BACKGROUND:

Summary (continued)

The Riverside University Health System - Public Health (RUHS-PH) received funding from Riverside County Children and Families Commission (First 5 Riverside) to implement a one (1) year Water and Home Safety Education Program. RUHS-PH will develop a program to decrease water related injuries and drowning to improve the health, safety and wellbeing of families throughout Riverside County. This county-wide approach includes community outreach workshops, professional development workshops and collaboration with Riverside County Regional Parks and Open-Space District to provide no cost swimming lessons to children at Riverside County Park and Open-Space District Water Parks.

This Agreement was received on February 3, 2016.

Impact on Citizens and Businesses

Drowning is a leading cause of death for children ages 0-5 in Riverside County. These funds will be used to promote water safety awareness to reduce the incidence of water related unintentional injuries and fatalities to children in Riverside County. Reducing water related injuries will also reduce medical costs associated with long-term disabilities, which can range from \$75,000 for initial treatment to \$180,000 a year for long-term care.

The Commission endorses the California Children and Families Commission's interpretation of supplanting: The definition of "supplement" is to add to or augment something that currently exists, while "supplant" is defined as taking the place of something currently in existence. As defined in Health and Safety Code sections 130100 et seq. (the Children and Families Act), all monies raised pursuant to the Act shall be appropriated and expended by CONTRACTOR only to supplement existing levels of services. Requests for these types of SOW adjustments must be submitted to the Commission office in writing or via e-mail and shall not be implemented by CONTRACTOR prior to receipt of written approval from authorized Commission personnel. Upon approval, CONTRACTOR will receive either written or e-mail verification from the Executive Director, or designee.

SOW revisions that are considered significant changes to program performance targets and affect the overall deliverables of the Contract include the following: changes that result in the type or number of customers served, new staff positions or major staff changes, or significant changes in the Targets. Requests for these types of SOW changes shall be accepted for consideration through March 31st of each Fiscal Year. - A. All funds provided pursuant to this Contract shall be expended by CONTRACTOR in accordance with the budget, as set forth in Attachment B hereto.
- B. All funds will be distributed as detailed in the payment provision, as set forth in Attachment C hereto.

11. FISCAL AND PROGRAM REPORTING REQUIREMENTS

A. Fiscal Reporting

Fiscal expenditures are required to be input into the Data Management System on a monthly basis and input must be completed by the 20th of the month following contract performance. CONTRACTOR is required to report expenditures on a monthly basis and apply accruals at year end. Accruals show costs for services that have occurred but have not yet been paid. If the reporting due date falls on a weekend or County, State or nationally recognized holiday, the due date will be on the following business day. Any changes that occur with expenditures must be reported to Commission staff and adjusted within the Data Management System before the end of the Quarter following the expense occurrence. Example: Changes to expenditures in the first quarter of performance must be adjusted and reconciled before the end of the 2nd quarter (December 30, as reported in the January 30 report). **A change in CONTRACTOR staff, or other difficulties, does not absolve the CONTRACTOR from this monthly fiscal reporting responsibility.**

In rare and justifiable circumstances, an extension may be requested by the CONTRACTOR. Such requests are to be submitted in writing prior to the due date and shall be directed through the Commission's contract specialist assigned to the CONTRACTOR.

If applicable, CONTRACTOR shall provide copies of the claim report submitted monthly for Medi-Cal and/or any other State or Federal reimbursements. In addition, the CONTRACTOR will provide the subsequent revenue reports that will reconcile the claim reports.

Costs may be allowed and reviewed for reimbursement up to the time of the Final Fiscal Expenditure Report, which is due July 20. All reimbursement cost not submitted by July 20 will be disallowed.

Commission staff will send notification verifying payment amount, payment reduction or payment withheld. Changes in the mailing address or remit to address must be submitted in writing on the CONTRACTOR letterhead and signed by an authorized representative.

B. Program Reporting

Program data must be entered on a monthly basis and input must be completed by the 20th of the following month. If the reporting due date falls on a weekend or holiday, the due date will be on the following business day. Additionally, Quarterly Program Progress Reports must be submitted to the Commission within thirty (30) calendar days after the end of the quarter. Any changes that occur with program data input must be reported to Commission staff and adjusted within the data management system before the end of the Quarter following the change. Example:

Changes to program data in the first quarter must be adjusted and reconciled before the end of the 2nd quarter (December 30, as reported in the January 30 report. **A change in contract staff, or other difficulties, does not absolve the CONTRACTOR from this monthly program data input and quarterly Program reporting responsibility.**

In rare and justifiable circumstances, an extension may be requested by the CONTRACTOR. Such requests are to be submitted in writing prior to the due date and shall be directed through the Commission's program specialist assigned to the CONTRACTOR.

Quarterly Program Reporting due dates for each Contract period:

- QUARTER 1 ending September 30: Report Due October 30
- QUARTER 2 ending December 31: Report Due January 30
- QUARTER 3 ending March 31: Report Due April 30
- QUARTER 4 ending June 30: Report Due July 30 (Final Cumulative Program Progress Report)

If the due date falls on a weekend or County, State or nationally recognized holiday, the due date will be on the following business day. The first quarterly report is due **April 30, 2016.**

12. REIMBURSEMENT OF FUNDS TO THE COMMISSION

If CONTRACTOR has been overpaid in the previous fiscal year, the Commission will, in instances where the Contract is renewed, reduce subsequent payment(s) to recover the amount overpaid.

Notwithstanding any other provision herein, CONTRACTOR agrees to reimburse, in full, any and all funds received from the Commission, upon request of the Commission, where such funds as determined by the Commission are not, or have not been utilized by CONTRACTOR for their purpose as intended by the Commission. The terms and conditions of reimbursement shall be at the sole discretion of the Commission. This provision is not terminated upon termination of this Contract.

13. RCCFC FISCAL REQUIREMENTS

A. Budget Adjustments

A budget adjustment is the transfer of funds from one approved line item to another approved line item. Individual transfers shall not exceed 10% of the approved destination category subtotal amount and in no case will cumulative transfers over the course of a fiscal year period exceed more than 10% of the total current fiscal year funding amount without written approval of the Executive Director, or designee. Written justification from the CONTRACTOR is required in the Program Progress Report submitted for the quarter in which the transfer is made and written notification of the transfer to the Commission's contract specialist from the CONTRACTOR is required during the month in which the transfer is made. Budget adjustments having a potential effect on the CONTRACTOR'S ability to comply with the SOW require

prior approval from Executive Director, or designee. Budget adjustments will not change the total Contract amount and additional line items are **not** to be included. Failure of the Commission to discover or object to any unsatisfactory quarterly fiscal reports prior to payment will not constitute a waiver of the Commission's right to require CONTRACTOR to correct such quarterly reports. Budget Adjustments will be considered until June 30th of each Fiscal Year.

B. Budget Revisions

Budget revisions are requests to transfer more than 10% of the total Contract amount and/or the addition of line items that were not previously approved. The Executive Director, or designee, will accept proposed budget revisions along with written justification from CONTRACTOR through March 31st of each Fiscal Year. Any unused funding from each fiscal year within the Contract Term may be considered for "roll over" into the next fiscal year for allowable and preapproved budget revisions, contingent on approval of Executive Director, or designee. The Executive Director, or designee, will respond to budget revisions within thirty (30) calendar days after receipt at the Commission office.

C. Amendments

Necessity for budget amendments to this Contract will be determined by the Executive Director, or designee, and may include, but are not limited to contract increases or decreases and significant changes to the Scope of Work (SOW). All budget amendments to the Contract shall require formal approval of the Executive Director acting on behalf of the Commission, as provided herein, before they are effective. Major budget amendments, as determined by the Executive Director, in consultation with Commission legal counsel, will require formal approval of the Commission. Contract budget amendments will be considered until March 31st of each Fiscal Year.

D. Cost Allocation

CONTRACTOR shall have or establish a cost allocation plan to identify prorated costs shared by multiple funding sources, including Proposition 10 funds. CONTRACTOR shall identify any other funding sources and organizations whose cooperation/participation is necessary to ensure the success of the project. CONTRACTOR's Cost Allocation Plan must be approved by CONTRACTOR's appropriate governing body and submitted with the executed Contract.

A Cost Allocation Plan (CAP) is defined as a written summarization that documents the methods and procedures that the CONTRACTOR will use to allocate costs between two or more programs or funding sources. The goal is to ensure that each program or funding source bears its fair share, and only its fair share, of the total costs. The CONTRACTOR must have a method of identifying and distributing program costs that are comprehensive, well documented, and defensible under the Generally Accepted Accounting Principles (GAAP).

A written CAP is required if any of the conditions below are met:

- a. Funded staff members share their time between a First 5 Commission funded program and one or more other grant funded programs.

- b. A single-funded staff member shares their time between two or more First 5 Commission funded programs.
- c. The same facilities and/or resources are utilized by more than one funded program.

E. Overhead/Indirect Costs

- 1. Overhead/Indirect costs are defined as costs incurred for a common or joint purpose benefiting more than one cost objective and cannot be readily identified with a particular final cost objective. These costs do not provide a measurable, direct benefit to a particular program or activity, unlike direct costs. Indirect cost may include salaries, benefits and operating expenses. Capital expenses and subcontractor costs are **excluded**.
- 2. Indirect costs shall be based on the CONTRACTOR's official governing board approved Cost Allocation Plan or state/federal approved rate not to exceed 10%. These costs will be reviewed and approved on a case-by-case basis.
- 3. A pass through is defined as those instances where the CONTRACTOR forwards funds obtained from the Commission to a subcontractor and the Commission maintains no relationship or responsibility for the performance of the subcontractor. Proposition 10 funds shall not be used in a manner that will cause payment for indirect costs associated with the CONTRACTOR's funded program more than once. RCCFC will not pay for subcontractor indirect costs as part of CONTRACTOR budget.

F. Revenues Received

Any and all revenue received by the CONTRACTOR (except funds received from the Commission) to operate the program funded pursuant to this Contract shall be reported as revenue received within the monthly fiscal report. All such revenues shall be used to fully compensate expenses within the program funded and/or to provide additional services within the program funded pursuant to this Contract. Any unused revenues shall be deducted from Contract reimbursement.

G. Payroll Taxes

The Commission shall not be directly responsible for the payment of any taxes on the CONTRACTOR's behalf. In the event that the Commission is required to do so by state, federal or local taxing agencies, CONTRACTOR agrees to promptly reimburse the Commission for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but are not limited to the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance and workers' compensation insurance.

14. CONTRACTOR AUDIT REQUIREMENTS

- A. All CONTRACTORS are required to have an annual financial audit. Each CONTRACTOR shall provide a copy of their annual audited financial statements to the Commission, covering the fiscal year that funds are received for services provided pursuant to this Contract. The audited financial statements will cover the CONTRACTOR's fiscal year and will include a statement of internal controls over

financial reporting. All audits shall be performed by a Certified Public Accountant (CPA) who possesses a valid license to practice within the State of California.

- B. Audited financial statements are to be submitted to the Executive Director, or designee, within one hundred and eighty (180) calendar days after the close of the CONTRACTOR's fiscal year for every year covered under this Contract. If the audited financial statements are not received on or before the required due date and an extension has not been granted, the audited financial statements shall be considered delinquent and immediate corrective action is required. If the CONTRACTOR fails to produce or submit acceptable audited financial statements, the Commission has the authority to withhold funding, and if necessary, secure an Auditor, and the CONTRACTOR shall be liable for all Commission costs incurred in obtaining an independent audit. The cost of the audit will be applied against the Contract encumbered amount, thereby reducing the amount of funding available to the program.

15. INVENTORIAL EQUIPMENT

- A. Inventoriable equipment includes equipment/fixed assets with a unit cost of \$1000 or more or if the aggregate cost of integral components required to fully operate the assembled equipment (i.e. computer processing unit, keyboard, monitor) total \$1,000 or more. Inventoriable equipment derived from approved purchases funded by Proposition 10 funds shall be maintained by the CONTRACTOR. CONTRACTOR shall use such capitalized equipment only for the purposes for which they were granted for children 0 through 5 years of age.
- B. The CONTRACTOR shall inventory and report any and all equipment purchases meeting this criterion, on the Commission Inventory Record Form. This record must be submitted within 45 days of purchase to the Commission's contract specialist assigned to the CONTRACTOR. ATTACHMENT-A: SCOPE OF WORK

Riverside University Health System/Public Health – Injury Prevention Services
Strategy: Water & Home Safety Education
Contract: 16119 OP
December 1, 2015 - November 30, 2016

The Riverside University Health System/Public Health - Injury Prevention Services (RUHS/PH-IPS) will provide a multi-faceted approach to decrease water-related injuries and drowning as a way to improve the health, safety and well-being of families throughout Riverside County. The county-wide approach includes:

- Community outreach workshops (conducted in English and Spanish);
- Professional Development workshops for identified Public Health Nurses and Social Workers providing direct services to families and community organizations; and
- Collaboration with Parks District to provide free swim lesson series.

The focus of this program will provide drowning prevention education to families, alongside swim lessons and self-rescue lessons to children, 0 through 5 years of age. In addition, there will be an emphasis on train-the-trainer workshops with professionals working with families.

Drowning is the leading cause of death for children 0 through 5 years of age in Riverside County. RUHS/PH-IPS has developed, and will maintain an active data tracking system for drownings in the County. The Submersion Incident Report Form (SIRF) will be used to track the quality and consistency of multi-agency drowning surveillance in Riverside County.

The majority of these reports indicate that submersions are related to lack of supervision. The single most important factor in pediatric drowning is the level of supervision. Many drowning injuries, both fatal and nonfatal, occur when a parent or caregiver leaves the scene for a short period or is distracted. The following strategies will be used with the overall aim to eliminate and/or significantly decrease water-related injuries and drowning in Riverside County.

Water and Home Safety Workshops

RUHS/PH-IPS will provide one hour educational water and home safety workshops (English and Spanish) to parent/caregivers throughout Riverside County utilizing an educational guide developed by injury prevention services focusing on topics such as drowning prevention facts sign-in sheets will verify attendance and pre/post surveys will measure learning objectives. All materials will be co-branded, bilingual and approved by First 5 Riverside.

Train the Trainer Workshops

RUHS/PH-IPS will collaborate with health and human service professionals to participate in “train the trainer” water and safety workshops. Instructional materials will be used as a guide in the 90-minute

workshops that will be offered to Public Health Nurses and Social Workers and other health professionals. Health professionals completing the training will sign a letter of commitment to provide family education using the tool kits. Participants will receive an evaluation at the conclusion of the training. These trained professionals will ensure tool kits are provided to parents through the provision of water safety education. All materials will be co-branded, bilingual and approved by First 5 Riverside. A pre and post-test will be used to assess the increased knowledge of water and safety education.

Swim Academy

RUHS/PH-IPS will partner with the Riverside County Regional Park and Open-Space District to offer self-rescue courses and swim lessons. RUHS/PH-IPS will establish an MOU with the Parks District to identify 150 children to participate in courses/lessons at the Cove Water Park in Jurupa Valley and Drop Zone Water Park in Perris, at no cost to the family.
