions regarding any ESG-funded facility, service, or other assistance. An exit interview and survey are offered to exiting clients and a suggestion box and or open-door policy to address any issues related to the operation of the facility and services to clients is available. It is the intent of the County in collaborating with the Continuum of Care and ESG sub-recipients to ensure that the perspective of homeless and formerly homeless individuals and families are incorporated into the County's ESG program and the Consolidated Plan.

The County will continue development of a comprehensive Homeless Participation Plan; at a minimum, the plan will:

- Encourage all ESG non-profit sub-recipients to include a homeless or formerly homeless person on their board and/or policy making committee.
- Assign a higher rating/ranking score to ESG applicants that demonstrate homeless participation.
- Require all ESG sub-recipients to provide an EDA-approved exit survey to all persons that have exited from an ESG-funded shelter or participated in an ESG-funded program. The survey will request input or seek the opinion of the participants on a variety of topics or issues including at a minimum:
 - The quality of effectiveness of the shelter or services provided;
 - the unmet needs of homeless persons in Riverside County;
 - how can services be improved or expanded;
 - what are the gaps in shelter or homeless services;

- the location and hours of shelters or services; and
- access to shelters, health care, food and clothing, legal services, etc.

EDA will conduct onsite interviews with homeless individuals or groups at ESG-funded shelters throughout the program year to gather information from, and encourage the participation of, homeless persons to assist the County in the making of ESG policies.

5. Describe performance standards for evaluating ESG.

ESG performance standards are followed per 24 CFR Part 576, including, measures to evaluate the effectiveness of the program and measures to assess how well the program serves the targeted population. Sub-recipients receiving funding from the County are evaluated based on written standards and guidelines. This includes reductions in the number of homeless persons living on the streets and in shelters, the number of persons who do not re-enter the shelter or supportive housing system within one year, and the number of persons exiting with permanent housing. Performance standards for evaluating ESG activities were developed in consultation with the Continuum of Care lead agency, County of Riverside ESG recipient, providers, and other organizations and stakeholders.

As part of tracking, evaluating, and reporting ESG Program services, Homeless Management Information Systems (HMIS) are used to collect Data Standards including three key indicators:

1. exits to permanent housing;
2. length of stay in emergency shelter and/or transitional housing; and
3. returns to homelessness from permanent housing.

The CoC lead agency, responsible for HMIS, extracts ESG sub-recipient data from HMIS for review by the CoC HMIS Administrator Council to evaluate subrecipients for accuracy and performance based on services provided to their clients. In addition, the guidelines below have been set as part of the performance standards for evaluating ESG:

Performance of ESG recipients

1. Ensure that ESG funds are used effectively to assist homeless individuals and families and that the basic ESG program goals are met;
2. Ensure compliance with ESG regulations and program requirements in the usage of funds and in carrying out program activities; and
3. Enhance and develop the management capacity of grantees or recipients

Performance Measures for Homelessness Prevention

1. A reduction in the number of homeless individuals and families seeking emergency shelter services.

2. Expected Outcome is at least 35% of participants assisted will remain in permanent housing six (6) months after the last assistance provided under ESG.

Performance Measures for Homeless Rapid Re-Housing

1. A reduction in the reoccurrence of homelessness for individuals and families who exit the shelter system.
2. Expected Outcome is at least 35% of participants assisted will remain in permanent housing six (6) months after the last assistance provided under ESG.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) _____ , _____ (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance with Laws -- It will comply with applicable laws.

ESG Certifications

The Emergency Solutions Grants Program Recipient certifies that:

Major rehabilitation/conversion – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion. In all other cases where ESG funds are used for renovation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the jurisdiction will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the jurisdiction serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The jurisdiction will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for such individuals.

Matching Funds – The jurisdiction will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The jurisdiction has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the jurisdiction will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the jurisdiction undertakes with assistance under ESG are consistent with the jurisdiction’s consolidated plan.

Discharge Policy – The jurisdiction will establish and implement, to the maximum extent practicable and where appropriate policies and protocols for the discharge of persons from

publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

APPENDIX C

Proof of Publications

PUBLIC NOTICE

NOTICE OF FUNDING AVAILABILITY (NOFA)

FOR THE COUNTY OF RIVERSIDE 2016-2017

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
EMERGENCY SOLUTIONS GRANT (ESG)
HOME INVESTMENT PARTNERSHIP PROGRAM (HOME)

The County of Riverside is announcing the start of the application cycles for the 2016-2017 for the Urban County CDBG, ESG, and HOME programs. These Federally-funded programs are used by the County and its participating cities to provide decent housing, a suitable living environment, and the expansion of economic opportunities principally for persons and families with low-incomes.

The County anticipates receiving the following grant amount from the U.S. Department of Housing and Urban Development (HUD) for the 2016-2017 program year: CDBG \$7,000,000; ESG \$600,000; and HOME \$1,500,000.

To view the full **Notice of Funding Availability** for the CDBG and ESG programs, please visit www.rivcoeda.org. Paper copies of the NOFAs can also be obtained through email at edearen@rivcoeda.org; or by calling 951-955-8916.

ONLINE APPLICATION: The County is using the Online Application System for both the CDBG and ESG programs. All applications for these two programs must be submitted through the online system. The 2016-2017 Online Application System will be open starting August 25, 2015. All CDBG and ESG applications submitted through the Online Application System must be submitted no later than 5:00 PM (PST) on October 30, 2015. For questions or assistance with the online application system, please contact Susana Orozco at sorozco@rivcoeda.org or 951-955-8916.

Applicants must visit EDA's website at www.rivcoeda.org to begin the application process. The website offers a brief tutorial to assist applicants in the use of the online application system including setting-up an Online User Profile which is required to use the system.

CDBG and ESG applications will only be accepted from 501 (c)(3) non-profit organizations, government entities, and the County's Cooperating Cities. Please Note: the cooperating cities receive their own CDBG allocation from the County's CDBG allocation for projects and activities that benefit the individual cities. Organizations can now apply for a cooperating city's CDBG allocation through the County's Online Application System.

HOME PROGRAM: The County will accept HOME applications for new construction and substantial rehabilitation projects on an on-going, over the counter basis until all funds for the current fiscal year are exhausted. Organizations seeking HOME funds for affordable housing projects should contact the Housing Division of EDA for application information at (951) 343-5469 or rivcoeda.org. In the event that the County of Riverside EDA decides to release a competitive RFP for the solicitation of HOME funds a notice of no less than 30 days will be provided of the County's intention to release an RFP.

The County is required to prepare and submit to HUD a One Year Action Plan that provides detailed information on all of the activities that the County will fund with CDBG, ESG, and HOME funds for the 2016-2017 program year. The Board of Supervisors will conduct a public hearing on the proposed One Year Action Plan during February/March 2016. The Board will then approve the final One Year Action Plan in April/May 2016.

PUBLIC NOTICE

NOTICE OF FUNDING AVAILABILITY (NOFA)

FOR THE COUNTY OF RIVERSIDE 2016-2017

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
EMERGENCY SOLUTIONS GRANT (ESG)
HOME INVESTMENT PARTNERSHIP PROGRAM (HOME)

The County of Riverside is announcing the start of the application cycles for the 2016-2017 for the Urban County CDBG, ESG, and HOME programs. These Federally-funded programs are used by the County and its participating cities to provide decent housing, a suitable living environment, and the expansion of economic opportunities principally for persons and families with low-incomes.

The County anticipates receiving the following grant amount from the U.S. Department of Housing and Urban Development (HUD) for the 2016-2017 program year: CDBG \$7,000,000; ESG \$600,000; and HOME \$1,500,000.

To view the full Notice of Funding Availability for the CDBG and ESG programs, please visit www.rivcoeda.org. Paper copies of the NOFAs can also be obtained through email at edearen@rivcoeda.org; or by calling 951-955-8916.

ONLINE APPLICATION: The County is using the Online Application System for both the CDBG and ESG programs. All applications for these two programs must be submitted through the online system. The 2016-2017 Online Application System will be open starting August 25, 2015. All CDBG and ESG applications submitted through the Online Application System must be submitted no later than 5:00 PM (PST) on October 30, 2015. For questions or assistance with the online application system, please contact Susana Orzoco at sorzoco@rivcoeda.org or 951-955-8916.

Applicants must visit EDA's website at www.rivcoeda.org to begin the application process. The website offers a brief tutorial to assist applicants in the use of the online application system including setting-up an Online User Profile which is required to use the system.

CDBG and ESG applications will only be accepted from 501 (c)(3) non-profit organizations, government entities, and the County's Cooperating Cities. Please Note: the cooperating cities receive their own CDBG allocation from the County's CDBG allocation for projects and activities that benefit the individual cities. Organizations can now apply for a cooperating city's CDBG allocation through the County's Online Application System.

HOME PROGRAM: The County will accept HOME applications for new construction and substantial rehabilitation projects on an on-going, over the counter basis until all funds for the current fiscal year are exhausted. Organizations seeking HOME funds for affordable housing projects should contact the Housing Division of EDA for application information at (951) 343-6469 or rivcoeda.org. In the event that the County of Riverside EDA decides to release a competitive RFP for the solicitation of HOME funds a notice of no less than 30 days will be provided of the County's intention to release an RFP.

The County is required to prepare and submit to HUD a One Year Action Plan that provides detailed information on all of the activities that the County will fund with CDBG, ESG, and HOME funds for the 2016-2017 program year. The Board of Supervisors will conduct a public hearing on the proposed One Year Action Plan during February/March 2016. The Board will then approve the final One Year Action Plan in April/May 2016.

PUBLIC NOTICE

**RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CPD)
(CDBG, HOME, ESG)**

**Community Development Needs and Proposed Use
of 2016-2017 HUD-Funded CPD Programs**

The Riverside County Economic Development Agency hereby notifies the public, pursuant to 24 CFR 91.105(e), that the County of Riverside Board of Supervisors will hold a public hearing to: 1) hear comments on community development needs within the County's HUD-funded Urban County program; and 2) hear comment upon the proposed uses of 2016-2017 HUD-funded CPD programs to address the identified community development needs. The public hearing is scheduled for March 8, 2016, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review and comment upon the proposed uses of 2016-2017 HUD-funded CPD programs, as well as comment upon community development needs, beginning February 5, 2016. Comments may be submitted to the addresses below until 5:00 PM on March 7, 2016.

A summary of the proposed uses of 2016-2017 HUD-funded CPD programs can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street, Suite 400, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street, Suite B, Indio, CA 92201
(760) 863-2650

The proposed uses of 2016-2017 HUD-funded CPD programs can also be viewed on-line at:
www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2016-2017 One Year Action Plan at its regular meeting of April 26, 2016. The 2016-2017 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2016.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2016-2017 One Year Action Plan is a component of the Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process, and after comments have been received, the County will prepare and submit the final 2016-2017 One Year Action Plan of the 2014-2019 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2016.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2016-17 HUD appropriations are: \$7,637,386 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$1,701,737 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and

\$628,928 for the Emergency Solutions Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 117 proposals for the 2016-17 CDBG funding totaling \$9,835,592. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Emergency Solutions Grant Program requests totaled \$1,303,374. HOME program proposals include: HOME New Construction (\$638,151); HOME Direct Ownership (\$638,151); HOME/CHDO Set-Aside (\$255,262); and HOME administration (\$170,173). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs (\$1,744,819).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2016-2017 CPD Funding cycle in July, 2015, with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in September, 2015, with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2016-2017 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2016-2017 One Year Action Plan of the 2014-2019 Consolidated Plan includes the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, Jurupa Valley, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

IMPLEMENTATION. The goals for the 2016-2017 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or edclare@rivcoeda.org.

NOTICE OF FUNDING AVAILABILITY

2016-2017 COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

I. Program Description:

The County of Riverside has opened the [Online Application System](#) for the FY 2016-2017 Community Development Block Grant (CDBG) cycle. CDBG is a flexible program that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG entitlement program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons.

The CDBG program is a federally-funded program administered through the U.S. Department of Housing and Urban Development (HUD). As an Urban County in the Entitlement CDBG program, the County receives an annual formula allocation of CDBG funds from HUD. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

The program works to ensure decent affordable housing, to provide services to the most vulnerable in our communities, and to create jobs through the expansion and retention of businesses. CDBG is an important tool for helping local governments tackle serious challenges facing their communities. The CDBG program has made a difference in the lives of millions of people and their communities across the Nation.

CDBG was authorized under the Housing and Community Development Act of 1974, as amended, and is listed under the Catalog of Federal Domestic Assistance (CFDA) as 14.218. Applicable CDBG regulations can be found at 24 CFR Part 570 and 24 CFR Part 91.

CDBG funding has been used by the County, its cooperating cities, and other subrecipients for a wide variety of community, economic, and social development activities. Activities include public facilities such as fire stations, parks, community centers, senior centers, homeless shelters, health clinics, water and sewer improvements, and street and sidewalk improvements. CDBG also provides public service activities such as child care, health care, after school, programs, senior programs, food and clothing distribution, job training, recreation, and many more.

All activities funded with the County's CDBG funds must:

1. serve persons or communities within the County's Urban County area;
2. be an eligible activity under CDBG regulations (24 CFR Part 570.201); and
3. meet a National Objective of the CDBG program (24 CFR Part 570.208).

Most activities meet a National Objective by benefitting low-income persons or low-income communities.

The County's *Urban County CDBG Program* includes all of the unincorporated areas of Riverside County as well as the "cooperating" cities of: Banning, Beaumont, Blythe, Canyon Lake, Coachella, Desert Hot Springs, Eastvale, Indian Wells, Jurupa Valley, La Quinta, Murrieta, San Jacinto, and Wildomar. The city of Lake Elsinore participates in the County's Urban County program as a "Metro City." Please Note: the cooperating cities receive their own CDBG allocation from the County's CDBG allocation for projects and activities that benefit the individual cities. Organizations can now apply for a cooperating city's CDBG allocation through the County's Online Application System.

II. CDBG Award Information:

Subject to Federal appropriations, the County anticipates receiving approximately \$7,300,000 in CDBG funds for the FY 2016-2017 program. The actual amount of the County's allocation is determined by final funding appropriations from Congress and HUD's CDBG allocation formula. Funds from this 2016-2017 CDBG application cycle will be available to successful subrecipients no earlier than July 2016.

Depending upon the type of activity to be funded, a successful subrecipient will have one (1) year to complete, expend, and drawdown their CDBG award for a public service activity, or two (2) years for a public facility or other CDBG activities.

Typical individual awards for CDBG-funded activities range from \$10,000 for public service activities to \$100,000 or more for public facilities, acquisition, or other eligible activities. For the 2015-2016 program year, the County and its cooperating cities received more than 130 eligible applications and made 93 grant awards.

All CDBG awards made by the County and the cooperating cities will be in the form of a grant, excluding projects funded under economic development. Subrecipients will be required to execute an approved subrecipient agreement with the County. Non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute a "Sponsor's Agreement" with the County. A copy of template of the Sponsor's Agreement is available upon request to EDA. The Cooperating Cities must execute a Supplemental Agreement with the County each year. Subrecipients of the Cooperating Cities' CDBG funding will enter into an approved subrecipient agreement with the awarding city.

Please Note: organizations that have previously applied for County CDBG funding are eligible to apply, and there is no limit on the number of applications an organization can submit.

III. Eligibility Information:

Eligible Applicants:

The County of Riverside will only accept CDBG applications from the following organizations or entities:

1. Non-Profit organizations subject to 26 U.S.C. 501 (c)(3) of the tax code;

2. County of Riverside Agencies and Departments; and
3. Governmental agencies including Cities, Special Districts, and Tribes.

Individuals cannot apply for County CDBG funding.

Non-profit organizations will be required to submit documentation as part of the CDBG application pertaining to their incorporation, bylaws, and tax exempt status.

Cost Sharing and Leveraging:

Applications for funding under the County’s CDBG allocation, excluding the funding from the cooperating cities, must successfully demonstrate a matching contribution of at least 5% of the CDBG request. This matching contribution, referred to as “leveraging”, can include other Federal, State, local, or private funding; donations; “in-kind” contributions; and volunteer hours. Leveraging used to match previous CDBG grants cannot be used.

Applicants are encouraged to utilize the greatest amount of leveraging as possible to improve the competitiveness of their proposal.

Real Property Acquisition – Displacement of Tenants:

In order to comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, applicants considering the submittal of a CDBG application for real property acquisition and/or the displacement of tenants must contact EDA prior to the submittal of any application.

Minimum Funding Level:

In order to ensure the effective, efficient, and appropriate allocation and use of the County’s CDBG funding, the County may reject any proposed CDBG activity in an amount less than \$10,000. Exceptions to this policy include traditionally “county-wide” activities which are funded from:

1. both a County Supervisor’s allocation and a cooperating city;
2. two or more cooperating cities; or
3. two or more County Supervisor allocations.

Compliance with Laws and Regulations:

The successful applicants will be required to comply with all applicable federal, state, and local laws, regulations, and ordinances. Pursuant to an executed subrecipient agreement, the applicant will certify that it will adhere to and comply with the following as they may be applicable to a subrecipient of funds granted pursuant to the Housing and Community Development Act of 1974, as amended:

1. The Housing and Community Development Act of 1974, as amended, and the regulations issued thereto;

2. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations at 41 CFR Chapter 60;
3. Executive Order 11063, as amended by Executive Order 12259, and implementing regulations at 24 CFR Part 107;
4. Section 504 of the Rehabilitation Act of 1973 (PL 93-112), as amended, and implementing regulations;
5. The Age Discrimination Act of 1975 (PL 94-135), as amended, and implementing regulations;
6. The relocation requirements of Title II and the acquisition requirements of Title III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and the implementing regulations at 24 CFR Part 42;
7. The labor standard requirements as set forth in 24 CFR Part 570, Subpart K and HUD regulations issued to implement such requirements;
8. Executive Order 11988 relating to the evaluation of flood hazards and Executive Order 11288 relating to the prevention, control and abatement of water pollution;
9. The flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (PL 93-234);
10. The regulations, policies, guidelines and requirements of 2 CFR Part 200 - the Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards;
11. Title VI of the Civil Rights Act of 1964 (PL 88-352) and implementing regulations issued at 24 CFR Part 1;
12. Title VIII of the Civil Rights Act of 1968 (PL 90-284) as amended; and
13. The lead-based paint requirements of 24 CFR Part 35 issued pursuant to the Lead-based Paint Poisoning Prevention Act (42 USC 4801, et seq.);

IV. Application and Submission Information

Application Cycle for the 2016-2017 Program Year

The County will begin accepting application for the 2016-2017 CDBG cycle starting August 25, 2015. **ALL APPLICATIONS must be submitted through the ONLINE APPLICATION SYSTEM. All CDBG applications must be submitted through the Online Application System no later than 5:00 PM PST on October 30, 2015.**

Applicants must visit EDA's website at www.rivcoeda.org to begin the application process. The website offers a brief tutorial to assist applicants in the use of the online application system including setting-up an Online User Profile which is required to use the system.

The County will only accept CDBG applications from 501 (c)(3) non-profit corporation, as well as governmental and Tribal entities.

Applicants wishing to submit a CDBG application for one of the County's Urban County Cooperating Cities CDBG allocation will also use this online application system.

Questions and Technical Assistance

For information or questions regarding the County's CDBG program or the CDBG application cycle, please contact Elizabeth Dearen at edearen@rivcoeda.org or 951-955-8916. For questions or assistance with the online application system, please contact Susana Orozco at sorozco@rivcoeda.org or 951-955-8916.

Individuals with hearing or speech disabilities may contact the CDBG program staff by utilizing the California Relay Service (711).

Paper Application Submittals

Because the County does provide technical assistance to organizations wishing to submit CDBG applications through the Online Application System, it is unlikely that prospective applicants will not be able to effectively use the system. However, the County will consider requests to receive and submit paper copies of the 2016-2017 CDBG application for those applicants that can document the need for a paper application.

Requests for paper applications can be submitted to:

Elizabeth Dearen, Program Manager
3403 Tenth Street, Suite 400
Riverside, CA 92501
(951) 955-8916
(951) 955-9505 FAX
edearen@rivcoeda.org

Online Application System:

Applicants for the County's 2016-2017 CDBG application must use the Online Application System which can be accessed at www.rivcoeda.org. All forms necessary to submit an application are available on line with the exception of the documents required to be uploaded by the applicant (e.g., bylaws, authorizations, back up information, etc.).

The CDBG application consists of eight (8) primary sections:

Applicant Profile
General Information
Uploading Organizational Documents
Project Narrative
National Objective Compliance
Financial Information (Budget)
Leveraging – Matching Funds
Application Certification and Authorization

Applicants are limited to the space available for each required response in the application. Applicants can upload additional supporting documentation, including third party verifications, if desired.

Please Note: because the application is submitted online, the applicant must certify that he or she has been authorized to submit the application on behalf of the organization applying for CDBG funds. This electronic certification MUST be accompanied by a minute order, resolution, or other official authorization to submit the application.

Additional Information:

Successful applicants may be required to submit additional documentation to the County, prior to the receipt of their CDBG grant award. This documentation may include evidence or documentation related to:

Liability Insurance
Workmen’s Compensation Insurance
Flood Insurance
Other documentation for NEPA and CEQA environmental reviews
501 (c)(3) Status
Incorporation Documents

Dun and Bradstreet Data Universal Number System (DUNS) and System for Award Management (SAM)

Pursuant to Federal regulations, all applicants for CDBG funds must comply with the following requirements **prior to submitting** their CDBG application to the County for the 2016-2017 program year:

1. Be registered in the System for Award Management (SAM) system;
2. Provide a valid DUNS number in the application; and
3. Must maintain an active SAM registration, with current information, at all times during the performance period of the CDBG grant.

The County and the Cooperating Cities will not make any CDBG grant awards to any organization or government entity that fails to comply with the SAM and DUNS requirements.

System for Award Management (SAM):

The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one new system. This consolidation is being done in phases. The first phase of SAM includes the functionality from the following systems:

1. Central Contractor Registry (CCR)
2. Federal Agency Registry
3. Excluded Parties List (EPLS)
4. Online Representations and Certifications Application

How does SAM benefit organizations? The overarching benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability.

<https://www.sam.gov/portal/SAM/#1>

Data Universal Number System (DUNS):

The Federal government requires all applicants for Federal grants have a DUNS number. The Federal government uses the DUNS number to better identify related organizations that are receiving funding under Federal grants and to provide consistent name and address data for electronic grant application systems.

If you do not already have a DUNS number, contact Dun and Bradstreet toll free at 1-866-705-5711.

Application Submission Date and Time

The County of Riverside utilizes an Online Application System for the 2016-2017 CDBG grant applications. All applications must be submitted through the online system unless an applicant has been previously authorized by the County to submit a paper application.

ALL online applications MUST be completely submitted through the Online Application System no later than 5:00 PM (PST) on Tuesday, October 30, 2015.

All pre-authorized paper applications must be delivered to the County by either method listed below:

1. Postmarked no later than Tuesday, October 30, 2015, and addressed to:

Riverside County EDA
ATTN: CDBG Program
3403 10th Street, Suite 400
Riverside, CA 92501

2. Delivered to the County, no later than 5:00 PM (PST) at the following address:

Riverside County EDA
ATTN: CDBG Program
3403 10th Street, Suite 400
Riverside, CA 92501

CDBG applications for the 2016-2017 program year that are received after the deadline date and time, whether submitted through the Online Applications System or delivered to the County, will not be accepted.

Applicants submitting their applications through the Online Application System will receive an electronic receipt at the time of submission. Applicant submitting a paper application in person or through a third-party courier can request a receipt at the time of delivery.

Intergovernmental Review

Applications submitted under the County's Urban County CDBG program are not subject to intergovernmental review pursuant to Executive Order 12372.

Other Submission Requirements

Applicants can request CDBG funding from the County and the Cooperating Cities for any eligible CDBG activity listed under 24 CFR Part 570.201-570.204 including real property acquisition, construction, and other activities.

APPLICATION REVIEW INFORMATION

The County of Riverside uses a Priority Evaluation and Project Rating System for all CDBG proposals. As part of the review and evaluation process, EDA staff will review and evaluate all proposals utilizing the following checklist:

I. ACTIVITY EVALUATION:

Does the activity address an established need?

Is the proposed activity eligible (24 CFR 570.201) under the CDBG program?

Does the proposed activity meet one of the three broad National Objectives:

Principally benefit low and moderate-income persons;

Prevents or eliminates slum and blight; or

Addresses an urgent need or problem in the community.

Has the applicant provided sufficient explanation concerning their ability to adequately and accurately document the benefit to low and moderate income persons?

Can the project be implemented and completed within a reasonable amount of time (Public Service activities 1 year / all other activities 2 years maximum)?

Has the applicant identified all the major tasks or components that will be required in carrying out the activity? Are there any potential issues or concerns?

Has the applicant provided a reasonable estimate of the resources necessary for each component of the project, and has it developed a realistic budget that reflects these resources? Are other sources of funds (leveraging) committed to this project?

Is the proposed budget for the CDBG-funded activity separate from other activities undertaken by the applicant?

II. APPLICANT (ORGANIZATIONAL) EVALUATION

Has the applicant ever undertaken the proposed activity before? What were the results?

Does the applicant have experience with CDBG or other Federal programs? Has the applicant conducted a Single Audit (formerly OMB Circular A-133) within the last two years?

Do the applicant and prospective staff understand the additional requirements associated with Federal funding?

Does the applicant have qualified staff for all the necessary functions associated with the proposed activity? Is there adequate staff time available?

Does the applicant possess adequate administrative structures, management systems, and policies & procedures?

Does the applicant possess adequate financial stability? Will the applicant be overly dependent upon CDBG funding?

III. ELIGIBLE ACTIVITIES

Applicants should refer to HUD regulations found at 24 CFR Part 570.201-204 regarding eligible uses of CDBG funding.

IV. MINIMUM ACTIVITY FUNDING LEVEL

In an effort to ensure effective, efficient, and appropriate allocation and use of CBDG funds, the County may reject any proposed CDBG activity in an amount less than \$10,000. Exceptions to this policy include: traditionally county-wide activities (city/county, multiple city, etc.) or a project or activity serving a very remote location. These exceptions must be pre-approved by EDA prior to the application submittal.

V. LEVERAGE/MATCHING FUNDS

Verification of at least FIVE percent (5%) matching funds must be provided prior to the date of the grant awarded to the grantee. Funds used to match a previous CDBG grant may not be used to match a subsequent grant award. Applications with zero leverage will be disqualified. Leverage may include, but limited to Federal, State, local, private, donations, in-kind, volunteer hours at \$5.00 hour, etc.

V. APPLICATION RATING

Each complete CDBG application is rated by CDBG program staff to determine if the proposal meets the minimum score rating. The County uses a 200 point rating system with four (4) rating criteria with a minimum rating score of at least 100 points. The rating criteria are:

- Quality of Program Design/ four sub-criteria (40 points)
- Quality of Proposal Elements/ four sub-criteria (60 points)
- Capacity and Experience/four sub-criteria (40 points)
- Proposed Funding Request/five sub-criteria (60 points)

There are three (3) threshold sub-criteria that all applications must receive at least five (5) points each, or the proposal will not be funded:

- Does the proposed program/project comply with the overall regulations, goals and objective of the CDBG program? Application describes how the identified need relates to the objectives of the CDBG program?
- Does the proposed activity address a priority community development need as identified in the Five Year Consolidated Plan?
- Does the organization have the demonstrated capacity to successfully implement and complete the proposed activity in a timely manner?

APPLICATION REVIEW AND SELECTION PROCESS

For the County's allocation, each CDBG application is received, reviewed, evaluated, and rated. CDBG program staff and EDA management then meet with the individual District Supervisors for their CDBG funding decisions. EDA staff will provide background information on each proposals, answer questions, and provide funding recommendations if requested.

The Cooperating Cities make their own CDBG funding decisions that are subject to EDA review and Board of Supervisor approval. If a city uses a different process, therefore, applicants for Cooperating City CDBG allocations are encouraged to contact those cities directly for information.

ANTICIPATED ANNOUNCEMENT, AWARD DATE, AND NOTICE

The Board of Supervisors for the County of Riverside will make all final CDBG funding decisions for the County's 2016-2017 CDBG allocation. This is anticipated to occur in early May 2016 during a regular meeting of the Board of Supervisors when the Board approves the 2016-2017 One Year Action Plan.

After the approval date, applicants will be notified by mail of the Boards funding decisions. The One Year Action Plan is then submitted to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

Those applicants that have been approved for CDBG funding will be notified by mail. The letter will clearly indicate the amount of their award, and that this is not a notification to proceed or to incur costs. The letter will inform the successful applicants that a subrecipient agreement will be prepared and forwarded to them in the near future with further instructions.

ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

All CDBG awards made by the County and the cooperating cities will be in the form of a grant, excluding projects funded under economic development. Subrecipients will be required to execute an approved subrecipient agreement with the County. Non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute a "Sponsor's Agreement" with the County. A copy of template of the Sponsor's Agreement is available upon request to EDA. The Cooperating Cities must execute a Supplemental Agreement with the County each year. Subrecipients of the Cooperating Cities' CDBG funding will enter into an approved subrecipient agreement with the awarding city.

POST AWARD REPORTING REQUIREMENTS

To ensure compliance with the CDBG program National Objective requirements, all subrecipients of CDBG funds will be required to comply with the applicable CDBG reporting requirements. The type, amount, frequency, format (paper or electronic), and detail of the reporting requirements depends upon the specific use of the CDBG funds and corresponding National Objective. All specific reporting requirements will be stated in the subrecipient agreement.

NOTICE OF FUNDING AVAILABILITY

2016-2017 EMERGENCY SOLUTIONS GRANT PROGRAM

A. Program Description:

The County of Riverside has opened the Online Application System for the FY 2016-2017 Emergency Solutions Grants (ESG) cycle. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) amended the McKinney-Vento Homeless Assistance Act, revising the Emergency Shelter Grants Program in significant ways and renaming it the Emergency Solutions Grants (ESG) program. This interim rule, published in the Federal Register on December 5, 2011, revises the regulations for the Emergency Shelter Grants program by establishing the regulations for the Emergency Solutions Grants program, which replaces the Emergency Shelter Grants program. The change in the program's name, from Emergency Shelter Grants to Emergency Solutions Grants, reflects the change in the program's focus from addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program, and revises the Emergency Shelter Grants program and renames it as the Emergency Solutions Grants (ESG) program. The HEARTH Act also codifies into law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs.

The nature of the program provides grants by formula to States, metropolitan cities, urban counties and U.S. territories for eligible activities, generally including essential services related to emergency shelter, rehabilitation and conversion of buildings to be used as emergency shelters, operation of emergency shelters, and homelessness prevention services. Emergency Solutions Grant (ESG) funds can be used to provide a wide range of services and supports under the five program **components**: Street Outreach, Emergency Shelter, Rapid Re-housing, Homelessness Prevention, and HMIS.

All activities funded with the County's ESG funds must provide funding to:

1. Engage homeless individuals and families living on the street;
2. Improve the number and quality of emergency shelters for homeless individuals and families;
3. Help operate these shelters;
4. Provide essential services to shelter residents;
5. Rapidly re-house homeless individuals and families; and
6. Prevent families and individuals from becoming homeless

HUD allocates the fiscal year appropriation for ESG to eligible recipients in accordance with the percentage of ESG funding each jurisdiction was allocated for the previous fiscal year. However, where the ESG allocation for a metropolitan city or urban county would be less than .5 percent of the total

fiscal year appropriation for ESG, HUD adds that jurisdiction's allocation to the allocation for the State in which the jurisdiction is located.

Subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371-11378). Regulations are at 24 CFR part 576. Agreement is Emergency Solutions Grant (ESG) funds (CFDA 14.231).

Note: The Act to Prevent Mortgage Foreclosures and Enhance Mortgage Credit Availability Act was signed into law on May 20, 2009 (Public Law 111-22). Division B of this new law is the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act). The HEARTH Act amends Subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371-11378) to rename the program the Emergency Solutions Grants program, expand the range of eligible activities under the program, and add or change certain program requirements. HUD is now in the process of revising the regulations at 24 CFR part 576 to implement these changes and make other refinements to the program and definitions.

As an Urban County in the Entitlement ESG program, the County receives an annual formula allocation of ESG funds from HUD. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

The County's *Urban County ESG Program* includes all of the unincorporated areas of Riverside County as well as the "cooperating" cities of: Banning, Beaumont, Blythe, Canyon Lake, Coachella, Desert Hot Springs, Eastvale, Indian Wells, Jurupa Valley, La Quinta, Murrieta, San Jacinto, and Wildomar.

B. ESG Award Information:

Subject to Federal appropriations, the County anticipates receiving approximately \$600,000 in ESG funds for the FY 2016-2017 program. The actual amount of the County' allocation is determined by final funding appropriations from Congress and HUD's ESG allocation formula. Funds from this 2016-2017 ESG application cycle will be available to successful sub recipients no earlier than July 2016.

Depending upon the type of activity to be funded, a successful sub recipient will have one (1) year to complete, expend, and drawdown their ESG award.

Typical individual awards for ESG-funded activities range from \$10,000 to \$60,000 or more for emergency shelter, outreach services, rapid re-housing, and homelessness prevention eligible activities. For the 2015-2016 program years, the County received more than 14 eligible applications and made 13 grant awards.

All ESG awards made by the County will be in the form of a grant. Sub recipients will be required to execute an approved sub recipient agreement with the County. Non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute an "ESG Agreement" with the County. A copy of template of the ESG Agreement is available upon request to EDA.

Please Note: organizations that have previously applied for County ESG funding are eligible to apply, and there is no limit on the number of applications an organization can submit.

C. Eligibility Information:

1. Eligible Applicants:

The County of Riverside will only accept ESG applications from the following organizations or entities:

1. Non-Profit organizations subject to 26 U.S.C. 501 (c)(3) of the tax code;
2. County of Riverside Agencies and Departments; and
3. Governmental agencies including Cities, Special Districts, and Tribes.

Individuals cannot apply for County ESG funding.

Non-profit organizations will be required to submit documentation as part of the ESG application pertaining to their incorporation, bylaws, and tax exempt status.

2. Cost Sharing and Leveraging:

Applications for funding under the County's ESG allocation successfully demonstrate a matching contribution as provided under paragraph (a)(2) and (a)(3) of the ESG federal Regulations 24CFR 576, the recipient must make matching contributions to supplement the recipient's ESG program in an amount that equals the amount of ESG funds provided by HUD. Matching contributions, referred to as "leveraging", may be obtained from any eligible source, including any Federal source other than the ESG program, as well as state, local, and private sources. Additional requirements apply to matching contributions from a Federal source of funds. Matching contributions must be provided after the date that HUD signs the grant agreement. Applicants are encouraged to utilize the greatest amount of leveraging as possible to improve the competitiveness of their proposal.

3. Real Property Acquisition – Displacement of Tenants:

Real Property Acquisition of an emergency shelter or drop-in-center is not eligible under ESG. In addition, ESG funds are ineligible activities including;

- Costs involved with preparation of work specifications or building inspection.
- Costs of renovating, rehabilitating, or converting buildings owned by religious organizations unless special conditions are met as outlined in the Code of Federal Regulations found at 24 CFR Part 576.21. Paraphrased, these regulations require that the building (or portion thereof) that is to be improved be leased to an existing or newly established wholly secular entity (which may be an entity established by the church). Further, the regulations require that the leased premises will be used exclusively for secular purposes available to all persons regardless of religion.
- Rehabilitation, conversion, or renovation of a property within a 100-year flood plain, as designated by the Federal Emergency management Agency.

- A project which is inconsistent with environmental standards as established by HUD.
- Emergency Solutions Grant amounts may not be used for activities other than those authorized under Section 576.21 (a) (2-4).

4. Minimum Funding Level:

In order to ensure the effective, efficient, and appropriate allocation and use of the County's ESG funding, the County may reject any proposed ESG activity in an amount less than \$10,000.

5. Compliance with Laws and Regulations:

The successful SUBRECIPIENT shall comply with all applicable federal, state, and local laws, regulations, and ordinances pertinent to its operations and services to be performed hereunder, and shall keep in effect any and all licenses, permits, notices and certificates as are required thereby. SUBRECIPIENT shall further comply with all laws applicable to wages and hours of employment, occupational safety and to fire safety, health and sanitation. By executing this Agreement, the SUBRECIPIENT hereby certifies that it shall adhere to and comply with the following as they may be applicable to a sub recipient of funds granted pursuant to the Housing and Community Development Act of 1974, as amended:

- a. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), Public Law 111-22, Title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371 et seq.), and the Housing and Community Development Act of 1974, as amended, and the regulations issued thereto;
- b. Uniform Administration Requirements pursuant to 24 CFR 570.502;
- c. Executive Order 11246, as amended by Executive Orders 11375 and 12086, and implementing regulations at 41 CFR Chapter 60;
- d. Executive Order 11063, as amended by Executive Order 12259, and implementing regulations at 24 CFR Part 107;
- e. Section 504 of the Rehabilitation Act of 1973 (PL 93-112), as amended, and implementing regulations;
- f. The Age Discrimination Act of 1975 (PL 94-135), as amended, and implementing regulations;
- g. The relocation requirements of Title II and the acquisition requirements of Title III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and the implementing regulations at 24 CFR Part 42;
- h. The labor standard requirements as set forth in 24 CFR Part 570, Subpart K and HUD regulations issued to implement such requirements;

- i. Title VI and Title VII of the Civil Rights Act of 1964 (42 U.S.C. 200d et seq.), as amended to the Equal Opportunity Act of March 24, 1972 (Public Law 92-261);
- j. Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601-3619) and implementing regulations issued pursuant thereto (24 CFR Part 1);
- k. Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u);
- l. Executive Orders 11625, 12432 and 12138. Consistent with HUD's responsibilities under these Orders, the SUBRECIPIENT must make efforts to encourage the use of minority and women's business enterprises in connection with ESG activities;
- m. SUBRECIPIENT shall establish and maintain a procedure through which homeless individuals will be informed that use of the facilities and services is available to all on a nondiscriminatory basis.
- n. SUBRECIPIENT agrees to abide by and include in any subcontracts to perform work under this Agreement, the following clause:

"During the performance of this Agreement SUBRECIPIENT and its subcontractors shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40) or sex. SUBRECIPIENT and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. SUBRECIPIENT and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12900 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5 of Division 4 of Title 2 of the California Administrative Code are incorporated into this Agreement by reference and made a part hereof as if set forth in full. SUBRECIPIENT and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement."
- o. During the term of this Agreement, SUBRECIPIENT and its subcontractors, if any, shall not deny the benefits rendered hereunder to any person on the basis of religion, color, ethnic group identification, sex, age, or physical or mental disability.

D. Application and Submission Information

Application Cycle for the 2016-2017 Program Year

The County will begin accepting applications for the 2016-2017 ESG cycle starting August 25, 2015. **ALL APPLICATIONS must be submitted through the ONLINE APPLICATION SYSTEM no later than 5:00 PM (PST) on October 30, 2015.**

Applicants must visit EDA’s website at www.rivcoeda.org to begin the application process. The website offers a brief tutorial to assist applicants in the use of the online application system including setting-up an Online User Profile which is required to use the system.

The County will only accept ESG applications from 501 (c) (3) non-profit corporation, as well as governmental and Tribal entities.

1. Questions and Technical Assistance

For information or questions regarding the County’s ESG program or the ESG application cycle, please contact Elizabeth Dearen at edearen@rivcoeda.org or 951-955-8916. For questions or assistance with the online application system, please contact Susana Orozco at sorozco@rivcoeda.org or 951-955-8916.

Individuals with hearing or speech disabilities may contact the CDBG program staff by utilizing the California Relay Service (711).

2. Paper Application Submittals

Because the County does provide technical assistance to organizations wishing to submit ESG applications through the Online Application System, it is unlikely that prospective applicants will not be able to effectively use the system. However, the County will consider requests to receive and submit paper copies of the 2016-2017 ESG application for those applicants that can document the need for a paper application.

Requests for paper applications can be submitted to:

Elizabeth Dearen, Program Manager
3403 Tenth Street, Suite 400
Riverside, CA 92501
(951) 955-8916
(951) 955-9505 FAX
edearen@rivcoeda.org

Online Application System:

Applicants for the County’s 2016-2017 ESG application must use the Online Application System which can be accessed at www.rivcoeda.org. All forms necessary to submit an application are available on line with the exception of the documents required to be uploaded by the applicant (e.g., bylaws, authorizations, back up information, etc.).

The ESG application consists of eleven (11) primary sections:

Applicant Profile
General Information
Organizational History

Project Activity
Residential Service Section
Financial Information (Budget)
Leveraging – Matching Funds
Fiscal Year Projected Budget
Proposal Narrative
Application Certification and Authorization
Attachments (upload)

Applicants are limited to the space available for each required response in the application. Applicants can upload additional supporting documentation, including third party verifications, if desired.

Please Note: because the application is submitted online, the applicant must certify that he or she has been authorized to submit the application on behalf of the organization applying for ESG funds. This electronic certification MUST be accompanied by a minute order, resolution, or other official authorization to submit the application.

Additional Information:

Successful applicants may be required to submit additional documentation to the County, prior to the receipt of their ESG grant award. This documentation may include evidence or documentation related to:

Liability Insurance
Workmen’s Compensation Insurance
Legible copy of current IRS letter indicating 501(c) (3) status
Current Board roster, names, addresses, telephone numbers, and professions or organizations represented
Organizational chart listing all staff names, positions, and job descriptions
Include your agency shelter policy statement, sign-in sheet, and intake form
Copies of Agreements, letters and/or MOUs for all off-site essential services provided
Documentation of commitment for ESGP matching funds (e.g. award/commitment letters, etc.)
Organization’s most recent fiscal report
Most current annual audit and most recent Single Audit (A-133), if applicable, including any exceptions
Incorporation Documents

3. Dun and Bradstreet Data Universal Number System (DUNS) and System for Award Management (SAM)

Pursuant to Federal regulations, all applicants for ESG funds must comply with the following requirements **prior to submitting** their ESG application to the County for the 2016-2017 program years:

1. Be registered in the System for Award Management (SAM) system;
2. Provide a valid DUNS number in the application; and

3. Must maintain an active SAM registration, with current information, at all times during the performance period of the ESG grant.

The County will not make any ESG grant awards to any organization or government entity that fails to comply with the SAM and DUNS requirements.

System for Award Management (SAM):

The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one new system. This consolidation is being done in phases. The first phase of SAM includes the functionality from the following systems:

1. Central Contractor Registry (CCR)
2. Federal Agency Registry
3. Excluded Parties List (EPLS)
4. Online Representations and Certifications Application

How does SAM benefit organizations? The overarching benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability.

<https://www.sam.gov/portal/SAM/#1>

Data Universal Number System (DUNS):

The Federal government requires all applicants for Federal grants have a DUNS number. The Federal government uses the DUNS number to better identify related organizations that are receiving funding under Federal grants and to provide consistent name and address data for electronic grant application systems.

If you do not already have a DUNS number, contact Dun and Bradstreet toll free at 1-866-705-5711.

4. Application Submission Date and Time

The County of Riverside utilizes an Online Application System for the 2016-2017 ESG grant applications. All applications must be submitted through the online system unless an applicant has been previously authorized by the County to submit a paper application.

ALL online applications MUST be completely submitted through the Online Application System no later than 5:00 PM (PST) on Friday, October 30, 2015.

All pre-authorized paper applications must be delivered to the County by either method listed below:

- I. **Postmarked no later than Friday , October 30, 2015, and addressed to:**
Riverside County EDA

ATTN: ESG Program
3403 10th Street, Suite 400
Riverside, CA 92501

II. Delivered to the County, no later than 5:00 PM (PST) at the following address:

Riverside County EDA
ATTN: ESG Program
3403 10th Street, Suite 400
Riverside, CA 92501

ESG applications for the 2016-2017 program years that are received after the deadline date and time, whether submitted through the Online Applications System or delivered to the County, will not be accepted.

Applicants submitting their applications through the Online Application System will receive an electronic receipt at the time of submission. Applicant submitting a paper application in person or through a third-party courier can request a receipt at the time of delivery.

5. Intergovernmental Review

Applications submitted under the County's Urban County ESG program are not subject to intergovernmental review pursuant to Executive Order 12372.

6. Funding Restrictions

Federal awards will not allow reimbursement of pre-Federal award cost.

7. Other Submission Requirements

Not applicable

E. APPLICATION REVIEW INFORMATION

The County of Riverside uses a Priority Evaluation and Project Rating System for all ESG proposals. As part of the review and evaluation process, EDA staff will review and evaluate all proposals utilizing the following checklist:

I. ACTIVITY EVALUATION:

Does the activity address an established need?

Is the proposed activity eligible (24 CFR 576.101-104) under the ESG program?

Does the proposed activity meet one or more of the six (6) activities?

- Engage homeless individuals and families living on the street;
- Improve the number and quality of emergency shelters for homeless individuals and families;
- Help operate these shelters;
- Provide essential services to shelter residents;
- Rapidly re-house homeless individuals and families; and
- Prevent families and individuals from becoming homeless

Has the applicant provided sufficient explanation concerning their ability to adequately and accurately document the benefit to low and moderate income persons?

Can the project be implemented and completed within a reasonable amount of time (County policy is (1) one year)?

Has the applicant identified all the major tasks or components that will be required in carrying out the activity? Are there any potential issues or concerns?

Has the applicant provided a reasonable estimate of the resources necessary for each component of the project, and has it developed a realistic budget that reflects these resources? Are other sources of funds (leveraging) committed to this project?

Is the proposed budget for the ESG-funded activity separate from other activities undertaken by the applicant?

II. APPLICANT (ORGANIZATIONAL) EVALUATION

Has the applicant ever undertaken the proposed activity before? What were the results?

Does the applicant have experience with ESG or other Federal programs? Has the applicant conducted a Single Audit (formerly OMB Circular A-133) within the last two years?

Do the applicant and prospective staff understand the additional requirements associated with Federal funding?

Does the applicant have qualified staff for all the necessary functions associated with the proposed activity? Is there adequate staff time available?

Does the applicant possess adequate administrative structures, management systems, and policies & procedures?

Does the applicant possess adequate financial stability? Will the applicant be overly dependent upon ESG funding?

III. ELIGIBLE ACTIVITIES

Applicants should refer to HUD regulations found at 24 CFR Part 576.101-104 regarding eligible uses of ESG funding. Participation use is required in HMIS database or a comparable database if the sub-recipient is a victim services or a legal services provider. Comparable database must be able to collect client-level data over time and generate unduplicated aggregate reports based on the data. In addition, record sharing is required.

IV. MINIMUM ACTIVITY FUNDING LEVEL

In an effort to ensure effective, efficient, and appropriate allocation and use of ESG funds, the County may reject any proposed ESG activity in an amount less than \$10,000.

V. LEVERAGE/MATCHING FUNDS

Recipient must make matching contributions to supplement the recipient's ESG program in an amount that equals the amount of ESG funds provided by HUD.

Matching contributions may be obtained from any eligible source, including any Federal source other than the ESG program, as well as state, local, and private sources. Additional requirements apply to matching contributions from a Federal source of funds.

Matching contributions must be provided after the date that HUD signs the grant agreement. Eligible applicants are units of general local government and private non-profit organizations. Because of the limited amount of public funds available, applicants are required to have proof of matching funds. Applicants are also encouraged to create linkages with other organizations that will insure comprehensive supportive services for the homeless who are sheltered and/or receiving services.

VI. APPLICATION RATING

Each complete ESG application is rated by ESG program staff to determine if the proposal meets the minimum score rating. The County uses a 200 point rating system with four (4) rating criteria with a minimum rating score of at least 100 points. The rating criteria are:

- Quality of Program Design/ four sub-criteria (40 points)
- Service Priority of Needs / four sub-criteria (60 points)
- HMIS /Comparable database Reporting/four sub-criteria (40 points)
- Participation and Leveraging /five sub-criteria (60 points)

There are three (3) threshold sub-criteria that all applications must receive at least five (5) points each, or the proposal will not be funded:

- Does the proposed program/project comply with the overall regulations, goals and objective of CoC and ESG? Is Project in Alignment with CoC Priorities?
- Applicant complies with HMIS policy and procedures?
- Match Requirement (Dollar-for-Dollar) Will the proposed activity leverage meet project budget?

In addition, the Continuum of Care provides recommendations through a priority evaluation ranking document identifying priorities of need in the county based on the Housing Inventory Count (HIC) and Point-in-Time Count.

VII. APPLICATION REVIEW AND SELECTION PROCESS

For the County's allocation, each ESG application is received, reviewed, evaluated, and rated. ESG program staff and EDA management then meet with the individual District Supervisors for their ESG funding decisions. EDA staff will provide background information on each proposals, answer questions, and provide funding recommendations if requested.

F. ANTICIPATED ANNOUNCEMENT, AWARD DATE, AND NOTICE

1. FEDERAL AWARD NOTICE

The Board of Supervisors for the County of Riverside will approve all final ESG funding decisions for the County's 2016-2017 ESG allocation. This is anticipated to occur in early May 2016 during a regular meeting of the Board of Supervisors when the Board approves the 2016-2017 One Year Action Plan.

After the approval date, applicants will be notified by mail of the Boards funding decisions. The One Year Action Plan is then submitted to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

Those applicants that have been approved for ESG funding will be notified by mail. The letter will clearly indicate the amount of their award, and that this is not a notification to proceed or to incur costs. The letter will inform the successful applicants that a sub recipient agreement will be prepared and forwarded to them in the near future with further instructions.

2. ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

All ESG awards made by the County and the cooperating cities will be in the form of a grant, excluding projects funded under economic development. Sub recipients will be required to execute an approved sub recipient agreement with the County. Non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute an "ESG Agreement" with the County. A copy of the template of the ESG Agreement is available upon request to EDA.

POST AWARD REPORTING REQUIREMENTS

To ensure compliance with the ESG program requirements, all sub recipients of ESG funds will be required to comply with the applicable ESG reporting requirements. The type, amount, frequency, format (paper or electronic), and detail of the reporting requirements depends upon the specific use of the ESG funds and HMIS requirements. All specific reporting requirements will be stated in the sub recipient agreement.

RE: Online CDBG Application System for 2016-2017

The County of Riverside has initiated the 2016-2017 CDBG application cycle (for the program year starting July 1, 2016). The County is continuing to use the online application system for all CDBG applications. All cities participating in the County's Urban County CDBG Program must submit their 2016-17 projects through the Online Application System (OAS).

New for this 2016-2017 cycle, the online application system is now concurrently open for all Participating Cities as well as the County's Supervisorial District allocations.

The individual cities (city administered projects) and other organizations (e.g., nonprofits) seeking city funding must submit their applications through the OAS no later than 5:00 PM on October 30, 2015. At that time the system will be closed. Please notify your appropriate city CDBG staff and other organizations to submit their 2016-2017 CDBG applications at the following website:

<https://riversidecoeda.cgweb.org/login.php>

The City staff and other interested organizations must register in the OAS prior to entering the application data. Please note - individuals that registered last year (2015-16) will still be in the OAS.

Upon the close of the online application system, the County will forward copies of all applications to their respective cities. The cities will be then responsible to review and evaluate each application for eligibility and other factors, then present to the city councils for final approval considerations. The final selections must be conducted at a council meeting.

The cities must then submit their final 2016-2017 CDBG funding selections to EDA no later than December 10, 2015. This submittal must include the city council minute order or resolution approving the CDBG applications and the amount funded.

OSIBLES RAZONES

Lurie, profesor ad-Derecho en la Facul-Derecho en la Univer-e Loyola en Los An-Pepperdine Universi-alibui, dijo que hay un-te" de la delincuencia el país que está gene-abtención después de-cada con tendencia a . Lurie dijo que discu-aumento con la esta-e televisión por cable zera Estados Unidos emana. eo que se está gene-un poco de pánico in-cado", dijo Lurie. "Es-ivivalente de un mal día ois de valores, y pre-que se viene una crisis ómica".

Contrario a una disminución nacional de años, el número total de delitos violentos y contra la propiedad reportados aumentaron, indicaron oficiales.

Sin embargo, Lurie ofreció tres teorías sobre por qué el delito, o los informes sobre estos crímenes, es cada vez mayor. Cree que todas se pueden encontrar en el sur de California.

Por un lado, "las ciudades más grandes de nuestro país están saliendo de una década de una baja increíble en el crimen. No se puede estar en la baja por siempre", dijo Lurie.

Otro, agregó, es que los departamentos de policía están clasificando con mayor precisión los delitos que antes tal vez no consideraban violentos.

En tercer lugar, Lurie notó, algo único en California, en la doble influencia de la

Proposición 47 y el reajuste carcelario. La Proposición 47, que los votantes de California aprobaron en noviembre, reclasificó algunos delitos no violentos, previamente clasificados como delitos graves, en delitos menores, se traduce en condenas más cortas para los acusados presentes y futuros. La ley también permitió a los convictos cuyos delitos fueron reclasificados a delitos menores a presentar una petición para una nueva sentencia.

El reajuste carcelario —el nombre con que se conoce la ley AB109, que entró en vigor en octubre del

sus condenas para dar cabida a los presos de la AB109.

A pesar de todos los resultados positivos que las leyes han logrado, dijo Lurie, "han liberado a más criminales en las calles".

HOMICIDIOS BAJARON

El aumento de los delitos violentos en lo que va del 2015 se debe principalmente al aumento de robos y asaltos agravados, dijeron los funcionarios del Alguacil.

Hubo un aumento del 8.3 por ciento en los asaltos agravados en los primeros seis meses del 2015 en comparación con los primeros seis meses del 2014. Eso es más que el aumento del 7.4 por ciento en los asaltos agravados para todo el 2014 en comparación con el 2013.

"El jefe de Alguaciles indicó anteriormente que todavía es muy pronto para opinar sobre la Proposición 47, pero él ha escrito varios artículos de opinión publicados acerca de las preocupaciones de las agencias del orden público con respecto a esa iniciativa, la sobrepopulación en las cárceles del condado de Riverside, y el reajuste carcelario de la AB109", escribió el asistente del jefe de alguaciles en un correo electrónico.

Las estadísticas sobre la delincuencia comparables no estaban disponibles para el condado de San Bernardino porque no se publican estadísticas a mediados de año, dijo Adam Cervantes, portavoz del Departamento del Alguacil del Condado de San Bernardino.

Condado de Riverside
Reuniones de Participación Comunitaria
(24 CFR Part 91.105 y 91.220)

El Condado de Riverside está iniciando los ciclos de financiación para el 2016-2017 *Community Development Block Grant (CDBG)*, *Emergency Solutions Grant (ESG)*, and the *Home Investment Partnership Program (HOME)*. Un requisito de estos programas financiados por el gobierno federal es la participación de los residentes, proveedores de servicios y otras personas interesadas y organizaciones para identificar la comunidad, la vivienda y las necesidades sociales de las comunidades de bajos y moderados ingresos. Para fomentar la participación, el Condado realizará varias reuniones de participación comunitaria en las áreas no incorporadas seleccionadas del Condado.
