FORM 11: Resolution No. 2016-085, Notice of Intention to Convey Fee Simple Interest in Real Property in the City of Lake Elsinore to the City of Lake Elsinore, District 1 [\$0]

DATE: May 5, 2016

PAGE: 2 of 2

BACKGROUND:

Summary

On January 7, 1963 the property was conveyed via Quitclaim Deed from the City of Lake Elsinore to the County of Riverside with a reversionary clause, stating, "in the event that the premises herein conveyed shall cease to be used by the Grantee for County Government purposes and the maintenance of a building or buildings thereon for such uses, the property shall revert to the City of Lake Elsinore, free and clear of any claim of the Grantee to own or possess the same." The property was previously used by the County as a Sheriff Station. A new Sheriff Station was built across the street so the property is no longer in use by the County.

Pursuant to Government Code Section 25365, a county may transfer interests in real property, belonging to the county to another public agency, upon the terms and conditions as are agreed upon and without complying with any other provisions of the Government Code, if the property or interest therein to be conveyed is not required for county use. The County of Riverside intends to convey a Fee Simple Interest in Real Property located in the Lake Elsinore area, County of Riverside, Assessor's Parcel Number 374-252-002 by Grant Deed, to the City of Lake Elsinore, more particularly described in Exhibit A, Legal Description attached hereto, attached to Resolution 2016-085, and depicted in the aerial image.

This resolution has been reviewed and approved by County Counsel as to legal form.

Impact on Citizens and Businesses

The facility has been vacant for more than a decade and any new use has the potential for drawing more people to the downtown area and increasing opportunities for business and improving the quality of life for Lake Elsinore residents.

SUPPLEMENTAL:

Additional Fiscal Information

There are no Net County Costs and no budget adjustment is required.
