BACKGROUND:

Summary

By Minute Order dated January 12, 2016 (Agenda Item 3-15), the Board of Supervisors authorized the Clerk of the Board to advertise for the Van Buren Street Reconstruction and Sidewalk Project in the Coachella Valley, adjacent to the City of Indio.

The project consists of reconstruction of the existing pavement, road widening and constructing concrete curb, and gutter, on the east side of Van Buren Street. This segment of Van Buren Street, between 48th Avenue and Manila Avenue, is adjacent to Martin Van Buren Elementary School. Additionally, this project will construct approximately 800 linear feet of new sidewalk, including eight new access ramps and accessible driveways. Traffic improvements include removal of existing stripping and pavement markings, new signing, stripping, cross-walks, pavement markings and other work as may be required.

The County of Riverside Transportation Department recommends award of the following schedules of work in the Contract amount of \$469,520:

Base Bid Schedule:	Van Buren Street, street reconstruction and sidewalk improvements
Alternate Bid Schedule 1:	Carver Tract Mutual Water Corporation, facilities relocations
Alternate Bid Schedule 2:	Indio Water Authority, facilities relocations

The Reimbursement Agreements between the County of Riverside (County) and Carver Tract Mutual Water Corporation and Indio Water Authority to relocate water facilities within the project have been approved by Letter of Agreement, signed Carver Tract Mutual Water Corporation on April 1, 2015, and by Indio Water Authority on January 16, 2015.

The Contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents, which meet the requirements of the Contract.

Project Number: C1-0613 and C4-0049

Impact on Residents and Businesses

This project will improve pedestrian safety and provide an Americans with Disabilities Act (ADA) compliant path for all pedestrians, especially students and parents traveling to and from the Martin Van Buren Elementary School.

Public outreach informing the area residents, businesses and school will occur prior to and throughout construction. The work will be phased to keep the road open during construction. The construction duration set for this project is 40 working days, approximately two months, and construction is anticipated to be completed in the summer of 2016.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to Granite Construction Company for the total amount of \$469,520. The project will be funded with Gas Tax/HUTA funds and and partially funded with SB 821 Program through State Local Transportation Funds made available for use on bicycle and pedestrian facilities for which the County successfully competed. Additional funding by the Indio Water Authority and the Carver Tract Mutual Water Corporation will provide for the water facility relocations.

There are no General Funds used in this project.

Contract History and Price Reasonableness

A contract for these improvements was originally awarded to Cooley Construction, Inc. on October 28, 2014, under Agenda Item 3-26. Due to unanticipated issues, the contract with Cooley Construction, Inc. was terminated, without prejudice, on January 12, 2016, under Agenda Item 3-16.

Five bids were received on February 3, 2016, ranging from \$469,520 to \$622,000 (including Base Bid Schedule and Alternate Bid Schedules 1 and 2). The basis for the selection of a contractor is the lowest responsive and responsible bid.

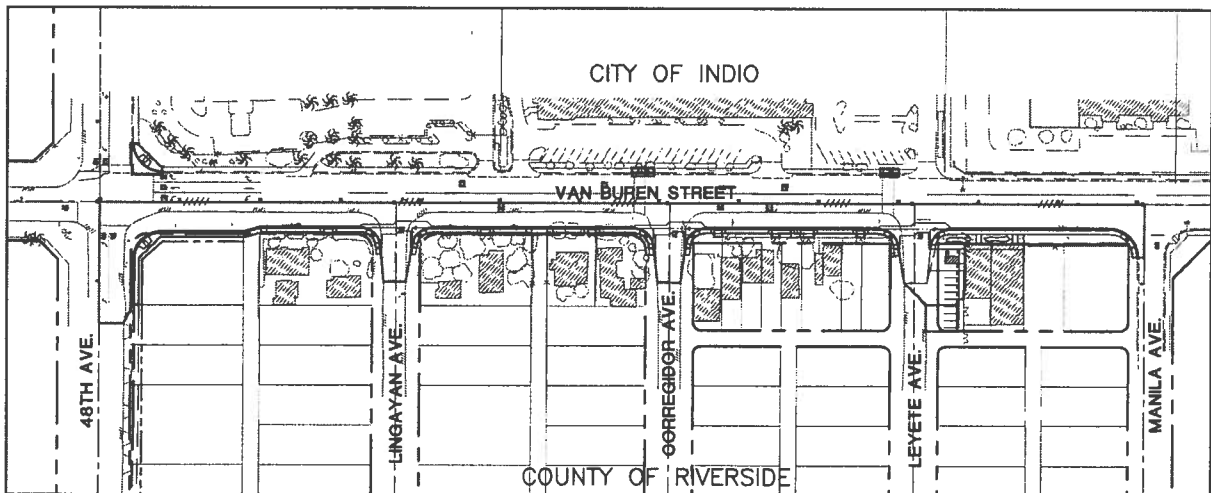

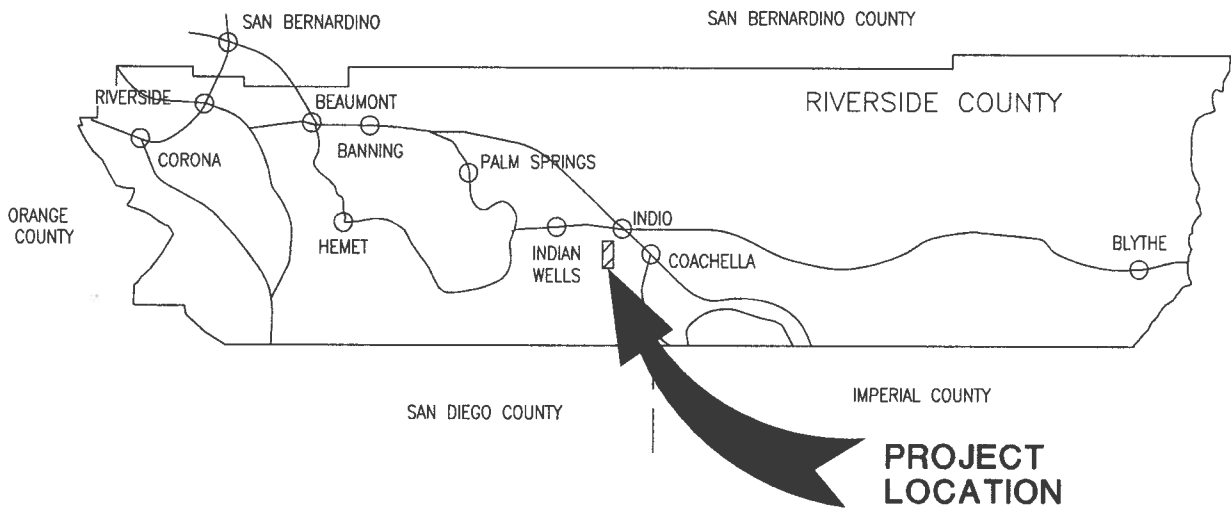

The lowest responsible bid was submitted by Granite Construction Company in the amount of \$469,520 which is \$10,480 (2%) lower than the Engineer's Estimate.

**BLANKET ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS --
WITH PRODUCTS-COMPLETED OPERATIONS COVERAGE**

It is understood and agreed that this endorsement amends the **COMMERCIAL GENERAL LIABILITY COVERAGE PART** as follows:

SCHEDULE (OPTIONAL)

Name of Additional Insured Persons Or Organizations
(As required by "written contract" per Paragraph A. below.)

Locations of Covered Operations
(As per the "written contract," provided the location is within the "coverage territory" of this Coverage Part.)

A. Section II - Who Is An Insured is amended to include as an additional insured:

1. Any person or organization whom you are required by "written contract" to add as an additional insured on this Coverage Part; and
2. The particular person or organization, if any, scheduled above.

B. The insurance provided to the additional insured is limited as follows:

1. The person or organization is an additional insured only with respect to liability for "bodily injury," "property damage," or "personal and advertising injury" caused in whole or in part by:
 - a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations specified in the "written contract"; or
 - b. "Your work" that is specified in the "written contract" but only for "bodily injury" or "property damage" included in the "products-completed operations hazard," and only if:
 - (1) The "written contract" requires you to provide the additional insured such coverage; and
 - (2) This Coverage Part provides such coverage.
2. If the "written contract" specifically requires you to provide additional insurance coverage via the 10/01 edition of CG2010 (aka CG 20 10 10 01), or via the 10/01 edition of CG2037 (aka CG 20 37 10 01), or via the 11/85 edition of CG2010 (aka CG 20 10 11 85), then in paragraph **B.1.** above, the words 'caused in whole or in part by' are replaced by the words 'arising out of'.
3. We will not provide the additional insured any broader coverage or any higher limit of insurance than:
 - a. The maximum permitted by law;
 - b. That required by the "written contract";
 - c. That described in **B.1.** above; or
 - d. That afforded to you under this policy,

whichever is less.

4. Notwithstanding anything to the contrary in Condition 4. **Other Insurance** (Section IV), this insurance is excess of all other insurance available to the additional insured whether on a primary, excess, contingent or any other basis. But if required by the "written contract" to be primary and non-contributory, this insurance will be primary and non-contributory relative to insurance on which the additional insured is a Named Insured.
5. The insurance provided to the additional insured does not apply to "bodily injury," "property damage," or "personal and advertising injury" arising out of:
 - a. The rendering of, or the failure to render, any professional architectural, engineering, or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities; or
 - b. Any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this Coverage Part.

C. SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

1. The **Duties In The Event of Occurrence, Offense, Claim or Suit** condition is amended to add the following additional conditions applicable to the additional insured:

An additional insured under this endorsement will as soon as practicable:

- (1) Give us written notice of an "occurrence" or an offense which may result in a claim or "suit" under this insurance, and of any claim or "suit" that does result;
- (2) Except as provided in Paragraph B.4. of this endorsement, agree to make available any other insurance the additional insured has for a loss we cover under this Coverage Part;
- (3) Send us copies of all legal papers received, and otherwise cooperate with us in the investigation, defense, or settlement of the claim or "suit"; and
- (4) Tender the defense and indemnity of any claim or "suit" to any other insurer or self insurer whose policy or program applies to a loss we cover under this Coverage Part. But if the "written contract" requires this insurance to be primary and non-contributory, this provision (4) does not apply to insurance on which the additional insured is a Named Insured.

We have no duty to defend or indemnify an additional insured under this endorsement until we receive from the additional insured written notice of a claim or "suit."

- D. Only for the purpose of the insurance provided by this endorsement, **SECTION V – DEFINITIONS** is amended to add the following definition:

"Written contract" means a written contract or written agreement that requires you to make a person or organization an additional insured on this Coverage Part, provided the contract or agreement:

1. Is currently in effect or becomes effective during the term of this policy; and
2. Was executed prior to:
 - a. The "bodily injury" or "property damage"; or
 - b. The offense that caused the "personal and advertising injury,"

for which the additional insured seeks coverage under this Coverage Part.

All other terms and conditions of the Policy remain unchanged.

Waiver of Transfer of Rights of Recovery Against Others to Us

Under SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS, The Transfer Of Rights Of Recovery Against Others To Us Condition is amended by the addition of the following:

We waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of:

1. Your ongoing operations; or
2. "Your work" included in the "products completed operations hazard."

However, this waiver applies only when you have agreed in writing to waive such rights of recovery in a contract or agreement, and only if the contract or agreement:

1. Is in effect or becomes effective during the term of this policy; and
2. Was executed prior to loss.

DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s):

Any construction project as required by a written contract or agreement that was executed prior to the date of loss.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits."
 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C.
