The following is a copy of Subdivisions A and B of

recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference

in said Deed of Trust as being a part thereof as if set forth.

A To protect the security of this Deed of Trust, Trustee agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine. On the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustee. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear; and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay, at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, pay, purchase, contest or compromise any incumbrance, charge or lien which for its adjustment or other appears to be prior or superior hereto, and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the same rate set forth in the Note secured by this Deed of Trust, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. it is mutually agreed:

(1) That any award of damages in connection with a tax condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

(5) That as additional security, Trustor hereby gives to and enters upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable; Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed and note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recording of said notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

(8) That this Deed applies to, unites to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter; and the singular number includes the plural.

(9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

DO NOT RECORDED

TO TRUSTEE:

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay, at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all incumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any incumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the same rate set forth in the Note secured by this Deed of Trust, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. it is mutually agreed:

(1) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

(5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of a written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

, herein called TRUSTOR,

whose address is **P.O. Box 2104, Blue Jay, CA 92352**
 (number and street) (city) (state) (zip)

RESS Financial Corporation

, herein called TRUSTEE, and

Nina Dohoda

, herein called BENEFICIARY,

Witnesseth: That Trustor IRREVOCABLY GRANTS, TRANSFERS AND ASSIGNS TO TRUSTEE IN TRUST, WITH POWER OF SALE, that property in the City of **Banning**, County of **Riverside**, California, described as:

The Southerly 236 feet of the West half of Lot 8 of the Waverly Tract, in the City of Banning, County of Riverside, State of California, as per map recorded in Book 8, Page 44 of Maps, in the office of the County Recorder of said County.

Together With the rents, issues and profits thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

For the Purpose of Securing:

1. Performance of each agreement of Trustor herein contained. 2. Payment of the indebtedness evidenced by one promissory note of even date herewith, and any extension or renewal thereof, in the principal sum of \$ **400,000.00** executed by Trustor in favor of Beneficiary or order. 3. Payment of such further sums as the then record owner of said property hereafter may borrow from Beneficiary, when evidenced by another note (or notes) reciting it is so secured.

To Protect the Security of This Deed of Trust, Trustor Agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all incumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any incumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

(6) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(7) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(8) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(9) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto". Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them).

(10) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(11) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(12) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

(13) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(14) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to him at his address hereinbefore set forth.

Hello Jennifer,

I am submitting the information requested in regard to my claim on excess proceeds. I have corrected the amount from \$300,141.26 to \$275,321.88 and have attached the requested documentation and amortization schedules. I submitted based on the information given to me from my original attorney and have corrected the claim to give credit for pre-payments made during the course of the loan. I have attached my personal spreadsheet which kept track of payments made since 2009, and the amortization scheduled that accounts for the monthly prepayment of \$336.83.

Please note that there was NO property settlement payment made in September of 2011, so the balance due is reflected in May 2014, not June 2014.

Please contact me at my cell, 714-388-4136 or office, 562-945-4500 x 165 if you should have any questions about the documentation.

I look forward to hearing from you.
Blessings,

Nina Dohoda

Amortization Schedule

The monthly payment for a \$400,000.00 loan at 5.00% anual interest rate will be \$3,163.17 per payment. This amount should be paid to the lender, bank or lending institution for 15 years. The loan amortization table below shows your monthly payment divided into two portions. One portion is put towards interest (**interest paid**), while the other portion goes towards principal (**principal paid**). As you can see, initially a larger amount is applied towards interest and as the loan matures the portion applied towards the outstanding principal balance gets larger and larger.

Please note that if you are calculating a mortgage loan, property taxes, property insurance and private mortgage insurance is neglected in the calculation, they will increase the amount of your regular periodic payments.

EXCERPTS FROM CALIFORNIA REVENUE AND TAXATION CODE

18670. NOTICE TO WITHHOLD, HOW SERVED

(a) The Franchise Tax Board may by notice, served personally or by first-class mail, require any employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state, having in their possession, or under their control, any credits or other personal property or other things of value, belonging to a taxpayer or to an employer or person who has failed to withhold and transmit amounts due pursuant to this article, to withhold, from the credits or other personal property or other things of value, the amount of any tax, interest, or penalties due from the taxpayer or the amount of any liability incurred by that employer or person for failure to withhold and transmit amounts due from a taxpayer under this part and to transmit the amount withheld to the Franchise Tax Board at the times that it may designate. However, in the case of a depository institution, as defined in Section 19(b) of the Federal Reserve Act 12 U.S.C. Sec. 461(b)(1)(A), amounts due from a taxpayer under this part shall be transmitted to the Franchise Tax Board not less than 10 business days from receipt of the notice. To be effective, the notice shall state the amount due from the taxpayer and shall be delivered or mailed to the branch or office reported in information returns filed with the Franchise Tax Board, or the branch or office where the credits or other property is held, unless another branch or office is designated by the employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state.

(b) (1) At least 45 days before sending a notice to withhold to the address indicated on the information return, the Franchise Tax Board shall request a depository institution to do either of the following:

(A) Verify that the address on its information return is its designated address for receiving notices to withhold.

(B) Provide the Franchise Tax Board with a designated address for receiving notices to withhold.

(2) Once the depository institution has specified a designated address pursuant to paragraph (1), the Franchise Tax Board shall send all notices to that address unless the depository institution provides notification of another address. The Franchise Tax Board shall send all notices to withhold to a new designated address 30 days after notification.

(3) Failure to verify or provide a designated address within 30 days of receiving the request shall be deemed verification of the address on the information return as the depository institution's designated address.

(c) Any corporation or person failing to withhold the amounts due from any taxpayer and transmit them to the Franchise Tax Board after service of the notice shall be liable for those amounts. However, in the case of a depository institution, if a notice to withhold is mailed to the branch where the account is located or principal banking office, the depository institution shall be liable for a failure to withhold only to the extent that the accounts can be identified in information normally maintained at that location in the ordinary course of business.

18672. FAILURE TO WITHHOLD, LIABILITY

Any employer or person failing to withhold the amount due from any taxpayer and transmit the same to the Franchise Tax Board after service of a notice pursuant to Section 18670 or 18671 is liable for those amounts.

18674. WITHHOLD AGENT, MUST PAY WITHOUT RESORTING TO ACTION

(a) Any employer or person required to withhold and transmit any amount pursuant to this article shall comply with the requirement without resort to any legal or equitable action in a court of law or equity. Any employer or person paying to the Franchise Tax Board any amount required by it to be withheld is not liable therefor to the person from whom withheld unless the amount withheld is refunded to the withholding agent. However, if a depository institution, as defined in 12 U.S.C. Section 461 (b)(1)(A) withholds and pays to the Franchise Tax Board pursuant to this article any monies held in a deposit account in which the delinquent taxpayer and another person or persons have an interest, or in an account held in the name of a third party or parties in which the delinquent taxpayer is ultimately determined to have no interest, the depository institution paying those monies to the Franchise Tax Board is not liable therefor to any of the persons who have an interest in the account, unless the amount withheld is refunded to the withholding agent.

(b) In the case of a deposit account or accounts for which this notice to withhold applies, the depository institution shall send a notice by first-class mail to each person named on the account or accounts included in the notice from the Franchise Tax Board, provided a current address for each person is available to the institution. This notice shall inform each person as to the reason for the hold placed on the account or accounts, the amount subject to being withheld and the date by which this amount is to be remitted to the Franchise Tax Board. The Franchise Tax Board has issued an ORDER TO WITHHOLD to the addressee shown above under authorization of Section 18670 of the California Revenue and Taxation Code to enforce payment of an amount due for California Personal Income Tax.

The addressee has been instructed to deduct and withhold the amount due, shown above, from any credits or payments of any nature due, owing, and unpaid to you. Such credits and payments include, but are not limited to, deposits in financial institutions, declared dividends, rents, royalties, deposits in vacation or holiday trust funds, Individual Retirement Accounts, Keogh Accounts and other personal property in the possession of or controlled by the addressee.

The amount withheld by the addressee will be paid to the Franchise Tax Board and applied to your account for the tax years noted above. You should determine the amount withheld by the addressee and, if it is less than the amount due, you should forward payment of the remaining unpaid balance immediately to avoid further collection action. Please make your check or money order payable to the FRANCHISE TAX BOARD, attach it to this notice, and mail it to the Franchise Tax Board office shown at the top of this page.

EXCERPTS FROM CALIFORNIA REVENUE AND TAXATION CODE

18670. NOTICE TO WITHHOLD, HOW SERVED

(a) The Franchise Tax Board may by notice, served personally or by first-class mail, require any employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state, having in their possession, or under their control, any credits or other personal property or other things of value, belonging to a taxpayer or to an employer or person who has failed to withhold and transmit amounts due pursuant to this article, to withhold, from the credits or other personal property or other things of value, the amount of any tax, interest, or penalties due from the taxpayer or the amount of any liability incurred by that employer or person for failure to withhold and transmit amounts due from a taxpayer under this part and to transmit the amount withheld to the Franchise Tax Board at the times that it may designate. However, in the case of a depository institution, as defined in Section 19(b) of the Federal Reserve Act (12 U.S.C.A. Sec. 461(b)(1) (A)), amounts due from a taxpayer under this part shall be transmitted to the Franchise Tax Board not less than 10 business days from receipt of the notice. To be effective, the notice shall state the amount due from the taxpayer and shall be delivered or mailed to the branch or office reported in information returns filed with the Franchise Tax Board, or the branch or office where the credits or other property is held, unless another branch or office is designated by the employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter or a political body not a subdivision or agency of the state.

(b) (1) At least 45 days before sending a notice to withhold to the address indicated on the information return, the Franchise Tax Board shall request a depository institution to do either of the following:

(A) Verify that the address on its information return is its designated address for receiving notices to withhold.

(B) Provide the Franchise Tax Board with a designated address for receiving notices to withhold.

(2) Once the depository institution has specified a designated address pursuant to paragraph (1), the Franchise Tax Board shall send all notices to that address unless the depository institution provides notification of another address. The Franchise Tax Board shall send all notices to withhold to a new designated address 30 days after notification.

(3) Failure to verify or provide a designated address within 30 days of receiving the request shall be deemed verification of the address on the information return as the depository institution's designated address.

(c) Any corporation or person failing to withhold the amounts due from any taxpayer and transmit them to the Franchise Tax Board after service of the notice shall be liable for those amounts. However, in the case of a depository institution, if a notice to withhold is mailed to the branch where the account is located or principal banking office, the depository institution shall be liable for a failure to withhold only to the extent that the accounts can be identified in information normally maintained at that location in the ordinary course of business.

18672. FAILURE TO WITHHOLD, LIABILITY

Any employer or person failing to withhold the amount due from any taxpayer and to transmit the same to the Franchise Tax Board after service of a notice pursuant to Section 18670 is liable for such amounts.

18674. WITHHOLD AGENT, MUST PAY WITHOUT RESORTING TO ACTION

(a) Any employer or person required to withhold and transmit any amount pursuant to this article shall comply with the requirement without resort to any legal or equitable action in a court of law or equity. Any employer or person paying to the Franchise Tax Board any amount required by it to be withheld is not liable therefor to the person from whom withheld unless the amount withheld is refunded to the withholding agent. However, if a depository institution, as defined in 12 U.S.C. Sec. 461(b)(1)(A) withholds and pays to the Franchise Tax Board pursuant to this article any moneys held in a deposit account in which the delinquent taxpayer and another person or persons have an interest, or in an account held in the name of a third party or parties in which the delinquent taxpayer is ultimately determined to have no interest, the depository institution paying those moneys to the Franchise Tax Board is not liable therefor to any of the persons who have an interest in the account, unless the amount withheld is refunded to the withholding agent.

(b) In the case of a deposit account or accounts for which this notice to withhold applies, the depository institution shall send a notice by first-class mail to each person named on the account or accounts included in the notice from the Franchise Tax Board, provided that a current address for each person is available to the institution. This notice shall inform each person as to the reason for the hold placed on the account or accounts, the amount subject to being withheld, and the date by which this amount is to be remitted to the Franchise Tax Board. An institution may assess the account or accounts of each person receiving this notice a reasonable service charge not to exceed three dollars (\$3).
